The Taxpayer Service Centers can be used to assist with filling out the refund application and submitting your refund request. Department personnel will verify the condition of vehicles brought to a taxpayer service center.

REFUNDS ARE NOT PROCESSED BY THE TAXPAYER SERVICE CENTERS.

New vehicles, vehicles with branded titles, such as salvage vehicles, rebuilt vehicles, and water and hail damaged vehicles are not subject to the limitation of 50 percent of trade-in value; the affidavit of total consideration will still be used for valuation purposes for these vehicles.

The refund will be based on the difference between the taxable value determined by the department's review of the taxpayer's documents and the taxable value set forth by statute at the time of title and registration.

A full narrative of the tax law may be found at KRS 138.4605-138.470.
