Purpose of Form—This form is to be used by a corporation or limited liability pass-through entity required by KRS 141.042 and KRS 141.044 to file a declaration of estimated tax to: (i) compute the underpayment penalty as provided by KRS 131.180(3) and KRS 141.990; and (ii) compute the interest on any late payment or underpayment of an estimated tax installment as provided by KRS 131.183(2).

PART I—EXCEPTION

KRS 141.990(3) provides that a penalty shall not apply if the estimated tax payments made by a corporation or limited liability pass-through entity are equal to the income tax due under KRS 141.040 for the previous taxable year, and the income tax due under KRS 141.040 for the previous year was equal to or less than \$25,000. If the corporation or limited liability pass-through entity meets this exception, check the box and complete Lines 1 and 2 showing the prior year income tax liability and the current year estimated tax payments.

PART II—FIGURING THE UNDERPAYMENT AND PENALTY

KRS 141.990(3) provides that unless a corporation or limited liability pass-through entity meets the exception in Part I of this form, a corporation's or limited liability pass-through entity's declaration underpayment is determined by subtracting \$5,000 and the estimated tax payments actually made from 70% of the income tax liability due under KRS 141.040 as computed on the tax return filed for the tax year. If the corporation or limited liability pass-through entity has a declaration underpayment, complete Lines 1 through 7 to compute the underpayment penalty as provided by KRS 131.180(3).

PART III—LATE PAYMENT INTEREST

KRS 141.042(4) provides the due date of each estimated tax payment and KRS 141.044(1) provides the amount of each estimated tax payment. KRS 131.183(2) provides that interest shall accrue at the tax interest rate as provided by KRS 141.183(1), if a corporation or limited liability pass-through entity fails to pay the tax due on or before the due date prescribed.
