INSTRUCTIONS—SCHEDULE TC

You must file Schedule TC if:

- you received a lump-sum distribution and compute your tax on Form 4972-K;
- you are a farmer and elect to income average; or
- you claim any of the nonrefundable tax credits listed below.

Line 2

Use the **Tax Rate Schedule in Part III** to compute your tax. You cannot use the optional tax table in the instructions. Deduct personal tax credits on Line 5(a).

OR

Enter tax from **Schedule J, Kentucky Farm Income Averaging**, Line 22 and check the box. If you elect Farm Income Averaging on your federal return, you may also use this method for Kentucky. Complete and attach Kentucky Schedule J.

Line 3, Form 4972-K, Kentucky Tax on Lump-sum Distribution—Enter tax from Form 4972-K, Line 32. Kentucky allows a special 10-year averaging method for determining tax on lump-sum distributions received from certain retirement plans that qualify for federal 10-year averaging. If this special method is used for federal purposes, complete and attach Form 4972-K, Kentucky Tax on Lump-Sum Distributions, and Schedule P, Pension Income Exclusion.

Line 5(a), Tax Credits—You may deduct \$20 for each tax credit claimed.

Line 5(b), Skills Training Investment Tax Credit—Enter the amount of credit certified by the Bluegrass State Skills Corporation. Attach a copy of the certification in the first year claimed. The excess credit over the income tax liability in the year approved may be carried forward for three successive taxable years. For information regarding the application and approval process for this credit, contact the Cabinet for Economic Development, Bluegrass State Skills Corporation at (502) 564-2021.

Line 5(c), Credit for Tax Paid to Another State—Attach a copy of the other state's return or other documentation including a schedule of income sources to verify this credit. If you owe tax in more than one state, the credit for each state must be computed separately.

The credit is limited to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, whichever is less. You must file a return with the other state, and pay tax on income also taxed by Kentucky in order to claim the credit. **You may not claim credit for tax withheld by another state.**

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide that taxpayers be taxed by their state of residence, and not the

state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

Illinois, Ohio, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Virginia—commuting daily, salaries and wages

Kentucky does not allow a credit for tax paid to a reciprocal state on the above income. You must file directly with the other state for a refund of taxes withheld by a reciprocal state.

Line 5(d), Employer's Unemployment Tax Credit—Enter credit from Schedule UTC, Line 31. Attach Schedule UTC, and maintain a copy of the certification by the Department for Employment Services in your files.

Line 5(e), Recycling and/or Composting Tax Credit—Enter credit from Schedule RC, Part III or Schedule RC K-1, Part III. Attach a copy of Schedule RC and/or Schedule RC (K-1) reflecting the amount of credit approved by the Revenue Cabinet.

Line 5(f), Kentucky Investment Fund Tax Credit—For investments before July 1, 2002, enter 25 percent of the total amount certified by the Kentucky Economic Development Finance Authority (KEDFA). Attach a copy of the certification by KEDFA in the first year claimed. Any excess credit that may be claimed in any given year over the investor's combined income tax liabilities for the year may be carried forward. No credit may extend beyond 15 years of the initial certification. *For investments after July 1, 2002, the credit must be claimed on the tax return filed for the tax year following the year in which the credit is granted and is limited to 50 percent of the initial aggregate credit apportioned to the investor.*

Line 5(g), Coal Incentive Tax Credit—Enter the amount of credit certified by the Revenue Cabinet. A copy of the credit certificate issued by the Revenue Cabinet must be attached to the return. Taxpayers who are eligible for low income tax credit and child and dependent care credit should deduct these credits before the coal incentive tax credit. Contact the Revenue Cabinet for additional instructions.

Line 5(h), Employer GED Incentive Tax Credit—Enter the sum of the credits reflected on the attached Form(s) DAEL-31 or Schedule(s) K-1. Attach a copy of the GED-Incentive Program Final Report (Form DAEL-31), for each employee that completed a learning contract during the taxable year.
