Schedule QR (K-1) Instructions

Purpose of Form—This form is used by general partnerships to compute each partner's distributive share of Kentucky income tax credit for qualified costs of research facilities. It is also used by partners to substantiate and keep a record of the amount of credit claimed on the partner's Kentucky income tax return.

Part I and II—Partnership Instructions

Parts I and II should be completed by the general partnership for the year during which qualified costs incurred from the construction and/or equipping research facilities. A copy is to be provided to each partner.

Part I, Partner's Identification Number—If the partner is a corporation, enter the Kentucky Corporation Account Number; a general partnership, enter the FEIN; an individual, enter the Social Security number.

Part II, Line 1—Enter the total credit equal to 5 percent of qualified costs from Schedule QR, Part I, Line 4.

Part II, Line 2—Enter the partner's ownership of capital percentage from Item D, Schedule K-1 (Form 765-GP) or other percentage specifically provided by the partnership agreement.

Part II, Line 3—Enter partner's share of credit determined by multiplying Line 1 by Line 2 in Part II.

Part III—Partner Instructions

The general partnership prepares Parts I and II of Schedule QR (K-1). This information is used by the partner to substantiate the amount of credit claimed for each taxable year.

The credit is applied to the Kentucky income tax liability before any prepayments or other cash payments are credited to the taxpayer's account for the taxable year. Unused credit may be carried forward for 10 years. Use Part III to record the amount of credit claimed for each taxable year. The current credit should be entered on the appropriate line of the partner's Kentucky income tax return (resident individuals enter on Form 740, Section A, Line 9). A copy of Schedule QR (K-1) including all entries made to date in Part III must be attached to the return on which any credit reflected by this schedule is claimed. The total credits taken in Part III cannot exceed Part II, Line 3.
