INSTRUCTIONS TO INDIVIDUAL MEMBER

Attach Copy B of Form PTE-WH to your nonresident Kentucky individual income tax return to claim the tax withheld. Nonresident individual partners of a general partnership doing business in Kentucky must file an individual income tax return and pay income tax on all Kentucky source income. Report net distributive share income from Schedule K-1 on your return and claim the amount of tax withheld.

If net distributive share income is **your only Kentucky source income**, this form and payment of the tax by the entity will satisfy your filing requirements of KRS 141.206 and 141.180. If you are not filing a Kentucky individual income tax return, you may attach this form to the return filed with your state of residence to claim credit for taxes paid to another state.
