On March 18, 2005, Governor Ernie Fletcher signed into law House Bill 272, the most sweeping tax change in the history of the Commonwealth. Corporation income tax changes in the bill include a reduction in the top corporation income tax rate and entity level income taxation for all entities that have limited liability protection. Limited liability companies, limited partnerships and limited liability partnerships are now considered to be corporations subject to corporation income tax. A credit of the corporation income tax paid by a pass-through entity is passed through to individual members or partners based on the member’s or partner’s ownership percentage. The instructions on the following pages provide details of the corporation income tax law changes. Please note that the corporation license tax has been repealed. The Department of Revenue looks forward to explaining the law changes to you. You can find additional information about House Bill 272 at our Web site at www.revenue.ky.gov. Please call us at (502) 564-8139 if you have any questions.

KENTUCKY TAX LAW CHANGES

CORPORATION LICENSE TAX

Repealed—(Effective for tax periods ending on or after December 31, 2005.) The corporation license tax is repealed. Returns and tax for prior periods remain due. **KRS 136.070**

A corporation license tax return due without regard to extension on or after April 15, 2004 for a corporation, other than a bank holding company, that holds directly or indirectly stock in other corporations equal to or greater than 50 percent of its total assets may compute its capital employed based upon: (1) a consolidated license tax return that includes the parent and all subsidiary corporations in which the parent owns more than 50 percent of the outstanding stock; or (2) a separate license tax return and deducting the book value of its investment in the stock and securities of any corporation in which it owns more than 50 percent of the outstanding stock. **KRS 136.071**

CORPORATION INCOME TAX

Rate Reduction—(Effective for tax periods beginning on or after January 1, 2005.) The top corporate rate is reduced and lower brackets expanded. The 4 percent bracket applies to the first \$50,000 of taxable net income and the 5 percent bracket applies to taxable net income between \$50,001 and \$100,000. For taxable years beginning on or after January 1, 2005, and prior to January 1, 2007, the top corporate rate will be 7 percent on all taxable net income over \$100,000. For tax years beginning on or after January 1, 2007, the top rate will be 6 percent on all taxable net income over \$100,000. **KRS 141.040**

Corporation Income Tax Base Expansion—(Effective for tax periods beginning on or after January 1, 2005.) The corporation income tax base is expanded to include corporations, LLPs, LLCs, including single member LLCs, limited partnerships, and S corporations. General partnerships and sole proprietorships will not be subject to the expanded corporation income tax. Publicly traded partnerships and their limited partnership and limited liability company affiliates will be taxed as general partnerships. A pass-through entity subject to corporation income tax does not pass through income, loss or credit to other entities subject to corporation income tax. Individual partners, members or shareholders of pass-through entities subject to corporation income tax will receive credit for tax paid at the entity level. **KRS 141.010 and KRS 141.040**

Reference to Internal Revenue Code (IRC)—(Effective for tax periods beginning on or after January 1, 2005, except where otherwise indicated.) The IRC reference date is updated to December 31, 2004, except that depreciation and Section 179 expenses are calculated based on the IRC in effect on December 31, 2001, and the federal NOL carryback provisions do not apply. By updating the reference date, Kentucky's tax laws conform more closely with federal laws, providing ease of filing for taxpayers and ease of administration for the Department of Revenue. **KRS 141.010**

Alternative Minimum (AMC)—(Effective for tax periods beginning on or after January 1, 2005.) Taxpayers must pay the

greater of the income tax, the alternative minimum tax or \$175. Taxpayers must select between the lesser of the two methods to calculate the alternative minimum: 9.5 cents per \$100 of the corporation's gross receipts or 75 cents per \$100 of the corporation's Kentucky gross profits. Kentucky gross profits mean Kentucky gross receipts reduced by returns and allowances attributable to Kentucky gross receipts, less Kentucky cost of goods sold. Cost of goods sold includes direct labor and the cost of specialized transportation for gasoline and special fuels. **KRS 141.040**

Mandatory Nexus Consolidated Returns—(Effective for tax periods beginning on or after January 1, 2005, except as otherwise noted.) All corporations with nexus in Kentucky that are connected through an ownership interest of 80 percent or more must file a consolidated Kentucky return. This includes the expanded definition of corporation, with limited liability entities included in the affiliated group. **KRS 141.200**

Intangible Property, Management Fees and Other Related Party Expenses—Certain deductions relating to transactions with one or more related members of an affiliated group may be disallowed unless:

1. the corporation and the related member are included in the same consolidated Kentucky corporation income tax return for the relevant taxable year;
2. a disclosure is made and evidence provided to establish that the transaction was at arm's length, that the payment made to a related member was subject to income tax in another jurisdiction, and the related member has substantial business activities other than the management or ownership of intangible property;
3. a disclosure is made and evidence provided that the recipient regularly engages in transactions with one or more unrelated parties on terms identical to that of the subject transactions; or
4. the Department of Revenue and taxpayer agree in writing to an alternative method of apportionment. **KRS 141.205**

Doing Business Nexus Standard—(Effective for tax periods beginning on or after January 1, 2005.) The standard in Kentucky changes from a "physical presence" standard to a "doing business" standard. "Doing business" includes deriving income from or attributable to sources within this state. **KRS 141.010(25)**

Net Operating Losses (NOL)—(Effective for tax periods beginning on or after January 1, 2005.) Corporations may no longer carry NOLs back to previous years. **KRS 141.011**

Multiple Taxing Jurisdictions (Apportionment)—(Effective for tax periods beginning on or after January 1, 2005.) All limited liability entities, S corporations and limited partnerships subject to corporation income tax that do business within and without Kentucky and general partnerships that do business within and without Kentucky will be required to utilize a three-factor apportionment formula to apportion income to Kentucky. **KRS 141.120 and KRS 141.206**

Phase II Tobacco Payments—(Effective for tax periods beginning on or after January 1, 2005.) State funds that may be paid out as an addition to or a replacement of Phase II tobacco payments are exempt from corporation income tax. **KRS 141.010**

Pass-Through Entity Income—Exclude the distributive share income or loss received from a corporation subject to the tax imposed by KRS 141.040. **KRS 141.010**

Conversion—An ordinary corporation may convert to a nonprofit, nonstock corporation under KRS Chapter 273. **KRS 273.382**

Economic Development Incentives and Credits

New Limits on Kentucky Investment Fund Act (KIFA) Credits—(Effective July 1, 2005.) KIFA tax credits available to any single investment fund are limited to \$1.3 million for all investors and all taxable years. Total KIFA tax credits available for all investors in all investment funds shall not exceed \$5 million per fiscal year. **(2005 Acts of the General Assembly, Chapter 173)**

Voluntary Environmental Remediation (Brownfields) Credit—(Effective for tax periods beginning after December 31, 2004.) Taxpayers who agree to clean up or develop an existing abandoned brownfield area may qualify for a credit against corporation or individual income taxes in a maximum amount of \$150,000. **KRS 141.418**

Biodiesel Credit—(Effective for tax periods beginning on or after January 1, 2005.) Credits may be taken against corporation or individual income taxes for producing or blending biodiesel

fuels of up to \$1 per gallon produced or blended, limited to a maximum statewide credit of \$1.5 million. The credit may not be carried forward. **KRS 141.422 to 141.425**

Recycling Tax Credits—(Effective for tax periods beginning after December 31, 2004.) Corporation and individual income tax recycling credits available are expanded for major recyclers who make a significant investment in plant and equipment and who meet certain employment standards. Credits are allowed for up to 50 percent of the cost of new and expanded recycling equipment, limited each taxable year to 50 percent of the total tax liability for the year the credit is claimed over the tax liability for the most recent taxable year ending prior to January 1, 2005 or \$2.5 million, whichever is less. This bill also provides for the recapture of the credit if the equipment is no longer used in a qualifying manner or is sold or disposed of within five years from the date it is purchased, based upon the useful life of the equipment and year of disposition. An exception to the recapture exists in the case of transfers due to death or change in business ownership or organization as long as the equipment remains qualifying equipment. **KRS 141.390**

Historic Preservation Restoration Credit—(Effective for tax periods ending on or after December 31, 2005.) This bill allows a credit against corporation or individual income taxes for a portion of the cost of restoring a qualified residential and commercial structure listed on the National Registry of Historic Places. The credit is equal to 30 percent of the rehabilitation expenses, in the case of owner-occupied residential property, and 20 percent of the rehabilitation expenses, in the case of all other property. The total credit available is capped at \$3 million annually, with each individual owner-occupied property receiving no more than \$60,000. **KRS 171.397**

IMPORTANT

Partnerships must create a Kentucky Form 4562 and Schedule D by converting federal forms.

2003 Federal Changes to Section 179 Election to Expense Deduction and Depreciation Not Adopted by Kentucky—The Jobs and Growth Tax Relief Reconciliation Act of 2003 (JGTRRA) which was signed by President Bush on May 28, 2003, has been adopted for Kentucky income tax purposes except for the provisions of the JGTRRA which allow a 50 percent special depreciation allowance and an increase in the Section 179 election to expense deduction from \$25,000 to \$105,000.

2002 Federal Changes to Section 179 Election to Expense Deduction and Depreciation Still Not Adopted by Kentucky—The Job Creation and Worker Assistance Act of 2002 (JCWAA) which was signed by President Bush on March 9, 2002, has been adopted for Kentucky income tax purposes except for the provisions of the JCWAA which allow a 30 percent special depreciation allowance and an additional Section 179 election to expense deduction for New York Liberty Zone property which are retroactive to September 10, 2001.

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—For taxable years beginning before January 1, 2002, Kentucky depreciation and Section 179 deduction are determined in accordance with the Internal Revenue Code (IRC) in effect on December 31, 1999, and for taxable years beginning after December 31, 2001, Kentucky depreciation and Section 179 deduction are determined in accordance with the IRC in effect on December 31, 2001. For calendar year 2005 returns and fiscal year returns that begin in 2005, any partnership income taxpayer that elects any of the following will have a different depreciation or Section 179 expense deduction for Kentucky purposes than for federal purposes:

- 30 percent bonus depreciation allowance;
- 50 percent bonus depreciation allowance;
- additional Section 179 deduction for New York Liberty Zone Property; or
- increased Section 179 deduction from \$25,000 to \$105,000.

If any of the above federal/Kentucky differences exist, the differences will continue through the life of the assets. There will be recapture and basis differences between Kentucky and federal income tax purposes until the assets are sold or fully depreciated.

Important: If the partnership has not taken the 30 percent special depreciation allowance, the 50 percent special depreciation allowance, the additional Section 179 deduction for New York Liberty Zone Property, or the increased Section 179 deduction for federal income tax purposes on any assets for which a depreciation deduction is being claimed for the taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 765 to verify that no adjustments are required.**

Determining and Reporting Depreciation and Section 179 Deduction Differences—Federal/Kentucky depreciation or Section 179 deduction differences shall be reported as follows:

1. The amount from Line 16a of the federal Form 1065 must be included on page 4, Schedule OI, Line 3, Form 765. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 765.**

2. Convert federal Form 4562 to a Kentucky form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional Section 179 deduction. **NOTE:** For Kentucky purposes, the maximum Section 179 deduction amount on Line 1 is \$25,000 and the threshold cost of Section 179 property on Line 3 is \$200,000. The \$25,000 maximum allowable Section 179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying Section 179 property placed in service during the year exceeds \$200,000. In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 should be determined by using Kentucky net income before the Section 179 deduction instead of federal taxable income.
3. The corporation **must attach the Kentucky Form 4562** to Form 765, and the amount from Line 22 of the Kentucky Form 4562 less Line 12 and portions of Line 14 relating to 30 percent and 50 percent special depreciation allowance, must be included on page 4, Schedule OI, Line 7, Form 765 and the amount from Line 12 of the Kentucky Form 4562 must be included on Schedule K, Section I, Line 9. A Kentucky Form 4562 must be filed for each year even though a federal Form 4562 may not be required.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the partnership disposes of assets on which it has taken the special depreciation allowance or the additional Section 179 deduction for federal income tax purposes, the corporation will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. Convert **federal Schedule D (Form 1065)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky capital gain net income from the disposed assets using Kentucky basis. Include the amount from Line 5 of the Kentucky Schedule D (Form 1065) on Line 4(d) or 7, Section I of Schedule K, Form 765. Include the amount from Line 11 of the Kentucky Schedule D (Form 1065) on Line 4(e) or 7, Section I of Schedule K, Form 765. **Federal Schedule D (Form 1065) filed with the federal return and the Kentucky Schedule D must be attached to Form 765.**
2. If the amount reported on Line 6 of federal Form 1065, Net Gain or (Loss) Form 4797, is a gain, include this amount on page 4, Schedule OI, Line 8, Form 765. If the amount reported on Line 4 of federal Form 1065, Net Gain or (Loss) Form 4797, is a loss, include this amount on page 4, Schedule OI, Line 4, Form 765. Convert **federal Form 4797** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky gain or (loss) from the sale of business property using Kentucky basis. If the amount on Line 17 of Kentucky Form 4797 is a gain, include this amount on page 4, Schedule OI, Line 4, Form 765. If the amount on Line 17 of Kentucky Form 4797 is a loss, include this amount on page 4, Schedule OI, Line 8, Form 765. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 765.**

Tax Treatment of Kentucky Partnership (Taxed as a Corporation) and Partner(s)

For taxable years beginning on or after January 1, 2005, partnerships (except general partnerships) are taxed as corporations and shall pay for each taxable year a tax to be computed by the taxpayer (partnership) on taxable net income as defined in KRS 141.010(14) or the alternative minimum calculation computed under KRS 141.040. In addition, the partner's distributive share of net income, gain, loss, or deduction shall be computed as nearly as practicable in a manner identical to that required for federal income tax purposes except for the differences required by KRS 141.010. **KRS 141.420**

Resident partners of a partnership shall report and pay tax on the distributive share of net income, gain, loss, or deduction. Nonresident partners of a partnership shall report and pay tax on the distributive share of net income, gain, loss, or deduction multiplied by the apportionment fraction in KRS 141.120(8). **KRS 141.420(2)**

Resident and nonresident individual partners shall be entitled to a nonrefundable credit against tax imposed under KRS 141.020 (Kentucky individual income tax). The credit shall be the partners' proportionate share of the tax due from the corporation as determined under KRS 141.040, before the application of any credit identified in KRS 141.0205(4) and reduced by the required minimum imposed by KRS 141.040(6). **KRS 141.420(3)**

For taxable years beginning after December 31, 2004, and before January 1, 2007, the portion of the credit computed as provided above that exceeds the credit that would have been utilized if the corporation's income were taxed at the rates in KRS 141.020 shall be refundable. The refundable portion of the credit shall be the partners' proportionate share of the amount computed by multiplying the amount the corporation's income exceeds \$216,600 by 1 percent. **KRS 141.420(3)**

The nonrefundable credit determined above shall not operate to reduce the partners' tax due to an amount that is less than what would have been payable were the income attributable to doing business in this state by the corporation ignored.

GENERAL INFORMATION

Internal Revenue Code Reference Date—Effective for taxable years beginning after December 31, 2004, Kentucky Revised Statute (KRS) 141.010(3) was amended to define "Internal Revenue Code" (IRC) for Kentucky income tax purposes to mean the IRC in effect on December 31, 2004, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2004, that would otherwise terminate and as modified by KRS 141.0101, except that for property placed in service after September 10, 2001, only the depreciation and expense deductions allowed under Sections 168 and 179 of the Internal Revenue Code in effect on December 31, 2001, exclusive of any amendments made subsequent to that date. **KRS 141.010(3)**

Kentucky Tax Registration Application—Prior to doing business in Kentucky, each partnership should complete a Kentucky Tax Registration Application, Revenue Form 10A100. The application is available at Kentucky Taxpayer Service Centers (see page 15) or from the Taxpayer Registration Section, Department of Revenue, Frankfort, KY 40620. The application may be faxed to (502) 227-0772.

Who Must File—A Kentucky Partnership Income Tax Return, Form 765, must be filed by every partnership: (a) being organized under the laws of this state; (b) having a commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a general partnership doing business in this state; (f) deriving income from or

attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state; or (g) directing activities at Kentucky customers for the purpose of selling them goods or services. **KRS 141.010(25)**

A limited liability company (LLC) is treated for Kentucky income tax purposes in the same manner as it is treated for federal income tax purposes. Therefore, an LLC filing a U.S. Return of Partnership Income, Form 1065, for federal income tax purposes must file Form 765. A single member LLC is included in a nexus consolidated return if it is doing business in Kentucky.

General Partnerships—Partnerships filing as a corporation and doing business in Kentucky solely as a partner in a general partnership will file Form 765 pursuant to the provisions of KRS 141.010, 141.120 and 141.206. (See Schedule A—Apportionment and Allocation Instructions, Sales Factor.)

Required Forms and Information—Each partnership must enter all applicable information on Form 765, attach a schedule for each line item or line item instruction which states "attach schedule," and the following forms or schedules, if applicable:

Kentucky Forms and Schedules

1. Schedule A—Apportionment and Allocation
2. Form 41A720SL—Application for Six-Month Extension of Time to File
3. Schedule K-1 (Form 765)—Kentucky Partner's Share of Income, Credits, Deductions, Etc.

Required Federal Forms and Schedules

All partnerships **must** provide a copy of the following federal forms submitted to the Internal Revenue Service:

1. Form 1065, Pages 1 through 4
2. Form 4797—Sales of Business Property
3. Schedule D—Capital Gains and Losses
4. Form 5884—Work Opportunity Credit
5. Schedules for items on Form 1065, Schedule L, which state, "attach schedule."

SCANNABLE FORMS

Application for Six-month Extension of Time to File, Form 41A720SL, and Kentucky Estimated Tax Voucher, Form 720ES, are scannable forms. There are boxes on these forms where scannable data is to be entered. Use **black ink** to enter data. Either handwritten data or machine print is acceptable. Numbers should be written like this:

0 1 2 3 4 5 6 7 8 9

When entering data in these boxes, the numbers should be right justified (blank spaces should be on the left). **No dollar signs, commas, decimals or other symbols should be used.** If there is no information to be entered in a box, leave it blank. All amounts should be rounded to the nearest dollar and no cents entered. For example, \$11,949.50 or \$11,950.49 would be entered:

, 11,950

Reference Mark—There is a reference mark and form number near the bottom corner of each form. **Please do not write in this area.**

41A720SL0513

Important: Use only an **original printed** Form 41A720SL or Form 720ES or an approved computer-generated version of these forms since data must be placed in specific areas on the form to be read correctly. Use of photocopies or faxed copies may cause delays in the processing of these forms.

Substitute Forms—Any form to be used in lieu of an official Department of Revenue form must be submitted to the department for prior approval.

Accounting Procedures—Kentucky income tax law requires a partnership to report income on the same calendar or fiscal year and to use the same methods of accounting required for federal income tax purposes. Any federally approved change in accounting periods or methods must be reported to the Department of Revenue. Attach a copy of the federal approval to the return when filed. **KRS 141.140**

Mailing/Payment—Mail the return with payment to **Kentucky Department of Revenue, Frankfort, KY 40620. Make the check payable to Kentucky State Treasurer.**

Filing/Payment Date—A partnership return must be filed and payment must be made on or before the 15th day of the fourth month following the close of the taxable year. Mail the return with payment to Kentucky Department of Revenue, Frankfort, KY 40620. Make the check payable to **Kentucky State Treasurer. KRS 141.160 and KRS 141.220**

If the filing/payment date falls on a Saturday, Sunday or a legal holiday, the filing/payment date is deemed to be on the next business day. **KRS 446.030(1)(a)**

Extensions—An extension of time to file a partnership income tax return may be obtained by either making a specific request to the Department of Revenue or attaching a copy of the federal extension to the return when filed. **A copy of the federal extension submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed.** For further information, see the instructions for Form 41A720SL. **Regulation 103 KAR 15:050**

NOTE: An extension of time to file a return does not extend the date for payment of tax.

Estimated Tax Payments—Estimated tax payments must be made by each partnership whose income tax liability for the taxable year can reasonably be expected to exceed \$5,000. In general, the first estimated tax payment must be made by the 15th day of the sixth month of the taxable year. To determine the amount of the first payment, subtract \$5,000 from the estimated full-year tax liability, and divide the result by two. The remaining one-half is due in equal installments on the 15th day of the ninth and 12th month, respectively. The prior year's income tax liability is not a factor in determining whether a declaration of estimated tax is required. **KRS 141.044**

Failure to pay estimated tax installments equal to the amount determined by subtracting \$5,000 from 70 percent of the total income tax liability shown on the return for the taxable year will result in the assessment of an underpayment penalty. The amount of the penalty is 10 percent of the amount of the underpayment, but not less than \$25. **KRS 131.180(3) and KRS 141.990(3)**

The **Corporation Estimated Income Tax Voucher, Form 720ES**, is used to submit estimated tax payments. If the partnership is required to make estimated tax payments but did not receive Form 720ES, contact the Department of Revenue at (502) 564-3658.

Amended Return—To correct Form 765 as originally filed, file an amended Form 765 and check the appropriate box on page 1. If the amended return results in a change in income or a change in the distribution of any income or other information provided to partners, an amended Schedule K-1 (Form 765) must also be filed with the amended Form 765 and given to each partner. Check the Amended K-1 box on each Schedule K-1 to indicate that it is an amended Schedule K-1.

Internal Revenue Service Audit Adjustments—A partnership which has received final adjustments resulting from Internal Revenue Service audits must submit a copy of the "final determination of the federal audit" within 30 days of the conclusion of the federal audit. Use Form 765 for reporting federal audit adjustments and check the Amended Return box.

Interest—Interest at the tax interest rate is applied to corporation income tax liability not paid by the date prescribed by law for filing the return (determined without regard to extensions thereof). The tax interest rate for 2006 is published in the January 2006 **Kentucky Tax Alert** or you may contact the Department of Revenue at (502) 564-8139 to obtain the tax interest rate.

Penalties

Failure to file an income tax return by the filing date including extensions—2 percent of the tax due for each 30 days or fraction thereof that the return is late (maximum 20 percent). The minimum penalty is \$10. **KRS 131.180(1)**

Jeopardy Fee—A \$100 minimum penalty on all nonfiled returns, when the taxpayer fails to file a return or provide information after being requested to do so by the Department of Revenue. **KRS 131.150(2)**

INSTRUCTIONS FOR PREPARING THE NEW FORM 765

NOTE: The starting point for computation of Kentucky ordinary income (loss) is on page 4 of this return. This computation is necessary in order to comply with the new corporate statute KRS 141.420(1)(b) which states:

“For a corporation filing a return under paragraph (a) of this subsection, the individual partner’s, member’s, or shareholder’s distributive share of net income, gain, loss, or deduction shall be computed as nearly as practicable in a manner identical to that required for federal income tax purposes except to the extent required by differences between this chapter and the federal income tax law and regulations.”

The next step is to determine whether a separate return or a nexus consolidated return needs to be filed. The provisions of KRS 141.200(9) provide that an “affiliated group” means one or more chains of includible corporations connected through stock ownership, membership interest or partnership interest with a common parent if the ownership interest encompasses at least 80 percent of the voting power of all classes of ownership interests and has a value equal to at least 80 percent of the total value of all ownership interest. KRS 141.200(10) provides that every corporation doing business in Kentucky except those exempt from taxation under KRS 141.040(1)(a) to (h) shall, for each taxable year, file a separate return unless the corporation is an includible corporation in an affiliated group. KRS 141.200(11)(a) provides that an affiliated group, whether or not filing a federal consolidated return shall file a consolidated return which includes all includible corporations.

Therefore, a partnership (taxed as a corporation) that owns at least 80 percent of an LLC, LLP, LP or a C corporation doing business in Kentucky, must file a nexus consolidated income tax return and complete Schedule KCR (Form 765), and if needed, KCR-C (Form 765).

For taxable years ending on or after December 31, 2003, under the provisions of Regulations 103 KAR 18:070, every general partnership required to file Form 765-GP, Kentucky General Partnership Income Return, must withhold income tax at the rate of 6 percent on the net distributive share income not taxed at the corporate level of each nonresident **individual** partner. However, for those Kentucky nonresident general partners whose net distributive income not taxed at the corporate level is less than \$1,000, no withholding is required. All general partnerships are liable for the payment of the tax required to be withheld less any credits passed through to the individual partner that are reasonably expected to be claimed in the current year.

The reporting of net distributive share income and payment of tax due by the general partnership shall satisfy the filing requirement for a Kentucky nonresident individual general partner (Form 740-NP) whose only Kentucky source income is

net distributive share income from the general partnership. The Kentucky nonresident individual partner may file a Kentucky individual return (Form 740-NP) to take advantage of the graduated tax rates and apply the tax withheld against tax imposed on the individual return for the taxable year in which the income is reported.

For taxable years beginning January 1, 2005, there is no withholding at the entity level on net distributive share of income not taxed at the corporate level of a nonresident individual partner/member of a partnership (LLC, LLP and LP taxed as a corporation) or nonresident shareholder of an S corporation. However, distributive share dividend income to a nonresident individual partner/member or shareholder and guaranteed payments paid to a nonresident individual partner are subject to Kentucky individual income tax and Form 740-NP must be filed if the nonresident individual shareholder/partner has gross income from Kentucky sources and a total gross income exceeding the threshold amount determined under KRS 141.066. KRS 141.180(2)(c)

General partnerships having Kentucky individual nonresident partners with net distributive share income of \$1,000 or more shall complete Form 740NP-WH and Form PTE-WH for each individual nonresident partner and mail Form 740NP-WH and Copy A of PTE-WH to the Kentucky Department of Revenue with payment. The general partnership must furnish Copies B and C of Form PTE-WH to the general partners by the 15th day of the fourth month following the close of the taxable year. Form PTE-WH is available on the Kentucky Department of Revenue's Web site at www.revenue.ky.gov.

Special rules apply if the corporation claims a net operating loss deduction (NOLD) for the tax year (does not apply to 2005 tax year).
