Exemptions Allowed for Savings and Loans, Savings Banks and Similar Institutions for Intangible Property Tax Purposes

Every federally or state chartered savings and loan association, savings bank and other similar institution, operating solely in Kentucky, shall during January of each year, file with the Department of Revenue a report pursuant to KRS 136.290.

Also, every federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state shall, during January of each year, file a report pursuant to KRS 136.310.

KRS 136.290 and KRS 136.310 impose an ad valorem tax on the total value of each institution's capital. Any claimed exemption must be supported by specific statutory or case authority. In the absence of such authority the Department of Revenue holds all intangible property taxable.

Exempt federal obligations may be classified in the following categories:

- (1) Direct obligations of the United States such as U.S. Treasury bonds, U.S. Treasury notes and U.S. Treasury bills.
- (2) Direct obligations of U.S. government agencies.

Securities merely guaranteed by the U.S. government are taxable as intangible property.

The following list is provided as a general reference of exempt obligations from state ad valorem taxation:
