Individuals who are residents of Kentucky for the entire tax year must use Form 740 or Form 740-EZ. Persons who maintain a permanent residence in Kentucky (i.e., are domiciled in Kentucky) are considered residents. Persons not domiciled in Kentucky but who live in Kentucky for more than 183 days during the tax year are also considered residents.

Full-year nonresidents must report all income from Kentucky sources (including distributive share income, Schedule K-1), from activities carried on in Kentucky or from the performance of services in Kentucky, and from property located in Kentucky.

Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents.

Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. **Reciprocity does not apply to persons who live in Kentucky for more than 183 days during the tax year.** The states and types of exemptions are as follows:

Illinois, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a "twenty (20) percent or greater" direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Virginia—commuting daily, salaries and wages

Taxpayers who qualify for this exemption and have no other Kentucky taxable income should file Form 740-NP-R, Kentucky Income Tax Return, Nonresident-Reciprocal State, to obtain a refund. Also, nonresidents who qualify for the exemption should file Form 42A809, Certificate of Nonresidence, with their employer to exempt their future wages from Kentucky withholding.

Gambling income and distributive share income (Schedule K-1) are not exempt under reciprocal agreements. This income is fully taxable. A complete return must be filed if filing requirements are met.

Military Personnel—Members of the Armed Forces are required to file state income tax returns with their state of legal domicile, which usually is the state of residence prior to entering military service. Nonresident military personnel with civilian jobs in Kentucky are required to report this income on Form 740-NP except residents of reciprocal states (see reciprocal states above). Any income from nonmilitary Kentucky sources is also taxable.

Any income earned in a **combat zone** that is exempt for federal tax purposes is also exempt for Kentucky tax purposes.

A **civilian spouse** who lives or works in Kentucky may be required to file as resident, part-year resident or nonresident based on the situation (see above).

Military Personnel Eligible for Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential

WHO MUST FILE FORM 740-NP—Form 740-NP must be used by full-year nonresidents who had income from Kentucky sources and by part-year residents who had income while a Kentucky resident or from Kentucky sources while a nonresident. These persons must file Form 740-NP if (1) they had **any gross income** from Kentucky sources **and gross income from all sources** in excess of modified gross income for their family size, or (2) Kentucky gross receipts from self-employment in excess of modified gross income for their family size. See Chart A on page 2.

proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

MODIFIED GROSS INCOME AND FAMILY SIZE (Use With Chart A)

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children. Family size is limited to four.

Qualifying Dependent Child—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer's qualifying child, a person must satisfy four tests:

- **Relationship**—The taxpayer's child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.
- **Residence**—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents. Other federal exceptions apply.
- **Age**—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.
- **Support**—Did not provide more than one-half of his/her own support for the year.

Modified Gross Income—Modified gross income is the greater of federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income; **or** Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

WHENTO FILE—April 15, 2010, is the filing deadline for persons reporting income for calendar year 2009. To avoid penalties and interest, returns must be postmarked no later than April 15, 2010.

SSN NEEDED—Put Your Social Security Number on Your Return—To protect your privacy, your Social Security number (SSN) is not printed on the peel-off label. This means that you must enter your SSN in the appropriate boxes on your return. If you are married, also enter your spouse's SSN.

ADDRESS LABELS—Use the preprinted, bar-coded labels provided. The primary Social Security number has been converted to UPC bar code that can be read by scanners. This will enable us to tell you that your return has been

received. If the address is incorrect, draw a line through the incorrect information and print the correct address. If the name is incorrect, discard the labels and print the requested information in the blocks provided.

AMENDED RETURNS—If you discover that you omitted deductions or otherwise improperly prepared your return, you may obtain a refund by filing an amended return within four years of the due date of the original return. You are required to file an amended return to report omitted income.

When filing an amended return, check the box on Form 740-NP and attach a detailed explanation of the changes to income, deductions and tax. Submit a completed Kentucky return and corrected federal schedules, if applicable. If you do not attach the required information, processing of your amended return may be delayed.

COMPOSITE RETURNS—Beginning with tax year 2009, the filing of a composite return on Form 740-NP is no longer allowed. **You must use Form 740NP-WH, Kentucky Nonresident Income Tax Withholding on Net Distributive Share Income Transmittal Report and Composite Income Tax Return.**

CONFIDENTIALITY—Kentucky Revised Statute 131.190 requires the Department of Revenue to maintain strict confidentiality of all taxpayer records. No employee of the Department of Revenue may divulge any information regarding the tax returns, schedules or reports required to be filed. However, the Department of Revenue is not prohibited from providing evidence to or testifying in any court of law concerning official tax records.

The department may provide official information on a confidential basis to the Internal Revenue Service or to any other governmental agency with which it has an exchange of information agreement whereby the department receives similar or useful information in return.

REPORTING PERIODS AND ACCOUNTING PROCEDURES—Kentucky law requires taxpayers to report income on the same calendar or fiscal year and to use the same methods of accounting as required for federal income tax purposes. Any federally approved change in accounting period or methods must be reported to the Kentucky Department of Revenue. Attach a copy of the federal approval.

Changes to federal income tax law made after the Internal Revenue Code reference date contained in KRS 141.010(3) shall not apply for purposes of Chapter 141 unless adopted by the General Assembly.

POLITICAL PARTY FUND DESIGNATION—You may designate that a portion of your taxes will be paid to either the Democratic or Republican parties if you have a tax liability of at least \$2 (\$4 for married persons filing joint returns). *This designation will not increase your tax or decrease your refund.* You may make this designation by checking the applicable box. A husband and wife may each make a designation. Persons making no designation should check the "No Designation" box.

FILING STATUS—*Legal liabilities are affected by the choice of filing methods.* Married persons who file joint returns are jointly and severally liable for all income taxes due for the period covered by the return. If married, you may file separate or joint returns. **Most married persons pay less tax if they file separate returns.**

Filing Status 1, Single—Use this filing status if you are unmarried, divorced, widowed, legally separated by court decree, or if you filed as "Head of Household" or "Qualifying Widow(er)" on your federal return.

Filing Status 2, Married Filing Joint Return—Use this filing status if you and your spouse choose to file a joint return even if one spouse had no income. Jointly means that you and your spouse add your incomes together and report the total on page 4, Section D, Column B, Lines 1 through 34.

Filing Status 3, Married Filing Separate Returns—If using this filing status, you and your spouse must file two separate tax forms. The husband's income is reported on one tax form, the wife's on the other. When filing separate returns, the name and Social Security number of each spouse must be entered on both returns. Enter the spouse's Social Security number in the block provided, and enter the name on page 1, Line 3.

DETERMINING YOUR INCOME

SECTION D—INCOME/ADJUSTMENTS TO INCOME

A copy of pages 1 and 2 of your federal income tax return and all supporting schedules must be filed with Kentucky Form 740-NP. Please clearly identify as "Copy."

INSTRUCTIONS FOR COLUMN A

All entries in Column A should be amounts reported for federal income tax purposes.

Depreciation—Assets Purchased After September 10, 2001

Effective for taxable years ending after September 10, 2001, an individual that for federal income tax purposes elects to utilize the 30 percent or the 50 percent special depreciation allowance or the increased 179 deduction will have a different depreciation and Section 179 deduction for Kentucky purposes than for federal purposes. The differences will continue through the life of the assets. There will be recapture and basis differences for Kentucky and federal income tax purposes until the assets are sold or fully depreciated.

INSTRUCTIONS FOR COLUMN B

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—*Important: Follow the instructions for Reporting Depreciation and Section 179 Deduction Differences if you have elected for federal income tax purposes to take the 30 percent or the 50 percent special depreciation allowance or the increased Section 179 deduction for property placed in service after September 10, 2001. A copy of the federal Form 4562 if filed for federal income tax purposes must be submitted with Form 740-NP to verify that no adjustments are required.*

Reporting Depreciation and Section 179 Deduction Differences for property placed in service after September 10, 2001—Create a Kentucky Form 4562 by entering **Kentucky** at the top center of a federal Form 4562 above Depreciation and Amortization. In Part I replace the \$250,000 maximum amount on Line 1 with the Kentucky limit of \$25,000 and replace the \$800,000 threshold amount on Line 3 with the Kentucky phase-out threshold of \$200,000. In Part II, strike through and ignore Line 14, Special depreciation allowance for qualified property placed in service during the tax year. Use the **created Kentucky Form 4562** to compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001.

Note: In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 is Kentucky net income before the Section 179 deduction, instead of federal taxable income. Adjust federal Schedules C, E and F for the difference in allowable depreciation and report in Column B the Kentucky income (loss) from business, farming or rental property. **Attach Kentucky Form 4562 and, if filed, federal Form 4562.**

Line 1, Wages, Salaries, Tips, etc.—Enter all wages, salaries, tips, bonuses, commissions or other compensation received for personal services from Kentucky sources while a nonresident and from all sources while a resident of Kentucky. Do not include in this amount any reimbursement for moving expenses included in Kentucky wages on your wage and tax statement.

Line 2, Moving Expense Reimbursement—See instructions for Schedule ME.

Line 3, Interest—Interest income received while a Kentucky resident must be reported, except for the following: (a) income from bonds issued by the Commonwealth of Kentucky and its political subdivisions; and (b) income from U.S. government bonds or securities. Interest income from bonds issued by other states and their political subdivisions is taxable to Kentucky and must be included on Line 3.

Line 4, Dividends—Report dividends received while a resident of Kentucky and the distributive share of the dividend income reflected on the Schedule K-1.

Line 5, Taxable Refunds, Credits or Offsets of Local Income Taxes—Enter the amount of taxable local income tax refund or credit reported on your federal return only if you received a tax benefit in a prior year.

Line 6, Alimony Received—Enter alimony payments received while a Kentucky resident.

Lines 7 and 12, Profit or (Loss) from Business or Farming—*For income taxable to Kentucky, complete and attach federal Schedule C or C-EZ for business income or federal Schedule F for farming and Form 4562, Depreciation and Amortization. Do not adjust wages by the federal work opportunity credit from federal Form 5884. For passive activities, see Form 8582-K. Do not include income from the national tobacco settlement agreement. Adjust income for the difference in allowable depreciation and report in Column B.*

Note: Individual owners of disregarded single member LLCs (SMLLCs) that file on Schedules C, E, or F for federal income tax shall file Form 725, Kentucky Single Member LLC Individually Owned LLET Return, to compute and pay the limited liability entity tax. The individual member shall report income or loss from the entity and determine credit in the same manner as other pass-through entities (PTEs).

Lines 8 and 9, Gain or (Loss) from Sale or Exchange of Assets—Gains (losses) on sales of assets (including installment sales) while a Kentucky resident must be reported on the Kentucky return. Gains (losses) on sales of tangible assets located in Kentucky must be reported regardless of state of residence. Generally, gains (losses) on sales of intangible assets are reported to the state of residence.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year you dispose of assets placed in service after September 10, 2001, on which the 30 percent or the 50 percent special depreciation allowance or the increased Section 179 deduction was taken for federal income tax purposes, you will need to determine and report the difference in the amount of gain or loss on the assets as follows:

Create a Kentucky form by entering **Kentucky** at the top center of a federal Schedule D, federal Form 4797 and other applicable federal forms. Compute Kentucky gain or loss from the disposed assets using the Kentucky basis. Enter the Kentucky gain or loss on the appropriate line. **Attach the created Kentucky Schedule D, Kentucky Form 4797 and other forms or schedules to support the deduction.**

Line 10(a), Federally Taxable IRA Distributions, Pensions and Annuities—Enter on Line 10(a), Column A, the total of IRA distributions, pensions and annuities received for the entire year. Enter on Line 10(a), Column B, the total of IRA distributions, pensions and annuities received while a resident of Kentucky.

Line 10(b), Pension Income Exclusion—You may exclude up to \$41,110 of pension income reported on Line 10(a), Column B. If Line 10(a), Column B, is more than \$41,110 and is from the federal government, Commonwealth of Kentucky or Kentucky local governments, complete Schedule P.

Line 11, Income from Schedule E—Enter income from rents, royalties, partnerships, estates, trusts, limited liability companies (LLC), S corporations and REMICs. Nonresident individuals receiving a Kentucky Schedule K-1 from a partnership, estate, trust, LLC or S corporation must report their distributive share of the income, gains or losses, etc., as reflected on the Schedule K-1. Shareholders and partners should multiply their distributive share items by the taxable percentage from Schedule K-1; Form 720S, Line B(2); Form 765, Line D(2) and Form 765-GP, Line C(2).

Part-year residents not receiving a Kentucky Schedule K-1, but receiving a federal K-1 from a partnership, estate, trust or S corporation, must report the same amount of distributive income, gains or losses, etc., as reported for federal income tax purposes from entities whose taxable years end during their period of residence.

Do not include in Column B the net income from an S corporation subject to the franchise tax imposed under KRS 136.505 or the capital stock tax imposed under KRS 136.300.

Report income from real estate mortgage investment conduits (REMICs) as follows: (1) if the REMIC is a corporation, include only distributions of cash or property during the taxable year; or (2) if other than a corporation, report the same amount as reported for federal income tax purposes for the taxable year.

Note: Individual owners of disregarded single member LLCs (SMLLCs) that file on Schedules C, E, or F for federal income tax shall file Form 725, Kentucky Single Member LLC Individually Owned LLET Return, to compute and pay the limited liability entity tax. The individual member shall report income or loss from the entity and determine credit in the same manner as other PTEs.

Line 13, Unemployment Compensation—Report unemployment compensation while a resident or from Kentucky sources while a nonresident.

Note: Be sure to also include the amount of unemployment compensation excluded from your federal return under the American Recovery and Reinvestment Act (ARRA). The first \$2,400 of unemployment benefits an individual receives in 2009 are tax free for federal purposes. However, because Kentucky has not adopted this legislation, **ALL** unemployment compensation received while a resident or from Kentucky sources will still be considered income for Kentucky purposes.

Line 14, Taxable Social Security Benefits—Social Security benefits are not taxable for Kentucky.

Line 15, Gambling Winnings—Report income from lottery winnings and gambling received while a Kentucky resident or from Kentucky sources while a nonresident.

Line 16, Other Income—Report income from prizes, awards, or any sources not listed above while a Kentucky resident or from Kentucky sources while a nonresident. Also, include any

Net Operating Loss Deduction—A Kentucky net operating loss deduction (KNOLD) must be computed using Kentucky income and deduction amounts. The federal net operating loss deduction is not allowed. The KNOLD should be included as a negative amount on Line 16. If the loss is from a business outside Kentucky, none of the loss may be used. Kentucky returns must be filed for the year of the loss and for all years for which the loss is utilized. Attach schedule showing computation.

Note: For 2005 and future years, the carryback of net operating losses to prior years is no longer allowed. Net operating losses may be carried forward for up to 20 years. Documentation to substantiate any loss must be available to the Department of Revenue upon request.

Artistic Charitable Contributions—A deduction is allowed for "qualified artistic charitable contributions" of any literary, musical, artistic or scholarly composition, letter or memorandum, or similar property.

An amount equal to the fair market value of the property on the date contributed is allowable as a deduction. However, the deduction is limited to the amount of the taxpayer's Kentucky artistic adjusted gross income for the taxable year. This amount should be included as a negative amount on Line 16.

The following requirements for a deduction must be met:

- (a) The property must have been created by the personal efforts of the taxpayer at least one year prior to the date contributed. The creation of this property cannot be related to the performance of duties while an officer or employee of the United States, any state or political subdivision thereof.
- (b) A written appraisal of the fair market value of the contributed property must be made by a qualified independent appraiser within one year of the date of the contribution. A copy of the appraisal must be attached to the tax return.
- (c) The contribution must be made to a qualified tax-exempt organization.

ADJUSTMENTS TO INCOME

KRS 141.010(10) and (11) provide that deductions are limited to amounts allocable to income subject to taxation. If a deduction or an adjustment to gross income is allowable based upon the receipt of certain types of income or is limited to a maximum amount deductible for federal income tax purposes, the Kentucky income used to determine the amount allowable for Kentucky shall be the same type of income used to allow the deduction on the federal return. Persons who move into or out of Kentucky during the year are limited to either the adjustments to gross income paid during the period of residence or that portion of adjustments to gross income that Kentucky income bears to total income. Line 25, Penalty on Early Withdrawal of Savings—You may deduct the interest penalty only if the interest income has been reported to Kentucky.

Line 27, Individual Retirement Arrangements (IRAs)—The deduction cannot exceed income earned in Kentucky. Contributions made by full-year nonresidents are limited to the percentage of their Kentucky earned income to their federal earned income. Use federal worksheets and instructions with the above limitations.

Line 30, Domestic Production Activities Deduction—A part-year resident or full-year nonresident individual is allowed a portion of the federal Domestic Production Activities Deduction (DPAD) for purposes of computing Kentucky taxable income, determined by multiplying the federal DPAD by a fraction, the numerator of which is the Kentucky Domestic Production Gross Receipts (KDPGR) and the denominator is federal Domestic

Production Gross Receipts (DPGR). Further, the DPAD cannot exceed 50% of Kentucky W-2 wages allocable to DPGR. A pass-through entity is required to attach information containing each individual partner's, member's or shareholder's distributive share of DPGR, KDPGR and Kentucky W-2 wages allocable to DPGR to each individual partner's, member's or shareholder's Kentucky Schedule K-1 for purposes of making this calculation.

Line 31, Long-Term Care Insurance Premiums—Long-term care insurance premiums deducted by full-year nonresidents are limited to the percentage of their Kentucky total income (Line 17, Column B) to their federal total income (Line 17, Column A). Do not claim amounts as an itemized deduction.

EXTENSION OF TIME TO FILE

Taxpayers who are unable to file a return by April 15, 2010, may request an extension. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. The request for the extension must be submitted in writing to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Extensions are limited to six months. **A copy of the Kentucky extension request must be attached to the return.**

Individuals who receive a federal extension are not required to obtain a separate Kentucky extension. They can meet the requirements by attaching a copy of the application for automatic federal extension or the **approved** federal extension to the Kentucky return.

Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Interest at the "tax interest rate" applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a late payment penalty may be assessed (minimum

penalty is \$10). Interest and late payment penalty charges can be avoided by remitting payment with the Extension Payment Voucher by the due date.

If you wish to make a payment prior to the due date of your tax return, complete Section II of the Application for Extension of Time to File, Form 40A102, and remit with payment. Write "KY Income Tax—2009" and your Social Security number on the face of the check.

Personal Property—Kentucky taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort. Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for these returns is May 15.

SECTION A—BUSINESS INCENTIVE AND OTHER TAX CREDITS

Line 1, Nonrefundable Limited Liability Entity Tax Credit (KRS 141.0401(2))

An individual that is a partner, member or shareholder of a limited liability pass-through entity is allowed a limited liability entity tax (LLET) credit against the income tax imposed by KRS 141.020 equal to the individual's proportionate share of LLET computed on the gross receipts or gross profits of the limited liability pass-through entity as provided by KRS 141.0401(2), after the LLET is reduced by the minimum tax of \$175 and by other tax credits which the limited liability pass-through entity may be allowed. The credit allowed an individual that is a partner, member, or shareholder of a limited liability pass-through entity against income tax shall be applied only to income tax assessed on the individual's proportionate share of distributive income from the limited liability pass-through entity as provided by KRS 141.0401(3)(b). Any remaining LLET credit shall be disallowed and shall not be carried forward to the next year.

Nonrefundable Kentucky limited liability entity tax credit (KRS 141.0401(2))—The credit amount is shown on Kentucky Schedule(s) K-1 from pass-through entities (PTEs) or Form(s) 725 for single member limited liability companies. **Copies of Kentucky Schedule(s) K-1 or Form(s) 725 must be attached to your return.**

Line 4, Credit for Tax Paid to Another State—Kentucky residents are required to report all income received including income from sources outside Kentucky. Within certain limitations, a credit for income tax paid to another state may be claimed. The credit is **limited** to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, **whichever is less**.

 **TIP**—Credit for taxes paid to another state may be reduced or eliminated if gambling losses are claimed on Schedule A.

You may not claim credit for tax withheld by another state. You must file a return with the other state and pay tax on income also taxed by Kentucky in order to claim the credit. A copy of the other state's return including a schedule of income sources must be attached to verify this credit. **If you owe tax in more than one state, the credit for each state must be computed separately.**

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide that taxpayers be taxed by their state of residence, and not the state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

- Illinois, West Virginia**—wages and salaries
- Indiana**—wages, salaries and commissions
- Michigan, Wisconsin**—income from personal services (including salaries and wages)
- Ohio**—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a "twenty (20) percent or greater" direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.
- Virginia**—commuting daily, salaries and wages

Kentucky does not allow a credit for tax paid to a reciprocal state on the above income. If tax was withheld by a reciprocal state, you must file directly with the other state for a refund of those taxes.

Line 16, Cellulosic Ethanol Tax Credit—A cellulosic ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount certified by the department. The credit rate shall be one dollar (\$1) per cellulosic ethanol gallon produced, unless the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap. If the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap, the department shall determine the amount of credit each cellulosic ethanol producer receives by multiplying the annual cellulosic ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the cellulosic ethanol producer and the denominator of which is the total approved credit for all cellulosic ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining cellulosic ethanol credit shall be disallowed and shall not be carried forward to the next year. “Cellulosic ethanol producer” is defined as an entity that uses cellulosic biomass materials to manufacture cellulosic ethanol at a location in this Commonwealth.

Line 17, Energy Efficiency Products Tax Credits—This nonrefundable credit is available to taxpayers who install energy efficiency products for residential and commercial property as provided by KRS 141.436 for taxable years beginning after December 31, 2008, and before January 1, 2016.

Complete Form 5695-K, Kentucky Energy Efficiency Products Tax Credit, to see if you meet the qualifications for this credit.

Individuals or businesses can apply the credit against their state income tax liability and carry the credit forward for one (1) year if the credit cannot be taken in full in the year in which the installation is completed.

SECTION B—PERSONAL TAX CREDITS

Line 1(a), Yourself—You are always allowed to claim a tax credit for yourself (even if your parent(s) can claim a credit for you on their return). On Line 1(a), there are five boxes under three separate headings. Always check the box under “Check Regular” to claim a tax credit for yourself. *If 65 or older*, also check the next two boxes on the line. *If legally blind*, also check the last two boxes on the line.

Line 1(b), Your Spouse—Do not fill in Line 1(b) if (1) you are single; (2) you are married and you and your spouse are filing two separate returns; or (3) your spouse received more than half of his or her support from another taxpayer.

Fill in Line 1(b) if you are married and (1) you and your spouse are filing a joint or combined return, or (2) if your spouse had no income or is not required to file a return. If you meet these criteria, check the first box on Line 1(b) for your spouse. *If your spouse is 65 or older*, also check the next two boxes. *If your spouse was legally blind at the end of the taxable year*, also check the last two boxes on Line 1(b).

Dependents—You are allowed to claim a tax credit for each person defined as a dependent in the Internal Revenue Code. Generally, dependents who qualify for federal purposes also qualify for Kentucky.

Line 2, Dependents Who Live With You

Use to claim tax credits for your dependent children, including stepchildren and legally adopted children, who lived with you during the taxable year. **If the dependent meets the requirements for a qualifying child under the provisions of IRC 152(c), check the box; this child qualifies to be counted to determine the family size.**

Dependents Who Did Not Live With You

Also use Line 2 to claim tax credits for your dependent children who did not live with you and to claim tax credits for other persons who qualify as dependents. **These dependents do not qualify to be counted to determine the family size.**

Children of Divorced or Separated Parents—Attach a copy of federal Form 8332 filed with your federal return. Children may only be counted for family size by the custodial parent.

Tax Credits for Individuals Supported by More Than One Taxpayer—Attach a copy of federal Form 2120 filed with your federal return.

Kentucky National Guard Members—Persons who were members of the Kentucky National Guard on December 31, 2009, may claim an additional credit on Line 2. Designate this credit with the initials “N.G.” Kentucky law specifically restricts this credit to Kentucky National Guard members; military reserve members are not eligible.

SECTION C—FAMILY SIZE TAX CREDIT

Children may only be counted for family size by the custodial parent. Even if you have signed federal Form 8332 and may not claim the child as a dependent, you may count children who otherwise meet the requirements for the Family Size Tax Credit.

You must include in Section C the names and Social Security numbers of the qualifying children that are not claimed as dependents in Section B in order to count them in your total family size.

SIGN RETURN—Be sure to sign on page 3 after completion of pages 1, 2, 3 and 4 of your return. Each return must be signed by the taxpayer. Joint and combined returns must be signed by both husband and wife. Returns that are not signed may be returned to you for signature.

Please enter a telephone number where you can be reached during regular working hours. You may be contacted for additional information needed to complete processing of your tax return.

INSTRUCTIONS FOR SCHEDULE A

FORM 740-NP

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Amounts entered on Schedule A should be total deductions for the taxable period. These amounts are prorated on Form 740-NP, page 1. If you do not itemize, a standard deduction of \$2,190 is allowed and does not have to be prorated.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must itemize. Married couples filing a joint federal return and who wish to file separate returns for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each; (b) file a joint Schedule A, divide the total deductions between them based on the percentage of each spouse's income to total income, and attach a copy to each return; or (c) each spouse may claim the standard deduction of \$2,190.

Limitations on Itemized Deductions for High-Income Taxpayers—If your adjusted gross income on Form 740-NP, Line 8, exceeds \$166,800 (\$83,400 if married filing separate returns), your itemized deductions are limited. See the Itemized Deductions Limitation Schedule for Schedule A (Form 740-NP).

MEDICAL AND DENTAL EXPENSES

Federal rules apply. You may deduct only your medical and dental expenses that exceed 7.5 percent of Form 740-NP, Line 8. Do not include any expenses deducted on Form 740-NP, page 4, Section D, Column B, Line 31 or Line 32. Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

TAXES

You may not deduct new motor vehicle taxes, sales tax, state or federal income taxes paid or withheld, otherwise federal rules apply.

INTEREST

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 10—List the interest and points (including "seller-paid points") paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 11—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address.

Line 12—List points (including "seller-paid points") not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2009. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

The seller cannot deduct these points as interest. However, they are a selling expense that reduces the amount realized by the seller. See federal Publication 523 for information on selling your home.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 13, Qualified Mortgage Insurance Premiums—Premiums that you pay or accrue for “qualified mortgage insurance” during 2009 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740-NP, line 8, is more than \$109,000 (\$54,500 if married filing separate returns). If the amount on Form 740-NP, line 8, is more than \$100,000 (\$50,000 if married filing separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Line 14, Interest on Investment Property—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity.

Attach federal Form 4952, Investment Interest Expense Deduction.

Exception. You do not have to file federal Form 4952 if all three of the following apply:

- (a) your investment interest is not more than your investment income from interest and ordinary dividends,
- (b) you have no other deductible investment expenses, and
- (c) you have no disallowed investment interest expense from 2008.

For more details, see federal Publication 550, Investment Income and Expenses.

CONTRIBUTIONS

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general,

contributions deductible for federal income tax purposes are also deductible for Kentucky.

You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. This substantiation should be kept in your files. Do not send it with your return.

In addition, enter on Line 17 the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Attach Schedule HH.

CASUALTY AND THEFT LOSSES

Use Line 20 to report casualty or theft losses of property that is not trade, business, rent or royalty property. Attach federal Form 4684, Casualties and Thefts, or a similar statement to figure your loss. Enter on Line 20 the amount of loss from federal Form 4684.

Losses You MAY Deduct

You may be able to deduct all or part of each loss caused by theft, vandalism, fire, storm, and car, boat and other accidents or similar causes. You may also be able to deduct money you had in a financial institution but lost because of the insolvency or bankruptcy of the institution.

You may deduct nonbusiness casualty or theft losses only to the extent that:

- (a) the amount of **each** separate casualty or theft loss is more than \$100, and
- (b) the total amount of **all** losses during the year is more than 10 percent of Form 740-NP, page 1, Line 8.

Qualified Mortgage Insurance Premiums Deduction Worksheet

See the instructions for Line 13 above to see if you must use this worksheet to figure your deduction.

1. Enter the total premiums you paid in 2009 for qualified mortgage insurance for a contract entered into on or after January 1, 2007	1. _____
2. Enter the amount from Form 740-NP, page 1, Line 8.....	2. _____
3. Enter \$100,000 (\$50,000 if married filing separate returns).....	3. _____
4. Is the amount on Line 2 more than the amount on Line 3? <input type="checkbox"/> No. Your deduction is not limited. Enter the amount from Line 1 above on Schedule A, Line 13. <input type="checkbox"/> Yes. Subtract Line 3 from Line 2. If the result is not a multiple of \$1,000 (\$500 if married filing separate returns), increase it to the next multiple of \$1,000 (\$500 if married filing separate returns). For example, increase \$425 to \$1,000, increase \$2,025 to \$3,000; or if married filing separate returns, increase \$425 to \$500, increase \$2,025 to \$2,500, etc.	4. _____
5. Divide Line 4 by \$10,000 (\$5,000 if married filing separate returns). Enter the result as a decimal. If the result is 1.0 or more, enter 1.0.....	5. _____
6. Multiply Line 1 by Line 5.....	6. _____
7. Qualified mortgage insurance premiums deduction. Subtract Line 6 from Line 1. Enter the result here and on Schedule A, Line 13.....	7. _____

Note: Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

Special rules apply if you had both gains and losses from nonbusiness casualties or thefts. See federal Form 4684 for details.

Losses You MAY NOT Deduct

Money or property misplaced or lost.

Breakage of china, glassware, furniture and similar items under normal conditions.

Progressive damage to property (buildings, clothes, trees, etc.) caused by termites, moths, other insects or disease.

Deduct the costs of proving you had a property loss as a miscellaneous deduction on Line 26. (Examples of these costs are appraisal fees and photographs used to establish the amount of your loss.)

For more details, see federal Publication 547, Nonbusiness Disasters, Casualties, and Thefts. It also gives information about federal disaster area losses.

MISCELLANEOUS DEDUCTIONS

Most miscellaneous deductions cannot be deducted in full. You must subtract 2 percent of your adjusted gross income from the total. Compute the 2 percent limit on Line 29.

Note: Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

Generally, the 2 percent limit applies to job expenses you paid for which you were not reimbursed (Line 24). The limit also applies to certain expenses you paid to produce or collect taxable income (Line 26). See the instructions for Lines 24, 25 and 26 for examples of expenses to claim on these lines.

The 2 percent limit does not apply to certain other miscellaneous expenses that you may deduct. These expenses can be deducted in full on Line 31. The Line 31 instructions describe these expenses. Included are deductible gambling losses (to the extent of winnings) and certain job expenses of disabled employees. See federal Publication 529, Miscellaneous Deductions, for more information.

Expenses Subject to the 2 Percent Limit

Important: The increase in first-year luxury automobile depreciation caps, the 30 percent and **the 50 percent** special depreciation allowance, the additional New York Liberty Zone Section 179 deduction for property placed in service after September 10, 2001, and **the increased Section 179 deduction limits and thresholds for property placed in service after December 31, 2002**, are not allowable for Kentucky tax purposes. For passenger automobiles purchased after September 10, 2001, you must compute Kentucky depreciation in accordance with the IRC in effect on December 31, 2001.

Create a Kentucky Form 2106 by entering **Kentucky** at the top center of a federal Form 2106, Employee Business Expenses. Complete Section D—Depreciation of Vehicles in accordance with the IRC in effect on December 31, 2001. **Attach a copy of the federal Form 2106 filed for federal income tax purposes if no adjustments are required.**

Line 24—Use this line to report job-related expenses you paid for which you were not reimbursed. In some cases you **MUST** first fill out Form 2106, Employee Business Expenses, or Form 2106-EZ, Unreimbursed Employee Business Expenses. Fill out Form 2106-EZ if you claim any unreimbursed travel, transportation, meal or entertainment expenses for your job. Fill out Form 2106 if your employer paid you for any of your job-related expenses reportable on Line 24.

Enter the amount of unreimbursed employee business expenses from Form 2106 or 2106-EZ on Line 24 of Schedule A.

If you do not have to fill out Form 2106 or 2106-EZ, list the type and amount of your expenses in the space provided. If you need more space, attach a statement showing the type and amount of the expense. Enter one total on Line 24.

Line 25—Use this line to report tax return preparation fees paid during the taxable year including fees paid for filing your return electronically.

Line 26—Use this line for amounts you paid to produce or collect taxable income and manage or protect property held for earning income. List the type and amount of each expense in the space provided. If you need more space, attach a statement showing the type and amount of each expense. Enter one total on Line 26.

LINE 31—OTHER MISCELLANEOUS DEDUCTIONS

Use this line to report miscellaneous deductions that are NOT subject to the 2 percent adjusted gross income limit. Only the expenses listed below can be deducted on Line 31.

Expenses NOT Subject to the 2 Percent Limit

Gambling losses to the extent of gambling winnings. Gambling winnings must be included on Form 740-NP, Section D, Line 15. (**Note:** Gambling losses must be verified by supplemental records. These include a diary and unredeemed tickets, payment slips and winning statements.)

Federal estate tax on income in respect of a decedent.

Amortizable bond premium on bonds acquired before October 23, 1986.

Deduction for repayment of amounts under a claim of right if more than \$3,000. See federal Publication 525.

Unrecovered investment in a pension.

Impairment-related work expenses of a disabled person.

Casualty and theft losses of income-producing property.

List the type and amount of each expense. Enter one total on Line 31. For more information on these expenses, see federal Publication 529.

LINE 32—TOTAL ITEMIZED DEDUCTIONS

If the amount on Form 740-NP, page 1, Line 8, exceeds \$166,800 (\$83,400 if married filing separate returns), skip Lines 33 through 36 and complete the limitation schedule.

Dividing Deductions Between Spouses—Married taxpayers combining itemized deductions must divide the itemized deductions if filing separate Kentucky returns or if one spouse is not filing a Kentucky return. Complete Lines 33 through 36, Schedule A.
