What's New

FAMILY SIZE TAX CREDIT—This credit provides benefits to individuals and families at incomes up to 133 percent of the threshold amount based on the federal poverty level. The 2013 threshold amount is \$11,490 for a family size of one, \$15,510 for a family of two, \$19,530 for a family of three and \$23,550 for a family of four or more.

STANDARD DEDUCTION—For 2013, the standard deduction is \$2,360.

CHECK THE STATUS OF A REFUND ONLINE—Taxpayers can now check the status of their current year individual income tax refund by going to the Kentucky Department of Revenue website – www.revenue.ky.gov. To take advantage of this fast and secure service, taxpayers will need their social security number and the exact amount of their refund. The status will be posted 7 – 10 days after an electronic tax return is filed or 8 – 10 weeks after a paper tax return is filed.

For more information, visit www.revenue.ky.gov

SCHEDULE A LIMITATION—For tax year 2013, the limitation on itemized deductions threshold is \$178,150 (\$89,075 if married filing separate returns). If your Kentucky adjusted gross income is above this threshold, your itemized deductions (excluding medical and dental, investment interest, losses for casualty or theft and gambling losses) will be limited. In general, if the limitation applies, itemized deductions are reduced by the lesser of: 3% of the adjusted gross income that exceeds the threshold or 80% of the allowable itemized deductions. A worksheet has been included with the Schedule A to help determine the amount of deductions you are allowed to take if you exceed the threshold.

The limitation was eliminated by EGTRRA (2001) and extended by the 2010 Tax Relief Act. However, the limitation had a sunset provision that ended EGTRRA on December 12, 2012. The federal government introduced new legislation to raise the limitation threshold. Kentucky, however, has not updated to the current Internal Revenue Code and is subject to the original limit of \$100,000 adjusted for inflation. For 2013, that threshold amount is \$178,150 (\$89,075 if married filing separate returns).

SAME-SEX MARRIED COUPLES FILING GUIDANCE—Recent United States Supreme Court decisions and the IRS Revenue Ruling issued thereafter have resulted in changes in the filing status for certain same-sex couples for federal income tax purposes. If a same-sex couple lives in Kentucky and has been married in a state that recognizes such unions, their filing status will be “married filing jointly” or “married filing separately” for Federal income tax purposes. However, this change in federal tax treatment has no effect on same-sex couples for state tax purposes at this time. In 2004, the Constitution of the Commonwealth of Kentucky was amended to prohibit the recognition of same-sex marriages. (Section 233A) Therefore, same-sex couples legally married in a different state will still be required to file separate Kentucky income tax returns.

Each taxpayer must provide the same federal income tax information on the Kentucky State Return that would have been provided prior to the issuance of Internal Revenue Service Revenue Ruling 2013-17, 2013-38 I.R.B. 201 (August 30, 2013).

Following the federal developments, three lawsuits have been filed in Kentucky challenging the constitutionality of both Kentucky’s amendment and its statutory prohibition against same-sex marriage. Those cases are all in very preliminary stages. Rulings in those cases could alter this guidance, and if so, additional information will be provided at that time.

Additional guidance concerning Schedule A deductions:

Each deduction on the Federal Form 1040 Schedule A return that is claimed jointly shall be separated in accordance with individual ownership, expenses, and/or charitable gifts when filing a Kentucky income tax return and reported on the individual’s single return. Itemized deductions related to joint ownership should be separated by agreement or some other acceptable method of division between the two parties.

DIRECT DEBIT OF ESTIMATE TAX—Taxpayers who file electronically can now authorize the Kentucky Department of Revenue to directly debit their payment(s) of estimate tax. Taxpayers may schedule up to four debit dates with the electronic filing of their return: April 15, 2014, June 16, 2014, September 15, 2014 and January 15, 2015. This must be initiated at the time of filing. Please see Form 8879-K and instructions for additional information.

CHECKOFF FOR LOCAL FOOD BANKS—For taxable years beginning on or after Jan. 1, 2013, taxpayers who are entitled to an income tax refund may contribute an amount, not to exceed the amount of the refund, to the Farms to Food Banks Trust Fund. Moneys received in the Farms to Food Banks Trust Fund will be used only for awarding grants that will increase access to fresh fruits and vegetables among low-income Kentuckians while supporting local farmers. For more information refer to KRS 141.448.

FOOD DONATION TAX CREDIT—The Food Donation Tax Credit applies to taxable years beginning on or after Jan. 1, 2014, but before Jan. 1, 2018. During that time, a qualified taxpayer will be allowed a nonrefundable credit against their Individual Income Tax in an amount equal to 10 percent of the value of donated edible agriculture products to a nonprofit organization operating a food program in Kentucky. This organization must be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. A qualified taxpayer means a person responsible for and deriving income from: growing fruits, vegetables, or other edible agriculture products; or raising beef, poultry, pork, fish, or other edible agriculture products. Edible agriculture products means fruits, vegetables, beef, poultry, pork, fish, or any other edible product raised or grown in Kentucky that is intended for and fit for human consumption. For more information refer to KRS 141.0205.

2013 FEDERAL/KENTUCKY INDIVIDUAL INCOME TAX DIFFERENCES

If you do not meet all five of the above requirements, see Form 740 instructions.

LINE-BY-LINE INSTRUCTIONS

Line 1—Enter federal adjusted gross income from Form 1040EZ, Line 4. **(Do not confuse federal adjusted gross income with federal taxable income shown on the federal return.)** If \$15,282 or less, see instructions for Line 7 and enter the decimal amount on Line 7.

If you are not required to file a federal income tax return, enter the total income from sources within and without Kentucky.

Line 2—The standard deduction of \$2,360 has been preprinted. If your itemized deductions exceed \$2,360, it will benefit you to file Form 740 and itemize your deductions on Schedule A.

Line 4—Compute your tax using the following tax rate schedule.

<i>If taxable income is:</i>	<i>Tax before credit is:</i>
\$ 0 — \$3,000	2% of taxable income
\$3,001 — \$4,000	3% of taxable income minus \$30
\$4,001 — \$5,000	4% of taxable income minus \$70
\$5,001 — \$8,000	5% of taxable income minus \$120
\$8,001 — \$75,000	5.8% of taxable income minus \$184
\$75,001 and up	6% of taxable income minus \$334

Example: (Taxable income) \$8,500 x 5.8% - \$184 = \$309

Line 7, Family Size Tax Credit—For single persons eligible to file Form 740-EZ, Kentucky family size is one and Kentucky modified gross income is equal to federal adjusted gross income. A family size tax credit is allowed for single persons whose **Kentucky modified gross income** is not over \$15,282. If over \$15,282, you do not qualify for this tax credit. Skip Line 7.

Enter in the space provided the decimal amount from the following table.

Family Size One		Percent of Tax as Family Size Tax Credit	
If the Kentucky modified gross income (Line 1) is:		Enter decimal amount on Line 7

\$14,937	\$15,282	0.10	(10%)

Multiply amount on Line 6 by decimal amount. Enter result on Line 7. This is your Family Size Tax Credit.

Do not include amounts withheld by your employer for other states. Amounts withheld in other states cannot be credited to your Kentucky income tax. Local government occupational, license or income taxes must not be included on Line 11.

Line 12—If the amount on Line 11 (Kentucky Tax Withheld) is more than the amount on Line 10 (Total Tax Liability), you have an overpayment and are due a refund. Subtract Line 10 from Line 11, and enter the difference on Line 12 as an overpayment. However, if your Total Tax Liability on Line 10 is larger than Line 11, you owe additional tax. Computer-Generated Returns and 2-D Bar Code

Most software packages produce a 2-D bar code. The Department of Revenue scans the bar code that contains all of the information needed to process your return. The bar code is printed in the upper right-hand corner of the return when you prepare your return using an approved software package. **Last minute changes** should be entered into the program and the **entire** return printed again so that the bar code also contains the correct information. This bar code should not be covered up or marked through. Using the bar code reduces

data entry errors for the department and results in a faster refund for you.

Check to be sure your software generates an acceptable form. A list of vendors whose software has been approved is posted on the Internet at www.revenue.ky.gov, the Department of Revenue's Web site.

Where to Get Forms

Forms and instructions are available online from the Department of Revenue's Web site at www.revenue.ky.gov and at all Kentucky Taxpayer Service Centers. They may also be obtained by writing FORMS, Kentucky Department of Revenue, Frankfort, KY 40620, or by calling (502) 564-3658.

Address Change

If you move after you file your tax return, please notify the Kentucky Department of Revenue of your new address. This can be done by sending a change of address card (available at your local post office) to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181. Notification can also be made to any Kentucky Taxpayer Service Center. A list of locations is included in your packet.

Refund Inquiries

You may check the status of your refund at www.revenue.ky.gov or by calling our automated line at (502) 564-1600. These systems are available 24 hours, 7 days a week, and are updated nightly.

Information about electronically filed returns should be available within 72 hours of receipt. Information about other refund request filed on paper will be available after the return has completed initial processing (approximately 12 weeks).

Need a Copy of Your Tax Return?

If you need a copy of your tax return, you must send your request in writing to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181. Please include your name(s) as it appeared on your return, Social Security number(s), your complete mailing address, and a photo ID. To ensure confidentiality, all requests must include your signature.

How Long Should Records be Kept?

Keep a copy of your tax return, worksheets and records of all items appearing on it (such as Forms W-2 and 1099 or other receipts) until the statute of limitations runs out for that return. Usually, this is four years from the date the return was due or filed (with extensions), or the date the tax was paid, whichever is later. You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to figure the basis of the original or replacement property.

Filing as an Injured Spouse on Your Federal Form 1040?

Kentucky does not recognize the federal injured spouse form. Income tax refunds may be withheld by the department if you owe money to the Kentucky Department of Revenue, another state agency or the Internal Revenue Service.

Kentucky law requires the offset of the entire refund if a joint return is filed. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.** If you choose to file separately on a combined return, for agencies other than the Department of Revenue, the refund will be apportioned between spouses, based

on each spouse's income. The indebted spouse's refund will then be paid to the appropriate agency.

Death of a Taxpayer

If a taxpayer died before filing a return for 2013, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return should enter "DECD" after the deceased taxpayer's name and write "DECEASED" and the date of death across the top of the return.

If your spouse died in 2013 and you did not remarry in 2013, you can file jointly or separately on a combined return. The return should show your spouse's 2013 income before death and your income for all of 2013. You can also file jointly or separately on a combined return if your spouse died in 2014 before filing a 2013 return. Write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

Death of Military Personnel Killed in Line of Duty

KRS 141.010(10)(t) exempts all income earned by soldiers killed in the line of duty from Kentucky tax for the year during which the death occurred and the year prior to the year during which the death occurred.

The exemption applies to tax years beginning after December 31, 2001. The income exclusion applies to all income from all sources of the decedent, not just military income. The exclusion includes all federal and state death benefits payable to the estate or any beneficiaries.

Amended returns may be filed for the year the soldier was killed in the line of duty and the year prior to the year of death. The amended returns must be filed within the statute of limitations period; four years from the due date, the extended due date or the date the tax was paid, whichever is later.

If a combined return was filed, the exclusion would apply to the income reported in Column A or Column B of the Kentucky return attributable to the military member. If a joint return was filed, the income must be separated accordingly. Refunds will be issued in the names on the original return. Beneficiaries or estates that received death benefits that were included in a Kentucky return may file an amended return to request a refund of taxes paid on the benefit.

The Department of Revenue will use the Veterans Administration definition for "in the line of duty," which states that a soldier is in the line of duty when he is in active military service, whether on active duty or authorized leave; unless the death was the result of the person's own willful misconduct.

Income Tax Withholding for 2014

If the amount you owe or the amount you overpaid is large, you may want to change the amount of income tax withheld from your 2014 pay. To do so you must file a new Form K-4 with your employer.

The Family Size Tax Credit is based on modified gross income and the size of the family. See instructions for Lines 20 and 21 for further explanation of these limitations. Changes have been made to the Special Withholding Exemption Certificate (Form K-4E) to reflect the Family Size Tax Credit. If you do not expect to have any tax liability for the current year and you meet the modified gross income requirements, you may be entitled to claim exemption from withholding of Kentucky income tax. The Special Withholding Exemption Certificate (Form K-4E) can be downloaded at <http://revenue.ky.gov/business/whtax.htm>, the Department of Revenue's Web site.

2014 Estimated Tax Payments

Persons who reasonably expect to have income in excess of \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments on Form 740-ES. However, if the amount of estimated tax is \$500 or less, no estimated payments are required.

Persons who do not prepay at least 70 percent of the tax liability may be subject to a 10 percent penalty for underpayment of estimated tax. If you are required to make estimated tax payments you may also be subject to interest if the payments are not made timely. Prepayments for 2014 may be made through withholding, a credit forward of a 2013 overpayment or estimated tax installment payments. The instructions for Form 740-ES include a worksheet for calculating the amount of estimated tax due and for making installment payments. These forms may be obtained from the Kentucky Department of Revenue, Frankfort, KY 40620, or any Kentucky Taxpayer Service Center, or by calling (502) 564-3658.

Return Adjustments

If the Department of Revenue adjusts your return and you do not understand the adjustment, you may write to Taxpayer Assistance, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181 or call (502) 564-4581. If you disagree with an adjustment made to your return, you may appeal that adjustment by submitting a written protest within 45 days of notification.

Amended Returns

If you discover that you omitted deductions or otherwise improperly prepared your return, you may obtain a refund by filing an amended return within four years of the due date of the original return. *You are required to file an amended return to report omitted income.* You may obtain Form 740-X by contacting a Kentucky Taxpayer Service Center or writing FORMS, Kentucky Department of Revenue, Frankfort, KY 40620. You may also download Form 740-X at www.revenue.ky.gov, the Department of Revenue's Web site.

Federal Audit Adjustments

Taxpayers who have received a final determination of an Internal Revenue Service audit must submit a copy to the department **within 30 days of its conclusion**. The information should be submitted to the Individual Governmental Program Section, Kentucky Department of Revenue, P.O. Box 1074, Station 68, Frankfort, KY 40602-1074.

Confidentiality

Kentucky Revised Statute 131.190 requires the Department of Revenue to maintain strict confidentiality of all taxpayer records. No employee of the Department of Revenue may divulge any information regarding the tax returns, schedules or reports required to be filed. However, the Department of Revenue is not prohibited from providing evidence to or testifying in any court of law concerning official tax records. **Also, Department of Revenue employees or any other person authorized to access confidential state information are prohibited from intentionally viewing such information without an official need to view.**

The department may provide official information on a confidential basis to the Internal Revenue Service or to any other governmental agency with which it has an exchange of information agreement whereby the department receives similar or useful information in return.

Extension of Time to File

Taxpayers who are unable to file a return by April 15 may request an extension. The request for the extension must be submitted in writing to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. Extensions are limited to six months. **A copy of the Kentucky extension request must be attached to the return.**

Individuals who receive a federal extension are not required to request a separate Kentucky extension. They can meet the requirements by attaching a copy of the application for automatic federal extension to the Kentucky return.

IRS extensions by e-file (by personal computer or a tax professional)—Attach a copy of Form 4868 with the confirmation number in the lower right-hand corner of the form or a copy of the electronic acknowledgment.

Military Personnel—Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

Interest and Penalties—Interest at the “tax interest rate” applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a **late payment penalty** may be assessed (minimum penalty is \$10).

Interest and penalty charges can be avoided or reduced by sending payment with your extension request by the due date. If you wish to make a payment prior to the due date of your return when using the:

- (1) *Kentucky Extension*—Complete Section II, Kentucky Extension Payment Voucher, of the Application for Extension of Time to File, Form 40A102, and send with payment. Write “KY Income Tax—2013” and your Social Security number(s) on the face of the check.
- (2) *Federal Automatic Extension*—Make a copy of the lower portion of the federal Application for Automatic Extension, Form 4868, and send with payment. Write “KY Income Tax—2013” and your Social Security number(s) on the face of the check.

Personal Property Forms

Kentucky business taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort. Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for this return is May 15. **Do not mail this return with your income tax return; use a separate envelope.**

INSTRUCTIONS

2013 FORM 740

Do You Have to File a Kentucky Return?

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income and income from self-employment. You must file if your modified gross income exceeds the amount in Chart A and your Kentucky adjusted gross income exceeds the amount in Chart B.

Complete your federal tax return first. If you are not required to file a federal tax return, see instructions for Line 5.

MODIFIED GROSS INCOME AND FAMILY SIZE (Use With Chart A)

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children. For the purposes of computing the Family Size Tax Credit, the maximum family size is four.

Qualifying Dependent Child—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer's qualifying child, a person must satisfy four tests:

- **Relationship**—The taxpayer's child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.
- **Residence**—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents. Other federal exceptions apply.
- **Age**—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.
- **Support**—Did not provide more than one-half of his/her own support for the year.

Modified Gross Income—Modified gross income is the greater of federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income; **or** Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

KENTUCKY ADJUSTED GROSS INCOME (Use Chart B if Modified Gross Income is Greater Than the Amounts in Chart A)

Kentucky Adjusted Gross Income—Consists of your federal adjusted gross income plus any additions and subtractions from Schedule M, Modifications to Federal Adjusted Gross Income.

If Your Filing Status is:	Your Kentucky Adjusted Gross Income is greater than:
Single Person— Under age 65.....	and \$ 3,360
Single Person— Age 65 or over or blind.....	and \$ 5,360
Single Person— Age 65 or over and blind.....	and \$ 6,630
Husband and Wife— Both under age 65.....	and \$ 4,360
Husband and Wife— One age 65 or over	and \$ 6,030
Husband and Wife— Both age 65 or over	and \$ 7,130

TAXPAYERS WITH SELF-EMPLOYMENT INCOME—Must file a Kentucky individual income tax return regardless of the amount of Kentucky adjusted gross income used in the Chart B if you have gross receipts from self-employment in excess of modified gross income for your family size in Chart A.

If Your Family Size is:	Your Modified Gross Income is greater than:
One.....	and\$11,490
Two	and\$15,510
Three.....	and\$19,530
Four or More	and\$23,550

TIP: Even though the filing requirements are not met, an income tax return must be filed to claim a refund of the Kentucky taxes withheld.

FILING REQUIREMENTS (Continued)

Part-time or part-year workers may have income taxes withheld from their paychecks even though the filing requirements are not met. An income tax return must be filed to claim a refund of the Kentucky taxes withheld.

A child meeting the filing requirements must file a return even though being claimed as a dependent by the parent. Kentucky income tax law contains no special provisions for taxing the income of a minor child at the parent's tax rates nor the reporting of income of a child on the parent's return.

Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax.

Nonresidents and part-year residents must report income on Form 740-NP.

Military Personnel—MILITARY PAY EXCLUSION—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax. KRS 141.010(10)(u)

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier's military pay, the Department of Revenue will refund the tax withheld.

Kentucky residents who are in the military are often granted extensions for military service when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

For Fiscal Year Filers Only—Most people pay taxes for a calendar year. However, if you file for a taxable year other than a calendar year or for part of a year, enter the beginning and ending dates of that year on the line at the top of the form.

When and Where to File

The income tax return for calendar year 2013 must be postmarked or submitted electronically no later than April 15, 2014, to avoid penalties and interest. Mail to:

Pay Returns

Frankfort, KY 40619-0008

Taxpayers who expect refunds should file as early as possible to receive refunds promptly. If you have your tax return prepared by another person, you may wish to mail the return yourself in order to ensure prompt filing.

Social Security Number—You are required to provide your social security number per Section 405, Title 42, of the United States Code. This information will be used to establish your identity for tax purposes only.

Political Party Fund Designation

You may designate \$2 of your taxes to either the Democratic or Republican party if you have a tax liability of at least \$2 (\$4 for married persons filing joint returns). Fifty cents will be paid to the corresponding political organization in your county of residence and the remainder will be paid to the respective state political party. *This designation will not increase your tax or decrease your refund.* You may make this designation by checking the applicable box. A husband and wife may each make a designation. Persons making no designation should check the "No Designation" box.

Reporting Periods and Accounting Procedures

Kentucky law requires taxpayers to report income on the same calendar or fiscal year and to use the same methods of accounting as required for federal income tax purposes. Any federally approved change in accounting period or methods must be reported to the Kentucky Department of Revenue. Attach a copy of the federal approval.

Changes to federal income tax law made after the Internal Revenue Code reference date contained in KRS 141.010(3) shall not apply for purposes of Chapter 141 unless adopted by the General Assembly.

Filing Status

Legal liabilities are affected by the choice of filing status. Married persons who file joint or combined returns are jointly and severally liable for all income taxes due for the period covered by the return. That is, each spouse may be held legally responsible for payment of taxes on income earned by the other. If spouses want to credit the refund of one against the liability of the other or combine their tax liabilities or refunds, they must file a combined return. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.**

Check the box that describes your filing status. If you are married, filed a joint federal return and both you and your spouse had income, you may be able to reduce your tax by using Filing Status 2 rather than Filing Status 3.

Filing Status 1, Single—Use this filing status if you are unmarried, divorced, widowed, legally separated by court decree, or if you filed as "Head of Household" or "Qualifying Widow(er)" on your federal return.

Filing Status 2, Married Filing Separately on This Combined Return—Use this filing status to report your incomes individually but on only one tax form. You do this by filling in both Columns A and B. You may file separately on this combined return regardless of whether you filed jointly or separately for federal purposes if both you and your spouse had income. This filing status usually results in a lower tax than Filing Status 3.

Each spouse must claim his or her own income and deductions. The total of Line 5, Columns A and B, must equal your and your spouse’s federal adjusted gross income.

Filing Status 3, Married Filing Joint Return—Use this filing status if you and your spouse choose to file a joint return even if one spouse had no income. Jointly means that you and your spouse add your incomes together and report in Column B. If both you and your spouse have income, it may be to your benefit to use Filing Status 2.

Filing Status 4, Married Filing Separate Returns—If using this filing status, you and your spouse must file two separate tax forms. The husband’s income is reported on one tax form, the wife’s on the other. When filing separate returns, the name and Social Security number of each spouse must be entered on both returns. Enter the spouse’s Social Security number in the block provided, and enter the name on Line 4.

Adjusted Gross Income

LINE 5, Federal Adjusted Gross Income

Enter the total amount of your federal adjusted gross income from your federal income tax return in Column B if Filing Status 1, 3 or 4 is used. Use Column A only when entering your spouse’s income on a combined return (Filing Status 2). When using Filing Status 2, Columns A and B, Line 5, must equal your federal adjusted gross income. **(Do not confuse federal adjusted gross income with federal taxable income shown on the federal return.)**

Where husband and wife have filed a joint return for federal income tax purposes and have not elected to file a joint Kentucky income tax return, each spouse must claim his or her own income and deductions.

If you are not required to file a federal income tax return, enter on Line 5 the total of wages, salaries, tips, fees, commissions, bonuses, other payments for personal services, taxable scholarships and fellowships, taxable interest and dividends, trade or business income, unemployment compensation and all other income from sources within and without Kentucky including amounts not reported on attached wage and tax statements. If you have income not supported by a wage and tax statement, attach a supporting schedule showing the source and amount.

Determining Kentucky Adjusted Gross Income—Kentucky law requires that the individual income tax return begin with federal adjusted gross income and be adjusted for any differences to arrive at Kentucky adjusted gross income. Schedule M is designed to make “additions to” federal adjusted gross income and provides for “subtractions from”

federal adjusted gross income. For a list of differences, see the Federal/Kentucky Individual Income Tax Differences chart and the line-by-line instructions.

LINE 6—Additions to Federal Adjusted Gross Income—Enter amount from Schedule M, Part I, Line 8.

LINE 8—Subtractions from Federal Adjusted Gross Income—Enter amount from Schedule M, Part II, Line 20.

LINE 9—Kentucky Adjusted Gross Income—Subtract Line 8 from Line 7. This is your **Kentucky Adjusted Gross Income**.

Taxable Income

LINE 10, Deductions—Itemizers, complete Schedule A and enter allowable deductions on Line 10. *If one spouse itemizes deductions, the other must itemize.* See specific instructions for Schedule A.

Nonitemizers, enter the standard deduction of \$2,360. If married filing separately on a combined return, enter \$2,360 in both Columns A and B. **If filing a joint return, only one \$2,360 standard deduction is allowed.**

LINE 11—Subtract Line 10 from Line 9. This is your **Taxable Income**.

Tax

LINE 12—Determining Your Tax

Tax Table or Computation—An optional tax table is located elsewhere in this publication for your convenience. You may use this table whether or not you itemize. Married taxpayers filing separately on a combined return may use the tax table or the tax rate schedule, or one spouse may use the tax table and the other the tax rate schedule. If you choose not to use the tax table, compute your tax using the tax rate schedule below.

Tax Rate Schedule

<i>If taxable amount is:</i>	<i>Tax is:</i>
\$3,000 or less	2% of taxable amount
over \$3,000 but not over \$4,000	\$60 plus 3% of amount over \$3,000
over \$4,000 but not over \$5,000	\$90 plus 4% of amount over \$4,000
over \$5,000 but not over \$8,000	\$130 plus 5% of amount over \$5,000
over \$8,000 but not over \$75,000 ..	\$280 plus 5.8% of amount over \$8,000
over \$75,000	\$4,166 plus 6% of amount over \$75,000

Farm Income Averaging, Schedule J—If you elect farm income averaging on your federal return, you may also use this method for Kentucky. The amount of income you may average is limited to the amount elected for federal purposes. Enter tax from Schedule J, Line 22, on Form 740, Line 12, and check the box for “Schedule J.” Attach completed Schedule J.

LINE 13, Lump-sum Distribution—Special 10-Year Averaging— Kentucky allows a special 10-year averaging method for determining tax on lump-sum distributions received from certain retirement plans that qualify for federal 10-year averaging. If this special method is used for federal purposes, Form 4972-K, Kentucky Tax on Lump-Sum Distributions, and Schedule P, Pension Income Exclusion, must be filed with Form 740. Enter tax from Form 4972-K and check the box.

Recycling Composting Recapture— Enter amount from Schedule RC-R and check the box.

If both Form 4972-K and Schedule RC-R are used, add the amounts together and enter the total on Line 13.

LINE 15— Enter amounts from page 3, Section A. See instructions for Section A.

LINE 17— Enter amounts from page 3, Section B. See instructions for Section B.

LINE 19, Total Tax Liability— Married taxpayers filing a combined return must add the amounts on Line 18, Columns A and B, and enter the sum on Line 19. Other taxpayers should enter the amount from Line 18, Column B, on Line 19.

LINE 20 and LINE 21, Family Size Tax Credit— The Family Size Tax Credit is based on modified gross income (MGI) and the size of the family. If your total MGI is \$31,322 or less, you may qualify for Kentucky Family Size Tax Credit.

STEP ONE—Determine your family size. Check the box on Line 20 to the right of the number that represents your family size.

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children.

Family Size 1 is an individual either single, or married living apart from his or her spouse for the entire year. You may qualify for the Family Size Tax Credit even if you are claimed as a dependent on your parent’s tax return.

Family Size 2 is an individual with one qualifying child or a married couple.

Family Size 3 is an individual with two qualifying children or a married couple with one qualifying child.

Family Size 4 is an individual with three or more qualifying children or a married couple with two or more qualifying children.

Qualifying Dependent Child—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer’s qualifying child, a person must satisfy four tests:

Relationship—Must be the taxpayer’s child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.

Residence—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents.

Age—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.

Support—Did not provide more than one-half of his/her own support for the year.

STEP TWO—Determine modified gross income.

If you do not meet the filing requirements to file a federal income tax return but would have been entitled to the federal child and dependent care credit, you may claim the child and dependent care credit for Kentucky purposes. Complete and attach federal Form 2441, state on the form “did not meet federal filing requirements” and follow instructions for Line 25.

LINE 27, Kentucky Use Tax

Important Reminder from the Department of Revenue About Out-of-State Purchases:
If you made untaxed purchases from out-of-state retailers, the use tax line on your return should contain a number.

Like every other state that has a sales tax, Kentucky has a use tax that requires that out-of-state purchases of tangible personal property or digital property for use in Kentucky be taxed at the same amount as if they had taken place in Kentucky and subjected to Kentucky’s sales tax. This ensures equality of treatment between in-state and out-of-state transactions. Although the use tax has been in the tax code since 1960, it is now more relevant than ever because of the increasing percentage of online sales. Pursuant to KRS 139.330, a 6 percent use tax is due if you make out-of-state purchases for storage, use or other consumption in Kentucky and did not pay at least 6 percent state sales tax to the seller at the time of purchase. **For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky** for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky. It is important to remember that use tax applies **only** to items purchased from a retailer outside Kentucky, including another country, which would have been taxed if purchased in Kentucky.

For your convenience, a Use Tax Calculation Worksheet and Optional Use Tax Table are provided below. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made **untaxed** out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All **untaxed** purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

The small business development credit program authorized by KRS 154.60-020 and KRS 141.384 was amended to allow the credit to apply to taxable years beginning after Dec. 31, 2010. The definition of base year for purposes of the credit computation was changed to the first full year of operation that begins on or after Jan.1, 2009 and before Jan. 1, 2010.

Small businesses are eligible to apply for credits and receive final approval for these credits one (1) year after the small business:

- Creates and fills one (1) or more eligible positions over the base employment, and that position or positions are created and filled for twelve (12) months; and
- Invests five thousand dollars (\$5,000) or more in qualifying equipment or technology.

The small business shall submit all information necessary to the Kentucky Economic Development Finance Authority to determine credit eligibility for each year and the amount of credit for which the small business is approved.

A small business that is a pass-through entity not subject to the tax imposed by KRS 141.040 and that has tax credits approved under Subchapter 60 of KRS Chapter 154 shall apply the credits against the limited liability entity tax imposed by KRS 141.0401, and shall also distribute the amount of the approved tax credits to each partner, member, or shareholder based on the partner’s, member’s, or shareholder’s distributive share of income as determined for the year during which the tax credits are approved.

The maximum amount of credits that may be committed in each fiscal year by the Kentucky Economic Development Finance Authority shall be capped at three million dollars (\$3,000,000).

The maximum amount of credit for each small business for each year shall not exceed twenty-five thousand dollars (\$25,000). The credit shall be claimed on the tax return for the year during which the credit was approved. As per KRS 141.0205, individuals entitled to this credit will claim the credit on Line 2, Section A – Business Incentive and Other Tax Credits.

For information regarding the application and approval process for this credit, contact the Cabinet for Economic Development, Bluegrass State Skills Corporation at (502) 564-2021.

Line 4, Nonrefundable Certified Rehabilitation Credit—This credit is available to owner-occupied residential and commercial preservation projects for structures that are listed in the National Register of Historic Places, or in a National Register historic district, up to \$3 million annually. The credit is 30 percent of certified rehabilitation expenses for owner-occupied residential properties, not to exceed \$60,000 per project, and 20 percent for commercial and income-producing properties. To qualify, an owner must spend at least \$20,000 on rehabilitation.

Individuals or businesses can apply the credit against their state income tax liability, carry the credit forward up to seven years or transfer it to a banking institution to leverage financing. For applications submitted on or after **April 30, 2010**, the credit shall be refundable if the taxpayer makes an election under KRS 171.397(2)(b). For more information regarding this credit, visit the Kentucky Heritage Council's Web site at www.heritage.ky.gov, or call (502) 564-7005.

Line 5, Credit for Tax Paid to Another State—Kentucky residents are required to report all income received including income from sources outside Kentucky. Within certain limitations, a credit for income tax paid to another state may be claimed. The credit is **limited** to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, **whichever is less**.

You may not claim credit for tax withheld by another state. You must file a return with the other state and pay tax on income also taxed by Kentucky in order to claim the credit. A copy of the other state's return including a schedule of income sources must be attached to verify this credit. **If you owe tax in more than one state, the credit for each state must be computed separately.**

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

- Illinois, West Virginia**—wages and salaries
- Indiana**—wages, salaries and commissions
- Michigan, Wisconsin**—income from personal services (including salaries and wages)
- Ohio**—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a "twenty (20) percent or greater" direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.
- Virginia**—commuting daily, salaries and wages

Kentucky does not allow a credit for tax paid to a reciprocal state on the above income. If tax was withheld by a reciprocal state, you must file directly with the other state for a refund of those taxes.

Line 1(b), Your Spouse—Do not fill in Line 1(b) if (1) you are single; (2) you are married and you and your spouse are filing two separate returns; or (3) your spouse received more than half of his or her support from another taxpayer.

Fill in Line 1(b) if you are married and (1) you and your spouse are filing a joint or combined return, or (2) if your spouse had no income or is not required to file a return. If you meet these criteria, check the first box on Line 1(b) for your spouse. *If your spouse is 65 or older*, also check the next two boxes. *If your spouse was legally blind at the end of the taxable year*, also check the last two boxes on Line 1(b).

Dependents—You are allowed to claim a tax credit for each person defined as a dependent in the Internal Revenue Code. Generally, dependents who qualify for federal purposes also qualify for Kentucky.

Line 2, Dependents Who Live With You

Use to claim tax credits for your dependent children, including stepchildren and legally adopted children, who lived with you during the taxable year. **If the dependent meets the requirements for a qualifying child under the provisions of IRC 152(c), check the box; this child qualifies to be counted to determine the family size.**

Dependents Who Did Not Live With You

Also use Line 2 to claim tax credits for your dependent children who did not live with you and to claim tax credits for other persons who qualify as dependents. **These dependents do not qualify to be counted to determine the family size.**

Children of Divorced or Separated Parents—Attach a copy of federal Form 8332 filed with your federal return. Children may only be counted for family size by the custodial parent.

Tax Credits for Individuals Supported by More Than One Taxpayer—Attach a copy of federal Form 2120 filed with your federal return.

Kentucky National Guard Members—Persons who were members of the Kentucky National Guard on December 31, 2013, may claim an additional credit on Line 2. Designate this credit with the initials “N.G.” Kentucky law specifically restricts this credit to Kentucky National Guard members; military reserve members are not eligible.

Lines 3A and 3B, Dividing the Credits—Each taxpayer must claim all of his or her own tax credits including the credits for age and blindness. *Therefore, if married, each spouse must claim at least one credit. However, spouses may divide tax*

credits for dependents, or one spouse may claim all dependent credits and the other none.

Example I—A husband who is 65 and a wife who is 60 are filing separately on a combined return. The husband must claim three credits (one regular and two for being 65 or older), and the wife must claim one.

Example II—A husband and wife have two dependents. The husband must claim his regular credit, and the wife must claim hers. However, the two dependent credits may be claimed by either spouse, or each spouse may claim one.

For married taxpayers, each spouse must claim all of his or her own credits. Therefore, each spouse must claim at least one credit. Credits for dependents may be divided between the spouses, or one spouse may claim all the credits for dependents and the other none.

TIP—Multiply credits by \$20 and subtract from tax on page 1. The tax table and the tax rate schedule do not deduct for tax credits.

Remember to carry amounts from page 3, Line 4A and/or 4B, to page 1, Line 17.

SECTION C—FAMILY SIZE TAX CREDIT

Children may only be counted for family size by the custodial parent. Even if you have signed federal Form 8332 and may not claim the child as a dependent, you may count children who otherwise meet the requirements for the Family Size Tax Credit.

You must include in Section C the names and Social Security numbers of the qualifying children that are not claimed as dependents in Section B in order to count them in your total family size.

COPY OF FEDERAL RETURN

You must attach a complete copy of your federal return if you received farm, business, or rental income or loss.

The Kentucky Department of Revenue does not require copies if you filed Form 1040EZ or 1040A. Check the box on Form 740, page 3 if you are not required to attach a copy of your federal return.

SIGN RETURN

Be sure to sign on page 3 after completion of pages 1, 2 and 3 of your return. Each return must be signed by the taxpayer. Joint and combined returns must be signed by both husband and wife. Returns that are not signed may be returned to you for signature.

Please enter a telephone number where you can be reached during regular working hours. You may be contacted for additional information needed to complete processing your tax return.

A copy of the federal Form 4562 if filed for federal income tax purposes **must** be submitted with Form 740 to verify that no adjustments are required.

Reporting Depreciation and Section 179 Deduction Differences for Property Placed in Service After September 10, 2001

Create a Kentucky Form 4562 by entering **Kentucky** at the top center of a federal Form 4562 above Depreciation and Amortization. In Part I, Line 1 enter the Kentucky limit of \$25,000 and in Part I, Line 3 enter the Kentucky phase-out amount of \$200,000. In Part II, strike through and ignore Line 14, Special depreciation allowance for qualified property placed in service during the tax year.

Use the created Kentucky Form 4562 to compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001. **Note:** In determining the Section 179 deduction for Kentucky the income limitation on Line 11 is Kentucky net income before the Section 179 deduction instead of federal taxable income. **Attach the created Kentucky Form 4562** to Form 740 and enter the amount of Kentucky depreciation from Line 22 on Line 16.

Line 17—Enter Kentucky net operating loss calculated from prior years. Keep worksheet detailing the net operating loss claimed with your records.

Note: If your net operating loss occurred in 2013, complete Kentucky Schedule KNOL to determine the amount of your loss to be carried forward in future years. Any carry forward of a prior year loss claimed on Line 17 of Schedule M should be calculated using a worksheet. Keep a copy for your records and attach a copy to your return.

Line 18—Enter Kentucky domestic productions activities

deduction. Beginning on or after January 1, 2010 limit the federal domestic productions activity by the six percent (6%) in lieu of the rate provided by IRC§ 199(a).

- qualified farm networking project differences per KRS 141.0101(15);
- differences in the gains (losses) from the sale of intangible assets amortized under the provisions of the Revenue Reconciliation Act of 1993;
- differences in gains (losses) from assets purchased after September 10, 2001; and
- income of military personnel killed in the line of duty.

Note: All income earned by soldiers killed in the line of duty is exempt from Kentucky tax for the year during which the death occurred and the year preceding the death. Federal and state death benefits payable to the estate or any beneficiaries may also be excluded. Additional information may be found in the General Information section of the instructions for Form 740.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year you dispose of assets placed in service after September 10, 2001, on which the 30 percent or the 50 percent special depreciation allowance or the increased Section 179 deduction was taken for federal income tax purposes, you will need to determine and report the difference in the amount of gain or loss on the assets as follows:

Create a Kentucky form by entering **Kentucky** at the top center of a federal Schedule D, federal Form 4797 and other applicable federal forms. Compute Kentucky gain or loss from the disposed assets using the Kentucky basis. Enter the difference in federal gain or loss and the Kentucky gain or loss on the appropriate line. **Attach the created Kentucky Schedule D, Kentucky Form 4797 and other forms or schedules to support the deduction.**

At-Risk Limitations—Federal/Kentucky income (loss) differences may create different allowable losses due to at-risk limitations. If you have amounts invested in an activity for which you are not at risk and used federal Form 6198, At-Risk Limitations, complete federal Form 6198 using Kentucky amounts to determine if the Kentucky allowable loss differs from the federal allowable loss. For a passive activity, use the Kentucky allowable loss to complete Form 8582-K. For all other activities (nonpassive), enter the difference as an "other addition" or "other subtraction" on Line 7 or Line 19.

Line 20, Total Subtractions—Add Lines 9 through 19. Enter on Line 20 and on Form 740, page 1, Line 8.

Instructions for Schedule A

Do not include on Schedule A items deducted elsewhere, such as on Schedule C, C-EZ, E, F or Kentucky Schedule M.

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Generally, if your deductions exceed \$2,360, it will benefit you to itemize. If you do not itemize, a standard deduction of \$2,360 is allowed.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must also itemize. Married couples filing a joint federal return and who wish to file separate returns or a combined return for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each, or (b) file one Schedule A and divide the total deductions between them based on the percentage of each spouse's income to total income.

Limitations on Itemized Deductions for High-Income Taxpayers—If your adjusted gross income on Form 740, Line 9, exceeds \$178,150 (\$89,075 if married filing separately on a combined return or separate returns), your itemized deductions are reduced by the lesser of:

- (a) 3 percent of the amount by which your adjusted gross income exceeds \$178,150 (\$89,075 if married filing separately on a combined return or separate returns), or
- (b) 80 percent of your total itemized deductions except medical and dental expenses, casualty and theft losses, gambling losses and investment interest.

The limitations are computed on page 2, Part II, Schedule A (Form 740).

Lines 1 through 3—Medical and Dental Expenses

You may deduct only your medical and dental expenses that exceed 7.5 percent of Line 9, Form 740. Include all amounts you paid during 2013 but **do not** include amounts which have been previously deducted; paid by hospital, health or accident insurance; or paid by your employer. Federal rules apply for reimbursement.

When you compute your deduction, you may include medical and dental bills you paid for:

Yourself.

All dependents you claim on your return.

Your child whom you do not claim as a dependent because of the rules for Children of Divorced or Separated Parents.

Any person that you could have claimed as a dependent on your return if that person had not received \$3,900 or more of gross income or had not filed a joint return.

Add parking and tolls to the amount you claim under either method.

You may not deduct payments for the following:

Elective cosmetic surgery.

Hospital, medical and extra Medicare B insurance. To claim these expenses, see instructions for Schedule M, Line 14.

The basic cost of Medicare insurance (Medicare A). (**Note:** If you are 65 or over and not entitled to Social Security benefits, you may deduct premiums you voluntarily paid for Medicare A coverage.)

School taxes based on electric, water, sewer, gas and telephone bills.

Lines 9 through 14—Interest Expense

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 9—List the interest and points (including "seller-paid points") paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 10—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address of individual to whom interest was paid.

Line 11—List points (including "seller-paid points") not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2013. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

If you are the seller, you **cannot** deduct the points as interest. Instead, include them as an expense of the sale.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 12, Qualified Mortgage Insurance Premiums—Premiums that you pay or accrue for “qualified mortgage insurance” during 2013 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before

January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740, line 9, is more than \$109,000 (\$54,500 if married filing separately on a combined return or separate returns). If the amount on Form 740, line 9, is more than \$100,000 (\$50,000 if married filing separately on a combined return or separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Qualified Mortgage Insurance Premiums Deduction Worksheet

See the instructions for Line 12 above to see if you must use this worksheet to figure your deduction.

Line 13, Interest on Investment Property—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity or to securities that generate tax-exempt income.

(c) you have no disallowed investment interest expense from 2012.

Complete and attach federal Form 4952, Investment Interest Expense Deduction, to figure your deduction.

For more details, see federal Publication 550, Investment Income and Expenses.

Exception. You do not have to file federal Form 4952 if all three of the following apply:

Lines 15 through 19—Contributions

- (a) your investment interest is not more than your investment income from interest and ordinary dividends,
- (b) you have no other deductible investment expenses, and

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

Examples of qualifying organizations are:

Churches, temples, synagogues, Salvation Army, Red Cross, CARE, Goodwill Industries, United Way, Boy Scouts, Girl Scouts, Boys and Girls Clubs of America, etc.

Fraternal orders if the gifts will be used for the purposes listed above.

Veterans' and certain cultural groups.

Nonprofit schools, hospitals and organizations whose purpose is to find a cure for, or help people who have arthritis, asthma, birth defects, cancer, cerebral palsy, cystic fibrosis, diabetes, heart disease, hemophilia, mental illness or retardation, multiple sclerosis, muscular dystrophy, tuberculosis, etc.

Federal, state and local governments if the gifts are solely for public purposes.

If you contributed to a qualifying charitable organization and also received a benefit from it, you may deduct only the amount that is more than the value of the benefit you received.

Contributions You MAY Deduct

Contributions may be in cash, property or out-of-pocket expenses you paid to do volunteer work for the kinds of organizations described above. If you drove to and from the volunteer work, you may take 14 cents a mile or the actual cost of gas and oil. Add parking and tolls to the amount you claim under either method. (Do not deduct any amounts that were repaid to you.)

Note: You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. **This substantiation should be kept in your files. Do not send it with your return.**

See federal Publication 526 for special rules that apply if:

your total contributions exceed 50 percent of Line 9, Form 740,

your total deduction for gifts of property is over \$500, you gave less than your entire interest in the property, your cash contributions or contributions of ordinary income property are more than 30 percent of Line 9, Form 740,

your gifts of capital gain property to certain organizations are more than 20 percent of Line 9, Form 740, or

you gave gifts of property that increased in value, made bargain sales to charity, or gave gifts of the use of property.

You MAY NOT Deduct as Contributions

Political contributions.

Dues, fees or bills paid to country clubs, lodges, fraternal orders or similar groups.

Value of any benefit, such as food, entertainment or merchandise that you received in connection with a contribution to a charitable organization.

Groups whose purpose is to lobby for changes in the laws.

Civic leagues, social and sports clubs, labor unions and chambers of commerce.

Line 15—Enter all of your contributions paid by cash or check (including out-of-pocket expenses).

Line 16—Enter your contributions of property. If you gave used items, such as clothing or furniture, deduct their fair market value at the time you gave them. Fair market value is what a willing buyer would pay a willing seller when neither has to buy or sell and both are aware of the conditions of the sale. If your total deduction for gifts of property is more than \$500, you must complete and attach federal Form 8283, Noncash Charitable Contributions. If your total deduction is over \$5,000, you may also have to obtain appraisals of the values of the donated property. See federal Form 8283 and its instructions for details.

Also include the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Attach Schedule HH.

Recordkeeping—If you gave property, you should keep a receipt or written statement from the organization you gave the property to, or a reliable written record, that shows the organization's name and address, the date and location of the gift and a description of the property. You should also keep reliable written records for each gift of property that include the following information:

- (a) How you figured the property's value at the time you gave it. (If the value was determined by an appraisal, you should also keep a signed copy of the appraisal.)
- (b) The cost or other basis of the property if you must reduce it by any ordinary income or capital gain that would have resulted if the property had been sold at its fair market value.
- (c) How you figured your deduction if you chose to reduce your deduction for gifts of capital gain property.
- (d) Any conditions attached to the gift.
- (e) If the gift was a "qualified conservation contribution" under IRC Section 170(h), the fair market value of the underlying property before and after the gift, the type of legal interest donated and the conservation purpose furthered by the gift.

Line 17—Enter artistic charitable contributions. A deduction is allowed for “qualified artistic charitable contributions” of any literary, musical, artistic or scholarly composition, letter or memorandum, or similar property.

An amount equal to the fair market value of the property on the date contributed is allowable as a deduction. However, the deduction is limited to the amount of the taxpayer’s artistic adjusted gross income for the taxable year.

The following requirements for a deduction must be met:

- (a) The property must have been created by the personal efforts of the taxpayer at least one year prior to the date contributed. The creation of this property cannot be related to the performance of duties while an officer or employee of the United States, any state or political subdivision thereof.
- (b) A written appraisal of the fair market value of the contributed property must be made by a qualified independent appraiser within one year of the date of the contribution. A copy of the appraisal must be attached to the tax return.
- (c) The contribution must be made to a qualified organization as described in this section.

Line 18—Enter any carryover of contributions that you were not able to deduct in an earlier year because they exceeded your adjusted gross income limit. See federal Publication 526 for details on how to figure your carryover.

Lines 20 through 22—Casualty and Theft Losses

Line 20—Enter casualty or theft losses of property that is not trade, business, rent or royalty property. Attach federal Form 4684, Casualties and Thefts, or a similar statement to figure your loss.

Losses You MAY Deduct

You may be able to deduct all or part of each loss caused by theft, vandalism, fire, storm, and car, boat and other accidents or similar causes. You may also be able to deduct money you had in a financial institution but lost because of the insolvency or bankruptcy of the institution.

You may deduct nonbusiness casualty or theft losses only to the extent that:

- (a) the amount of **each** separate casualty or theft loss is more than \$100, and
- (b) the total amount of **all** losses during the year is more than 10 percent of Line 9, Form 740.

Special rules apply if you had both gains and losses from nonbusiness casualties or thefts. See federal Form 4684 for details.

Losses You MAY NOT Deduct

Money or property misplaced or lost.

Breakage of china, glassware, furniture and similar items under normal conditions.

Progressive damage to property (buildings, clothes, trees, etc.) caused by termites, moths, other insects or disease.

Deduct the costs of proving you had a property loss as a miscellaneous deduction on Line 25, Schedule A. (Examples of these costs are appraisal fees and photographs used to establish the amount of your loss.)

For more details, see federal Publication 547, Nonbusiness Disasters, Casualties, and Thefts. It also gives information about federal disaster area losses.

Lines 23 through 28—Miscellaneous Deductions

Most miscellaneous deductions cannot be deducted in full. You must subtract 2 percent of your adjusted gross income from the total. Compute the 2 percent limit on Line 27.

Generally, the 2 percent limit applies to job-related expenses you paid for which you were not reimbursed (Line 23). The limit also applies to certain expenses you paid to produce or collect taxable income (Line 25). See the instructions for Lines 23 and 25 for examples of expenses to claim on these lines.

The 2 percent limit does not apply to certain other miscellaneous expenses that you may deduct. These expenses can be deducted in full on Line 29. The Line 29 instructions describe these expenses. Included are deductible gambling losses (to the extent of winnings) and certain job expenses of disabled employees. See federal Publication 529, Miscellaneous Deductions, for more information.

Expenses You MAY NOT Deduct

However, if you have paid tax on gambling income in another state **and** you claimed an itemized deduction on your Kentucky Schedule A for losses, the allowable credit may be reduced or eliminated.

Line 30—Total Itemized Deductions

If the amount on Form 740, Line 9, exceeds \$178,150 (\$89,075 if married filing separately on a combined return or separate returns), skip Part I and complete Part II on page 2.

Complete page 2, Part I, Lines 1 through 5. What's New

ELECTRONIC FILING FOR 740-NP—The Kentucky Department of Revenue (KDOR), in conjunction with the Internal Revenue Service (IRS), accepts state individual income tax returns and corresponding forms and schedules by method of the Modernized E-File system (MeF). Effective July 5, 2013, the Form 740-NP and corresponding forms/schedules are accepted electronically through MeF. The Form 740-NP is the Kentucky Individual Income Tax Return for Nonresident and Part-Year Residents. Please check with your software company to determine if your software supports the Form 740-NP.

FAMILY SIZE TAX CREDIT—This credit provides benefits to individuals and families at incomes up to 133 percent of the threshold amount based on the federal poverty level. The 2013 threshold amount is \$11,490 for a family size of one, \$15,510 for a family of two, \$19,530 for a family of three and \$23,550 for a family of four or more.

STANDARD DEDUCTION—For 2013, the standard deduction is \$2,360.

CHECK THE STATUS OF A REFUND ONLINE—Taxpayers can now check the status of their current year individual income tax refund by going to the Kentucky Department of Revenue website – www.revenue.ky.gov. To take advantage of this fast and secure service, taxpayers will need their social security number and the exact amount of their refund. The status will be posted 7 – 10 days after an electronic tax return is filed or 8 – 10 weeks after a paper tax return is filed.

For more information, visit www.revenue.ky.gov

SCHEDULE A LIMITATION—For tax year 2013, the limitation on itemized deductions threshold is \$178,150 (\$89,075 if married filing separate returns). If your Kentucky adjusted gross income is above this threshold, your itemized deductions (excluding medical and dental, investment interest, losses for casualty or theft and gambling losses) will be limited. In general, if the limitation applies, itemized deductions are reduced by the lesser of: 3% of the adjusted gross income that exceeds the threshold or 80% of the allowable itemized deductions. A worksheet has been included with the Schedule A to help determine the amount of deductions you are allowed to take if you exceed the threshold.

The limitation was eliminated by EGTRRA (2001) and extended by the 2010 Tax Relief Act. However, the limitation had a sunset provision that ended EGTRRA on December 12, 2012. The federal government introduced new legislation to raise the limitation threshold. Kentucky, however, has not updated to the current Internal Revenue Code and is subject to the original limit of \$100,000 adjusted for inflation. For 2013, that threshold amount is \$178,150 (\$89,075 if married filing separate returns).

SAME-SEX MARRIED COUPLES FILING GUIDANCE—Recent United States Supreme Court decisions and the IRS Revenue Ruling issued thereafter have resulted in changes in the filing status for certain same-sex couples for federal income tax purposes. If a same-sex couple lives in Kentucky and has been married in a state that recognizes such unions, their filing status will be “married filing jointly” or “married filing separately” for Federal income tax purposes. However, this change in federal tax treatment has no effect on same-sex couples for state tax purposes at this time. In 2004, the Constitution of the Commonwealth of Kentucky was amended to prohibit the recognition of same-sex marriages. (Section 233A) Therefore, same-sex couples legally married in a different state will still be required to file separate Kentucky income tax returns.

Each taxpayer must provide the same federal income tax information on the Kentucky State Return that would have been provided prior to the issuance of Internal Revenue Service Revenue Ruling 2013-17, 2013-38 I.R.B. 201 (August 30, 2013).

Following the federal developments, three lawsuits have been filed in Kentucky challenging the constitutionality of both Kentucky’s amendment and its statutory prohibition against same-sex marriage. Those cases are all in very preliminary stages. Rulings in those cases could alter this guidance, and if so, additional information will be provided at that time.

Additional guidance concerning Schedule A deductions:

Each deduction on the Federal Form 1040 Schedule A return that is claimed jointly shall be separated in accordance with individual ownership, expenses, and/or charitable gifts when filing a Kentucky income tax return and reported on the individual’s single return. Itemized deductions related to joint ownership should be separated by agreement or some other acceptable method of division between the two parties.

DIRECT DEBIT OF ESTIMATE TAX—Taxpayers who file electronically can now authorize the Kentucky Department of Revenue to directly debit their payment(s) of estimate tax. Taxpayers may schedule up to four debit dates with the electronic filing of their return: April 15, 2014, June 16, 2014, September 15, 2014 and January 15, 2015. This must be initiated at the time of filing. Please see Form 8879-K and instructions for additional information.

CHECKOFF FOR LOCAL FOOD BANKS—For taxable years beginning on or after Jan. 1, 2013, taxpayers who are entitled to an income tax refund may contribute an amount, not to exceed the amount of the refund, to the Farms to Food Banks Trust Fund. Moneys received in the Farms to Food Banks Trust Fund will be used only for awarding grants that will increase access to fresh fruits and vegetables among low-income Kentuckians while supporting local farmers. For more information refer to KRS 141.448.

FOOD DONATION TAX CREDIT—The Food Donation Tax Credit applies to taxable years beginning on or after Jan. 1, 2014, but before Jan. 1, 2018. During that time, a qualified taxpayer will be allowed a nonrefundable credit against their Individual Income Tax in an amount equal to 10 percent of the value of donated edible agriculture products to a nonprofit organization operating a food program in Kentucky. This organization must be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. A qualified taxpayer means a person responsible for and deriving income from: growing fruits, vegetables, or other edible agriculture products; or raising beef, poultry, pork, fish, or other edible agriculture products. Edible agriculture products means fruits, vegetables, beef, poultry, pork, fish, or any other edible product raised or grown in Kentucky that is intended for and fit for human consumption. For more information refer to KRS 141.0205.

**INSTRUCTIONS FOR 2013 KENTUCKY FORM 740-NP
NONRESIDENT OR PART-YEAR RESIDENT INCOME TAX RETURN**

WHO MUST FILE FORM 740-NP—Form 740-NP must be used by full-year nonresidents who had income from Kentucky sources and by part-year residents who had income while a Kentucky resident or from Kentucky sources while a nonresident. These persons must file Form 740-NP if (1) they had **any gross income** from Kentucky sources **and gross income from all sources** in excess of modified gross income for their family size, or (2) Kentucky gross receipts from self-employment in excess of modified gross income for their family size. See Chart A on page 2.

Individuals who are residents of Kentucky for the entire tax year must use Form 740 or Form 740-EZ. Persons who maintain a permanent residence in Kentucky (i.e., are domiciled in Kentucky) are considered residents. Persons not domiciled in Kentucky but who live in Kentucky for more than 183 days during the tax year are also considered residents.

Full-year nonresidents must report all income from Kentucky sources (including distributive share income, Schedule K-1), from activities carried on in Kentucky or from the performance of services in Kentucky, and from property located in Kentucky.

Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents.

Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. **Reciprocity does not apply to persons who live in Kentucky for more than 183 days during the tax year.** The states and types of exemptions are as follows:

Illinois, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a “twenty (20) percent or greater” direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Virginia—commuting daily, salaries and wages

Taxpayers who qualify for this exemption and have no other Kentucky taxable income should file Form 740-NP-R, Kentucky Income Tax Return, Nonresident-Reciprocal State, to obtain a refund. Also, nonresidents who qualify for the exemption should file Form 42A809, Certificate of Nonresidence, with their employer to exempt their future wages from Kentucky withholding.

Gambling income and distributive share income (Schedule K-1) are not exempt under reciprocal agreements. This income is fully taxable. A complete return must be filed if filing requirements are met.

Military Personnel—Nonresident military personnel with civilian jobs in Kentucky are required to report this income on Form 740-NP except residents of reciprocal states (see reciprocal states above). Any income from nonmilitary Kentucky sources is also taxable.

Military Pay Exclusion—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax. (KRS 141.010(10)(u))

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier’s military pay in 2010 and after, the Department of Revenue will refund the tax withheld.

Military Spouse—The Military Spouses Residency Relief Act (MSRRA) (Public Law 111-97) was signed into law on November 11, 2009. This new law is effective for taxable year 2009. The MSRRA allows the same residency benefits permitted to military personnel under the Servicemembers Civil Relief Act (SCRA) to also apply to a military spouse’s nonmilitary service income, under certain circumstances.

The MSRRA prohibits a spouse’s income from being considered income earned in a tax jurisdiction if the spouse is not a resident or domiciliary of such jurisdiction when the spouse is in that jurisdiction solely to be with a servicemember serving under military orders.

Those military spouses who fall under this law should file Form 740-NP Kentucky Individual Income Tax Nonresident or Part-Year Resident Return to request a refund of the Kentucky income tax withheld from his or her pay. The income would not be reported as taxable on the Kentucky income tax return. To assist the department in identifying those returns, please write across the top of the return MILITARY SPOUSE. Please address any further questions to the Taxpayer Assistance Section at (502) 564-4581.

Military Personnel Eligible for Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

Line 27, Kentucky Use Tax—If, while a Kentucky resident, you made any out-of-state purchases of tangible personal property or digital property for use in Kentucky on which sales tax was not charged, you must report Kentucky use tax on those purchases, pursuant to KRS 139.330. **For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky** for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky.

For your convenience, the Use Tax Calculation Worksheet and Optional Use Tax Table are provided in these instructions. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made **untaxed** out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All **untaxed** purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

2. Purchases of \$1,000 or more x 6 percent (.06)	\$
3. Total Use Tax Due (add lines 1 and 2)	\$
Report this amount on Form 740 or 740-NP, Line 27; or 740-EZ, Line 9.	

Note: The items reported for use tax on Form 740-NP should be those purchased strictly for personal use. Any use tax liabilities accruing to a business such as mail-order office supplies must be reported on the sales and use tax return or the consumer's use tax return. The Department of Revenue routinely conducts compliance programs with other states regarding out-of-state purchases. Persons not reporting applicable use tax will be liable for the tax plus interest and penalties.

Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

Line 30(a), Tax Withheld—Enter the amount of 2013 **Kentucky** income tax withheld by your employer(s). This amount is shown on wage and tax statements, including Forms 1099 and W-2G, which you must attach to Form 740-NP in the designated area. You will not be given credit for Kentucky income tax withheld unless you attach the wage and tax statements or other supporting documents reflecting Kentucky withholding.

Employers are required to give these statements to employees no later than January 31, 2014. If by March 1 you are unable to obtain a wage and tax statement from an employer, contact the Department of Revenue for instructions.

You may not claim credit for tax **withheld** by another state. Within certain limitations, Kentucky part-year residents may claim a credit for nonrefundable individual income tax **paid** to other states. See Section A, Line 5.

Local government occupational, license or income tax must not be included on line 30(a).

Line 32, Amount Overpaid—If you have an overpayment on Line 32, you may have all of this amount refunded to you on Line 40, and/or you may credit all or part of it toward your 2014 Kentucky estimated income tax on Line 39. You may also contribute all or a portion of your overpayment to the following funds: (a) on Line 33, the **Nature and Wildlife Fund** for the purpose of acquiring land to preserve habitat for wildlife and natural areas of historic or scenic value; (b) on Line 34, the **Child Victims' Trust Fund** to support local programs designed to prevent sexual abuse and exploitation of children; (c) on Line 35, the **Veterans' Program Trust Fund** which was created solely for the benefit of veterans' programs; (d) on Line 36, the **Breast Cancer Research and Education Trust Fund** which was created to fund breast cancer research and provide public education about breast cancer; or (e) on Line 37, the **Farms to Food Banks Trust Fund** which was created to offset farmers' cost for providing surplus Kentucky grown fruits and vegetables to food banks. *Amounts contributed on Line 38 and/or credited on Line 39 must be subtracted from the overpayment and cannot exceed it.*

Penalties and Interest

Line 42(a), Underpayment of Estimated Tax and/or Interest—If the amount owed is more than \$500 and more than 30 percent of the income tax liability on Line 26, you may be subject to a penalty of 10 percent of the underpayment of estimated tax.

The amount of the penalty may be calculated on Form 2210-K. Form 2210-K may also be used by qualifying farmers and others to claim exception to the penalty. If paying the penalty or claiming an exemption, complete Form 2210-K, attach it to your return and check the block beside Line 42(a). Enter the amount of the penalty on Line 42(a). The minimum penalty is \$25.

Failure to make four equal installment payments timely may result in interest due. See Form 2210-K and instructions.

If your return is filed after April 15, 2014, or any tax due on the return is paid after April 15, 2014; you may be subject to additional penalties and interest.

Line 42(b), Interest—Interest will be assessed at the "tax interest rate" from the original due date of the return until the date of payment.

Line 42(c), Late Payment Penalty—If the amount of tax due as shown on Line 41 is not paid by the original due date of the return, a penalty of 2 percent of the tax computed due may be assessed for each 30 days or fraction thereof that the tax is past due, not to exceed 20 percent. The minimum penalty is \$10. However, if the amount timely paid is 75 percent of the tax determined due by the Department of Revenue, no late payment penalty will be assessed.

Line 42(d), Late Filing Penalty—If a return is not filed by the due date or the extended due date, a penalty of 2 percent of the total tax due for each 30 days or fraction thereof that a return is not filed may be assessed, not to exceed 20 percent. The minimum penalty is \$10.

Note: Penalties but not interest may be reduced or waived if reasonable cause for reduction or waiver can be shown.

Line 44, Amount You Owe—Any tax shown due on Line 44 must be paid when the return is filed. Attach a check payable to Kentucky State Treasurer and mail the check and return to Kentucky Department of Revenue, Frankfort, KY 40619-0008. **To help identify your payment write "KY Income Tax—2013" and your Social Security number on the face of the check.**

Pay by Credit Card or ACH Debit—Pay your 2013 Kentucky individual income tax by MasterCard, VISA, Discover, or American Express credit card or by ACH Debit through April 15, 2014. Click on the **KY E-Tax** logo or select **E-Payments—Credit Cards and ACH Debits** link. ESTIMATED TAX—If, during 2014, you expect to receive income from Kentucky sources from which no tax will be withheld, you may be required to make estimated tax installment payments. For further information, obtain Form 740-ES from the Department of Revenue.

EXTENSION OF TIME TO FILE

Taxpayers who are unable to file a return by April 15, 2014, may request an extension. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. The request for the extension must be submitted in writing to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Extensions are limited to six months. **A copy of the Kentucky extension request must be attached to the return.**

Individuals who receive a federal extension are not required to obtain a separate Kentucky extension. They can meet the requirements by attaching a copy of the application for automatic federal extension or the **approved** federal extension to the Kentucky return.

Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Interest at the "tax interest rate" applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a late payment penalty may be assessed (minimum penalty is \$10). Interest and late payment penalty charges can be avoided by remitting payment with the Extension Payment Voucher by the due date.

If you wish to make a payment prior to the due date of your tax return, complete Section II of the Application for Extension of Time to File, Form 40A102, and remit with payment. Write "KY Income Tax—2013" and your Social Security number on the face of the check.

Personal Property—Kentucky taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort. Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for these returns is May 15.

SECTION A—BUSINESS INCENTIVE AND OTHER TAX CREDITS

Line 1, Nonrefundable Limited Liability Entity Tax Credit (KRS 141.0401(2))

An individual that is a partner, member or shareholder of a limited liability pass-through entity is allowed a limited liability entity tax (LLET) credit against the income tax imposed by KRS 141.020 equal to the individual's proportionate share of LLET computed on the gross receipts or gross profits of the limited liability pass-through entity as provided by KRS 141.0401(2), after the LLET is reduced by the minimum tax of \$175 and by other tax credits which the limited liability pass-through entity may be allowed. The credit allowed an individual that is a partner, member, or shareholder of a limited liability pass-through entity against income tax shall be applied only to income tax assessed on the individual's proportionate share of distributive income from the limited liability pass-through entity as provided by KRS 141.0401(3)(b). Any remaining LLET credit shall be disallowed and shall not be carried forward to the next year.

Line 2, Kentucky Small Business Investment Credit—For taxable years beginning after December 31, 2010, a small business may be eligible for a nonrefundable credit of up to one hundred percent (100%) of the Kentucky income tax imposed under KRS 141.020 or 141.040, and the limited liability entity tax imposed under KRS 141.0401.

The small business development credit program authorized by KRS 154.60-020 and KRS 141.384 was amended to allow the credit to apply to taxable years beginning after Dec. 31, 2010. The definition of base year for purposes of the credit computation was changed to the first full year of operation that begins on or after Jan.1, 2009 and before Jan. 1, 2010.

Small businesses are eligible to apply for credits and receive final approval for these credits one (1) year after the small business:

- Creates and fills one (1) or more eligible positions over the base employment, and that position or positions are created and filled for twelve (12) months; and
- Invests five thousand dollars (\$5,000) or more in qualifying equipment or technology.

The small business shall submit all information necessary to the Kentucky Economic Development Finance Authority to determine credit eligibility for each year and the amount of credit for which the small business is approved.

A small business that is a pass-through entity not subject to the tax imposed by KRS 141.040 and that has tax credits approved under Subchapter 60 of KRS Chapter 154 shall apply the credits against the limited liability entity tax imposed by KRS 141.0401, and shall also distribute the amount of the approved tax credits to each partner, member, or shareholder based on the partner's, member's, or shareholder's distributive

share of income as determined for the year during which the tax credits are approved.

The maximum amount of credits that may be committed in each fiscal year by the Kentucky Economic Development Finance Authority shall be capped at three million dollars (\$3,000,000).

The maximum amount of credit for each small business for each year shall not exceed twenty-five thousand dollars (\$25,000). The credit shall be claimed on the tax return for the year during which the credit was approved. As per KRS 141.0205, individuals entitled to this credit will claim the credit on Line 2, Section A – Business Incentive and Other Tax Credits.

Unused credits may be carried forward for up to five (5) years.

Line 3, Skills Training Investment Tax Credit—Enter the amount of credit certified by the Bluegrass State Skills Corporation. A copy of the Kentucky Schedule K-1 for the year the credit was approved must be attached to the return in the first year the credit is claimed. The excess credit over the income tax liability in the year approved may be carried forward for three successive taxable years. For information regarding the application and approval process for this credit, contact the Cabinet for Economic Development, Bluegrass State Skills Corporation at (502) 564-2021, for information.

Line 4, Nonrefundable Certified Rehabilitation Credit—This credit is available to owner-occupied residential and commercial preservation projects for structures that are listed in the National Register of Historic Places, or in a National Register historic district, up to \$3 million annually. The credit is 30 percent of certified rehabilitation expenses for owner-occupied residential properties, not to exceed \$60,000 per project, and 20 percent for commercial and income-producing properties. To qualify, an owner must spend at least \$20,000 on rehabilitation.

Individuals or businesses can apply the credit against their state income tax liability, carry the credit forward up to seven years or transfer it to a banking institution to leverage financing. For application submitted on or after April 30, 2010, the credit shall be refundable if the taxpayer makes an election under KRS 171.397(2)(b). For more information regarding this credit, visit the Kentucky Heritage Council’s Web site at www.heritage.ky.gov, or call (502) 564-7005.

Line 5, Credit for Tax Paid to Another State—Kentucky residents are required to report all income received including income from sources outside Kentucky. Within certain limitations, a credit for income tax paid to another state may be claimed. The credit is **limited** to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, **whichever is less**.

***TIP**—Credit for taxes paid to another state may be reduced or eliminated if gambling losses are claimed on Schedule A.*

You may not claim credit for tax withheld by another state. You must file a return with the other state and pay tax on income also taxed by Kentucky in order to claim the credit. A copy of the other state’s return including a schedule of income sources must be attached to verify this credit. **If you owe tax in more than one state, the credit for each state must be computed separately.**

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide that taxpayers be taxed by their state of residence, and not the state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

Illinois, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a “twenty (20) percent or greater” direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Virginia—commuting daily, salaries and wages

Kentucky does not allow a credit for tax paid to a reciprocal state on the above income. If tax was withheld by a reciprocal state, you must file directly with the other state for a refund of those taxes.

For investments before July 1, 2002, the amount of credit that may be claimed in any given year is limited to 25 percent of the total amount certified by the Kentucky Economic Development Finance Authority (KEDFA). For investments after June 30, 2002, the credit is claimed on the tax return filed for the tax year following the year in which the credit is granted and is limited in any tax year to 50 percent of the initial aggregate credit apportioned to the investor. An "environmental stewardship product" means any new manufactured product or substantially improved existing manufactured product that has a lesser or reduced adverse effect on human health and the environment or provides for improvement to human health and the environment when compared with existing products or competing products that serve the same purpose. A company must have eligible costs of at least \$5 million and within six months after the activation date, the approved company compensates a minimum of 90 percent of its full-time employees whose jobs were created or retained with base hourly wages equal to either: (1) 75 percent of the average hourly wage for the Commonwealth; or (2) 75 percent of the average hourly wage for the county in which the project is to be undertaken. For more information, contact the Cabinet for Economic Development, Old Capitol Annex, 300 West Broadway, Frankfort, Kentucky 40601.

KRS 141.430 was amended to provide that for tax years beginning on or after June 4, 2010, the base tax year is reduced by fifty percent (50%). The base tax year is the combined income tax and LLET for the first taxable year after December 31, 2005, that ends immediately prior to the activation date. If the base year is for a taxable year beginning before January 1, 2007, the LLET will not apply.

Caution: An approved company under the Environmental Stewardship Act shall not be entitled to the recycling credit provided under the provisions of KRS 141.390 for equipment used in the production of an environmental stewardship project.

Line 15, Clean Coal Incentive Tax Credit—A nonrefundable, nontransferable credit against taxes imposed by KRS 136.120, KRS 141.020, KRS 141.040, or KRS 141.0401 shall be allowed

The amount of the credit shall be two dollars (\$2) per ton of eligible coal purchased that is used to generate electric power at a certified clean coal facility, except that no credit shall be allowed if the eligible coal has been used to generate a credit under KRS 141.0405 for the taxpayer, parent or a subsidiary.

Line 16, Ethanol Tax Credit—An ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount certified by the department. The credit rate shall be one dollar (\$1) per ethanol gallon produced, unless the total amount of approved credit for all ethanol producers exceeds the annual ethanol tax credit cap. If the total amount of approved credit for all ethanol producers exceeds the annual ethanol tax credit cap, the department shall determine the amount of credit each ethanol producer receives by multiplying the annual ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the ethanol producer and the denominator of which is the total approved credit for all ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining ethanol credit shall be disallowed and shall not be carried forward to the next year. “Ethanol producer” is defined as an entity that uses corn, soybeans, or wheat to manufacture ethanol at a location in this Commonwealth.

Line 17, Cellulosic Ethanol Tax Credit—A cellulosic ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount certified by the department. The credit rate shall be one dollar (\$1) per cellulosic ethanol gallon produced, unless the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap. If the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap, the department shall determine the amount of credit each cellulosic ethanol producer receives by multiplying the annual cellulosic ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the cellulosic ethanol producer and the denominator of which is the total approved credit for all cellulosic ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining cellulosic ethanol credit shall be disallowed and shall not be carried forward to the next year. “Cellulosic ethanol producer” is defined as an entity that uses cellulosic biomass materials to manufacture cellulosic ethanol at a location in this Commonwealth.

Line 18, Energy Efficiency Products Tax Credits—This nonrefundable credit is available to taxpayers who install energy efficiency products for residential and commercial property located in the Commonwealth as provided by KRS 141.436 for taxable years beginning after December 31, 2008, and before January 1, 2016.

Complete Form 5695-K, Kentucky Energy Efficiency Products Tax Credit, to see if you meet the qualifications for this credit.

Individuals or businesses can apply the credit against their state income tax liability and carry the credit forward for one (1)

year if the credit cannot be taken in full in the year in which the installation is completed.

Line 19, Railroad Maintenance and Improvement Credit—The railroad maintenance and improvement credit provided by KRS 141.385 is a nonrefundable credit that can be applied against the taxes imposed by KRS 141.020, KRS 141.040 and KRS 141.0401. The tax credit shall be used in the tax year of the qualified expenditures which generated the tax credit and cannot be carried forward to a return for any other period.

An *eligible taxpayer* means the owner of a Class II or Class III railroad located in Kentucky, the transporter of property using the rail facilities of a Class II or III railroad in Kentucky, or any person that furnishes railroad-related property or services to a Class II or Class III railroad located in Kentucky. A copy of Schedule RR-I must be attached to your return.

Line 20, Endow Kentucky Credit—Effective for taxable years beginning on or after Jan. 1, 2011, the Endow Kentucky Tax Credit was created to encourage donations to community foundations across the Commonwealth. KRS 141.438 was created to allow a nonrefundable income tax and limited liability entity tax credit of 20 percent of the value of the endowment gift, not to exceed \$10,000.

A taxpayer shall attach a copy of the approved Schedule ENDOW to the tax return each year to claim the tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401.

A partner, member or shareholder of a pass-through entity shall attach a copy of Schedule K-1, Form 720S; Schedule K-1, Form 765; or Schedule K-1, Form 765-GP to the partner’s, member’s or shareholder’s tax return each year to claim the tax credit.

Unused credit may be carried forward for use in a subsequent taxable year, for a period not to exceed five years.

Line 21, New Markets Development Tax Credit—A taxpayer that makes a qualified equity investment in a qualified community development entity may be eligible for a credit that may be taken against the corporation income tax, individual income tax, insurance premiums taxes and limited liability entity tax. The qualified community development entity must first submit an application to the Department of Revenue for approval. The person or entity actually making the loan or making the equity investment will be able to claim a credit, subject to a \$5 million credit cap each fiscal year, by completing Form 8874(K)-A.

SECTION B—PERSONAL TAX CREDITS

Line 1(a), Yourself—You are always allowed to claim a tax credit for yourself (even if your parent(s) can claim a credit for you on their return). On Line 1(a), there are five boxes under three separate headings. Always check the box under “Check Regular” to claim a tax credit for yourself. *If 65 or older*, also check the next two boxes on the line. *If legally blind*, also check the last two boxes on the line.

Line 1(b), Your Spouse—Do not fill in Line 1(b) if (1) you are single; (2) you are married and you and your spouse are filing two separate returns; or (3) your spouse received more than half of his or her support from another taxpayer.

Fill in Line 1(b) if you are married and (1) you and your spouse are filing a joint or combined return, or (2) if your spouse had no income or is not required to file a return. If you meet these criteria, check the first box on Line 1(b) for your spouse. *If your spouse is 65 or older*, also check the next two boxes. *If your*

spouse was legally blind at the end of the taxable year, also check the last two boxes on Line 1(b).

Dependents—You are allowed to claim a tax credit for each person defined as a dependent in the Internal Revenue Code. Generally, dependents who qualify for federal purposes also qualify for Kentucky.

Line 2, Dependents Who Live With You

Use to claim tax credits for your dependent children, including stepchildren and legally adopted children, who lived with you during the taxable year. **If the dependent meets the requirements for a qualifying child under the provisions of IRC 152(c), check the box; this child qualifies to be counted to determine the family size.**

Dependents Who Did Not Live With You

Also use Line 2 to claim tax credits for your dependent children who did not live with you and to claim tax credits for other persons who qualify as dependents. **These dependents do not qualify to be counted to determine the family size.**

Children of Divorced or Separated Parents—Attach a copy of federal Form 8332 filed with your federal return. Children may only be counted for family size by the custodial parent.

Tax Credits for Individuals Supported by More Than One Taxpayer—Attach a copy of federal Form 2120 filed with your federal return.

Kentucky National Guard Members—Persons who were members of the Kentucky National Guard on December 31, 2013, may claim an additional credit on Line 2. Designate this credit with the initials "N.G." Kentucky law specifically restricts this credit to Kentucky National Guard members; military reserve members are not eligible.

SECTION C—FAMILY SIZE TAX CREDIT

Children may only be counted for family size by the custodial parent. Even if you have signed federal Form 8332 and may not claim the child as a dependent, you may count children who otherwise meet the requirements for the Family Size Tax Credit.

You must include in Section C the names and Social Security numbers of the qualifying children that are not claimed as dependents in Section B in order to count them in your total family size.

SIGN RETURN—Be sure to sign on page 3 after completion of pages 1, 2, 3 and 4 of your return. Each return must be signed by the taxpayer. Joint and combined returns must be signed by both husband and wife. Returns that are not signed may be returned to you for signature.

Please enter a telephone number where you can be reached during regular working hours. You may be contacted for additional information needed to complete processing of your tax return.

INSTRUCTIONS FOR SCHEDULE A

FORM 740-NP

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Amounts entered on Schedule A should be total deductions for the taxable period. These amounts are prorated on Form 740-NP, page 1. If you do not itemize, a standard deduction of \$2,360 is allowed and does not have to be prorated.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must itemize. Married couples filing a joint federal return and who wish to file separate returns for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each; (b) file a joint Schedule A, divide the total deductions between them based on the percentage of each spouse's income to total income, and attach a copy to each return; or (c) each spouse may claim the standard deduction of \$2,360.

Limitations on Itemized Deductions for High-Income Taxpayers—If your adjusted gross income from Form 740-NP, Line 9, exceeds \$178,150 (\$89,075 if married filing separate returns), your itemized deductions are reduced by the lesser of:

- (a) 3 percent of the amount by which your adjusted gross income exceeds \$178,150 (\$89,075 if married filing separate returns), or
- (b) 80 percent of your total itemized deductions except medical and dental expenses, casualty and theft losses, gambling losses and investment interest.

Complete the itemized deductions limitation schedule on the reverse of Schedule A (Form 740-NP).

MEDICAL AND DENTAL EXPENSES

Federal rules apply. You may deduct only your medical and dental expenses that exceed 7.5 percent of Form 740-NP, Line 8. Do not include any expenses deducted on Form 740-NP, page 4, Section D, Column B, Line 31 or Line 32. Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

TAXES

You may not deduct new motor vehicle taxes, sales tax, state or federal income taxes paid or withheld, otherwise federal rules apply.

INTEREST

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 10—List the interest and points (including "seller-paid points") paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 11—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address.

Line 12—List points (including "seller-paid points") not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2013. You can do this if the

loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

The seller cannot deduct these points as interest. However, they are a selling expense that reduces the amount realized by the seller. See federal Publication 523 for information on selling your home.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 13, Qualified Mortgage Insurance Premiums—Premiums that you pay or accrue for "qualified mortgage insurance" during 2013 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740-NP, line 8, is more than \$109,000 (\$54,500 if married filing separate returns). If the amount on Form 740-NP, line 8, is more than \$100,000 (\$50,000 if married filing separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Qualified Mortgage Insurance Premiums Deduction Worksheet

See the instructions for Line 13 above to see if you must use this worksheet to figure your deduction.

1. Enter the total premiums you paid in 2013 for qualified mortgage insurance for a contract entered into on or after January 1, 2007	1. _____
2. Enter the amount from Form 740-NP, page 1, Line 8.....	2. _____
3. Enter \$100,000 (\$50,000 if married filing separate returns)	3. _____
4. Is the amount on Line 2 more than the amount on Line 3? <input type="checkbox"/> No. Your deduction is not limited. Enter the amount from Line 1 above on Schedule A, Line 13. <input type="checkbox"/> Yes. Subtract Line 3 from Line 2. If the result is not a multiple of \$1,000 (\$500 if married filing separate returns), increase it to the next multiple of \$1,000 (\$500 if married filing separate returns). For example, increase \$425 to \$1,000, increase \$2,025 to \$3,000; or if married filing separate returns, increase \$425 to \$500, increase \$2,025 to \$2,500, etc.....	4. _____
5. Divide Line 4 by \$10,000 (\$5,000 if married filing separate returns). Enter the result as a decimal. If the result is 1.0 or more, enter 1.0	5. _____
6. Multiply Line 1 by Line 5.....	6. _____
7. Qualified mortgage insurance premiums deduction. Subtract Line 6 from Line 1. Enter the result here and on Schedule A, Line 13.....	7. _____

Line 14, Interest on Investment Property—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity.

Attach federal Form 4952, Investment Interest Expense Deduction.

Exception. You do not have to file federal Form 4952 if all three of the following apply:

- (a) your investment interest is not more than your investment income from interest and ordinary dividends,
- (b) you have no other deductible investment expenses, and
- (c) you have no disallowed investment interest expense from 2012.

For more details, see federal Publication 550, Investment Income and Expenses.

CONTRIBUTIONS

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. This substantiation should be kept in your files. Do not send it with your return.

In addition, enter on Line 17 the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Attach Schedule HH.

CASUALTY AND THEFT LOSSES

Use Line 20 to report casualty or theft losses of property that is not trade, business, rent or royalty property. Attach federal Form 4684, Casualties and Thefts, or a similar statement to figure your loss. Enter on Line 20 the amount of loss from federal Form 4684.

Losses You MAY Deduct

You may be able to deduct all or part of each loss caused by theft, vandalism, fire, storm, and car, boat and other accidents or similar causes. You may also be able to deduct money you had in a financial institution but lost because of the insolvency or bankruptcy of the institution.

You may deduct nonbusiness casualty or theft losses only to the extent that:

- (a) the amount of *each* separate casualty or theft loss is more than \$100, and
- (b) the total amount of *all* losses during the year is more than 10 percent of Form 740-NP, page 1, Line 8.

Note: Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

Special rules apply if you had both gains and losses from nonbusiness casualties or thefts. See federal Form 4684 for details.

Losses You MAY NOT Deduct

Money or property misplaced or lost.

Breakage of china, glassware, furniture and similar items under normal conditions.

Progressive damage to property (buildings, clothes, trees, etc.) caused by termites, moths, other insects or disease.

Deduct the costs of proving you had a property loss as a miscellaneous deduction on Line 26. (Examples of these costs are appraisal fees and photographs used to establish the amount of your loss.)

For more details, see federal Publication 547, Nonbusiness Disasters, Casualties, and Thefts. It also gives information about federal disaster area losses.

MISCELLANEOUS DEDUCTIONS

Most miscellaneous deductions cannot be deducted in full. You must subtract 2 percent of your adjusted gross income from the total. Compute the 2 percent limit on Line 29.

Note: Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

Generally, the 2 percent limit applies to job expenses you paid for which you were not reimbursed (Line 24). The limit also applies to certain expenses you paid to produce or collect taxable income (Line 26). See the instructions for Lines 24, 25 and 26 for examples of expenses to claim on these lines.

The 2 percent limit does not apply to certain other miscellaneous expenses that you may deduct. These expenses can be deducted in full on Line 31. The Line 31 instructions describe these expenses. Included are deductible gambling losses (to the extent of winnings) and certain job expenses of disabled employees. See federal Publication 529, Miscellaneous Deductions, for more information.

Expenses Subject to the 2 Percent Limit

Important: The increase in first-year luxury automobile depreciation caps, the 30 percent and **the 50 percent** special depreciation allowance, the additional New York Liberty Zone Section 179 deduction for property placed in service after September 10, 2001, and **the increased Section 179 deduction limits and thresholds for property placed in service after December 31, 2002**, are not allowable for Kentucky tax purposes. For passenger automobiles purchased after September 10, 2001, you must compute Kentucky depreciation in accordance with the IRC in effect on December 31, 2001.

Create a Kentucky Form 2106 by entering **Kentucky** at the top center of a federal Form 2106, Employee Business Expenses. Complete Section D—Depreciation of Vehicles in accordance with the IRC in effect on December 31, 2001. **Attach a copy of the federal Form 2106 filed for federal income tax purposes if no adjustments are required.**

Line 24—Use this line to report job-related expenses you paid for which you were not reimbursed. In some cases you **MUST** first fill out Form 2106, Employee Business Expenses, or Form 2106-EZ, Unreimbursed Employee Business Expenses. Fill out Form 2106-EZ if you claim any unreimbursed travel, transportation, meal or entertainment expenses for your job.

Fill out Form 2106 if your employer paid you for any of your job-related expenses reportable on Line 24.

Enter the amount of unreimbursed employee business expenses from Form 2106 or 2106-EZ on Line 24 of Schedule A.

If you do not have to fill out Form 2106 or 2106-EZ, list the type and amount of your expenses in the space provided. If you need more space, attach a statement showing the type and amount of the expense. Enter one total on Line 24.

Line 25—Use this line to report tax return preparation fees paid during the taxable year including fees paid for filing your return electronically.

Line 26—Use this line for amounts you paid to produce or collect taxable income and manage or protect property held for earning income. List the type and amount of each expense in the space provided. If you need more space, attach a statement showing the type and amount of each expense. Enter one total on Line 26.

LINE 31—OTHER MISCELLANEOUS DEDUCTIONS

Use this line to report miscellaneous deductions that are NOT subject to the 2 percent adjusted gross income limit. Only the expenses listed below can be deducted on Line 31.

Expenses NOT Subject to the 2 Percent Limit

Gambling losses to the extent of Kentucky gambling winnings. Gambling winnings must be included on Form

740-NP, Section D, Line 15. (**Note:** Gambling losses must be verified by supplemental records. These include a diary and unredeemed tickets, payment slips and winning statements.)

Federal estate tax on income in respect of a decedent.

Amortizable bond premium on bonds acquired before October 23, 1986.

Deduction for repayment of amounts under a claim of right if more than \$3,000. See federal Publication 525.

Unrecovered investment in a pension.

Impairment-related work expenses of a disabled person.

Casualty and theft losses of income-producing property.

List the type and amount of each expense. Enter one total on Line 31. For more information on these expenses, see federal Publication 529.

LINE 32—TOTAL ITEMIZED DEDUCTIONS

If the amount on Form 740-NP, Line 9, exceeds \$178,150 (\$89,075 if married filing separate returns), skip Lines 33 through 36 and complete the limitation schedule.

Dividing Deductions Between Spouses—Married taxpayers combining itemized deductions must divide the itemized deductions if filing separate Kentucky returns or if one spouse is not filing a Kentucky return. Complete Lines 33 through 36, Schedule A.

KENTUCKY FIDUCIARY INCOME TAX RETURN

WHO MUST FILE

A return must be filed by the following:

- Every resident estate with gross income for the taxable year of \$1,200 or more; and every resident trust with gross income for the taxable year of \$100 or more.
- Every nonresident estate with gross income for the taxable year from Kentucky sources of \$1,200 or more; and every nonresident trust with gross income for the taxable year from Kentucky sources of \$100 or more.

WHEN AND WHERE TO FILE

Taxpayers must file by the 15th day of the 4th month following the close of the tax year. Mail the return to:

Kentucky Department of Revenue
Frankfort, KY 40619-0008

FIDUCIARY INCOME

Kentucky income tax law is based on the federal income tax law in effect on December 31, 2006. The Department of Revenue generally follows the administrative regulations and rulings of the Internal Revenue Service in those areas where no specific Kentucky law exists. Kentucky law requires taxpayers to report income on the same calendar or fiscal year and to use the same methods of accounting as required for federal income tax purposes. Effective for taxable years ending after September 10, 2001, a fiduciary that for federal income tax purposes elects to use the 30 percent or the 50 percent special depreciation allowance will have a depreciation difference for Kentucky purposes. See Form 740 and Schedule M instructions or contact the Department of Revenue for more information.

ADMINISTRATION EXPENSES (KRS 140.090(h))

In the case of a decedent's estate, if the election was made not to deduct costs of administration, including attorney's fees actually allowed and paid, on a Kentucky inheritance tax return, these expenses may be deducted on Form 741. A statement waiving the right to deduct these expenses for inheritance tax purposes must also be filed with Form 741.

If the same administration expenses that were claimed on the Kentucky Inheritance Tax Return, Form 92A200 or Form 92A205, are also claimed on the federal fiduciary income tax return, Form 1041, an adjustment must be made to add these expenses to the Kentucky adjusted total income on the Kentucky Form 741, Schedule M, Line 3.

ELECTING SMALL BUSINESS TRUST (ESBT)

An ESBT must report income, losses, and deductions allocated to the ESBT as an S corporation shareholder and the gain and loss from the disposition of S corporation stock on the Kentucky fiduciary return, and pay income tax accordingly. All S corporation income is reported on the return as regular

income and is taxed at the same rates as all other income. Enter the S corporation income on Schedule M, Part I, Line 3 and identify the income as "ESBT – S corporation income." A separate schedule must be attached to the return to show the income and deductions applicable to S corporation portion of the ESBT. When computing income of the S corporation portion of the ESBT, the following must be considered: (1) Capital losses are allowed in computing income only to the extent of capital gains; (2) Passive losses and ordinary losses are deductible only against passive income and ordinary income, respectively; (3) No deduction is allowed for amounts distributed to beneficiaries; and (4) No additional deductions are allowed for state taxes.

LINE-BY-LINE INSTRUCTIONS

Line 1—Enter the amount shown as federal adjusted total income from federal Form 1041, Line 17. **Attach a complete copy of the federal return.**

Line 3—Enter the portion of deductions that are allocated to the additional Kentucky income reported on Line 2. These deductions are in addition to the deductions claimed on your federal Form 1041.

Line 7—Enter the portion of deductions on federal Form 1041 allocable to Kentucky tax-exempt income reported on Line 6. To compute unallowable deductions, divide the Kentucky tax exempt income by the entire income of the fiduciary. Multiply total deductions by this percentage. Report the amount of unallowable deductions on Line 7.

Line 10, Beneficiaries' Shares of Income and Deductions—Income distribution deduction. Enter amount.

Each beneficiary's share of income, deductions, credits, etc., must be reported on a separate Schedule K-1 and filed with Form 741. A copy must be given to the beneficiary and a copy retained by the fiduciary.

The income distributed or distributable to beneficiaries is the amount on page 1, Line 10. Each beneficiary is required to include the distributed or distributable share of income, as shown on Schedule K-1, on the individual income tax return. The name and identification number of each beneficiary should be entered as it appears on the individual return.

Generally, federal rules and regulations apply but amounts reported may be different due to differences in Kentucky and federal laws, e.g., statutorily exempt income, U.S. government bonds, municipal interest, etc.

Line 11—Enter excludable amount of retirement income. Attach Schedule P if the pension income is more than \$41,110 and is from a retirement system of the federal government, Commonwealth of Kentucky or a Kentucky local government. The fiduciary may claim a deduction for retirement income not distributed on Form 741, Line 10. Each beneficiary is entitled to combine the retirement income distributed on Line 10 with

other pension income received and claim the pension income exclusion on his or her individual income tax return.

Line 12, Federal Estate Tax Deduction—Enter amount.

If this special method is used for federal purposes, Form 4972-K, Kentucky Tax on Lump-Sum Distributions, and Schedule P, Pension Income Exclusion, must be filed with Form 741. PARTNER'S INSTRUCTIONS FOR SCHEDULE K-1 (FORM 765-GP)

Who Must File—Although the partnership is not subject to income tax, the partners are liable for tax on their share of the partnership income, whether or not distributed, and must include their share on the individual income tax return.

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income and income from self-employment.

Any person with gross receipts exceeding the threshold amount determined under KRS 141.066 from self-employment must file a Form 740 regardless of the amount of adjusted gross income or the number of tax credits claimed. Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax. See Form 740 Instructions.

Nonresidents with income from Kentucky sources and part-year residents receiving income while a Kentucky resident or from Kentucky sources while a nonresident must file a Kentucky return. **Partnership income is not exempted by reciprocal agreements between Kentucky and any other state.** Form 740-NP must be filed by an individual with income from Kentucky sources and a combined gross income from all sources exceeding the threshold amount determined under KRS 141.066. Full-year nonresidents must report all income from Kentucky sources and from property located in Kentucky. Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents. Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

When to Report—Include your share of the partnership's income or (loss), credits, deductions, etc., as shown by your Schedule K-1 (Form 765-GP) on your Kentucky income tax return for the year in which the tax year of the partnership ends. For example, if you, the partner, are on a calendar year, and the partnership's tax year ends January 31, 2013, you must take the items listed on Schedule K-1 (Form 765-GP) into account on your tax return for calendar year 2013.

At-Risk Limitations—Generally, if you have a loss from any activity carried on as a trade or business or for the production of income by the partnership and you, the partner, have amounts invested in that activity for which you are not at risk, you will be required to complete federal Form 6198, At-Risk Limitations, to figure the allowable loss to report on your Kentucky income tax return. Your deductible loss from each activity for the tax year generally is limited to the amount you are at risk for the activity at the end of the partnership's tax year or the amount of the loss, whichever is less. To help you complete Form 6198, if required, the partnership will provide a schedule showing your share of income, expenses, etc., for each at-risk activity.

NOTE: Form 740 filers see Form 740 instructions for Schedule M, Line 7 and/or Line 19.

Passive Activity Limitations—The passive activity limitations in IRC Section 469 are figured at the partner level and may apply to any loss reported on Lines 1, 2 or 3 and any other related items of income, loss and deductions reported on Schedule K-1 (Form 765-GP). Refer to the federal Partner's Instructions for Schedule K-1 (Form 1065) to determine if the passive activity limitations apply to your share of loss(es) reported on Schedule K-1 (Form 765-GP) and if you must file Form 8582-K, Kentucky Passive Activity Loss Limitations.

SPECIFIC INSTRUCTIONS

Kentucky Resident Partners (Form 740 Filers)—To determine the net difference between the federal Schedule K-1 amounts and the Kentucky Schedule K-1 amounts, complete Lines 60, 61 and 62. This will adjust the items of income, loss and deductions used to compute your federal adjusted gross income to the Kentucky amounts shown in Column (b), Schedule K-1.

Line 60—Include on this line the Kentucky Schedule K-1 amounts from Lines 1 through 6 and 9. Also include the amounts from Lines 7 and 11 that do not pass through to Schedule A as itemized deductions.

Line 61—Include on this line the federal Schedule K-1 amounts from Lines 1 through 10 and 12. Also include the amounts from Lines 11 and 13 that do not pass through to Schedule A as itemized deductions.

NOTE: If Form 8582-K is required, adjust the amounts entered on Lines 60 and 61 to exclude any income, loss, deduction or expense related to a passive activity. Complete the passive activities adjustment worksheet (Form 8582-K, page 2) to determine additions to or subtractions from federal adjusted gross income. **See Form 740 instructions for Schedule M, Line 7 and/or Line 19.**

If amounts on Lines 4(d) and 4(e) are subject to the capital loss limitations, do not include on Lines 60 and 61. Complete federal Schedule D using Kentucky amounts to determine additions to or subtractions from federal adjusted gross income.

Line 62—Enter difference of Lines 60 and 61. If Line 60 is greater than Line 61, enter the difference as an addition to federal adjusted gross income on Schedule M, Line 3. If Line 61 is greater than Line 60, enter the difference as a subtraction on Schedule M, Line 15.

Caution: If the amounts on both Lines 60 and 61 are loss amounts, the smaller dollar amount of loss is the greater amount and to determine the difference subtract the smaller dollar amount from the larger dollar amount. If the amount on either Line 60 or 61 is an income amount and

the amount on the other line is a loss amount, the income amount is the greater amount; therefore, add the two amounts to determine the difference.

Nonresident Individual Partners (Form 740-NP Filers)—A nonresident individual who is required to file Form 740-NP, Kentucky Individual Income Tax Return Nonresident or Part-Year Resident, or who elects to file Form 740-NP to take advantage of capital loss and net operating loss carryovers shall enter the amounts from Schedule K-1, Column (b) as follows:

If the percentage in Item C(2) is “100%,” the amounts on Lines 1 through 6 and 9, portions of Lines 7 and 11 and the portion of Line 44(b) actually deducted for the current year must be entered on the appropriate lines of Form 740-NP and related schedules.

If the percentage in Item C(2) is less than 100 percent, the amounts on Lines 1 through 6 and 9, portions of Lines 7 and 11 and the portion of Line 44(b) actually deducted for the current year must be multiplied by this percentage and entered on the appropriate lines of Form 740-NP and related schedules. Amounts on Lines 12(a) and the portions of Lines 7 and 11 which pass through to Schedule A (Form 740-NP) should not be multiplied by the percentage in Item C(2) since these amounts will be multiplied by the percentage on Form 740-NP, Section D, Line 36 (Percentage of Kentucky Adjusted Gross Income to Federal Adjusted Gross Income).

Lines 1 through 3—Enter on federal Schedule E using Kentucky amounts or Form 8582-K, if applicable.

Line 4(a)—Enter on Form 740-NP, Section D, Line 3.

Line 4(b)—Enter on Form 740-NP, Section D, Line 4.

Line 4(c)—Enter on federal Schedule E using Kentucky amounts.

HOW TO OBTAIN ADDITIONAL FORMS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (see page 13). They may also be obtained by writing FORMS, Department of Revenue, Frankfort, KY 40620, or by calling (502) 564-3658. Forms can be downloaded from www.revenue.ky.gov.

Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- Only a general partnership should file Form 765-GP. All other partnerships should file Form 765.
- No money is due with a Form 765-GP.
- Always ensure the correct Federal Identification Number is used on the return being filed.
- Extensions are for filing purposes only; late filing penalties may apply to returns filed after the original due date.
- Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the general partnership has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- Additional errors that delay processing returns or create adjustments include:

For calendar year 2013 returns and fiscal year returns that begin in 2013, any general partnership that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and Section 179 expense deduction for Kentucky:

- MACRS bonus depreciation; or
- Section 179 expense deduction in excess of \$25,000.

If a general partnership has taken MACRS bonus depreciation or Section 179 expense deduction in excess of \$25,000 for any year, federal and Kentucky differences will exist, and the differences will continue through the life of the assets.

Important: If a general partnership has not taken MACRS bonus depreciation or the Section 179 expense deduction in excess of \$25,000 for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 765-GP to substantiate that no adjustment is required.**

Determining and Reporting Depreciation and Section 179 Deduction Differences—Federal/Kentucky depreciation or Section 179 deduction differences shall be reported as follows:

1. The depreciation from federal Form 1065, Line 16(a) must be included on Form 765–GP, Part I, Line 3. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 765–GP.**
2. Convert federal Form 4562 to a **Kentucky** form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and Section 179 deduction in accordance with IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional Section 179 deduction. **NOTE:** For Kentucky purposes, the maximum Section 179 deduction amount on Line 1 is \$25,000 and the threshold cost of Section 179 property on Line 3 is \$200,000. The \$25,000 maximum allowable Section 179 deduction for Kentucky purposes is reduced dollar–for–dollar by the amount by which the cost of qualifying Section 179 property placed in service during the year exceeds \$200,000. In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 should be determined by using Kentucky net income before the Section 179 deduction instead of federal taxable income.
3. The general partnership **must attach the Kentucky Form 4562** to Form 765–GP, and the amount from Kentucky Form 4562, Line 22 less the Section 179 deduction on Line 12 must be included on Form 765–GP, Part I, Line 8. The Section 179 deduction from the converted Form 4562, Line 12 must be included on Form 765–GP, Schedule K, Section I, Line 9. A Kentucky Form 4562 must be filed for each year even though a federal Form 4562 may not be required.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the general partnership disposes of assets on which it has taken the special depreciation allowance or the additional Section 179 deduction for federal income tax purposes, the general partnership will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. Convert **federal Schedule D (Form 1065)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the amount from Kentucky Schedule D, Line 7 on Form 765–GP, Schedule K, Section I, Line 4(d) or 7. Enter the amount from Kentucky Schedule D, Line 15 on Form 765–GP, Schedule K, Section I, Line 4(e) or 7. **Federal Schedule D (Form 1065) filed with the federal return and the Kentucky Schedule D must be attached to Form 765–GP.**
2. If the amount reported on federal Form 1065, Line 6 (from Form 4797, Line 17) is a gain, enter this amount on Schedule O–PTE, Part II, Line 1. If the amount reported on federal Form 1065, Line 6 (from Form 4797, Line 17) is a loss, enter this amount on Schedule O–PTE, Part I, Line 1. Convert **federal Form 4797** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. If the amount on Kentucky Form 4797, Line 17 is a gain, enter this amount on Schedule O–PTE, Part I, Line 2. If the amount on Kentucky Form 4797, Line 17 is a loss, enter this amount on Schedule O–PTE, Part II, Line 2. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 765-GP.**

Tax Treatment of Kentucky General Partnerships and Partners

General partnerships are exempt by law from Kentucky income tax. However, **general partners of general partnerships doing business in Kentucky must report their share of income for Kentucky income tax purposes.** This applies to individuals, trusts, estates and corporations. Individuals who are Kentucky residents are required to file Form 740 and report their share of general partnership income earned within or without Kentucky. Nonresidents who are not included by the general partnership in a composite return filing or nonresident withholding shall file Form 740-NP and report their distributive share of income from general partnerships doing business in Kentucky.

Resident partners of a general partnership shall report and pay tax on the distributive share of net income, gain, loss or deduction. Nonresident partners of a general partnership shall report and pay tax on the distributive share of net income, gain, loss or deduction multiplied by the apportionment fraction as provided by KRS 141.206(12). **KRS 141.206(8) and (9)**

If the general partnership is a partner or member of a limited liability pass-through entity doing business in Kentucky, the general partners shall be entitled to an LLET credit against taxes imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401. The LLET credit shall be the general partners' proportionate share of the LLET from the limited liability pass-through entity for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by the minimum tax of \$175. The LLET credit allowed shall be applied to the income tax assessed on the income from the limited liability pass-through entity. Any remaining LLET credit from the limited liability pass-through entity shall be disallowed. **KRS 141.0401(3)**

Withholding shall be at the maximum rate as provided in KRS 141.020 or KRS 141.040.

Withholding shall not be required if: (a) the partner, member or shareholder is exempt from withholding as provided by KRS 141.206(7)(a); (b) the partner or member is exempt from Kentucky income tax as provided by KRS 141.040(1); (c) the pass-through entity is a qualified investment partnership as provided by KRS 141.206(15), and the partner, member or shareholder is an individual; or (d) the partner or member is a pass-through entity.

Income tax will be computed at the highest marginal rate provided in KRS 141.020 on the partner's, member's or shareholder's pro rata share of the distributive share income from a pass-through entity doing business in, or deriving income from sources within Kentucky. The partners', members' or shareholders' distributive share of income shall include all items of income or deduction used to compute adjusted gross income on the Kentucky return that is passed through to the partner, member or shareholder by the pass-through entity, including but not limited to interest, dividend, capital gains or losses, guaranteed payments and rents (KRS 141.206(16)).

The tax credit shall not apply if the tax credit has been previously taken by another taxpayer on the same ENERGY STAR home or ENERGY STAR manufactured home, or the taxpayer has taken the energy efficiency products tax credit. **KRS 141.437**

Railroad Maintenance and Improvement Tax Credit—For tax years beginning on or after January 1, 2010, an owner of any Class II railroad or Class III railroad located in Kentucky or any person who transports property using the rail facilities of a Class II railroad or Class III railroad located in Kentucky or furnishes railroad-related property or services to a Class II railroad or Class III railroad located in Kentucky, but only with respect to miles of railroad track assigned to the person by a Class II railroad or Class III railroad, shall be entitled to a nonrefundable credit against taxes imposed by KRS 141.020 or 141.040 and KRS 141.0401 in an amount equal to fifty percent (50%) of the qualified expenditures paid or incurred to maintain or improve railroads located in Kentucky, including roadbeds, bridges, and related structures, that are owned or leased as of January 1, 2008, by a Class II or Class III railroad.

The credit allowed shall not exceed the product of \$3,500 multiplied by the sum of: (i) The number of miles of railroad track in Kentucky owned or leased by the eligible taxpayer as of the close of the taxable year; and (ii) The number of miles of railroad track in Kentucky assigned to the eligible taxpayer by a Class II railroad or Class III railroad which owns or leases the railroad track as of the close of the taxable year. **KRS 141.385**

The credit amount approved for a calendar year for all taxpayers under KRS 141.386 shall be limited to \$1 million. If the total amount of approved credit exceeds \$1 million, the department shall determine the amount of credit each corporation and railroad company receives by multiplying \$1 million by a fraction, the numerator of which is the amount of approved credit for a corporation or railway company and the denominator of which is the total approved credit for all corporations and railway companies.

Each corporation or railway company eligible for the credit provided under this section shall file a railroad expansion tax credit claim on forms prescribed by the department by the fifteenth day of the first month following the close of the preceding calendar year. the first two credit allowance dates, seven percent (7%) for the third allowance date, and eight percent (8%) for the next four allowance dates. 22. INTEREST DUE: Add amounts on line 21 columns A through D. Enter the total here and on Form 2210-K, page 1, line 8.....				

Purpose of Form—Use this form to determine if you owe an underpayment of estimated tax penalty for failing to prepay 70% of your tax liability and/or interest for failing to make four equal estimated tax installments timely. You may be subject to one or both even if you are due a refund when you file your tax return.

Underpayment of Estimated Tax Penalty—You may be charged an underpayment of estimated tax penalty if you did not prepay 70% of your tax liability and you did not meet one of the exceptions listed in Part I.

Estimated Tax Interest—You may also be charged interest if you failed to make four equal installments timely pursuant to KRS 141.305. These payments are due by April 15, June 15, September 15 of the taxable year, and on January 15 of the succeeding taxable year. Failure to make these equal installments timely may result in interest due pursuant to KRS 141.985. The interest is computed separately for each due date.

Part I—Exceptions and Exclusions—The underpayment of estimated tax penalty may not apply if one of the exceptions listed in Part I is met. If you meet one or more of the exceptions, check the appropriate box(es), complete the lines associated with the exception and check the “Form 2210-K attached” box on Form 740, line 42a (Form 740-NP, line 42a). If none of the exceptions apply, go to Part II.

Part II—Figuring the Underpayment and Penalty—Only complete this section if the additional tax due exceeds \$500 and you do not meet one of the exceptions listed in Part I. Do not include amounts that were prepaid with extension or payments made after the due date of the fourth declaration installment. To avoid this penalty in the future, obtain and file Form 740-ES.

Part III—Required Annual Payment and Interest Calculation—This section is used to calculate your required annual payment. The required annual payment is used to calculate the amount of payment that you should have made each quarter. If you do not pay the required amount in each quarter, you will be subject to interest until that payment is made. You may not be required to pay estimated tax payments if you meet one of the following exceptions:

- Taxpayer died during the taxable year
- Declaration was not required until after September 1, 2013, and the taxpayer files a return and pays the full amount of the tax computed on the return on or before January 31, 2014.
- Two-thirds (2/3) or more of the gross income was from farming; this return is being filed on or before March 3, 2014; and the total tax due is being paid in full.
- Prepaid your last years tax liability with timely payments.

Lines 1–7—Calculates your required annual payment which is the lesser of your current years income tax liability or your previous years tax liability. If you have paid withholding that exceeds the lesser of the two, you do not owe interest and you do not need to complete the rest of the form.

Line 8—Multiply line 7, page 2, by 25 percent (.25) and enter amount in columns A through D. However, if your source(s) of income changed unexpectedly throughout the year or your income was received later in the year, the required number of installments may be fewer.

A taxpayer who is not required to pay estimated tax in four equal installments at the beginning of the year may be

required to make installment payments during the remainder of the year. Refer to the payment due dates at the top of columns A – D to determine how many installments you are required to make based on when your income changed or was received.

If you are required to make 3 installments, multiply line 7 by 33.3 percent (.333) and enter in columns B through D.

If you are required to make 2 installments, multiply line 7 by 50 percent (.50) and enter in columns C and D.

If you are required to only make 1 installment, multiply line 7 by 100 percent (1.00) and enter in column D.

Line 9—Enter the sum of estimated tax payments made and Kentucky withholding for each quarter. If you have Kentucky income tax withheld, multiply the total by 25 percent (.25) and enter in columns A through D. If you had a credit forward from a prior year return, enter the total amount in Column A only.

Note: Complete lines 10 through 17 for Column A before going to Column B, etc.

Line 10—Enter amount from line 17 of the previous column. This amount should be the overpayment if any from the previous column.

Line 12—Enter amount from line 16 of the previous column. This amount should be the underpayment amount from the previous column that will be carried over to each column until the payment is made.

Line 16—This is the underpayment amount for that column and any underpayment from the previous columns. The underpayment will continue to carryover to the next column until the payment is made or the due date, whichever is earlier.

Figuring the Interest—Interest will be calculated on each underpayment in each column from the payment due date written above line 8 to the date on line 18 or the date the payment was made, whichever is earlier. The underpayments will carryover to the next column and be added to that column's underpayment to calculate interest on that balance.

Line 18—Use this date to calculate the number of days that the current interest amount will be based upon, unless the underpayment was paid prior to this date.

Line 19—This is the number of days from the payment due date shown above line 8 to the date the amount on line 16 was paid or the date shown on line 18 for the column in which you are calculating interest.

For example, if your underpayment on line 16 for column A is \$1,000, you would calculate the interest from 4–15–13 to 6–15–13 and enter 61 days on line 19. If this \$1,000 remains unpaid, it will be added to any underpayment in column B and you would calculate interest from 6–15–13 until 9–15–13 which would be 92 days for that period, etc.

Line 20—The annual interest rate is established by the Department of Revenue for each calendar year. The interest rate for calendar years 2013 and 2014 is 6 percent. The interest calculation for the required third installment payment may be calculated using two different interest rates.

Instructions for Form 8582-K

PURPOSE OF FORM—Form 8582-K is used when the allowable Kentucky passive losses for the taxable year differ from allowable federal passive losses. The worksheet is used to calculate the additions or subtractions to federal adjusted gross income in determining Kentucky adjusted gross income.

Form 8582-K must be completed using Kentucky income (losses) if: (1) federal Form 8582, Passive Activity Loss Limitations, is required and Kentucky passive income (losses) and federal passive income (losses) are different or (2) Kentucky prior year unallowed (suspended) losses and federal prior year unallowed (suspended) losses are different.

If Form 8582-K is **not required**, include adjustments for any differences in Kentucky passive income/loss and federal passive income/loss on the appropriate lines of Schedule M.

If Form 8582-K is **required**, do not include on Schedule M other adjustments to federal adjusted gross income for passive activities.

Use the following steps to compute an addition or subtraction to be entered on Schedule M for passive activities.

STEP 1*

Complete federal worksheets 1 and 2 for federal Form 8582 using the federal instructions and **Kentucky amounts** for all entries.

STEP 2

Complete page 1 of Form 8582-K using the federal instructions for Form 8582 and **Kentucky amounts** for all entries.

STEP 3

Complete federal worksheets for federal Form 8582 using the federal instructions and **Kentucky amounts** for all entries.

STEP 4

Complete the Passive Activities Adjustment Worksheet below.

***NOTE:** If a separate/combined return is being filed for Kentucky, and the federal return is filed jointly, complete separate Kentucky Forms 8582-K, worksheets and schedules for each spouse. If an activity is jointly owned, 50 percent of the total income or loss should be allocated to each spouse with their separately owned income or losses. In all cases each item must be identified on the federal schedules as H—husband, W—wife or J—jointly to properly determine income on a separate basis. On lines B and D of the worksheet enter each spouse’s portion of the joint federal income. The federal passive loss limitations will still be computed on a joint basis. **Do not recompute the joint federal Form 8582 on a separate basis to compare to the Kentucky Forms 8582-K.**

Instructions for Form 8863-K

Purpose of Form—Use Form 8863-K to calculate and claim your education credits. The education credits are: the Hope Credit and the Lifetime Learning Credit. These credits are based on qualified education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

Caution: Requirements for the 2013 Kentucky Education Tuition Tax Credit are different from the federal education requirements due to Kentucky not adopting the American Recovery and Reinvestment Act of 2009.

Qualified Education Expenses—Generally, qualified education expenses are amounts paid in 2013 for tuition and fees required for the student's enrollment or attendance at an eligible educational institution. It does not matter whether the expenses were paid in cash, by check, by credit card, or with borrowed funds.

Eligible Educational Institution located in Kentucky—An eligible educational institution is generally any accredited public, nonprofit, or private college, university, vocational school, or other postsecondary institution. Also, the institution must be eligible to participate in a student aid program administered by the Department of Education. The institution must also be physically located in Kentucky to qualify.

Part I, Qualifications—All questions in Part I must be answered yes to be eligible for the Kentucky Education Tuition Tax Credit.

Part II, Hope Credit—You may be able to take a credit of up to 25% of \$1,800 for qualified education expenses paid for each student who qualifies for the Hope Credit. The Hope Credit equals 100% of the first \$1,200 and 50% of the next \$1,200 of qualified expenses paid for each eligible student. For Kentucky, the credit is then limited to 25% for a maximum amount allowed of \$450 for each student who qualified. You can take the Hope Credit for a student if all of the following apply.

- As of the beginning of 2013, the student had not completed the first 2 years of postsecondary education (generally, the freshman and sophomore years of college), as determined by the eligible educational institution. For this purpose, do not include academic credit awarded solely because of the student's performance on proficiency exams.
- The student was enrolled in 2013 in a program that leads to a degree, certificate, or other recognized educational credential.
- The student was taking at least one-half the normal full-time workload for his or her course of study for at least one academic period beginning in 2013.
- The Hope Credit was not claimed for that student's expenses in more than one prior tax year.
- The student has not been convicted of a felony for possessing or distributing a controlled substance.

Note: If a student does not meet all of the above qualifications, you may be able to take the Lifetime Learning Credit for part or all of the student's qualified education expenses.

Line 1, Columns A and B—Enter student's name, Social Security number and the name and address of qualified Kentucky institution.

Line 1, Column C—Enter qualified expenses; do not enter more than \$2,400 for each student.

Line 1, Column D—Enter the amount from Column C or \$1,200, whichever is smaller.

Line 1, Column E—Add Column C and Column D.

Line 1, Column F—Enter one-half of the amount in Column E.

Line 2—Add all amounts in Column F for all students to compute your tentative Hope credit. If you have expenses for more than two students, attach a list to Form 8863-K and list the total for all students on Line 2. If you are taking the Lifetime Learning Credit for another student, go to Part III; otherwise go to Part IV.

Part III—Lifetime Learning Credit—You may be able to take 25% of the Lifetime Learning Credit that equals 20% of qualified expenses paid, up to a maximum of \$10,000 of qualified expenses per return. The maximum amount of Lifetime Learning Credit you can claim on your tax return for the tax year is \$2,000. For Kentucky, the Lifetime Learning Credit is then limited to 25% of the \$2,000 for a maximum allowed of \$500 per return.

Line 3, Column A–D—Enter student's name, Social Security number, name and address of qualified Kentucky institution and amount of qualified expenses.

Line 4—Add all amounts in Column D for all students.

Line 5—Enter the smaller of Line 4 or \$10,000.

Line 6—Multiply Line 5 by 20%. Do not enter more than \$2,000. This is your tentative Lifetime Learning Credit.

Line 7—Add Line 2 (tentative Hope Credit) and Line 6 (tentative Lifetime Learning Credit) to get your tentative Kentucky Education Credits. Enter the amount on Line 7 and on page 2, Line 8.

Part IV—Allowable Education Credits—

Line 9 – Line 13—You cannot take any Kentucky Education Credits if your federal adjusted gross income (federal Form 1040, Line 37 or 1040A, Line 21) exceeds \$127,000 if married, filing jointly or married, filing separately on a combined return (\$63,000 if single). **If you are filing a separate return, you do not qualify for this credit.** If your income is greater than \$100,000, you may only be entitled to a portion of the credits, if any. Proceed to Line 14 if your income is less than \$100,000.

Line 14—Enter the amount from Line 8 if your credit was not limited based on income. If the credit was limited based on income, multiply the amount on Line 8 by the decimal amount on Line 13.

Line 15—Multiply Line 14 by 25% (.25). This is your tentative Kentucky allowable credit.

Line 16—Enter the tentative tax from Form 740 or Form 740-NP, page 1, Line 22.

Line 17—Enter the amount from page 2, Part V, Line 37. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

Line 18—Subtract Line 17 from Line 16.

Line 19—Enter the smaller of Line 18 or Line 15.

Line 20—Add Lines 17 and 19. Enter here and on Form 740 or Form 740-NP, Line 23. This is your allowable 2013 education credit.

Line 21—If Line 18 is smaller than Line 15, subtract Line 18 from Line 15. This is the amount of unused credit carryforward from 2013 to 2014. Maintain records for following years.

Part V, Credit Carryforward from Prior Years—The Kentucky Education Tuition Tax credit can be carried forward for up to 5 years if unused during the preceding tax year(s). You must have completed Form 8863-K for any prior year in which you are claiming a credit carryforward.

INSTRUCTIONS FOR FILING
ESTIMATED TAX VOUCHERS

WHAT'S NEW FOR 2014—The standard deduction will increase to **\$2,400.00** for 2014. Individuals who electronically file their return will now have the option to have their estimated tax payment(s) debited from their bank account.

WHO MUST MAKE PAYMENTS—Individuals who can reasonably expect to have income of more than \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments as required by KRS 141.300. Individuals who do not prepay at least 70 percent of their income tax liability for the year will be subject to a penalty for underpayment of estimated tax. The prepayments may be made through withholding, a credit forward from the previous year's income tax return or estimated tax payments. The worksheet on the reverse should be used to determine the amount which should be paid through estimated tax payments. **If the amount of estimated tax for the year is \$500 or less, no payment is required.**

WHEN TO PAY—Taxpayers may pay the full amount of estimated tax in one payment on the earliest applicable due date, or they may pay in installments. Installments for calendar year 2014 are due April 15, June 16, September 15, 2014, and January 15, 2015. Any credit from a 2013 income tax return should be applied to the amount owed before any payments are made. Installment payments should not be made until the amount of the credit has been used. A voucher should be filed only when a payment is required.

IF INCOME CHANGES—Due to changes in sources or amounts of income during the year, a taxpayer who is not required to pay estimated tax at the beginning of the year may be required to pay during the year. A taxpayer may also be required to recompute the estimated tax and to adjust the amount of the installments during the year as a result of changes in sources or amounts of income. Whenever the initial estimate is required or the change occurs, a taxpayer electing to pay in installments must pay the total amount of tax due in equal amounts on the remaining due dates.

Period When Estimate Required or Change Occurs	Due Date	Number of Equal Installments
January 1–April 1	April 15, 2014	4
April 2–June 1	June 16, 2014	3
June 2–September 1	September 15, 2014	2
September 2–December 31*	January 15, 2015	1

*If the change occurs after September 1, 2014, the voucher is not required if the 2014 Kentucky income tax return is filed and the tax shown to be due is paid on or before January 31, 2015.

Failure to make required estimated installments by the specified dates may result in interest due.

FISCAL YEAR FILERS—If you pay tax for a fiscal year instead of a calendar year, your due date is the 15th day of the fourth, sixth and ninth months of your fiscal year and the 15th day of the first month of the following fiscal year.

FAMILY SIZE TAX CREDIT—The Family Size Tax Credit is based on modified gross income (MGI) and the size of the family. If your total MGI is \$31,322 or less you may qualify for Kentucky Family Size Tax Credit.

“Modified gross income” used to calculate the Family Size Tax Credit means the greater of:

Federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income;

or

Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

PASS-THROUGH ENTITIES AND INDIVIDUAL OWNERS OF DISREGARDED SINGLE MEMBER LLCs—For taxable years beginning on or after January 1, 2007, all pass-through entities and individual owners of disregarded single member LLCs that file on Schedules C, E or F for federal income tax purposes will be treated the same for Kentucky income tax purposes as they are treated for federal income tax purposes except for the differences between Kentucky law and federal law. Individuals with income from pass-through entities or disregarded single member LLCs that file Schedule C, E or F for federal income tax purposes may be required to make individual estimated tax payments.

FARM INCOME—Taxpayers with income from farming are not required to make installment payments if they meet the following criteria: (1) two-thirds of gross income is from farming; and (2) the entire amount of estimated tax is paid on or before January 15, 2015; or (3) the 2014 income tax return is filed and total tax is paid on or before March 2, 2015.

PENALTY FOR UNDERPAYMENT—A penalty equal to 10 percent of any underpayment may be assessed. The underpayment is calculated by taking 70 percent of the amount on Form 740, Line 26 (income tax liability) and subtracting taxes prepaid through a credit forward, withholding, estimated tax payments and refundable credits. Minimum penalty is \$25.

HOW TO USE ESTIMATED TAX VOUCHERS—Enter your name, address and Social Security number(s) in the spaces provided. In the payment block, enter the amount of payment. Do not enter amounts paid through a credit from a previous year.

HOW TO PAY—Make check payable to **Kentucky State Treasurer**. Mail the check with the voucher to: **Kentucky Department of Revenue, Frankfort, KY 40620-0009**. To ensure accurate crediting to your account, you must send the voucher with your check. Please write your Social Security number(s) on the face of your check. If you wish to mail your first installment with Form 740, please prepare a separate check for the amount shown on the voucher and include the voucher marked “Installment 1.” If you file electronically you can now elect to have your estimated tax payments debited from your bank account; see Form 8879-K for additional information. You may authorize the Kentucky Department of Revenue to debit up to all four of your installments on the dates due. This option must be initiated at the time of filing.

INSTRUCTIONS FOR SCHEDULE KNOL

Computation of Net Operating Loss

Purpose of Schedule—Schedule KNOL is to be used by an individual, estate or trust to compute a Kentucky net operating loss (KNOL) deduction. Schedule KNOL is to be used only in the year the loss occurred.

Net Operating Losses—For 2005 and future years, the carryback of net operating losses to prior years is no longer allowed. Net operating losses may be carried forward for up to 20 years. Documentation to substantiate any loss must be available to the Department of Revenue upon request.

Line 8—Nonbusiness deductions are those not connected with a trade or business.

The standard deduction from line 2 above is allowed as a nonbusiness deduction if you do not itemize deductions. Itemized deductions are

usually nonbusiness except for casualty loss deductions and any employee expenses. See federal Form 1045 for further instructions.

Line 9—Nonbusiness income (other than capital gains)—Include income that is not from trade or business. Examples are dividends, annuities and interest on investments. See federal Form 1045 for further instructions.

Lines 18 and 19—Adjust this amount by the appropriate addition or subtraction entered on Schedule M. For more information, see federal regulation Section 1.172-3 and federal Publication 536, Net Operating Losses.

Line 25—Enter domestic production activities deduction from Kentucky Form 740 (Schedule M, line 18), Form 740-NP (Section D, Column B, line 30) or Form 741 (Schedule M, Part II, line 7).

INSTRUCTIONS

2013 KENTUCKY CORPORATION INCOME TAX AND LLET RETURN

PURPOSE OF INSTRUCTIONS

These instructions have been designed for corporations, other than S corporations, which are required by law to file a Kentucky Corporation Income Tax and LLET Return. Any corporation electing S corporation treatment in accordance with Sections 1361(a) and 1362(a) of the Internal Revenue Code must use Form 720S and related schedules (also available from the Department of Revenue).

Refer to the chart on page 2 to determine what tax form your business needs to file.

HOW TO OBTAIN FORMS AND INSTRUCTIONS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (page 15). They may also be obtained by writing FORMS, Department of Revenue, 501 High Street, Frankfort, KY 40601-2103, or by calling (502) 564-3658. Forms can be downloaded from www.revenue.ky.gov.

Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- If the company is computing its LLET based on gross profits, the new Schedule COGS, Limited Liability Entity Tax Cost of Goods Sold, must be attached to Form 720. Failure to include this schedule may result in a tax adjustment and assessment.
- Once an account is established, a return is required to be filed for Kentucky corporations and foreign corporations that have Kentucky nexus.
- When ceasing operations and closing an account, there are different requirements for Secretary of State and the Department of Revenue.
- Always ensure the correct Kentucky Corporation/LLET account number is used on the return being filed.
- Place payments on the front of the return so they are clearly visible when the return is processed.
- Note that Schedule LLET is always used as an attachment to a tax return and should never be submitted in lieu of a return.
- Submit Form 851-K when making payments for multiple accounts.
- Make estimated payments on a timely basis to avoid penalty and interest.
- Extensions are for filing purposes only; late payment penalties and interest apply to payments made after the original due date.
- Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the corporation has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- Additional errors that delay processing returns or create adjustments include:
 - Incorrect tax exemption code
 - Incomplete information
 - Missing forms or schedules
 - Incorrect taxable year end
 - More than one box checked for receipts method
 - Tax Payment Summary Section of return blank or incorrect
 - Failure to include payment of tax due with the return
 - Omitting Form 41A720-SL when paying with an extension

IMPORTANT

Corporations must create a Kentucky Form 4562, Schedule D and Form 4797 by converting federal forms.

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—For taxable years beginning after December 31, 2001, Kentucky depreciation and Section 179 deduction are determined in accordance with the Internal Revenue Code in effect on December 31, 2001. For calendar year 2013 returns and fiscal year returns that begin in 2013, any corporation that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and Section 179 expense deduction for Kentucky:

- MACRS bonus depreciation; or
- Section 179 expense deduction in excess of \$25,000.

If a corporation has taken MACRS bonus depreciation or Section 179 expense deduction in excess of \$25,000 for any year, federal and Kentucky differences will exist, and the differences will continue through the life of the assets.

Important: If a corporation has not taken MACRS bonus depreciation or the Section 179 expense deduction in excess of \$25,000 for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 720 to substantiate that no adjustment is required.**

Determining and Reporting Depreciation and Section 179 Deduction Differences—Federal/Kentucky depreciation or Section 179 deduction differences shall be reported as follows:

1. The depreciation from federal Form 1120, Line 20 and depreciation claimed on federal Form 1125-A or elsewhere on Form 1120 must be included on Form 720, Part III, Line 4. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 720.**
2. Convert federal Form 4562 to a **Kentucky** form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional Section 179 deduction. **NOTE:** For Kentucky purposes, the maximum Section 179 deduction amount on Line 1 is \$25,000 and the threshold cost of Section 179 property on Line 3 is \$200,000. The \$25,000 maximum allowable Section 179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying Section 179 property placed in service during the year exceeds \$200,000. In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 should be determined by using Kentucky net income before the Section 179 deduction instead of federal taxable income.
3. The corporation **must attach the Kentucky Form 4562** to Form 720, and the amount from Kentucky Form 4562, Line 22 must be included on Form 720, Part III, Line 15. A Kentucky Form 4562 must be filed for each year even though a federal Form 4562 may not be required.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the corporation disposes of assets on which it has taken the special depreciation allowance or the additional Section 179 deduction for federal income tax purposes, the corporation will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. If a capital gain is reported on federal Form 1120, Line 8, enter this amount on Schedule O-720, Part II, Line 1. Convert **federal Schedule D (Form 1120)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the capital gain from Kentucky Schedule D, Line 18 on Schedule O-720, Part I, Line 1. **Federal Schedule D (Form 1120) filed with the federal return and the Kentucky Schedule D must be attached to Form 720.**
2. If the amount reported on federal Form 1120, Line 9 (from Form 4797, Line 17) is a gain, enter this amount on Schedule O-720, Part II, Line 2. If the amount reported on federal Form 1120, Line 9 (from Form 4797, Line 17) is a loss, enter this amount on Schedule O-720, Part I, Line 2. Convert **federal Form 4797** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. If the amount on Kentucky Form 4797, Line 17 is a gain, enter this amount on Schedule O-720, Part I, Line 3. If the amount on Kentucky Form 4797, Line 17 is a loss, enter this amount on Schedule O-720, Part II, Line 3. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 720.**

GENERAL INFORMATION

Internal Revenue Code Reference Date—Effective for taxable years beginning after December 31, 2006, Kentucky Revised Statute (KRS) 141.010(3) was amended to define "Internal Revenue Code" (IRC) for Kentucky income tax purposes to mean the IRC in effect on December 31, 2006, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2006, that would otherwise terminate and as modified by KRS 141.0101. For property placed in service after September 10, 2001, only the depreciation and expense deductions allowed under Sections 168 and 179 of the Internal Revenue Code in effect on December 31, 2001, exclusive of any amendments made subsequent to that date shall apply. **KRS 141.010(3)**

Kentucky Tax Registration Application—Prior to doing business in Kentucky, each corporation should complete a Kentucky Tax Registration Application, Revenue Form 10A100, to register for a Kentucky Corporation/LLET Account Number. This account number will be used for remitting the corporation income tax as required by KRS 141.040 and the LLET as required by KRS 141.0401. The application is available at Kentucky Taxpayer Service Centers (see page 15) or from the Department of Revenue, Taxpayer Registration Section, Frankfort, KY 40620 or at www.revenue.ky.gov (click on Business). The application may be faxed to (502) 227-0772.

Who Must File—LLET and Corporation Income Tax

LLET—The limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86–272 do not apply to the tax imposed by KRS 141.0401. A Kentucky Corporation Income Tax and LLET Return, Form 720, must be filed by every corporation (a) organized under the laws of this state; (b) having its commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a pass-through entity doing business in this state; (f) deriving income from or attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state, or deriving income directly or indirectly from a single member limited liability company that is doing business in this state and is disregarded as an entity separate from its single member for federal income tax purposes or (g) directing activities at Kentucky customers for the purposes of selling them goods or services. **KRS 141.0401 and KRS 141.010(25)**

Corporation Income Tax—Except for the limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86–272, a Kentucky corporation income tax and LLET return must be filed by every corporation meeting the provisions listed above. **KRS 141.040 and KRS 141.010(25)**

Disregarded Entities—A limited liability company (LLC) is treated for Kentucky LLET and income tax purposes in the same manner as it is treated for federal income tax purposes. Therefore, a single member LLC that is disregarded for federal income tax purposes shall be included in the return filed by its single member (parent entity). **KRS 141.010(25), KRS 141.200(10) and 103 KAR 16:300**

Pass-through Entities—Corporations doing business in Kentucky solely as a partner or member in a pass-through entity will file Form 720 pursuant to the provisions of KRS 141.010, 141.120 and 141.206.

Other Entities—Foreign Sales Corporations (FSCs) and interest-deferred or interest-charged Domestic International Sales Corporations (DISCs) are subject to Kentucky income tax to the same extent as other corporations.

Additionally, certain organizations which must file special returns for federal purposes, e.g., homeowners associations, political organizations, real estate investment trusts and regulated investment companies must file Form 720. Only political organizations filing a federal Form 1120POL must file Form 720.

Corporations Not Required to File—Corporations which are exempt by law from Kentucky income tax and LLET include financial institutions as defined in KRS 136.500, insurance companies, savings and loan associations, corporations exempted by IRC Section 501, and religious, educational, charitable and like corporations not conducted for profit. **KRS 141.040 and KRS 141.0401**

Substitute Forms—Any form to be used in lieu of an official Department of Revenue form must be submitted to the department for prior approval.

Required Forms and Information—Each corporation must enter all applicable information on Form 720, attach a schedule for each line item or line item instruction which states "attach schedule," and Kentucky forms or schedules, if applicable.

Required Federal Forms and Schedules

All corporations **must** provide a copy of the following federal forms submitted to the Internal Revenue Service:

1. Form 1120, all pages—If Form 1120 is not filed, attach copies of the income statement, cost of goods sold schedule and balance sheet of the federal form filed. If the corporation is not required to submit a balance sheet for federal income tax purposes, attach the balance sheet prepared on a consistent basis from the books and records of the corporation.
2. Form 1125-A—Cost of Goods Sold
3. Form 1125-E—Compensation of Officers
4. Form 851—Affiliations Schedule
5. Form 4797—Sales of Business Property
6. Schedule D—Capital Gains and Losses
7. Form 3800—General Business Credit
8. Form 5884—Work Opportunity Credit
9. Schedules for items on Form 1120, Schedule L, which state "attach schedule."

Electronic Funds Transfer (EFT)—The Department of Revenue is accepting electronically filed Corporation Income Tax/Limited Liability Entity Tax estimated tax voucher payments and extension payments for corporation income tax and limited liability entity tax. Before filing by EFT, the corporation must have a valid six-digit Kentucky Corporation/LLET account number and have registered with the Department of Revenue to file EFT. **Using an incorrect account number, such as an account number for withholding tax or sales and use tax, will result in the payment being credited to another taxpayer's account.** For more information, contact the Department of Revenue at 1-800-839-4137 or (502) 564-6020. The EFT registration form is available at www.revenue.ky.gov. See E-File & E-Payment Options ([click on KY E-Tax](http://www.revenue.ky.gov/etax.htm)). The direct link is www.revenue.ky.gov/etax.htm.

Accounting Procedures—Kentucky income tax law requires a corporation to report income on the same calendar or fiscal year and to use the same methods of accounting required for federal income tax purposes. Any federally approved change in accounting periods or methods must be reported to the Department of Revenue. Attach a copy of the federal approval to the return when filed. **KRS 141.140**

Mailing/Payment—If including payments for other taxes in addition to corporation income tax or LLET, **send a separate check or money order for each type of tax.** Mail the Kentucky Corporation Income Tax and LLET Return to the **Kentucky Department of Revenue, Frankfort, KY 40620.** Make the check(s) payable to the **Kentucky State Treasurer.**

Filing/Payment Date—A Kentucky Corporation Income Tax and LLET Return must be filed and payment must be made on or before the 15th day of the fourth month following the close of the taxable year. **KRS 141.160, KRS 141.220 and 103 KAR 15:050**

If the filing/payment date falls on a Saturday, Sunday or a legal holiday, the filing/payment date is deemed to be on the next business day. **KRS 446.030(1)(a)**

Extensions—An extension of time to file a Kentucky Corporation Income Tax and LLET Return may be obtained by either making a specific request to the Department of Revenue or attaching a copy of the federal extension to the return when filed. A copy of the federal extension submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed. If a payment is made with an extension, Kentucky Form 41A720SL must be used. For further information, see the instructions for Form 41A720SL. **103 KAR 15:050**

NOTE: An extension of time to file a return does not extend the date for payment of tax.

Corporation Estimated Taxes

The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720-ES, is used to submit estimated tax payments for corporation income and LLET. See **Electronic Funds Transfer (EFT)** on page 4. If the corporation is required to make estimated tax payments and needs Form 720-ES vouchers, contact the Department of Revenue at (502) 564-3658 or visit **www.revenue.ky.gov.**

NOTE: See **www.revenue.ky.gov** for information on the 2014 estimated tax payments.

Corporation Estimated Tax Payments—A corporation must make estimated tax installments if its combined tax liability under KRS 141.040 and 141.0401 can reasonably be expected to exceed \$5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed \$5,000 before the 2nd day of the 6th month, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000 after the 1st day of the 6th month and before the 2nd day of the 9th month, 75% of the estimated tax must be paid by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000 after the 1st day of the 9th month, 100% of the estimated tax must be paid by the 15th day the 12th month.

Safe harbor: A corporation can satisfy its declaration requirement if its estimated tax payments are equal to the combined tax liability under KRS 141.040 and 141.0401 for the prior tax year, and its combined tax liability for the prior tax year was equal to or less than \$25,000. If the estimated tax is based on the corporation’s combined tax liability for the prior tax year, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

Interest: Failure to pay estimated tax installments on or before the due date prescribed by 141.042 and 141.044 shall result in an assessment of interest on the late payment or underpayment.

The interest due on any late payment or underpayment shall be at the rate provided by KRS 131.183(1). **KRS 141.042(4) and KRS 141.985**

Penalty: Failure to pay estimated tax installments equal to the amount determined by subtracting \$5,000 from 70% of the combined tax liability due under KRS 141.040 and KRS 141.0401 as computed by the taxpayer on the return filed for the taxable year will result in an underpayment penalty of 10% of the underpayment. The underpayment penalty will not apply if the estimated tax payments are equal to or greater than the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year, and the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year was equal to or less than \$25,000. **KRS 131.180(3) and KRS 141.990(3)**

Amended Return—Amended Kentucky forms must be used to make any corrections to Form 720 (See table below for required amended form), including net operating loss carrybacks (for years prior to 2005), capital loss carrybacks and Internal Revenue Service audit adjustments. Do not submit Federal Form 1139 to apply for a refund of Kentucky corporation income tax resulting from net operating loss carryback or a capital loss carryback. Failure to submit the required Kentucky amended forms will result in delays in processing refunds requested on amended returns.

Tax Year	Amended Form
2004 & prior	720X
2005 & 2006.....	720-Amended
2007 & 2008.....	720-Amended (2007-2008)
2009 - 2013	720 (check Amended return box or Amended return—RAR box)

Net Operating Losses—For tax years beginning on or after January 1, 2005, the net operating loss carryback deduction shall not be allowed. Any net operating losses shall be carried forward. See Kentucky Net Operating Loss Deduction on page 10 of these instructions for further discussion.

Internal Revenue Service Audit Adjustments—A corporation which has received final adjustments resulting from Internal Revenue Service audits must submit a copy of the “final determination of the federal audit” within 30 days of the conclusion of the federal audit. Use the required amended form from the table above for reporting federal audit adjustments and computing additional tax due or refunds. Failure to submit the required amended form will result in delays in processing refunds requested on amended returns. Instructions for Schedule A—Apportionment and Allocation

General—A corporation that is taxable in this state and taxable in another state shall apportion and allocate net income to Kentucky in accordance with KRS 141.120. A pass-through entity doing business within and without the state shall compute an apportionment fraction in accordance with KRS 141.206(12). Public service companies (defined in KRS 136.120) and financial organizations shall apportion and allocate net income in accordance with KRS 141.120(10) and Regulations 103 KAR 16:100 through 103 KAR 16:150.

A corporation must use the statutory formula unless the corporation has been required or granted approval in writing by the Department of Revenue to use an alternative method provided by KRS 141.120(9)(a) or the corporation qualifies for and elects an alternative apportionment method provided by KRS 141.120(9)(b). A copy of the letter from the Department of Revenue requiring or granting approval to use a method other than the statutory formula or a statement electing an alternative apportionment method in accordance with KRS 141.120(9)(b)(1) or (2) must be attached to the return when filed.

Mandatory Nexus Consolidated Returns—An affiliated group filing a mandatory nexus consolidated return is treated as a single corporation. All transactions between members of the affiliated group shall be eliminated in determining the sales, property and payroll factors.

Attach Schedule A-N, Apportionment Factor Schedule (For a Nexus Consolidated Tax Return), to Schedule A reflecting the computation of the consolidated factors.

COMPUTATION OF APPORTIONMENT FRACTION

Schedule A must be submitted with the applicable tax return (Form 720, 720S, 725, 765 or 765-GP). If the corporation or any corporation in an affiliated group filing Schedule A owns an interest in a limited liability pass-through entity or a general partnership (organized or formed as a general partnership after January 1, 2006) doing business in Kentucky, complete Schedule A-C, Apportionment and Allocation-Continuation Sheet. If the pass-through entity filing Schedule A owns an interest in a pass-through entity doing business in Kentucky, complete Schedule A-C, Apportionment and Allocation-Continuation Sheet.

If Schedule A-C is required, complete Schedule A-C and enter the amounts from Schedule A-C, Total column, Lines 1, 2, 5, 6, 8 and 9 on the corresponding lines of Schedule A, Section I, Lines 1, 2, 5, 6, 8 and 9. The apportionment fraction is then determined by completing Schedule A, Section I, Lines 3, 4, 7, 10, 11 and 12.

A corporation or pass-through entity not required to file Schedule A-C shall compute its apportionment fraction as follows:

Sales—Total sales include all gross receipts other than nonbusiness receipts, except as provided in KRS 141.121. Sales of real or tangible personal property are assigned to Kentucky if the property is located in Kentucky or is shipped or delivered to a purchaser in Kentucky. Sales of tangible personal property to the U.S. government are assigned to Kentucky if the property is shipped from Kentucky.

KRS 141.120(8)(c)(3) provides that sales other than sales of tangible personal property are assigned to Kentucky if the income-producing activity is performed entirely within Kentucky or if the income-producing activity is performed both within and without Kentucky and a greater portion of the income-producing activity is performed in Kentucky than in any other state based on cost of performance. The following are general guidelines for assigning these receipts to Kentucky but should not be considered all-inclusive:

A. Receipts from intangibles are assigned to Kentucky if the corporation's commercial domicile is in Kentucky or the intangible has acquired a Kentucky business situs. Examples of receipts from intangibles which are deemed to have acquired a Kentucky business situs are franchise fees from a franchisee located in

Kentucky and a corporation's Kentucky distributive share of net income from a partnership doing business in Kentucky.

- B. Rents or royalties from real or tangible personal property are assigned to Kentucky if the property is located in Kentucky. In the case of mobile property, the rent is assigned to Kentucky if the lessee's base of operations for the property is in Kentucky.
- C. Receipts from the performance of services are assigned to Kentucky if the services are performed entirely in Kentucky or the services are performed both within and without Kentucky but a greater portion is performed in Kentucky than in any other state based on cost of performance.

Property—Total property includes all real and tangible personal property owned or rented and used during the taxable year. Property owned is valued at original cost. Leased property is valued at eight times the annual rental rate less any nonbusiness subrentals. Real and tangible personal properties are assigned to Kentucky if owned or rented and used in Kentucky. Exclude (a) construction in progress and (b) property which has been certified by Kentucky as a pollution control facility and is owned or leased by the corporation. Safe harbor lease property must be included in the factor of the seller/lessee at cost and excluded from the property factor of the purchaser/lessor.

Payroll—Total payroll includes all compensation paid or payable by the corporation during the tax period. Kentucky payroll is that portion of total payroll that is paid or payable for services performed within the state. Compensation is paid or payable in this state if: (i) the individual's service is performed entirely within the state; (ii) the individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or (iii) some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

Apportionment Fraction—To compute the apportionment fraction, the sales factor must be multiplied by two and the property and payroll factors must each be multiplied by one and the total divided by four. A corporation which does not have sales, property or payroll must average only the factors which are present to determine the weighted apportionment fraction.

APPORTIONMENT AND ALLOCATION OF INCOME

Business income arises from transactions and activities in the regular course of the corporation's trade or business and includes income from tangible and intangible property if the acquisition, management or disposition of the property constitutes integral parts of the corporation's trade or business.

Classifying income by categories (such as interest, rents, royalties and capital gains) does not determine whether income is business or nonbusiness. For example, gain or loss recognized on the sale of property may be business income or nonbusiness income depending upon its relationship to the corporation's trade or business.

Nonbusiness income includes all income not properly classified as business income less all direct or indirect expenses attributable to the production of this income. Nonbusiness income is allocated to Kentucky if (a) the corporation's commercial domicile (the principal place from which the trade or business is managed) is located in Kentucky or (b) property creating the nonbusiness income is utilized in Kentucky. Generally, tangible personal property is utilized in Kentucky if it is physically located in Kentucky; intangible property, such as patents and copyrights, is utilized in Kentucky if it is actually used in Kentucky.

If filing a mandatory nexus consolidated tax return, Schedule A-C is required if any corporation in the affiliated group is a partner or member of a limited liability pass-through entity or general partnership (organized or formed as a general partnership after January 1, 2006). The limited liability pass-through entity's or general partnership's Kentucky sales, total sales, average value of Kentucky real/tangible property, average value of total real/tangible property, Kentucky payrolls and total payrolls applicable to each corporation in the affiliate group shall be combined with its Kentucky sales, total sales, average value of Kentucky real/tangible property, average value of total real/tangible property, Kentucky payrolls and total payrolls on the Schedule A-N, Apportionment Factor Schedule (For a Nexus Consolidated Tax Return).

KRS 141.206(10)(b) provides that for taxable years beginning on or after January 1, 2007, a **corporation** that owns an interest in a limited liability pass-through entity or a general partnership organized or formed as a general partnership after January 1, 2006, shall include its proportionate share of the sales, property and payroll of the limited liability pass-through entity or general partnership in computing its own apportionment fraction. Accordingly, when completing Schedule A-C for a corporation, include only limited liability pass-through entities or general partnerships (organized or formed as general partnerships after January 1, 2006) doing business in Kentucky.

INSTRUCTIONS FOR SCHEDULE BIO

The biodiesel tax credit is applied against the individual income tax imposed by KRS 141.020, the corporation income tax imposed by KRS 141.040 and/or the limited liability entity tax (LLET) imposed by KRS 141.0401. The amount of tax credit claimed against the corporation income tax and LLET can be different.

Purpose of Schedule—The application and credit certification schedule is to report the number of gallons of biodiesel produced and/or B100 blended and renewable diesel produced in this state meeting the current ASTM standards. Re-blending of blended biodiesel does not qualify for this credit. The Department of Revenue will certify the amount of biodiesel credit for each taxpayer. It is effective for biodiesel produced and/or blended and renewable diesel produced on or after January 1, 2008. The taxpayer is not entitled to the credit for biodiesel produced and/or blended and renewable diesel produced in another state.

The credit rate is \$1 per gallon with a total cap for all taxpayers not to exceed \$10,000,000 annually. There is no carryforward for any unused credit.

To ensure proper processing, fax or email Schedule BIO to the Department of Revenue no later than January 15 following the close of the preceding calendar year. Schedules postmarked or sent after January 15 are void. Credit certification cannot be guaranteed for schedules sent through regular mail.

The Department of Revenue will confirm the receipt of the application. If you do not receive confirmation within two weeks of submitting the application, contact the Division of Corporation Tax at (502) 564-8139.

The Department of Revenue will issue the credit certificate, listing the amount of credit available, by April 15 following the close of the preceding calendar year. Attach the credit certificate to the tax return claiming the credit.

General Instructions—For the calendar year, enter the applicable year.

Check the appropriate entity type. If taxed as an entity type other than corporation, limited liability pass-through entity, general partnership or individual, check the "Other" box and list the entity type.

Testing—The regulation 103 KAR 15:140 provides that a copy of the laboratory results for July 1 and December 31 of each calendar year shall be attached to the application, Schedule BIO, submitted to the Department of Revenue. Failure to provide proof of meeting the ASTM standard on July 1 and December 31 of each calendar year with the application shall result in the denial of the credit for gallons of biodiesel or renewable diesel back to the previous testing date of July 1 or December 31.

Part I—Gallons Produced and/or Blended in Kentucky During the Calendar Year

Line 1—Enter the number of gallons of B100 biodiesel produced in this state for the calendar year.

Line 2—Enter the number of gallons of B100 biodiesel used in the blended biodiesel produced in this state for the calendar year. Re-blending of blended biodiesel does not qualify for this credit.

Line 3—Enter the number of gallons of renewable diesel produced in this state for the calendar year.

Part II and Part III

These parts are completed by the Department of Revenue to determine the biodiesel credit for each taxpayer. Part III is used if the total amount of approved credit for all biodiesel producers and blenders and renewable diesel producers exceeds the annual biodiesel tax credit cap.

Part II—Biodiesel Gallons Approved

Line 1—This is the amount of biodiesel and renewable diesel gallons approved by the Department of Revenue for credit. If the approved credit exceeds the biodiesel tax credit cap, then the credit is determined by the department in Part III. It is a nonrefundable credit.

A pass-through entity shall include on each Schedule K-1 the partner's, member's, shareholder's or beneficiary's pro rata share of the approved credit. In addition, a pass-through entity shall notify the department electronically of all partners, members, shareholders or beneficiaries who may claim any amount of the approved credit. Failure to provide information to the department in the following manner may constitute the forfeiture of available credits to all partners, members, shareholders or beneficiaries in the pass-through entity.

Email address:
KRC.WEBResponseEconomicDevelopmentCredits@ky.gov

The electronic mail shall contain a separate attachment in plain format text or plain ASCII format that includes each partner's, member's, shareholder's or beneficiary's: (a) Name; (b) Address; (c) Telephone number; (d) Identification number; and (e) Distributive share of the tax credit.

Part III—Biodiesel Approved Credit Certificate

The Department of Revenue determines the total approved credit. If it exceeds the biodiesel tax credit cap of \$10,000,000, the department will compute each taxpayer's approved credit based upon a fraction the numerator (Line 1(a)) being the credit approved for the taxpayer and the denominator (Line 1(b)) being the total credit approved for all taxpayers. The biodiesel tax credit cap is multiplied by this fraction to determine each producer's and/or blender's approved credit.

Part IV—Biodiesel Credit Used By Taxpayer

Line 1—Enter the amount of credit claimed for the taxable year against the LLET on Schedule TCS, Part II, Column E. The credit amount cannot reduce the LLET below the \$175 minimum.

Line 2—Enter the amount of credit claimed for the taxable year against the corporation income tax on Schedule TCS, Part II, Column F.

Amount of Credit—The credit is equal to \$2 for each ton of qualifying coal. "Qualifying coal" means coal subject to the coal severance tax imposed by KRS 143.020 which is purchased and used by the company to generate electricity.

Due Date of Schedule—The taxpayer must submit this schedule by March 15 of each year to apply for the credit on coal purchases for the prior calendar year.

Where to Submit Schedule—This schedule should be submitted to:

In addition, a pass-through entity shall notify the department electronically of all partners, members or shareholders who may claim any amount of the approved credit. INSTRUCTIONS FOR SCHEDULE CELL

The amount of tax credit claimed against the corporation income tax and LLET can be different.

Purpose of Schedule—The application and credit certification schedule is to report the number of gallons of cellulosic ethanol produced in this state meeting the current ASTM standards. The Department of Revenue will certify the amount of cellulosic ethanol credit for each taxpayer. It is effective for cellulosic ethanol produced on or after January 1, 2008. The taxpayer is not entitled to the credit for cellulosic ethanol produced in another state.

The credit rate is \$1 per gallon with a total cap for all taxpayers not to exceed \$5,000,000 annually, except the cellulosic ethanol tax credit cap shall be increased by the unused cap of the ethanol tax credit. See Part III instructions for further explanation. There is no carryforward for any unused credit.

To ensure proper processing, fax or email Schedule CELL to the Department of Revenue no later than January 15 following the close of the preceding calendar year. Schedules postmarked or sent after January 15 are void. Credit certification cannot be guaranteed for schedules sent through regular mail.

The Department of Revenue will confirm the receipt of the application. If you do not receive confirmation within two weeks of submitting the application, contact the Division of Corporation Tax at (502) 564-8139.

The Department of Revenue will issue the credit certificate, listing the amount of credit available, by April 15 following the close of the preceding calendar year. Attach the credit certificate to the tax return claiming the credit.

Testing—The regulation 103 KAR 15:120 provides that a copy of the laboratory results for July 1 and December 31 of each calendar year shall be attached to the application, Schedule CELL, submitted to the Department of Revenue. Failure to provide proof of meeting the ASTM standard on July 1 and December 31 of each calendar year with the application shall result in the denial of the credit for gallons of cellulosic ethanol back to the previous testing date of July 1 or December 31.

Part I—Gallons Produced in Kentucky During the Calendar Year

Line 1—Enter the number of gallons of cellulosic ethanol produced in this state for the calendar year.

Part II and Part III

These parts are completed by the Department of Revenue to determine the cellulosic ethanol credit for each taxpayer. Part III is

used if the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap.

Part II—Cellulosic Ethanol Gallons Approved

Line 1—This is the amount of cellulosic ethanol gallons approved by the Department of Revenue for credit. If the approved credit exceeds the cellulosic ethanol tax credit cap, then the credit is determined by the department in Part III. It is a nonrefundable credit.

A pass-through entity shall include on each Schedule K-1 the partner's, member's, shareholder's or beneficiary's pro rata share of the approved credit. In addition, a pass-through entity shall notify the department electronically of all partners, members, shareholders or beneficiaries who may claim any amount of the approved credit. Failure to provide information to the department in the following manner may constitute the forfeiture of available credits to all partners, members, shareholders or beneficiaries in the pass-through entity.

Email address:
KRC.WEBResponseEconomicDevelopmentCredits@ky.gov

The electronic mail shall contain a separate attachment in plain format text or plain ASCII format that includes each partner's, member's, shareholder's or beneficiary's: (a) Name; (b) Address; (c) Telephone number; (d) Identification number; and (e) Distributive share of the tax credit.

Part III—Cellulosic Ethanol Approved Credit Certificate

The Department of Revenue determines the total approved credit. If it exceeds the cellulosic ethanol tax credit cap of \$5,000,000, the department will compute each taxpayer's approved credit based upon a fraction the numerator (Line 1(a)) being the credit approved for the taxpayer and the denominator (Line 1(b)) being the total credit approved for all taxpayers. The cellulosic ethanol tax credit cap is multiplied by this fraction to determine each producer's approved credit.

The annual cellulosic ethanol tax credit cap of \$5,000,000 will be increased by the unused cap of the ethanol tax credit if the total approved applications for the cellulosic ethanol tax credit exceeds its \$5,000,000 cap. The amount of credit cap transferred to the cellulosic ethanol tax credit shall not exceed the amount necessary for all applicants to receive the one dollar (\$1) per gallon credit provided by KRS 141.4244.

Part IV—Cellulosic Ethanol Credit Used by Taxpayer

Line 1—Enter the amount of credit claimed for the taxable year against the LLET on Schedule TCS, Part II, Column E. The credit amount cannot reduce the LLET below the \$175 minimum.

Line 2—Enter the amount of credit claimed for the taxable year against the corporation income tax on Schedule TCS, Part II, Column F.

The amount of credit claimed against the corporation income tax and the LLET can be different.

Purpose of Schedule—This schedule is used by taxpayers to apply for the coal incentive tax credit provided by KRS 141.0405 and by the Department of Revenue to determine the approved tons of coal purchased.

Who is Entitled to the Tax Credit—A taxpayer or a parent company if the taxpayer is a wholly owned subsidiary that:

(a) is an alternative fuel facility as defined in KRS 154.27-010 or a gasification facility as defined in KRS 154.27-010 that has not been approved for incentives under Subchapter 27 of KRS Chapter 154;

(b) remits tax to the Commonwealth under KRS 136.120, 141.020, 141.040 or 141.0401; and

(c) purchases coal subject to the tax imposed by KRS 143.020 that is used as feedstock for an alternative fuel facility as defined in KRS 154.27-010 or a gasification facility as defined in KRS 154.27-010.

Amount of Credit—The credit is equal to \$2 for each incentive ton of coal. Incentive tons of coal are calculated by subtracting the tons of qualifying coal purchased during the base year from the tons of qualifying coal purchased during the prior calendar year. **“Qualifying coal” means coal subject to the coal severance tax imposed by KRS 143.020 which is purchased and used as a feedstock for an alternative fuel facility or a gasification facility as defined in KRS 154.27-010.** For entities existing prior to July 14, 2000, the base year amount of qualifying tons of coal is the qualifying tons of coal purchased in the calendar year 1999. For entities that come into existence after July 14, 2000, the base year amount shall be equal to zero.

Due Date of Schedule—The taxpayer must submit this schedule by March 15 of each year to apply for the credit on coal purchases for the prior calendar year.

Where to Submit Schedule—This schedule should be submitted to:

If the company is computing its LLET based on gross profits, Schedule COGS, Limited Liability Entity Tax Cost of Goods Sold, must be attached to the applicable tax return.

KRS 141.0401(1)(d)3 provides that for any activity other than manufacturing, producing, reselling, retailing or wholesaling, no costs shall be included in costs of goods sold. Therefore, taxpayers that provide services or sell intangibles are not allowed to compute cost of goods sold for purposes of computing the limited liability entity tax (LLET).

For taxpayers who are engaged in manufacturing, producing, reselling, retailing or wholesaling, KRS 141.0401(1)(d)2 provides that amounts allowable as cost of goods sold must be directly incurred in acquiring or producing a tangible product generating the Kentucky gross receipts. Tangible product means both real and tangible personal property.

Purpose of Schedule—This schedule is used by a corporation or a limited liability pass-through entity to compute its Kentucky cost of goods sold and its total cost of goods sold from all sources for purposes of computing the LLET on gross profits.

Lines 1 through 8—In the Federal Form 1125-A Cost of Goods Sold column, enter the amounts from federal Form 1125-A on Lines 1 through 8.

In Columns A and B, enter on Lines 1 through 8 the cost of goods sold amounts as provided by KRS 141.0401(1) attributable to Kentucky gross receipts and to gross receipts from all sources, respectively.

“Purchases” means only direct materials that are incorporated into the tangible product sold or manufactured.

“Direct labor” means labor that is incorporated into the tangible product sold or is an integral part of the manufacturing process.

“Additional section 263A costs” means only direct material costs as provided by section 263A of the Internal Revenue Code.

“Other costs” means only direct materials that are incorporated into the tangible product sold or manufactured.

Line 9—Enter on Lines (a) through (k) the detail of purchases included on Line 2 of each column. The total of the amounts on Lines (a) through (k) of each column should equal the amount included on Line 2 of each column. If Lines (a) through (k) are not sufficient to include the detail of all purchases, attach a three column schedule listing the detail of the additional purchases.

Line 10—Enter on Lines (a) through (k) the detail of additional section 263A costs included on Line 4 of each column. The total of the amounts on Lines (a) through (k) of each column should equal the amount included on Line 4 of each column. If Lines (a) through (k) are not sufficient to include the detail of all additional section 263A costs, attach a three column schedule listing the detail of the additional section 263A costs.

Line 11—Enter on Lines (a) through (k) the detail of other costs included on Line 5 of each column. The total of the amounts on Lines (a) through (k) of each column should equal the amount included on Line 5 of each column. If Lines (a) through (k) are not sufficient to include the detail of all other costs, attach a three column schedule listing the detail of the additional other costs.

INSTRUCTIONS FOR SCHEDULE ETH

The ethanol tax credit is applied against individual income tax imposed by KRS 141.020, the corporation income tax imposed by KRS 141.040 and/or the limited liability entity tax (LLET) imposed by KRS 141.0401. The amount of tax credit claimed against the corporation income tax and LLET can be different.

Purpose of Schedule—The application and credit certification schedule is to report the number of gallons of ethanol produced in this state meeting the current ASTM standards. The Department of Revenue will certify the amount of ethanol credit for each taxpayer. It is effective for ethanol produced on or after January 1, 2008. The taxpayer is not entitled to the credit for ethanol produced in another state.

The credit rate is \$1 per gallon with a total cap for all taxpayers not to exceed \$5,000,000 annually, except the ethanol tax credit cap shall be increased by the unused cap of the cellulosic ethanol tax credit. See Part III Instructions for further explanation. There is no carryforward for any unused credit.

To ensure proper processing, fax or email Schedule ETH to the Department of Revenue no later than January 15 following the close of the preceding calendar year. Schedules postmarked or sent after January 15 are void. Credit certification cannot be guaranteed for schedules sent through regular mail.

Fax number: (502) 564-0058

Email address:
KRC.WEBResponseEconomicDevelopmentCredits@ky.gov

The Department of Revenue will confirm the receipt of the application. If you do not receive confirmation within two weeks of submitting the application, contact the Division of Corporation Tax at (502) 564-8139.

The Department of Revenue will issue the credit certificate, listing the amount of credit available, by April 15 following the close of the preceding calendar year. Attach the credit certificate to the tax return claiming the credit.

General Instructions—For the calendar year, enter the applicable year.

Check the appropriate entity type. If taxed as an entity type other than corporation, limited liability pass-through entity, general partnership or individual, check the "Other" box and list the entity type.

Federal Identification Number—For an individual, enter the Social Security number; for all other entities, enter the FEIN.

Testing—The regulation 103 KAR 15:110 provides that a copy of the laboratory results for July 1 and December 31 of each calendar year shall be attached to the application, Schedule ETH, submitted to the Department of Revenue. Failure to provide proof of meeting the ASTM standard on July 1 and December 31 of each calendar year with the application shall result in the denial of the credit for gallons of ethanol back to the previous testing date of July 1 or December 31.

Part I—Gallons Produced in Kentucky During the Calendar Year

Line 1—Enter the number of gallons of ethanol produced in this state for the calendar year.

Part II and Part III

These parts are completed by the Department of Revenue to determine the ethanol credit for each taxpayer. Part III is used if the total amount of approved credit for all ethanol producers exceeds

the annual ethanol tax credit cap.

Part II—Ethanol Gallons Approved

Line 1—This is the amount of ethanol gallons approved by the Department of Revenue for credit. If the approved credit exceeds the ethanol tax credit cap, then the credit is determined by the department in Part III. It is a nonrefundable credit.

A pass-through entity shall include on each Schedule K-1 the partner's, member's, shareholder's or beneficiary's pro rata share of the approved credit. In addition, a pass-through entity shall notify the department electronically of all partners, members, shareholders or beneficiaries who may claim any amount of the approved credit. Failure to provide information to the department in the following manner may constitute the forfeiture of available credits to all partners, members, shareholders or beneficiaries in the pass-through entity.

Email address:
KRC.WEBResponseEconomicDevelopmentCredits@ky.gov

The electronic mail shall contain a separate attachment in plain format text or plain ASCII format that includes each partner's, member's, shareholder's or beneficiary's: (a) Name; (b) Address; (c) Telephone number; (d) Identification number; and (e) Distributive share of the tax credit.

Part III—Ethanol Approved Credit Certificate

The Department of Revenue determines the total approved credit. If it exceeds the ethanol tax credit cap of \$5,000,000, the department will compute each taxpayer's approved credit based upon a fraction the numerator (Line 1(a)) being the credit approved for the taxpayer and the denominator (Line 1(b)) being the total credit approved for all taxpayers. The ethanol tax credit cap is multiplied by this fraction to determine each producer's approved credit.

The annual ethanol tax credit cap of \$5,000,000 will be increased by the unused cap of the cellulosic ethanol tax credit if the total approved applications for the ethanol tax credit exceeds its \$5,000,000 cap. The amount of credit cap transferred to the ethanol tax credit shall not exceed the amount necessary for all applicants to receive the one dollar (\$1) per gallon credit provided by KRS 141.4242.

Part IV—Ethanol Credit Used by Taxpayer

Line 1—Enter the amount of credit claimed for the taxable year against the LLET on Schedule TCS, Part II, Column E. The credit amount cannot reduce the LLET below the \$175 minimum.

Line 2—Enter the amount of credit claimed for the taxable year against the corporation income tax on Schedule TCS, Part II, Column F.

Purpose of Schedule—This schedule is used to determine the amount of deduction allowed by KRS 141.0202 for the value of leasehold interest in property contributed to a charitable organization to be used to provide temporary living quarters for a homeless family. A separate Schedule HH must be submitted for each dwelling unit donated.

Contributions Qualifying for Deduction—Effective for tax years beginning after December 31, 1989, contributions of property to a charitable organization qualify for this deduction if the property is used to provide temporary living quarters for a homeless family when:

- 1. the homeless family has demonstrated a need for a fixed, regular and adequate night time residence; and
- 2. the homeless family does not occupy the dwelling for a period in excess of one year.

Information Necessary to Substantiate the Deduction—In addition to the information requested on this schedule, the following information must be attached to this schedule:

Line 5—Enter total square footage of living space.

Lines 6 and 8—The monthly rental amounts to be entered on these lines must be net of any charge or fees for utilities or other services.

Line 10—KRS 141.0202 allows a deduction in the amount of the monthly value of the leasehold interest multiplied by the number of months during which the property is occupied for a substantial portion of the month by a homeless family. For this purpose, “substantial” means more than one-half. Therefore, based on the statement supplied by the charitable organization, determine the total number of months during the year that the property was occupied for more than one-half of the month and enter the total on this line.

Line 11—The amount from Line 11, or the total of the amounts from Line 11 if more than one Schedule HH is being filed, must be entered on the appropriate tax return as follows: (i) a corporation filing Form 720, enter on Schedule O-720, Part II, Line 6; (ii) a limited liability pass-through entity filing Form 720S or Form 765, enter on Schedule K, Line 7 or Line 8, respectively; (iii) a pass-through entity filing Form 765-GP, enter on Schedule K, Line 8; (iv) an individual filing Form 740 or Form 740-NP, include the amount in the charitable contributions deduction on Schedule A; or (v) a fiduciary filing Form 741, enter on Schedule A, Line 1.

Important: For Kentucky purposes, this deduction is a special deduction which may be greater than any ordinary charitable contribution deduction allowed for the property and is not subject to the percentage limitation provided by IRC Section 170. However, in accordance with KRS 141.010(11) and (13)(d), the same item may not be deducted more than once.

If the limited liability pass-through entity is a partner or member of a limited liability pass-through entity or general partnership (organized or formed as a general partnership after January 1, 2006) doing business in Kentucky, complete Schedule LLET(K)-C, Limited Liability Entity Tax—Continuation Sheet. The member computes its LLET based upon its Kentucky gross receipts and Kentucky gross profits. A combined group means all members of an affiliated group as defined in KRS 141.200(9)(b) and all limited liability pass-through entities that would be included in an affiliated group if organized as a corporation as provided by KRS 141.0401(1)(c).

Section A of this schedule must be completed by a limited liability pass-through entity, except a limited liability pass-through entity exempt from LLET as provided by KRS 141.0401(6). If the limited liability pass-through entity filing the tax return is a partner or member of a limited liability pass-through entity or general partnership (organized or formed as a general partnership after January 1, 2006) doing business in Kentucky, complete Schedule LLET(K)-C, Limited Liability Entity Tax—Continuation Sheet. INSTRUCTIONS — SCHEDULE LLET(K)-C

Purpose of Schedule—Schedule LLET(K)-C, Limited Liability Entity Tax—Continuation Sheet (For a Limited Liability Pass-through Entity with Economic Development Project(s)), is required if the limited liability pass-through entity filing the tax return is a partner or member of a limited liability pass-through entity or general partnership (organized or formed as a general partnership after January 1, 2006) doing business in Kentucky, and has one or more economic development projects under the Kentucky Rural Economic Development Act (KREDA), Kentucky Industrial Development Act (KIDA), Kentucky Economic Opportunity Zone Act (KEOZ), Kentucky Jobs Retention Agreement (KJRA), Kentucky Industrial Revitalization Act (KIRA), Kentucky Jobs Development Act (KJDA), Kentucky Business Investment Program (KBI), Kentucky Reinvestment Act (KRA), Incentives for Energy Independence Act (IEIA) or Farming Operation Networking Project (FON).

Schedule LLET(K)-C and Schedule LLET(K) must be submitted with the applicable tax return (Form 720S, 725 or 765).

KRS 141.120(11) provides that a corporation that is a partner or member of a limited liability pass-through entity or a general partnership organized or formed as a general partnership after January 1, 2006, shall include its proportionate share of the sales in calculating the tax due pursuant to KRS 141.0401. The phrases “an interest in a limited liability pass-through entity” and “an interest in a general partnership organized or formed as a general partnership after January 1, 2006,” shall extend to each level of multiple-tiered pass-through entities.

Combined Group – A member of a combined group pursuant to KRS 141.0401(1)(c) must use the total gross receipts and the total gross profits of the combined group to determine if it is eligible for the small business relief provided by KRS 141.0401(2)(b). The member computes its LLET based upon its Kentucky gross receipts and Kentucky gross profits. A “combined group” means all members of an affiliated group as defined in KRS 141.200(9) (b) and all limited liability pass-through entities that would be included in an affiliated group if organized as a corporation.

If the company is computing its LLET based on gross profits, Schedule COGS, Limited Liability Entity Tax Cost of Goods Sold, must be attached to the applicable tax return.

INSTRUCTIONS FOR SCHEDULE NOL (FORM 720)

Purpose of Schedule—Part I of this schedule is used by an affiliated group that is required to file a mandatory nexus consolidated return as provided by KRS 141.200(11) to determine the net operating loss limitation as provided by KRS 141.200(11)(b) and to track any available net operating loss carryforward. Part II of this schedule is used by a corporation filing a separate return as provided by KRS 141.200(10) to track any available net operating loss carryforward.

Part I – Mandatory Nexus Consolidated Return

General Instructions—Part I, Sections A and B of this schedule are used by an affiliated group filing a mandatory nexus consolidated return to determine the amount of net operating loss (NOL) deduction that can be utilized during the current tax year and to track any available net operating loss carryforward (NOL carryforward).

KRS 141.200(11)(b) provides that includible corporations that have incurred a net operating loss shall not deduct an amount that exceeds, in the aggregate, fifty percent (50%) of the income realized by the remaining includible corporations that did not realize a net operating loss.

A current year NOL or an NOL carryforward as applied to a mandatory nexus consolidated return is the pre-apportioned net operating loss or pre-apportioned net operating loss carryforward. Consequently, NOL carryforwards which are apportioned may be converted to pre-apportioned amounts. However, a corporation that does not wish to convert the NOL carryforward to a pre-apportioned amount may carry the NOL carryforward as an apportioned amount.

If the corporation does not convert an apportioned NOL carryforward to a pre-apportioned amount, the apportioned NOL carryforward is binding for all future years. Should the corporation wish to convert the apportioned NOL carryforward to a pre-apportioned NOL carryforward in a future year, all tax returns filed which included the apportioned NOL carryforward must be amended. Also, using an apportioned NOL carryforward does not affect the fifty percent (50%) limitation provided by KRS 141.200(11) (b) and, accordingly, the apportioned NOL carryforward is included in Part I, Section A of this schedule.

A corporation does not have an NOL carryforward if it did not have Kentucky nexus during the tax year of the NOL. An NOL may be carried forward 20 years following the loss year; however, as provided by KRS 141.011(2), an NOL shall not be carried back for tax years beginning on or after January 1, 2005.

Schedule NOL-CF is required if the affiliated group includes a member having an NOL carryforward that was not a member of the affiliated group in the prior year.

Section A – Current Net Operating Loss Adjustment

Enter the name, Kentucky Corporation/LLET account number and prior year’s NOL carryforward of the parent and subsidiaries.

Column A—Enter only Kentucky net income of includible corporations from Schedule KCR (Form 720), Line 18.

Column B—Enter only Kentucky net losses of includible corporations from Schedule KCR (Form 720), Line 18. **Enter as a positive amount.**

Line 3—Enter the totals for Column A and Column B. Reflect Column B as a positive amount.

Line 4—This is the limitation provided by KRS 141.200(11)(b).

Line 5—Enter the prior year NOL carryforward as a positive amount. A Schedule NOL-CF must be attached if the affiliated group includes a member having an NOL carryforward that was not a member of the affiliated group in the prior year.

Line 6—This is the total NOL available.

Line 7—This is the amount of the current year net operating loss(es) that exceed(s) the 50 percent loss limitation. It is an add back in computing Kentucky net income and is entered on Form 720, Part III, Line 19. If an amount is entered on Line 7, skip to Section B. **Use worksheet below.**

Worksheet—Line 7	
1. Amount from Line 3, Column B	\$ _____
2. Amount from Line 4, Column A	\$ _____
3. Line 1 less Line 2. Enter here and on Part I, Section A, Line 7 (If less than zero, skip and complete Line 8)	\$ _____

Line 8—If the amount of loss limitation, Line 4, Column A is greater than the net operating loss(es) on Line 3, Column B, a prior year NOL carryforward can be used to meet the 50 percent loss limitation. Enter the lesser of Line 4, Column A less Line 3, Column B or the amount entered on Line 5, Column C. If the amount of Line 4, Column A less Line 3, Column B is equal to Line 5, Column C, enter the amount from Line 5, Column C. Enter the amount on Form 720, Part III, Line 19. This is a deduction in computing Kentucky net income. **Use worksheet below.**

Worksheet—Line 8	
1. Amount from Line 4, Column A	\$ _____
2. Amount from Line 3, Column B	\$ _____
3. Line 1 less Line 2. (If less than zero, skip and complete Line 7 above)	\$ _____

5. Lesser of Line 3 or Line 4. Enter here and on Part I, Section A, Line 8	\$ _____

Section B – Current Year Loss Disallowed and NOL Carryforward

General Instructions—Part I, Section B is used by an affiliated group filing a mandatory nexus consolidated return as provided by KRS 141.200(11) to track any available net operating loss carryforward. Follow the instructions on Lines 1 through 4.

INSTRUCTIONS—QUALIFIED RESEARCH FACILITY TAX CREDIT

The Qualified Research Facility Tax Credit is applied against the individual income tax imposed by KRS 141.020, the corporation income tax imposed by KRS 141.040 and the limited liability entity tax (LLET) imposed by KRS 141.0401. The amount of credit claimed against the corporation income tax and the LLET can be different.

The amount of credit claimed from Part I, Line 4 and the resulting balance of credit available must be calculated separately for income tax and the LLET. If the balance available for the income tax or the LLET reaches zero, no further credit is allowed against that tax liability. For example, any balance available for income tax cannot be used as a credit against the LLET nor can any balance available for the LLET be used as a credit against the income tax liability.

For tax years beginning on or after January 1, 2007, Kentucky law permits a credit against the income tax liability and the LLET liability for the construction of research facilities. "Construction of research facilities" means constructing, remodeling and equipping facilities in this state or expanding existing facilities in this state for qualified research and includes only tangible, depreciable property, and does not include any amounts paid or incurred for replacement property. The credit is available once the tangible, depreciable property is placed in service. "Qualified research" means qualified research as defined in Section 41 of the Internal Revenue Code.

Purpose of Schedule—This schedule is used by taxpayers to determine the credit against the income tax liability and the LLET liability allowed for completion of research facilities in accordance with KRS 141.395. It is also used to record the credit claimed each tax year. A copy must be submitted each year until the full credit is utilized or the 10-year carryforward period has expired. Complete a separate schedule each year that a new project qualifies.

General Instructions—If the entity type is not listed, check the "Other" box and list the entity type.

PART I—Computation of Allowable Tax Credit

Line 1—Enter the cost of construction of qualified research facilities.*

Line 2—Enter the cost of equipment.*

Line 3—Enter the sum of Line 1 and Line 2.

Line 4—Enter the amount of Line 3 multiplied by 5 percent (.05).

PART II—Current Year Credit

Line 1—LLET Credit—Enter the amount of current year credit claimed against the LLET. This credit cannot reduce the LLET below the \$175 minimum.

Line 2—Corporation Income Tax Credit—Enter the amount of current year credit claimed against the corporation income tax.

Line 3—Individual Income Tax Credit—Enter the amount of current year credit claimed against the individual income tax.

A pass-through entity shall include on each Schedule K-1 the partner's, member's or shareholder's pro rata share of the approved credit.

Column B—Enter for year 1 the allowable credit from Part I, Line 4. Enter for each succeeding year the difference between Column B and Column C for the LLET and income tax.

Note: The 2007 beginning balance of the Qualified Research Facility Tax Credit for LLET will be the same as the balance for income tax purposes.

Column C—Enter the amount of credit used for that year. If the amount is zero, enter -0-.

INSTRUCTIONS FOR SCHEDULE RC**Application for Income Tax/LLET Credit for
Recycling and/or Composting Equipment
or Major Recycling Project****KRS 141.390**

The Recycling and/or Composting Equipment or Major Recycling Project Credit is applied against the individual income tax imposed by KRS 141.020, the corporation income tax imposed by KRS 141.040 and the limited liability entity tax (LLET) imposed by KRS 141.0401. The amount of credit imposed against the corporation income tax and LLET can be different.

Tax Preparers' Note: Per KRS 141.390(2)(a), "Any credit allowed against the income tax imposed pursuant to this chapter shall also be applied against the limited liability entity tax imposed by KRS 141.0401." Therefore, 100 percent of the amount of credit approved, listed in Part II, Line 2, is available against both the income tax liability and the LLET liability (subject to the listed limitations). **The amount of credit claimed and the resulting balance of credit available must be calculated separately for income tax and the LLET. If the balance available for the income tax or the LLET reaches zero, no further credit is allowed against that tax liability.** For example, any balance available for income tax cannot be used as a credit against the LLET nor can any balance available for the LLET be used as a credit against the income tax liability.

Purpose of Schedule—This schedule is used for both the recycling credit and a Major Recycling Project. It is used to request approval for the amount of Kentucky income tax credit and LLET credit that is allowable for the purchase and installation of recycling or composting equipment. It is also used by individual, fiduciary or corporate taxpayers to substantiate and keep a record of the amount of credit claimed on their tax return.

Who is Entitled to the Credit—Any taxpayer who purchases and installs recycling or composting equipment to be used exclusively in Kentucky is entitled to the tax credit. If the purchaser is a pass-through entity, the partners are entitled to their pro rata or distributive share of any approved credit.

For a Major Recycling Project, the taxpayer must meet the following requirements: (1) invest more than \$10 million in recycling or composting equipment to be used **exclusively** in this state; (2) have more than 750 full time employees with an average hourly wage of more than 300 percent of the federal minimum wage; and (3) have plant and equipment with a total cost of more than \$500 million.

The Amount of the Credit and When Permitted—For recycling or composting equipment other than Major Recycling Projects, the total allowable tax credit is equal to 50% of the combined costs of qualifying equipment and installation, if any. The tax credit claimed in the tax year during which the recycling equipment is purchased shall not exceed 10% of the total tax credit allowable and shall not exceed 25% of each tax liability which would be otherwise due. For all other years, the credit is limited to 25% of tax liability. For LLET purposes, the credit is subject to the limitations applied against the LLET liability. Therefore, separate credit balances must be maintained. The unused portion of the credit may be carried forward to succeeding tax years.

For a Major Recycling Project, the total allowable credit is equal to 50% of the installed cost of the recycling or composting equipment. In each taxable year the amount of credit claimed for all Major Recycling Projects is limited to 50% of the excess of the total of each tax liability over the baseline tax liability of the taxpayer not to exceed \$2.5 million. The baseline tax liability is the tax liability of the taxpayer for the most recent tax year ending prior to January 1, 2005. For LLET purposes, the credit is subject to the limitations applied

against the LLET liability. Therefore, separate credit balances must be maintained. The credit is limited to a period of 10 years commencing with the approval of the recycling credit application.

Equipment that requires installation must be completely installed and usable during the first taxable year for which the tax credit is claimed.

Pass-through Entities—For tax years beginning on or after January 1, 2005, any entity that was defined as a corporation in KRS 141.010(24)(b) 2 to 8 was permitted to elect to claim the balance of a recycling credit approved prior to March 18, 2005, against its tax liability imposed by KRS 141.040. Any credit approved by the Department of Revenue for tax years 2005 and 2006 was retained at the entity level and not passed to the partners, members or shareholders. Due to the passage of HB 1 in the 2006 Extraordinary Session for tax years beginning on or after January 1, 2007, these entities are no longer defined as corporations. However, these entities are entitled to use the credit against their LLET.

Distribute any credit approved for tax years beginning on or after January 1, 2007, to the partners, members or shareholders on a pro rata or distributive share basis and record on Schedule K-1.

Types of Equipment Qualifying as Eligible Purchases—KRS 141.390 provides the following pertinent definitions:

- (a) "Postconsumer waste" means any product generated by a business or consumer which has served its intended end use, and which has been separated from solid waste for the purposes of collection, recycling, composting, and disposition and which does not include secondary waste material or demolition waste;
- (b) "Recycling equipment" means any machinery or apparatus used exclusively to process postconsumer waste material and manufacturing machinery used exclusively to produce finished products composed of substantial postconsumer waste materials; and
- (c) "Composting equipment" means equipment used in a process by which biological decomposition of organic solid waste is carried out under controlled aerobic conditions, and which stabilizes the organic fraction

into a material which can easily and safely be stored, handled, and used in a[n] environmentally acceptable manner.

The following items **may** qualify as composting and recycling equipment if the conditions below are met:

Balers	Lift-gate
Bob Cat	Magnetic Separators
Briquetters	Material Recovery Facility Equipment
Compactors	Pallet Jacks
Containers	Perforators
Conveyors	Pumps with Oil
Conveyor Systems	Scales
Crane with Grapel Hook	Screeners
Crushers	Shears
Densifiers	Shredders
End Loaders	Tractor
Exhaust Fans	Trailer
Fluffers	Trucks and Roll-offs
Fork Lifts	Two-wheel Carts
Granulators	Vacuum Systems

The conditions are as follows:

- (1) Recycling or composting equipment shall be used exclusively within this state for recycling or composting postconsumer waste materials.
- (2) Recycling equipment or composting equipment is limited to the purchase and installation cost of equipment and does not include repairs, including major repairs which are capitalized and depreciated.
- (3) Recycling equipment or composting equipment does not include an equipment lease required to be capitalized and depreciated by the lessee for federal income tax purposes.
- (4) Manufacturing equipment used exclusively to produce finished products composed of "substantial" postconsumer waste means the finished product shall contain postconsumer waste of at least fifty percent (50%) or more.

For example, a can crusher is recycling equipment but home trash containers or trash bin collectors and other similar items used for collecting and/or separating postconsumer waste are not recycling equipment.

A self-contained "backyard composter" is composting equipment but lawn tractors, mowers and mulching or bagging attachments and other similar equipment used to gather organic waste for composting are not composting equipment.

This list is not all-inclusive. If you have a question about whether a specific item is eligible under the law, contact

the Department of Revenue, Division of Corporation Tax, (502) 564-8139.

When and Where to File Application— This application must be filed with the Department of Revenue, Division of Corporation Tax, Station 52, 501 High Street, Frankfort, Kentucky 40601, on or before the first day of the seventh month following the close of the taxable year in which the qualifying equipment was purchased (installed). PART V—Credit Calculation

Complete this part once you have received the approved application from the Department of Revenue. Partners/members/shareholders will complete this part based upon their specific tax information. Their share of the approved credit will be reported on Kentucky Schedule K-1.

The credit for a Major Recycling Project may be claimed against the LLET (corporations and limited liability pass-through entities) and income tax (entities subject to the tax imposed under KRS 141.020 or 141.040). INSTRUCTIONS FOR SCHEDULE RR-E

The railroad expansion credit provided by KRS 141.386 is a nonrefundable credit that can be applied against the taxes imposed by KRS 141.040 and KRS 141.0401. The tax credit shall be used in the tax year of the qualified expenditures which generated the tax credit and cannot be carried forward to a return for any other period. If a qualified expenditure qualifies for both the railroad maintenance and improvement credit as provided by KRS 141.385 and the railroad expansion tax credit as provided by KRS 141.386, the taxpayer must claim either the credit provided by KRS 141.385 or the credit provided by KRS 141.386, but not both.

Purpose of Schedule— This schedule is used to compute the railroad expansion credit. An eligible taxpayer means: (i) a corporation that owns fossil energy resources subject to tax under KRS 143.020 or 143A.020 or biomass resources and transports these resources using rail facilities; or (ii) a railway company subject to tax under KRS 136.120 that serves a corporation that owns fossil energy resources subject to tax under KRS 143.020 or 143A.020 or biomass resources.

Fossil energy resources means reserves of coal, oil shale, and natural gas; and biomass resources means agriculture materials that may be used for production of transportation fuels such as biodiesel or ethanol or that may themselves be used as a fuel, alone or in combination with a fossil fuel, for generation of electricity.

The railroad expansion tax credit is an amount equal to 25% of the qualified expenditures paid or incurred by the corporation or railway company during the tax year to expand or upgrade railroad track, including roadbeds, bridges, and related track structures, to accommodate the transport of fossil energy resources or biomass resources.

The credit amount approved for a calendar year for all taxpayers under KRS 141.386 shall be limited to \$1,000,000. If the total amount of approved credit exceeds \$1,000,000, the department shall determine the amount of credit each corporation and railway company receives by multiplying the \$1,000,000 by a fraction, the numerator of which is the amount of the approved credit for a corporation or railway company and the denominator of which is the total approved credit for all corporations and railway companies.

Each corporation or railway company eligible for the credit shall file a railroad expansion tax credit claim on this form by the fifteenth day of the first month following the close of the preceding calendar year.

To ensure proper processing, fax or email Schedule RR-E to the Department of Revenue no later than January 15 following the close of the preceding calendar year. Schedules postmarked or sent after January 15 are void. Credit certification cannot be guaranteed for schedules sent through regular mail.

KRC.WEBResponseEconomicDevelopmentCredits@ky.gov

The Department of Revenue will confirm the receipt of the application. If you do not receive confirmation within two weeks of submitting the application, contact the Division of Corporation Tax at (502) 564-8139.

The Department of Revenue will issue the credit certificate, listing the amount of credit, by March 15 following the close of the preceding calendar year. Attach the credit certificate (Schedule RR-E) to the tax return claiming the credit.

General Instructions—Enter the calendar year in applicable boxes.

Enter the name, mailing address and business location address in applicable boxes. Enter the Federal Identification Number and Kentucky Corporation/LLET Account Number in applicable boxes. Check the appropriate entity type.

This application must be signed and dated by an authorized corporate officer (if filing Form 720 or 720S) or partner or member (if filing Form 765 or 765-GP).

Line 2—Enter twenty-five percent (25%) of Line 1.

Part III—Railroad Expansion Approved Credit Certificate

The Department of Revenue determines each corporation’s or railway company’s approved credit. If the total approved credit for all corporations and railway companies exceeds the railroad expansion tax credit cap of \$1,000,000 for the calendar year, the department shall determine the amount of credit each corporation or railway company receives by multiplying the \$1,000,000 by a fraction, the numerator (Line 1(a)) of which is the amount of the approved credit for a corporation or railway company and the denominator (Line 1(b)) of which is the total approved credit for all corporations and railway companies.

Commonwealth of Kentucky
DEPARTMENT OF REVENUE**INSTRUCTIONS FOR FORM 2220-K**

Purpose of Form—This form is used by a corporation or limited liability pass-through entity required by KRS 141.042 and KRS 141.044 to file a declaration of estimated tax to: (i) compute the underpayment penalty as provided by KRS 131.180(3) and KRS 141.990; and (ii) compute the interest on any late payment or underpayment of an estimated tax installment as provided by KRS 141.985.

PART I—EXCEPTION

KRS 141.990(3) provides that a corporation or limited liability pass-through entity required by KRS 141.042 to file a declaration of estimated tax and required to pay the declaration of estimated tax by the installment method prescribed by KRS 141.044(1) shall not be subject to the penalty as provided in KRS 131.180 if the estimated tax payments made under KRS 141.044(1) are equal to the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year, and the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year was equal to or less than \$25,000. If the corporation or limited liability pass-through entity meets this exception, check the box and complete Lines 1 and 2 showing the combined tax liability for the previous taxable year and the estimated tax payments for the current taxable year.

PART II—FIGURING THE UNDERPAYMENT AND PENALTY

KRS 141.990(3) provides that unless a corporation or limited liability pass-through entity meets the exception in Part I of this form, a corporation or limited liability pass-through entity required by KRS 141.042 to file a declaration of estimated tax and required to pay the declaration of estimated tax by the installment method prescribed by KRS 141.044(1) shall be subject to a penalty as provided in KRS 131.180 if the corporation or limited liability pass-through entity has a declaration underpayment. Declaration underpayment is determined by subtracting \$5,000 and the declaration payments actually made from 70% of the combined tax liability due under KRS 141.040 and KRS 141.0401 as computed by the taxpayer on the tax return filed for the taxable year. If the corporation or limited liability pass-through entity has a declaration underpayment, complete Lines 1 through 11.

PART III—LATE PAYMENT INTEREST

KRS 141.042(1) provides that every corporation and limited liability pass-through entity shall make a declaration of estimated tax if the tax imposed by KRS 141.040 (corporation income tax) and KRS 141.0401 (limited liability entity tax) can reasonably be expected to exceed \$5,000. KRS 141.042(3)(b) provides that the estimated tax in excess of \$5,000 shall be the estimated tax due for purposes of KRS 141.042 and 141.044.

KRS 141.042(4) provides the due date of each estimated tax payment, and KRS 141.044(1) provides the amount of each estimated tax payment. KRS 141.985 provides that interest shall accrue at the tax interest rate as provided by KRS 131.010(6) if a corporation or limited liability pass-through entity fails to pay the tax due on or before the due date prescribed. Purpose of Form—This form is used by a corporation as defined in KRS 141.010(24) filing Form 720, Kentucky Corporation Income Tax and LLET Return, to calculate its domestic production activities deduction (DPAD) for Kentucky corporation income tax purposes. The Kentucky DPAD may be different from the federal DPAD because of the differences in qualified production activities income or taxable income resulting from differences in Kentucky and federal tax laws as provided by KRS 141.010. In addition, for taxable years beginning on or after January 1, 2010, the Kentucky rate to be applied to the lesser of the qualified production activities income or taxable income shall be six percent (6%) in lieu of the rate provided by IRC §199(a). **KRS 141.010(13)**

KDPAD is limited by Kentucky apportioned taxable net income before the KDPAD and after the Kentucky net operating loss deduction (KNOLD).

Other definitions used in these instructions are as follows:

- (1) "DPGR" means the federal domestic productions gross receipts reported on line 1 of the federal Form 8903;
- (2) "KDPGR" means the portion of the DPGR that is derived from qualifying production activities as defined by Section 199(c)(4) of the Internal Revenue Code which are manufactured, produced, grown, or extracted in whole or in a significant part within the Commonwealth of Kentucky; and,
- (3) "QPAI" means qualified production activities income as defined by Section 199(c) of the Internal Revenue Code.

Individuals—When computing Kentucky net income, a full-year resident individual is allowed the federal DPAD adjusted using a six percent (6%) rate in lieu of the rate provided by IRC §199(a). A part-year resident or full-year nonresident individual is allowed a portion of the federal DPAD, determined by multiplying the federal DPAD, adjusted using a six percent (6%) rate in lieu of the rate provided by IRC §199(a), by a fraction, the numerator of which is the KDPGR and the denominator of which is the DPGR. The DPAD for a part-year resident or full-year nonresident individual cannot exceed 50% of the Kentucky W-2 wages allocable to DPGR. **KRS 141.010(11)**

Pass-Through Entities—A pass-through entity does not complete Form 8903-K but reports information on each shareholder's, partner's or member's Kentucky Schedule K-1 that will be needed to compute their DPAD. A pass-through entity shall attach the following information to each Kentucky Schedule K-1 to be used by the shareholder, partner or member to compute their DPAD for Kentucky income tax purposes:

If the shareholder, partner or member is an individual (includes estates and trusts), include the following: (i) DPGR; (ii) KDPGR; and (iii) Kentucky W-2 wages allocable to DPGR.

If the partner or member is a corporation or pass-through entity and the partnership filing Form 765 or Form 765-GP was eligible and chose to figure QPAI at the entity level, include the following: (i) QPAI and (ii) Kentucky W-2 wages allocable to DPGR.

If the partner or member is a corporation or pass-through entity and the partnership filing Form 765 or Form 765-GP was not

eligible or chose not to figure QPAI at the entity level, include the following: (i) DPGR; (ii) Cost of goods sold allocable to DPGR; (iii) Expenses allocable to DPGR; and (iv) Kentucky W-2 wages allocable to DPGR.

SPECIFIC LINE INSTRUCTIONS

Lines 1 through 6—Using the federal instructions for Form 8903, Lines 1 through 6, enter the federal amounts adjusted to reflect the differences in Kentucky and federal income tax law.

Line 7—Enter the QPAI amount from the information attached to Kentucky Schedule K-1 (Form 765 or Form 765-GP). This line applies only to a corporation filing Form 720 that is a partner or member of a partnership filing Kentucky Form 765 or Form 765-GP that was eligible and chose to figure QPAI at the entity level and allocated QPAI to its partners or members.

Line 8—If the corporation filing the return is a member of an expanded affiliated group (EAG), skip Lines 1 through 6. Enter the member's respective amount of Kentucky QPAI. Kentucky QPAI is computed in the same manner as federal QPAI except for the differences in QPAI resulting from differences in Kentucky and federal depreciation and expense deductions allowed under Sections 168 and 179 of the Internal Revenue Code and other Kentucky adjustments provided by KRS 141.010. Attach the following supporting information:

- (1) Federal Form 8903 of the EAG reporting member, federal QPAI computation schedule of the EAG and federal QPAI computation schedule of the member.
- (2) Kentucky QPAI computation schedule of the EAG. The Kentucky QPAI computation schedule of the EAG shall begin with federal QPAI and show all adjustment to arrive at Kentucky QPAI.
- (3) Member's Kentucky QPAI computation schedule. The Kentucky QPAI computation schedule of the member shall begin with federal QPAI and show all adjustments to arrive at Kentucky QPAI.

Line 10—Enter 100% or the apportionment factor from Schedule A, Section I, Line 12.

Line 12—Enter the taxable income from Form 720, Part III, Line 23.

FORM 41A720SL INSTRUCTIONS

General—In accordance with the provisions of KRS 131.081(11), KRS 131.170, KRS 141.170 and Regulation 103 KAR 15:050, an extension of time to file a Kentucky corporation income tax and LLET return or a limited liability pass-through entity income and LLET return may be obtained by either:

1. Requesting an extension pursuant to KRS 141.170 before the date prescribed by KRS 141.160 for filing the return, i.e., the 15th day of the fourth month following the close of the taxable year; or
2. Submitting with the tax return a copy of federal Form 7004, Application for Automatic Extension of Time To File Certain Business Income Tax, Information, and Other Returns.

Federal Extension—A corporation or limited liability pass-through entity granted an extension of time for filing a federal income tax return will be granted the same extension of time for filing a Kentucky income and LLET return for the same taxable year provided a copy of the federal Form 7004 is attached to the Kentucky income and LLET return when it is filed. A copy of the federal Form 7004 shall not be mailed to the Department of Revenue before filing the return. **If submitting payment with extension, use Kentucky Form 41A720SL.**

Kentucky Extension—An extension of time to file a corporation or limited liability pass-through entity income and LLET return may be obtained by either making a specific request to the Department of Revenue or attaching a copy of the federal extension to the return when filed. **A copy of the federal extension (Form 7004) submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed. If a corporation or limited liability pass-through entity is making a payment with its extension, Kentucky Form 41A720SL must be used.**

A copy of either federal Form 7004 or Kentucky Form 41A720SL must be attached to the return when filed, and a copy should be retained for the corporation's or limited liability pass-through entity's records.

Mandatory Nexus Consolidated Returns—An extension of time for filing a mandatory nexus consolidated Kentucky corporation income tax and LLET return also constitutes an extension of time for filing for each member of the affiliated group.

Form 851-K listing all includible corporations must be submitted with the Form 41A720SL.

Payment of Tax—An extension of time to file a return does not extend the date prescribed for payment of tax. Therefore, a check made payable to the Kentucky State Treasurer for the amount of any unpaid tax should be submitted to the Department of Revenue along with Form 41A720SL on or before the 15th day of the fourth month following the close of the taxable year.

Electronic Funds Transfer (EFT)—The Department of Revenue is accepting electronically filed Corporation Income Tax/Limited Liability Entity Tax estimated tax voucher payments for corporation income tax and limited liability entity tax. Before filing by EFT, the corporation must have a valid six-digit Kentucky Corporation/LLET account number and have registered with the Department of Revenue to file EFT. Using an incorrect account number, such as an account number for withholding tax or sales and use tax, will result in the payment being credited to another corporation's account. For more information, contact the Department of Revenue at 1-800-839-4137 or (502) 564-6020. The EFT registration form is available at www.revenue.ky.gov. See E-File & E-Payment Options (**click on KY E-Tax**). The direct link is www.revenue.ky.gov/etax.htm.

Penalty—A penalty of 2 percent of the tax due for each 30 days or fraction thereof may apply to any tax not paid by the 15th day of the fourth month following the close of the taxable year. **KRS 131.180(1)**

Interest—Interest at the tax interest rate plus 2 percent applies to any tax paid after the 15th day of the fourth month following the close of the taxable year. **KRS 131.183(2)**

**INSTRUCTIONS—VOLUNTARY ENVIRONMENTAL
REMEDATION TAX CREDIT**

The Voluntary Environmental Remediation Tax Credit is applied against the individual income tax imposed by KRS 141.020, the corporation income tax imposed by KRS 141.040 and the limited liability entity tax (LLET) imposed by KRS 141.0401. The amount of credit claimed against the corporation income tax and the LLET can be different.

The amount of credit claimed from Part I, Line 3 and the resulting balance of credit available must be calculated separately for income tax and the LLET. If the balance available for the income tax or the LLET reaches zero, no further credit is allowed against that tax liability. For example, any balance available for income tax cannot be used as a credit against the LLET nor can any balance available for the LLET be used as a credit against the income tax liability.

Purpose of Schedule—This schedule is used by taxpayers subject to the taxes under KRS 141.020, KRS 141.040 or KRS 141.0401 to claim a credit for expenditures made for a qualifying voluntary environmental remediation property.

“Qualifying voluntary environmental remediation property” means real property subject to the provisions of KRS 224.01-400, KRS 224.01-405 or KRS 224.60-135 where the Kentucky Energy and Environment Cabinet has made a determination that the property meets the requirements provided by KRS 141.418(1)(e).

A taxpayer claiming a credit as provided by KRS 141.418 shall submit receipts to the Kentucky Energy and Environment Cabinet as proof of the expenditures claimed. The Kentucky Energy and Environment Cabinet shall verify the receipts. After the receipts are verified, the Department of Revenue shall notify the taxpayer of eligibility for the credit. **KRS 141.418(5)**

The credit is on a dollar-per-dollar basis up to a maximum of \$150,000 in approved expenditures. The amount of the allowable credit for any taxable year is limited to 25 percent of the maximum credit approved (Part I, Line 2), and it may be carried forward ten (10) years. The taxpayer is eligible to claim the credit on the tax return in the taxable year the credit was certified.

General Instructions—If the entity type is not listed, check the “Other” box and list the entity type.

Part I — Computation of Allowable Tax Credit

This will be completed by the Department of Revenue and mailed to the taxpayer.

Line 1—This is the date the credit is certified by the Kentucky Energy and Environment Cabinet.

Part II — Taxpayer’s Certification

The taxpayer or the taxpayer’s representative must certify that the expenditures incurred at the qualifying voluntary environmental remediation property were not financed through a public grant program or the petroleum storage tank environmental assurance fund.

The certification shall be completed and a copy of Schedule VERB shall be attached to the applicable tax return each year that a taxpayer claims the voluntary environmental remediation tax credit against the tax imposed by KRS 141.020 or 141.040 and KRS 141.0401.

Part III — Current Year Credit

Line 1—LLET Credit—Enter the amount of current year credit claimed against the LLET. This credit cannot reduce the LLET below the \$175 minimum.

Line 2—Corporation Income Tax Credit—Enter the amount of the current year credit claimed against the corporation income tax.

Line 3—Individual Income Tax Credit—Enter the amount of the current year credit claimed against the individual income tax.

A pass-through entity shall include on each Schedule K-1 the partner’s, member’s or shareholder’s pro rata share of the approved credit.

Column B—Enter for year 1 the allowable credit from Part I, Line 2. Enter for each succeeding year the difference between Column B and Column C for the LLET and income tax.

INSTRUCTIONS

2013 KENTUCKY S CORPORATION INCOME TAX AND LLET RETURN

PURPOSE OF THE INSTRUCTIONS

These instructions have been designed for S corporations, both domestic and foreign, which are required by law to file a Kentucky S corporation income tax return.

Refer to the chart on page 2 to determine what tax form your business needs to file.

HOW TO OBTAIN ADDITIONAL FORMS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (see page 18). They may also be obtained by writing FORMS, Department of Revenue, 501 High Street, Frankfort, KY 40601-2103, or by calling (502) 564-3658. Forms can be downloaded from www.revenue.ky.gov.

Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- If the company is computing its LLET based on gross profits, the new Schedule COGS, Limited Liability Entity Tax Cost of Goods Sold, must be attached to Form 720S. Failure to include this schedule may result in a tax adjustment and assessment.
- Once an account is established, a return is required to be filed for Kentucky corporations and foreign corporations that have Kentucky nexus.
- When ceasing operations and closing an account, there are different requirements for Secretary of State and the Department of Revenue.
- Always ensure the correct Kentucky Corporation/ LLET account number is used on the return being filed.
- Place payments on the front of the return so they are clearly visible when the return is processed.
- Note that Schedule LLET is always used as an attachment to a tax return and should never be submitted in lieu of a return.
- Make estimated payments on a timely basis to avoid penalty and interest.
- Extensions are for filing purposes only; late payment penalties and interest apply to payments made after the original due date.
- Adjustments to LLET or distributive share require that corrected Kentucky K-1's are sent to all partners, members or shareholders for proper compliance by taxpayers.
- Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the corporation has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- Additional errors that delay processing returns or create adjustments include:
 - Incorrect tax exemption code
 - Incomplete information
 - Missing forms or schedules
 - Incorrect taxable year end
 - More than one box checked for receipts method
 - Tax Payment Summary Section of return blank or incorrect
 - Failure to include payment of tax due with the return
 - Omitting Form 41A720-SL when paying with an extension

IMPORTANT

Corporations must create a Kentucky Form 4562, Schedule D and Form 4797 by converting federal forms.

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—For taxable years beginning after December 31, 2001, Kentucky depreciation and Section 179 deduction are determined in accordance with the Internal Revenue Code in effect on December 31, 2001. For calendar year 2013 returns and fiscal year returns that begin in 2013, any corporation that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and Section 179 expense deduction for Kentucky:

- MACRS bonus depreciation; or
- Section 179 expense deduction in excess of \$25,000.

If a corporation has taken MACRS bonus depreciation or Section 179 expense deduction in excess of \$25,000 for any year, federal and Kentucky differences will exist, and the differences will continue through the life of the assets.

Important: If a corporation has not taken MACRS bonus depreciation or the Section 179 expense deduction in excess of \$25,000 for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 720S to substantiate that no adjustment is required.**

Determining and Reporting Depreciation and Section 179 Deduction Differences—Federal/Kentucky depreciation or Section 179 deduction differences shall be reported as follows:

1. The depreciation from federal Form 1120S, Line 14 and depreciation claimed on federal Form 1125-A or elsewhere (except for the Section 179 deduction) on Form 1120S must be included on Form 720S, Part I, Line 3. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 720S.**
2. Convert federal Form 4562 to a **Kentucky** form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and Section 179 deduction in accordance with IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional Section 179 deduction. **NOTE:** For Kentucky purposes, the maximum Section 179 deduction amount on Line 1 is \$25,000 and the threshold cost of Section 179 property on Line 3 is \$200,000. The \$25,000 maximum allowable Section 179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost

of qualifying Section 179 property placed in service during the year exceeds \$200,000. In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 should be determined by using Kentucky net income before the Section 179 deduction instead of federal taxable income.

3. The corporation **must attach the Kentucky Form 4562** to Form 720S, and the amount from Kentucky Form 4562, Line 22 less the Section 179 deduction on Line 12 must be included on Form 720S, Part I, Line 8. The Section 179 deduction from the Form 4562, Line 12 must be included on Form 720S, Schedule K, Section I, Line 8. Tax Treatment of S Corporation and Shareholder(s)

A corporation which elects S corporation treatment for federal income tax purposes in accordance with Sections 1361(a) and 1361(b) of the IRC must file as an S corporation for Kentucky income tax purposes. For taxable years beginning on or after January 1, 2007, an S corporation is classified as a limited liability pass-through entity as provided by KRS 141.010(28). For taxable years beginning on or after January 1, 2007, an annual limited liability entity tax (LLET) shall be paid by every corporation and every limited liability pass-through entity doing business in Kentucky on all Kentucky gross receipts or Kentucky gross profits as provided by KRS 141.0401(2), unless specifically excluded. See LLET Nonfiling Status Codes on page 8 of these instructions.

Also, an S corporation for tax years beginning on or after January 1, 2007, is required: (1) to submit installments of tax on the recapture of LIFO reserves as provided by Section 1363(d) of the Internal Revenue Code; (2) pay tax on built-in gains as provided by Section 1374 of the Internal Revenue Code and (3) pay tax on net passive investment income as provided by Section 1375 of the Internal Revenue Code. The tax rate imposed on the LIFO recapture, built-in gains and net passive investment income shall be at the highest rate of tax for the taxable year, which is currently six percent (6%). **KRS 141.040(14)**

In determining tax as provided by KRS Chapter 141, a resident individual, estate or trust that is a shareholder of an S corporation shall take into account the shareholder's total distributive share of the S corporation's items of income, loss and deduction. In determining tax as provided by KRS Chapter 141, a nonresident individual, estate or trust that is a shareholder of an S corporation shall take into account the shareholder's total distributive share of the S corporation's items of income, loss and deduction multiplied by the apportionment fraction, if applicable, in KRS 141.206(12). **KRS 141.206(8) and (9)**

Resident and nonresident individual shareholders shall be entitled to a nonrefundable LLET credit against tax imposed under KRS 141.020 (Kentucky individual income tax). The nonrefundable LLET credit allowed shareholders shall be the shareholders' proportionate share of the LLET for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by \$175. The credit allowed shareholders shall be applied to the income tax assessed on income from the S corporation. Any remaining credit from the S corporation shall be disallowed. **KRS 141.0401(3)**

Banks and Savings and Loan Associations—KRS 141.040(1) excludes financial institutions (banks and savings and loan associations) as defined in KRS 136.500 from tax on taxable net income, and KRS 141.0401(6)(a) and (b) exclude financial institutions from the LLET.

KRS 141.010(10)(j) excludes from the Kentucky adjusted gross income of the shareholders the distributive share of net income from an S corporation subject to tax under KRS 136.505, the bank franchise tax, or KRS 136.300, the savings and loan association capital stock tax. KRS 141.010(10)(j) also excludes from the Kentucky adjusted gross income of the shareholders the portion of the distributive share of net income from an S corporation related to a qualified S subsidiary subject to tax under KRS 136.505 or KRS 136.300.

An S corporation subject to tax under KRS 136.505 or KRS 136.300 should enter zero on Lines 1 through 10 of Form 720S, Schedule K. An S corporation related to a qualified S subsidiary

subject to tax under KRS 136.505 or KRS 136.300 should exclude from the amounts entered on Lines 1 through 10 of Form 720S, Schedule K the portion of these items related to the subsidiary. The net amount of the items of income and deductions excluded from Lines 1 through 10 of Form 720S, Schedule K should be entered on Line 41 of Form 720S, Schedule K. A statement should be attached to each shareholder's Form 720S, Schedule K-1 advising the shareholder that this income is excluded for Kentucky income tax purposes because the S corporation is subject to tax under either KRS 136.505 or KRS 136.300.

A single member filing Form 1120S for federal purposes must file Form 720S. **KRS 141.010(25), KRS 141.200(10) and 103 KAR 16:300**

(See Schedule A—Apportionment and Allocation Instructions and Schedule A–C Apportionment and Allocation Continuation Sheet.)

Nonresident Withholding (Form 740NP–WH)

Withholding

A partner or member that is an S corporation or partnership is not subject to withholding. S corporations and partnerships are pass-through entities as provided by KRS 141.010(26).

KRS 141.206(5) provides that for taxable years beginning on or after January 1, 2007, every pass-through entity required to file a return under KRS 141.206(2), except publicly traded partnerships as defined in KRS 141.0401(6)(r), shall withhold Kentucky income tax on the distributive share, whether distributed or undistributed, of each nonresident individual (**includes an estate or trust partner, member or shareholder**) partner, member or shareholder, or each C–corporation partner or member that is doing business in Kentucky only through its ownership interest in a pass-through entity. Withholding shall be at the maximum rate as provided in KRS 141.020 or KRS 141.040.

Withholding shall not be required if: (a) the partner, member or shareholder is exempt from withholding as provided by KRS 141.206(7)(a); (b) the partner or member is exempt from Kentucky income tax as provided by KRS 141.040(1); (c) the pass-through entity is a qualified investment partnership as provided by KRS 141.206(15), and the partner, member or shareholder is an individual; or (d) the partner or member is a pass-through entity.

For taxable years beginning on or after January 1, 2012, a pass-through entity required to withhold Kentucky income tax as provided by KRS 141.206(5) shall make estimated tax payments if required by the provisions of KRS 141.206(6). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP–WH–ES (Kentucky Estimated Tax Vouchers).

The reporting of a nonresident individual's, estate's or trust's net distributive share income and withholding on Form 740NP–WH at the maximum rate of six (6) percent shall satisfy the filing requirements of KRS 141.180 for a nonresident individual, estate or trust partner, member or shareholder whose only Kentucky source income is net distributive share income. The nonresident individual, estate or trust partner, member or shareholder may file a Kentucky Individual Income Tax Return Nonresident or Part–Year Resident (Form 740–NP) or a Kentucky Fiduciary Income Tax Return (Form 741) to take advantage of the graduated tax rates, credits and deductions.

A pass-through entity shall complete Form 740NP–WH and Form PTE–WH for each nonresident individual, estate or trust partner, member or shareholder and each corporate partner or member and mail Form 740NP–WH and Copy A of Form PTE–WH to the Kentucky Department of Revenue with payment of any tax due by the 15th day of the fourth month following the close of the pass-through entity's taxable year. Also, Copy B and C of Form PTE–WH shall be provided to the partners, members or shareholders. Form 740NP–WH and Form PTE–WH are available at www.revenue.ky.gov.

Composite Return—Nonresidents Only

Do not include a nonresident individual (includes an estate or trust partner, member or shareholder) partner, member or shareholder in a composite return if the partner's, member's or shareholder's distributive share income was subject to withholding and reported on Form 740NP–WH and PTE–WH.

The composite return applies only to nonresident individual (includes an estate or trust partner, member or shareholder) partners, members or shareholders: (i) whose distributive share income was not subject to withholding as provided by KRS 141.206(5); (ii) whose only source of income within this state is distributive share income from one or more pass-through entities; and (iii) that elect to be included in a composite return as provided by KRS 141.206(16).

For taxable years beginning on or after January 1, 2007, the Department of Revenue will permit the filing of a "composite return" as provided by KRS 141.206(16) on behalf of electing nonresident individual partners, members or shareholders of a pass-through entity as defined in KRS 141.010(26). Income tax will be computed at the highest marginal rate provided in KRS 141.020 on the partner's, member's or shareholder's pro rata share of the distributive share income from a pass-through entity doing business in, or deriving income from sources within Kentucky. The partners', members' or shareholders' distributive share of income shall include all items of income or deduction used to compute adjusted gross income on the Kentucky return that is passed through to the partner, member or shareholder by the pass-through entity, including but not limited to interest, dividend, capital gains or losses, guaranteed payments and rents (KRS 141.206(16)).

The composite return of a pass-through entity shall be filed with the Department of Revenue on Form 740NP–WH, Kentucky Nonresident Income Tax Withholding on Distributive Share Income Report and Composite Income Tax Return. The composite return box on the front of Form 740NP–WH must be checked to indicate that it is a composite return, and a Form PTE–WH must be completed for each of the electing nonresident individual partners, members or shareholders. The composite return box on each Form PTE–WH must be checked to indicate that it is part of a composite return. Form 740NP–WH and Copy A of Form PTE–WH shall be mailed to the Kentucky Department of Revenue with payment of any tax due by the 15th day of the fourth month following the close of the pass-through entity's taxable year. Also, Copy B and C of Form PTE–WH shall be provided to the partners, members or shareholders included in the composite return.

For taxable years beginning on or after January 1, 2012, a pass-through entity filing a composite return shall make estimated tax payments if required by the provisions of KRS 141.206(6). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP–WH–ES (Kentucky Estimated Tax Vouchers).

Before filing by EFT, the corporation must have a valid six-digit Kentucky Corporation/LLET account number and have registered with the Department of Revenue to file EFT. **Using an incorrect account number, such as an account number for withholding tax or sales and use tax, will result in the payment being credited to another taxpayer’s account.** For more information, contact the Department of Revenue at 1-800-839-4137 or (502) 564-6020. The EFT registration form is available at www.revenue.ky.gov. See E-File & E-Payment Options (**click on KY E-Tax**). The direct link is www.revenue.ky.gov/etax.htm.

Extensions—An extension of time to file an S Corporation Income Tax and LLET Return may be obtained by either making a specific request to the Department of Revenue or attaching a copy of the federal extension to the return when filed. **A copy of the federal extension submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed.** If an S corporation is making a payment with its extension, Kentucky Form 41A720SL must be used. For further information, see the instructions for Form 41A720SL. **103 KAR 15:050**

NOTE: An extension of time to file a return does not extend the date for payment of tax.

S Corporation Estimated Taxes

The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720-ES, is used to submit estimated tax payments for corporation income tax and LLET. See **Electronic Funds Transfer (EFT)** on this page. If the S corporation is required to make estimated tax payments and needs Form 720-ES vouchers, contact the Department of Revenue at (502) 564-3658 or visit www.revenue.ky.gov.

NOTE: See www.revenue.ky.gov for information on the 2014 estimated tax payments.

Estimated Tax Payments—An S corporation must make estimated tax installments if its combined tax liability under KRS 141.040 and 141.0401 can reasonably be expected to exceed \$5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed \$5,000 before the 2nd day of the 6th month, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000 after the 1st day of the 6th month and before the 2nd day of the 9th month, 75% of the estimated tax must be paid by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

The underpayment penalty will not apply if the estimated tax payments are equal to or greater than the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year, and the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year was equal to or less than \$25,000. **KRS 131.180(3) and KRS 141.990(3)**

PURPOSE—Schedule K-1 (Form 41A720S (K-1)) is used to report to each shareholder the shareholder's pro rata share of income, credits, deductions, etc. A shareholder is liable for Kentucky individual income tax as provided by KRS 141.020 on the shareholder's pro rata share of the S corporation's income, whether distributed or undistributed.

GENERAL INSTRUCTIONS—Schedule K-1 (Form 720S) will help when preparing your Kentucky income tax return. Where "(attach schedule)" appears next to a line on Schedule K-1, it means the S corporation will have attached a statement to Schedule K-1 to show information for the line item, if applicable. If you believe the S corporation has made an error on your Schedule K-1 (Form 720S), notify the S corporation and ask for a corrected schedule. Do not change any item on your copy.

Schedule K-1 (Form 720S) does not show the amount of actual dividend distributions the S corporation paid to you. The S corporation must report such amounts to you on Form 1099-DIV. You report actual dividend distributions on federal Schedule B (Form 1040). Refer to the shareholder instructions you received for federal Schedule K-1 (Form 1120S) for information concerning your basis in corporate stock, elections to be made by you separately on your income tax return and not by the S corporation, etc.

Every individual, including estates and trusts, who is a resident of Kentucky and is a shareholder in an S corporation is required to report 100 percent of his or her share of income (loss), credits, deductions, etc. for Kentucky individual income tax purposes. **A nonresident shareholder must report the portion of his or her share of income attributable to the S corporation's business in Kentucky.** A **resident** is an individual domiciled within Kentucky or an individual who is not domiciled in Kentucky but maintains a place of abode in Kentucky and spends in the aggregate more than 183 days of the taxable year in Kentucky. A **nonresident** is any individual not a resident of Kentucky.

At-Risk Limitations—Generally, if you have a loss from any activity carried on as a trade or business or for the production of income by the S corporation and you, the shareholder, have amounts invested in that activity for which you are not at risk, you will be required to complete federal Form 6198, At-Risk Limitations, to figure the allowable loss to report on your Kentucky income tax return. Your deductible loss from each activity for the tax year generally is limited to the amount you are at risk or could actually lose in the activity, whichever is less. To help you complete Form 6198, if required, the S corporation will provide a schedule showing your share of income, expenses, etc., for each at-risk activity.

Passive Activity Limitations—The passive activity limitations in IRC Section 469 are figured at the shareholder level and may apply to any loss reported on Lines 1, 2 or 3 and any other related items of income, loss and deductions reported on Schedule K-1 (Form 720S). Refer to the federal Shareholder's Instructions for Schedule K-1 (Form 1120S) to determine if the passive activity limitations apply to your share of loss(es) reported on Schedule K-1 (Form 720S) and if you must file Form 8582-K, Kentucky Passive Activity Loss Limitations. When applicable, the passive activity limitations on losses are applied after the limitations on losses for a shareholder's at-risk amount.

SPECIFIC INSTRUCTIONS—Kentucky Resident Shareholders (Form 740 Filers)—You, as the shareholder, will need to determine the net difference between your federal Schedule K-1 amounts and your Kentucky Schedule K-1 amounts. This will adjust the items of income, loss and deductions used to compute your federal adjusted gross income to the Kentucky amounts shown in Column (b), Schedule K-1. To determine this difference, complete Lines 55 through 57.

Line 55—Include on this line the Kentucky Schedule K-1 amounts from Lines 1 through 5 and 8. Also include the amounts from Lines 6 and 10 that do not pass through to Schedule A as itemized deductions.

Line 56—Include on this line the federal Schedule K-1 amounts from Lines 1 through 9 and 11. Also include the amounts from Lines 10 and 12 that do not pass through to Schedule A as itemized deductions.

NOTE: If Form 8582-K is required, adjust the amounts entered on Lines 55, 56 and 57 to exclude any income, loss, deduction or expense related to a passive activity. Complete the passive activities adjustment worksheet (Form 8582-K, page 2) to determine additions to or subtractions from federal adjusted gross income. **See Form 740 instructions for Schedule M, Line 7 and/or Line 19.**

If amounts on Lines 4(d) and 4(e) are subject to the capital loss limitations, do not include on Lines 55 and 56. Complete federal Schedule D using Kentucky amounts to determine additions to or subtractions from federal adjusted gross income.

Line 57—Enter difference of Lines 55 and 56. If Line 55 is greater than Line 56, enter the difference as an addition to federal adjusted gross income on Schedule M, Line 3. If Line 56 is greater than Line 55, enter the difference as a subtraction on Schedule M, Line 15.

Caution: If the amount on Line 55 is a (loss) and Line 56 is a (loss), the smaller dollar amount of (loss) is the greater amount, and to determine the difference, subtract the smaller dollar amount from the larger dollar amount. If the amount on Line 55 is a (loss) and Line 56 is an income amount, or the amount on Line 55 is an income amount and Line 56 is a (loss), the income amount is the greater amount; therefore, add the two amounts to determine the difference.

Nonresident Shareholders (Form 740-NP Filers)—A nonresident individual who is required to file Form 740-NP, Kentucky Individual Income Tax Return Nonresident or Part-Year Resident, or who elects to file Form 740-NP to take advantage of capital loss and net operating loss carryovers shall enter the amounts from Schedule K-1, Column (b) as follows:

If the percentage in Item B(2) is "100%," the amounts on Lines 1 through 5 and 8, portions of Lines 6 and 10 and the portion of Line 39(b) actually deducted for the current year must be entered on the appropriate lines of Form 740-NP and related schedules.

If the percentage in Item B(2) is less than 100 percent, the amounts on Lines 1 through 5 and 8, portions of Lines 6 and 10 and the portion of Line 39(b) actually deducted for the current year must be multiplied by this percentage and entered on the appropriate lines of Form 740-NP and related schedules. Amounts on Line 11(a) and the portions of Lines 6 and 10 which pass through to Schedule A (Form 740-NP) should not be multiplied by the percentage in Item B(2) since these amounts will be multiplied by the percentage on Form 740-NP, Section D, Line 36 (Percentage of Kentucky Adjusted Gross Income to Federal Adjusted Gross Income).

Refer to specific instructions below and federal Shareholder's Instructions for Schedule K-1 (Form 1120S).

Lines 1 through 3—Enter on federal Schedule E using Kentucky amounts or on Form 8582-K, if applicable.

Line 4(a)—Enter on Form 740-NP, Section D, Line 3.

Line 4(b)—Enter on Form 740-NP, Section D, Line 4.

Line 4(c)—Enter on federal Schedule E using Kentucky amounts.

Lines 4(d) and (e)—Enter on federal Schedule D using Kentucky amounts or Form 8582-K, if applicable.

Line 4(f)—Enter on applicable lines of your return (see federal Shareholder's Instructions for Schedule K-1 (Form 1120S)).

Line 5—Enter on federal Form 4797.

Line 6—Enter on applicable lines of your return (see federal Shareholder's Instructions for Schedule K-1 (Form 1120S)).

Line 8—Enter on federal Schedule E using Kentucky amounts.

Line 9—Enter on Schedule A, Form 740-NP.

Line 10—Enter on Schedule A, Form 740-NP.

For All Shareholders

Lines 11 and 39 through 45—See federal Shareholder's Instructions for Lines 12, 16 and 17, Schedule K-1 (Form 1120S).

Individual Partners—Enter the net distributive share income from Kentucky Schedule K-1 (Form 720S), Lines 1 through 5, 8 and portions of Lines 6 and 10 (multiplied by the percentage in Item B(2) for **nonresident** individual partners) on Line 2 of the Kentucky Limited Liability Entity Tax Credit Worksheet (located in Form 740, Form 740-NP or Form 741 instructions under Business Incentives and Other Tax Credits). If net distributive share income includes losses subject to passive activity or capital loss limitations, net distributive share income must be adjusted to include only amounts allowed to be deducted on the applicable Kentucky tax return.

Enter the amount from Line 54 on Line 7 of the Kentucky Limited Liability Entity Tax Credit Worksheet.

Estates and Trusts (Form 741 Filers)—Estates or trusts report the amounts shown in Column (b) on Form 741, Kentucky Fiduciary Income Tax Return, and related schedules. See federal Shareholder's Instructions for Schedule K-1 (Form 1120S).

INSTRUCTIONS

2013 KENTUCKY SINGLE MEMBER LLC INDIVIDUALLY OWNED LLET RETURN

PURPOSE OF INSTRUCTIONS

These instructions have been designed for a single member limited liability company (single member LLC) whose single member is an individual, estate, trust or general partnership. A single member LLC is an entity that affords its member, through function of the laws of this state or laws recognized by this state, protection from general liability for actions of the entity. A single member LLC is required by law to file a Kentucky Single Member LLC Individually Owned LLET Return (Form 725).

Refer to the chart on page 2 to determine what tax form your business needs to file.

HOW TO OBTAIN ADDITIONAL FORMS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (see page 14). They may also be obtained by writing FORMS, Department of Revenue, Frankfort, KY 40620, or by calling (502) 564-3658. Forms can be downloaded from www.revenue.ky.gov.

Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- If the company is computing its LLET based on gross profits, the new Schedule COGS, Limited Liability Entity Tax Cost of Goods Sold, must be attached to Form 725. Failure to include this schedule may result in a tax adjustment and assessment.
- Once an account is established, a return is required to be filed for single member LLCs that have Kentucky nexus.
- When ceasing operations and closing an account, there are different requirements for Secretary of State and the Department of Revenue.
- Always ensure the correct Kentucky Corporation/ LLET account number is used on the return being filed.
- Place payments on the front of the return so they are clearly visible when the return is processed.
- Note that Schedule LLET is always used as an attachment to a tax return and should never be submitted in lieu of a return.
- Make estimated payments on a timely basis to avoid penalty and interest.
- Extensions are for filing purposes only; late payment penalties and interest apply to payments made after the original due date.
- Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the single member LLC has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- Additional errors that delay processing returns or create adjustments include:
 - Incorrect tax exemption code
 - Incomplete information
 - Missing forms or schedules
 - Incorrect taxable year end
 - More than one box checked for receipts method
 - Tax Payment Summary Section of return blank or incorrect
 - Failure to include payment of tax due with the return
 - Omitting Form 41A720-SL when paying with an extension

Tax Treatment of an Individually Owned Single Member Limited Liability Company and the Individual Owner

For taxable years beginning on or after January 1, 2007, a limited liability company that affords its single member, through function of the laws of this state or laws recognized by this state, protection from general liability for actions of the entity is classified as a limited liability pass-through entity as provided by KRS 141.010(28). Also, for taxable years beginning on or after January 1, 2007, an annual limited liability entity tax (LLET) shall be paid by every corporation and every limited liability pass-through entity doing business in Kentucky on all Kentucky gross receipts or Kentucky gross profits as provided by KRS 141.0401(2), unless specifically excluded. See LLET nonfiling status codes on page 6 of these instructions.

A single member LLC whose single member is an individual shall file a Kentucky Single Member LLC Individually Owned LLET Return (Form 725). A single member LLC and any lower-tier single member LLC shall be treated as one entity in determining the limited liability tax. An individual who owns more than one single member LLC can file Schedule CP, Kentucky Single Member LLC Individually Owned Composite Return Schedule, rather than filing multiple forms (Form 725). See instructions on page 8 regarding Schedule CP.

A resident or nonresident individual single member shall be entitled to a nonrefundable LLET credit against income tax imposed by KRS 141.020 (Kentucky individual income tax). The nonrefundable LLET credit allowed a member shall be the LLET for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by \$175. The credit allowed a member shall be applied to the income tax assessed on income from the single member LLC. Any remaining credit from the single member LLC shall be disallowed. **KRS 141.0401(3)**

GENERAL INFORMATION

Internal Revenue Code Reference Date—Effective for taxable years beginning after December 31, 2006, Kentucky Revised Statute (KRS) 141.010(3) was amended to define “Internal Revenue Code” (IRC) for Kentucky income tax purposes to mean the IRC in effect on December 31, 2006, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2006, that would otherwise terminate and as modified by KRS 141.0101, except that for property placed in service after September 10, 2001, only the depreciation and expense deductions allowed under Sections 168 and 179 of the Internal Revenue Code in effect on December 31, 2001, exclusive of any amendments made subsequent to that date. **KRS 141.010(3)**

Kentucky Tax Registration Application—Prior to doing business in Kentucky, each single member LLC should complete a Kentucky Tax Registration Application, Revenue Form 10A100. The application is available at Kentucky Taxpayer Service Centers (see page 14), from the Taxpayer Registration Section, Department of Revenue, Frankfort, KY 40620, or at www.revenue.ky.gov (click on Business). The application may be faxed to (502) 227-0772.

Who Must File—NOTE: The limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86-272 do not apply to the limited liability entity tax imposed by KRS 141.0401. A Kentucky Single Member LLC Individually Owned LLET Return (Form 725) must be filed by every single member limited liability company (single member LLC) whose single

member is an individual, estate, trust or general partnership, that is doing business in this state which includes but is not limited to: (a) being organized under the laws of this state; (b) having a commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a pass-through entity doing business in this state; (f) deriving income from or attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state, or deriving income directly or indirectly from a single member limited liability company that is doing business in this state and is disregarded as an entity separate from its single member for federal income tax purposes; or (g) directing activities at Kentucky customers for the purpose of selling them goods or services. **KRS 141.010(25), KRS 141.0401, KRS 141.200 and KRS 141.206**

Disregarded Entities—A single member LLC owned by an individual, estate, trust or general partnership is treated in the same manner as it is treated for federal income tax purposes. Consequently, an individual, estate, trust or general partnership filing a Kentucky tax return will include the activity of any single member LLC when filing the applicable Kentucky return. However, a single member LLC is classified as a limited liability pass-through entity as provided by KRS 141.010(28) and is subject to the limited liability entity tax as provided by KRS 141.0401(2). A single member LLC whose single member is an individual, estate, trust or general partnership must file a Kentucky Single Member LLC Individually Owned LLET Return (Form 725) to report and pay any LLET that is due.

Pass-through Entity—A single member LLC owned by an individual, estate, trust or general partnership that is doing business in Kentucky solely as a partner or member in a pass-through entity will file Form 725 pursuant to the provisions of KRS 141.010, 141.0401 and 141.206. (See Schedule A—Apportionment and Allocations Instructions and Schedule A—C—Apportionment and Allocation—Continuation Sheet).

Nonresident Withholding (Form 740NP-WH)

Withholding

An S corporation or partnership partner, member or shareholder is a pass-through entity not subject to withholding.

KRS 141.206(5) provides that for taxable years beginning on or after January 1, 2007, every pass-through entity required to file a return under KRS 141.206(2), except publicly traded partnerships as defined in KRS 141.0401(6)(r), shall withhold Kentucky income tax on the distributive share, whether distributed or undistributed, of each nonresident individual (**includes an estate or trust partner, member or shareholder**) partner, member or shareholder, or each C-corporation partner or member that is doing business in Kentucky only through its ownership interest in a pass-through entity. Withholding shall be at the maximum rate as provided in KRS 141.020 or KRS 141.040.

Withholding shall not be required if: (a) the partner, member or shareholder is exempt from withholding as provided by KRS 141.206(7)(a); (b) the partner or member is exempt from Kentucky income tax as provided by KRS 141.040(1); (c) the pass-through entity is a qualified investment partnership as provided by KRS 141.206(15), and the partner, member or shareholder is an individual; or (d) the partner or member is a pass-through entity.

For taxable years beginning on or after January 1, 2012, a pass-through entity required to withhold Kentucky income tax as provided by KRS 141.206(5) shall make estimated tax payments if required by the provisions of KRS 141.206(6). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP-WH-ES (Kentucky Estimated Tax Vouchers).

The reporting of a nonresident individual's, estate's or trust's net distributive share income and withholding on Form 740NP-WH at the maximum rate of six (6) percent shall satisfy the filing requirements of KRS 141.180 for a nonresident individual, estate or trust partner, member or shareholder whose only Kentucky source income is net distributive share income. The nonresident individual, estate or trust partner, member or shareholder may file a Kentucky Individual Income Tax Return Nonresident or Part-Year Resident (Form 740-NP) or a Kentucky Fiduciary Income Tax Return (Form 741) to take advantage of the graduated tax rates, credits and deductions.

A pass-through entity shall complete Form 740NP-WH and Form PTE-WH for each nonresident individual, estate or trust partner, member or shareholder and each corporate partner or member and mail Form 740NP-WH and Copy A of Form PTE-WH to the Kentucky Department of Revenue with payment by the 15th day of the fourth month following the close of the pass-through entity's taxable year. Also, Copy B and C of Form PTE-WH shall be provided to the partners, members or shareholders. Form 740NP-WH and Form PTE-WH are available at www.revenue.ky.gov.

Composite Return—Nonresidents Only

Do not include a nonresident individual (includes an estate or trust partner, member or shareholder) partner, member or shareholder in a composite return if the partner's, member's or shareholder's distributive share income was subject to withholding and reported on Form 740NP-WH and PTE-WH.

The composite return applies only to nonresident individual (includes an estate or trust partner, member or shareholder) partners, members or shareholders: (i) whose distributive share income was not subject to withholding as provided by KRS 141.206(5); (ii) whose only source of distributive share income within this state is from one or more pass-through entities; and (iii) that elect to be included in a composite return as provided by KRS 141.206(16).

For taxable years beginning on or after January 1, 2007, the Department of Revenue will permit the filing of a "composite return" as provided by KRS 141.206(16) on behalf of electing nonresident individual partners, members or shareholders of a pass-through entity as defined in KRS 141.010(26). Income tax will be computed at the highest marginal rate provided in KRS 141.020 on the partner's, member's or shareholder's pro rata share of the distributive share income from a pass-through entity doing business in, or deriving income from sources within Kentucky. The partners', members' or shareholders' distributive share of income shall include all items of income or deduction used to compute adjusted gross income on the Kentucky return that is passed through to the partner, member or shareholder by the pass-through entity, including but not limited to interest, dividend, capital gains or losses, guaranteed payments and rents (KRS 141.206(16)).

The composite return of a pass-through entity shall be filed with the Department of Revenue on Form 740NP-WH,

Kentucky Nonresident Income Tax Withholding on Distributive Share Income Report and Composite Income Tax Return. The composite return box on the front of Form 740NP-WH must be checked to indicate that it is a composite return, and a Form PTE-WH must be completed for each of the electing nonresident individual partners, members or shareholders. The composite return box on each Form PTE-WH must be checked to indicate that the PTE-WH is a result of a composite return. Form 740NP-WH and Copy A of Form PTE-WH shall be mailed to the Kentucky Department of Revenue with payment of tax due by the 15th day of the fourth month following the close of the pass-through entity's taxable year. Also, Copy B and C of Form PTE-WH shall be provided to the partners, members or shareholders included in the composite return.

For taxable years beginning on or after January 1, 2012, a pass-through entity filing a composite return shall make estimated tax payments if required by the provisions of KRS 141.206(6). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP-WH-ES (Kentucky Estimated Tax Vouchers).

Before filing by EFT, the single member LLC must have a valid six-digit Kentucky Corporation/LLET Account Number and have registered with the Department of Revenue to file EFT. **Using an incorrect account number, such as an account number for withholding or sales and use tax, will result in the payment being credited to another taxpayer's account.** For more information contact the Department of Revenue at (800) 839-4137 or (502) 564-6020. The EFT registration form is available at www.revenue.ky.gov. See E-file & E-Payment Options ([click on KY E-Tax](#)). The direct link is www.revenue.ky.gov/etax.htm.

Extensions—An extension of time to file a Kentucky Single Member LLC Individually Owned LLET Return (Form 725) may be obtained by either making a specific request to the Department of Revenue on Form 41A720SL, Application for Six-Month Extension of Time to File Kentucky Corporation or Limited Liability Pass-through Entity Return, or attaching either a copy of the Kentucky individual extension (Form 40A102) or a copy of the federal individual extension (Form 4868) to the return when filed. **A copy of the federal extension submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed.** If the single member LLC is making a payment with its extension, Form 41A720SL must be used. For further information, see the instructions for Form 41A720SL. **103 KAR 15:050**

NOTE: An extension of time to file a return does not extend the date for payment of tax.

LLET Estimated Taxes

The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720-ES, is used to submit estimated tax payments for LLET. See **Electronic Funds Transfer (EFT)** on this page. If the single member LLC is required to make estimated LLET payments and needs Form 720-ES vouchers, contact the Department of Revenue at (502) 564-3658 or visit the website at www.revenue.ky.gov.

NOTE: See www.revenue.ky.gov for information on the 2014 estimated tax payments.

Estimated Tax Payments—A single member LLC must make estimated tax installments if its tax liability under KRS 141.0401 can reasonably be expected to exceed \$5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed \$5,000 before the 2nd day of the 6th month, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000 after the 1st day of the 6th month and before the 2nd day of the 9th month, 75% of the estimated tax must be paid by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000 after the 1st day of the 9th month, 100% of the estimated tax must be paid by the 15th day the 12th month.

Safe harbor: A single member LLC can satisfy its declaration requirement if its estimated tax payments are equal to the tax liability under KRS 141.0401 for the prior tax year, and its tax liability for the prior tax year was equal to or less than \$25,000. If the estimated tax is based on the single member's tax liability for the prior tax year, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

Interest: Failure to pay estimated tax installments on or before the due date prescribed by KRS 141.042 and 141.044 shall result in an assessment of interest on the late payment or underpayment. The interest due on any late payment or underpayment shall be at the rate provided by KRS 131.183(1). **KRS 141.042(4) and KRS 141.985**

Penalty: Failure to pay estimated tax installments equal to the amount determined by subtracting \$5,000 from 70% of the combined tax liability due under KRS 141.040 and KRS 141.0401 as computed by the taxpayer on the return filed for the taxable year will result in an underpayment penalty of 10% of the underpayment. The underpayment penalty will not apply if the estimated tax payments are equal to or greater than the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year, and the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year was equal to or less than \$25,000. **KRS 131.180(3) and KRS 141.990(3)**

INSTRUCTIONS

2013 KENTUCKY PARTNERSHIP INCOME AND LLET RETURN

PURPOSE OF INSTRUCTIONS

These instructions have been designed for Kentucky partnerships that afford their partners or members, through function of the laws of this state or laws recognized by this state, protection from general liability for actions of the entity. These partnerships are required by law to file a Kentucky Partnership Income and LLET Return (Form 765).

Refer to the chart on page 2 to determine what tax form your business needs to file.

HOW TO OBTAIN ADDITIONAL FORMS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (see page 16). They may also be obtained by writing FORMS, Department of Revenue, 501 High Street, Frankfort, KY 40601-2103, or by calling (502) 564-3658. Forms can be downloaded from www.revenue.ky.gov.

Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- If the company is computing its LLET based on gross profits, the new Schedule COGS, Limited Liability Entity Tax Cost of Goods Sold, must be attached to Form 765. Failure to include this schedule may result in a tax adjustment and assessment.
- Once an account is established, a return is required to be filed for partnerships that have Kentucky nexus.
- When ceasing operations and closing an account, there are different requirements for Secretary of State and the Department of Revenue.
- Always ensure the correct Kentucky Corporation/ LLET account number is used on the return being filed.
- Place payments on the front of the return so they are clearly visible when the return is processed.
- Note that Schedule LLET is always used as an attachment to a tax return and should never be submitted in lieu of a return.
- Make estimated payments on a timely basis to avoid penalty and interest.
- Extensions are for filing purposes only; late payment penalties and interest apply to payments made after the original due date.
- Adjustments to LLET or distributive share require that corrected Kentucky K-1's are sent to all partners, members or shareholders for proper compliance by taxpayers.
- Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the partnership has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- Additional errors that delay processing returns or create adjustments include:
 - Incorrect tax exemption code
 - Incomplete information
 - Missing forms or schedules
 - Incorrect taxable year end
 - More than one box checked for receipts method
 - Tax Payment Summary Section of return blank or incorrect
 - Failure to include payment of tax due with the return
 - Omitting Form 41A720-SL when paying with an extension

IMPORTANT

Partnerships must create a Kentucky Form 4562, Schedule D and Form 4797 by converting federal forms.

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—For taxable years beginning after December 31, 2001, Kentucky depreciation and Section 179 deduction are determined in accordance with the Internal Revenue Code in effect on December 31, 2001. For calendar year 2013 returns and fiscal year returns that begin in 2013, any partnership that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and Section 179 expense deduction for Kentucky:

- MACRS bonus depreciation; or
- Section 179 expense deduction in excess of \$25,000.

If a partnership has taken MACRS bonus depreciation or Section 179 expense deduction in excess of \$25,000 for any year, federal and Kentucky differences will exist, and the differences will continue through the life of the assets.

Important: If a partnership has not taken MACRS bonus depreciation or the Section 179 expense deduction in excess of \$25,000 for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 765 to substantiate that no adjustment is required.**

Determining and Reporting Depreciation and Section 179 Deduction Differences—Federal/Kentucky depreciation or Section 179 deduction differences shall be reported as follows:

1. The depreciation from federal Form 1065, Line 16(a) must be included on Form 765, Part I, Line 3. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 765.**
2. Convert federal Form 4562 to a **Kentucky** form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and Section 179 deduction in accordance with IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional Section 179 deduction. **NOTE:** For Kentucky purposes, the maximum Section 179 deduction amount on Line 1 is \$25,000 and the threshold cost of Section 179 property on Line 3 is \$200,000. The \$25,000 maximum allowable Section 179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying Section 179 property placed in service during

the year exceeds \$200,000. In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 should be determined by using Kentucky net income before the Section 179 deduction instead of federal taxable income.

3. The partnership **must attach the Kentucky Form 4562** to Form 765, and the amount from Kentucky Form 4562, Line 22 less the Section 179 deduction on Line 12 must be included on Form 765, Part I, Line 8. The Section 179 deduction from the converted Form 4562, Line 12 must be included on Form 765, Schedule K, Section I, Line 9. A Kentucky Form 4562 must be filed for each year even though a federal Form 4562 may not be required.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the partnership disposes of assets on which it has taken the special depreciation allowance or the additional Section 179 deduction for federal income tax purposes, the partnership will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. Convert **federal Schedule D (Form 1065)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the amount from Kentucky Schedule D, Line 7 on Form 765, Schedule K, Section I, Line 4(d) or 7. Enter the amount from Kentucky Schedule D, Line 15 on Form 765, Schedule K, Section I, Line 4(e) or 7. **Federal Schedule D (Form 1065) filed with the federal return and the Kentucky Schedule D must be attached to Form 765.**
2. If the amount reported on federal Form 1065, Line 6 (from Form 4797, Line 17) is a gain, enter this amount on Schedule O–PTE, Part II, Line 1. If the amount reported on federal Form 1065, Line 6 (from Form 4797, Line 17) is a loss, enter this amount on Schedule O–PTE, Part I, Line 1. Convert **federal Form 4797** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. If the amount on Kentucky Form 4797, Line 17 is a gain, enter this amount on Schedule O–PTE, Part I, Line 2. If the amount on Kentucky Form 4797, Line 17 is a loss, enter this amount on Schedule O–PTE, Part II, Line 2. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 765.**

Tax Treatment of a Partnership (Afforded Limited Liability Protection) and Partners or Members

For taxable years beginning on or after January 1, 2007, a partnership that affords any of its partners or members, through function of the laws of this state or laws recognized by this state, protection from general liability for actions of the entity is classified as limited liability pass-through entity as provided by KRS 141.010(28). For taxable years beginning on after January 1, 2007, an annual limited liability entity tax (LLET) shall be paid by every corporation and every limited liability pass-through entity doing business in Kentucky on all Kentucky gross receipts or Kentucky gross profits as provided by KRS 141.0401(2), unless specifically excluded. See LLET Nonfiling Status Codes on page 7 of these instructions.

In determining tax as provided by KRS Chapter 141, a resident individual, estate or trust that is a partner or member of a partnership classified as a limited liability pass-through entity shall take into account the partner's or member's total distributive share of the partnership's items of income, loss and deduction. In determining tax as provided by KRS Chapter 141, a nonresident individual, estate or trust that is a partner or member of a partnership shall take into account: (1) if the partnership is doing business only in this state, the partner's or member's total distributive share of the partnership's items of income, loss and deduction; or (2) if the partnership is doing business both within and without this state, the partner's or member's total distributive share of the partnership's items of income, loss and deduction multiplied by the apportionment fraction as provided by KRS 141.206(12). **KRS 141.206(8) and (9)**

In determining tax as provided by KRS Chapter 141, a corporation that is a partner or member of a partnership shall take into account its total distributive share of the partnership's items of income, loss and deduction. **KRS 141.206(10)**

A corporation that owns an interest in a partnership classified as a limited liability pass-through entity or that owns an interest in a general partnership organized or formed as a general partnership after January 1, 2006, shall include the proportionate share of the sales, property and payroll of the partnership classified as a limited liability pass-through entity or general partnership in computing its own apportionment factor. **KRS 141.206(10)**

If a pass-through entity is doing business both within and without this state and is a partner or member in another pass-through entity, the pass-through entity shall include its pro rata share of the sales, property and payroll of the other pass-through entity in computing its own apportionment factor. **KRS 141.206(11)**

The LLET credit allowed partners or members of a partnership classified as a limited liability pass-through entity shall be the partners' or members' proportionate share of the LLET for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by \$175. The credit allowed partners or members shall be applied to the income tax assessed on income from the partnership. Any remaining credit from the partnership shall be disallowed. **KRS 141.0401(3)**

GENERAL INFORMATION

Internal Revenue Code Reference Date—Effective for taxable years beginning after December 31, 2006, Kentucky Revised Statute (KRS) 141.010(3) was amended to define "Internal Revenue Code" (IRC) for Kentucky income tax purposes to mean the IRC in effect on December 31, 2006, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2006, that would otherwise terminate and as modified by KRS 141.0101. For property placed in service after September 10, 2001, only the depreciation and expense deductions allowed under Sections 168 and 179 of the Internal Revenue Code in

effect on December 31, 2001, exclusive of any amendments made subsequent to that date shall apply. **KRS 141.010(3)**

Kentucky Tax Registration Application—Prior to doing business in Kentucky, each partnership should complete a Kentucky Tax Registration Application, Revenue Form 10A100, to register for a Kentucky Corporation/LLET Account Number. The application is available at Kentucky Taxpayer Service Centers (see page 16) or from the Department of Revenue, Taxpayer Registration Section, Frankfort, KY 40620 or at www.revenue.ky.gov (click on Business). The application may be faxed to (502) 227-0772.

Who Must File—**NOTE:** The limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86-272 do not apply to the limited liability entity tax imposed by KRS 141.0401. Pass-through Entities—A pass-through entity doing business in Kentucky solely as a partner or member in a pass-through entity will file Form 765 pursuant to the provisions of KRS 141.010, 141.120 and 141.206. (See Schedule A—Apportionment and Allocation Instructions and Schedule A-C—Apportionment and Allocation-Continuation Sheet).

Nonresident Withholding (Form 740NP-WH)

Withholding

A partner or member that is an S corporation or partnership is not subject to withholding. S corporations and partnerships are pass-through entities as provided by KRS 141.010(26).

KRS 141.206(5) provides that for taxable years beginning on or after January 1, 2007, every pass-through entity required to file a return under KRS 141.206(2), except publicly traded partnerships as defined in KRS 141.0401(6)(r), shall withhold Kentucky income tax on the distributive share, whether distributed or undistributed, of each nonresident individual (**includes an estate or trust partner, member or shareholder**) partner, member or shareholder, or each C-corporation partner or member that is doing business in Kentucky only through its ownership interest in a pass-through entity. Withholding shall be at the maximum rate as provided in KRS 141.020 or KRS 141.040.

Withholding shall not be required if: (a) the partner, member or shareholder is exempt from withholding as provided by KRS 141.206(7)(a); (b) the partner or member is exempt from Kentucky income tax as provided by KRS 141.040(1); (c) the pass-through entity is a qualified investment partnership as provided by KRS 141.206(15), and the partner, member or shareholder is an individual; or (d) the partner or member is a pass-through entity.

For taxable years beginning on or after January 1, 2012, a pass-through entity required to withhold Kentucky income tax as provided by KRS 141.206(5) shall make estimated tax payments if required by KRS 141.206(6). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP-WH-ES (Kentucky Estimated Tax Vouchers).

The reporting of a nonresident individual's, estate's or trust's net distributive share income and withholding on Form 740NP-WH at the maximum rate of six (6) percent shall satisfy the filing requirements of KRS 141.180 for a nonresident individual, estate, or trust partner, member or shareholder whose only Kentucky source income is net distributive share income. The nonresident individual, estate or trust partner, member or shareholder may file a Kentucky Individual Income Tax Return Nonresident or Part-Year Resident (Form 740-NP) or a Kentucky Fiduciary Income Tax Return (Form 741) to take advantage of the graduated tax rates, credits and deductions.

A pass-through entity shall complete Form 740NP-WH and Form PTE-WH for each nonresident individual, estate or trust partner, member or shareholder and each corporate partner or member and mail Form 740NP-WH and Copy A of Form PTE-WH to the Kentucky Department of Revenue with payment of any tax due by the 15th day of the fourth month following the close of the pass-through entity's taxable year. Also, Copy B and C of Form PTE-WH shall be provided to the partners, members or shareholders. Form 740NP-WH and Form PTE-WH are available at www.revenue.ky.gov.

Composite Return—Nonresidents Only

Do not include a nonresident individual (includes an estate or trust partner, member or shareholder) partner, member or shareholder in a composite return if the partner's, member's or shareholder's distributive share income was subject to withholding and reported on Form 740NP-WH and PTE-WH.

The composite return applies only to nonresident individual (includes an estate or trust partner, member or shareholder) partners, members or shareholders: (i) whose distributive share income was not subject to withholding as provided by KRS 141.206(5); (ii) whose only source of income within this state is distributive share income from one or more pass-through entities; and (iii) that elect to be included in a composite return as provided by KRS 141.206(16).

For taxable years beginning on or after January 1, 2007, the Department of Revenue will permit the filing of a "composite return" as provided by KRS 141.206(16) on behalf of electing nonresident individual partners, members or shareholders of a pass-through entity as defined in KRS 141.010(26). Income tax will be computed at the highest marginal rate provided in KRS 141.020 on the partner's, member's or shareholder's pro rata share of the distributive share income from a pass-through entity doing business in, or deriving income from sources within Kentucky. The partners', members' or shareholders' distributive share of income shall include all items of income or deduction used to compute adjusted gross income on the Kentucky return that is passed through to the partner, member or shareholder by the pass-through entity, including but not limited to interest, dividend, capital gains or losses, guaranteed payments and rents (KRS 141.206(16)).

The composite return of a pass-through entity shall be filed with the Department of Revenue on Form 740NP-WH,

Kentucky Nonresident Income Tax Withholding on Distributive Share Income Report and Composite Income Tax Return. The composite return box on the front of the Form 740NP-WH form must be checked to indicate that this is a composite return, and a Form PTE-WH must be completed for each of the electing nonresident individual partners, members or shareholders. The composite return box on each Form PTE-WH must be checked to indicate that it is part of a composite return. The tax due for the electing partners, members or shareholders shall be remitted with the composite return.

For taxable years beginning on or after January 1, 2012, a pass-through entity filing a composite return shall make estimated tax payments if required by KRS 141.206(6). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP-WH-ES (Kentucky Estimated Tax Vouchers).

Before filing by EFT, the partnership must have a valid six-digit Kentucky Corporation/LLET Account Number and have registered with the Department of Revenue to file EFT. Using an incorrect account number, such as an account

number for withholding or sales and use tax, will result in the payment being credited to another taxpayer's account. For more information contact the Department of Revenue at (800) 839-4137 or (502) 564-6020. The EFT registration form is available at www.revenue.ky.gov. See E-file & E-Payment Options (**click on KY E-Tax**). The direct link is www.revenue.ky.gov/etax.htm.

Accounting Procedures—Kentucky income tax law requires a partnership to report income on the same calendar or fiscal year and to use the same methods of accounting required for federal income tax purposes. Mailing/Payment—Mail the return with the partnership's LLET payment to Kentucky Department of Revenue, Frankfort, KY 40620. Make the check payable to Kentucky State Treasurer.

Extensions—An extension of time to file a partnership income and LLET return may be obtained by either making a specific request to the Department of Revenue or attaching a copy of the federal extension to the return when filed. **A copy of the federal extension submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed.** If the partnership is making a payment with its extension, Kentucky Form 41A720SL must be used. For further information, see the instructions for Form 41A720SL. **103 KAR 15:050**

NOTE: An extension of time to file a return does not extend the date for payment of tax.

LLET Estimated Taxes

The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720-ES, is used to submit estimated tax payments for LLET. See Electronic Funds Transfer (EFT) on Page 5. If the partnership is required to make estimated LLET payments and needs Form 720-ES vouchers, contact the Department of Revenue at (502) 564-3658 or visit the website at www.revenue.ky.gov.

NOTE: See www.revenue.ky.gov for information on the 2014 estimated tax payments.

Estimated Tax Payments—A partnership must make estimated tax installments if its tax liability under KRS 141.0401 can reasonably be expected to exceed \$5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed \$5,000 before the 2nd day of the 6th month, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000 after the 1st day of the 6th month and before the 2nd day of the 9th month, 75% of the estimated tax must be paid by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

If the estimated tax is reasonably expected to exceed \$5,000

after the 1st day of the 9th month, 100% of the estimated tax must be paid by the 15th day the 12th month.

Safe harbor: A partnership can satisfy its declaration requirement if its estimated tax payments are equal to the tax liability under KRS 141.0401 for the prior tax year, and its tax liability for the prior tax year was equal to or less than \$25,000. If the estimated tax is based on the partnership's tax liability for the prior tax year, 50% of the estimated tax must be paid by 15th day of the 6th month, 25% by the 15th day of the 9th month, and 25% by the 15th day the 12th month.

Interest: Failure to pay estimated tax installments on or before the due date prescribed by KRS 141.042 and 141.044 shall result in an assessment of interest on the late payment or underpayment. The interest due on any late payment or underpayment shall be at the rate provided by KRS 131.183(1). **KRS 141.042(4) and KRS 141.985**

Penalty: Failure to pay estimated tax installments equal to the amount determined by subtracting \$5,000 from 70% of the combined tax liability due under KRS 141.040 and KRS 141.0401 as computed by the taxpayer on the return filed for the taxable year will result in an underpayment penalty of 10% of the underpayment. The underpayment penalty will not apply if the estimated tax payments are equal to or greater than the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year, and the combined tax liability due under KRS 141.040 and KRS 141.0401 for the previous taxable year was equal to or less than \$25,000. **KRS 131.180(3) and KRS 141.990(3)**

Other Information

Amended Return—To correct Form 765 as originally filed, file an amended Form 765 and check the appropriate box on page 1. If the amended return results in a change in income or a change in the distribution of any income or other information provided to partners, an amended Schedule K-1 (Form 765) must also be filed with the amended Form 765 and given to each partner. Check the Amended K-1 box on each Schedule K-1 to indicate that it is an amended Schedule K-1.

Records Retention—The Department of Revenue deems acceptable virtually any records retention system which results in an essentially unalterable method of records storage and retrieval, provided: (a) authorized Department of Revenue personnel are granted access, including any specialized equipment; (b) taxpayer maintains adequate back-up; and (c) taxpayer maintains documentation to verify the retention system is accurate and complete.

Internal Revenue Service Audit Adjustments—A partnership which has received final adjustments resulting from Internal Revenue Service audits must submit a copy of the "final determination of the federal audit" within 30 days of the conclusion of the federal audit. Use Form 765 for reporting federal audit adjustments and check the Amended Return box.

PARTNER'S INSTRUCTIONS FOR SCHEDULE K-1 (FORM 765)

Who Must File—The partners or members are liable for tax on their share of the partnership income, whether or not distributed, and must include their share on the individual income tax return.

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income and income from self-employment.

Any person with gross receipts from self-employment exceeding the threshold amount determined under KRS 141.066 must file a Form 740 regardless of the amount of adjusted gross income or the number of tax credits claimed. Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax. See Form 740 Instructions.

Nonresidents with income from Kentucky sources and part-year residents receiving income while a Kentucky resident or from Kentucky sources while a nonresident must file a Kentucky return. **Partnership income is not exempted by reciprocal agreements between Kentucky and any other state.** Form 740-NP must be filed by an individual with income from Kentucky sources and a combined gross income from all sources exceeding the threshold amount determined under KRS 141.066. Full-year nonresidents must report all income from Kentucky sources and from property located in Kentucky. Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents. Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

When to Report—Include your share of the partnership's income or (loss), credits, deductions, etc., as shown by your Schedule K-1 (Form 765) on your Kentucky income tax return for the year in which the tax year of the partnership ends. For example, if you, the partner, are on a calendar year, and the partnership's tax year ends January 31, 2013, you must take the items listed on Schedule K-1 (Form 765) into account on your tax return for calendar year 2013.

At-Risk Limitations—Generally, if you have a loss from any activity carried on as a trade or business or for the production of income by the partnership and you, the partner, have amounts invested in that activity for which you are not at risk, you will be required to complete federal Form 6198, At-Risk Limitations, to figure the allowable loss to report on your Kentucky income tax return. Your deductible loss from each activity for the tax year generally is limited to the amount you are at risk for the activity at the end of the partnership's tax year or the amount of the loss, whichever is less. To help you complete Form 6198, if required, the partnership will provide a schedule showing your share of income, expenses, etc., for each at-risk activity.

NOTE: Form 740 filers see Form 740 instructions for Schedule M, Line 7 and/or Line 19.

Passive Activity Limitations—The passive activity limitations in IRC Section 469 are figured at the partner level and may apply to any loss reported on Lines 1, 2 or 3 and any other related items of income, loss and deductions reported on Schedule K-1 (Form 765). Refer to the federal Partner's Instructions for Schedule K-1 (Form 1065) to determine if the passive activity limitations apply to your share of loss(es) reported on Schedule K-1 (Form 765) and if you must file Form 8582-K, Kentucky Passive Activity Loss Limitations.

SPECIFIC INSTRUCTIONS

Kentucky Resident Partners (Form 740 Filers)—To determine the net difference between the federal Schedule K-1 amounts and the Kentucky Schedule K-1 amounts, complete Lines 57, 58 and 59. This will adjust the items of income, loss and deductions used to compute your federal adjusted gross income to the Kentucky amounts shown in Column (b), Schedule K-1.

Line 57—Include on this line the Kentucky Schedule K-1 amounts from Lines 1 through 6 and 9. Also include the amounts from Lines 7 and 11 that do not pass through to Schedule A as itemized deductions.

Line 58—Include on this line the federal Schedule K-1 amounts from Lines 1 through 10 and 12. Also include the amounts from Lines 11 and 13 that do not pass through to Schedule A as itemized deductions.

NOTE: If Form 8582-K is required, adjust the amounts entered on Lines 57 and 58 to exclude any income, loss, deduction or expense related to a passive activity. Complete the passive activities adjustment worksheet (Form 8582-K, page 2) to determine additions to or subtractions from federal adjusted gross income. **See Form 740 instructions for Schedule M, Line 7 and/or Line 19.**

If amounts on Lines 4(d) and 4(e) are subject to the capital loss limitations, do not include on Lines 57 and 58. Complete federal Schedule D using Kentucky amounts to determine additions to or subtractions from federal adjusted gross income.

Line 59—Enter difference of Lines 57 and 58. If Line 57 is greater than Line 58, enter the difference as an addition to federal adjusted gross income on Schedule M, Line 3. If Line 58 is greater than Line 57, enter the difference as a subtraction on Schedule M, Line 15.

Caution: If the amount on Line 57 is a (loss) and Line 58 is a (loss), the smaller amount of the (loss) is the greater amount, and to determine the difference, subtract the smaller dollar amount from the larger dollar amount. If the amount on Line 57 is an income amount and Line 58 is

a (loss), or if Line 58 is an income amount and the amount on Line 57 is a (loss), the income amount is the greater amount; therefore, add the two amounts to determine the difference.

Nonresident Individual Partners (Form 740-NP Filers)—A nonresident individual who is required to file Form 740-NP, Kentucky Individual Income Tax Return Nonresident or Part-Year Resident, or who elects to file Form 740-NP to take advantage of capital loss and net operating loss carryovers shall enter the amounts from Schedule K-1, Column (b) as follows:

If the percentage in Item D(2) is “100%,” the amounts on Lines 1 through 6 and 9, portions of Lines 7 and 11 and the portion of Line 42(b) actually deducted for the current year must be entered on the appropriate lines of Form 740-NP and related schedules.

If the percentage in Item D(2) is less than 100 percent, the amounts on Lines 1 through 6 and 9, portions of Lines 7 and 11 and the portion of Line 42(b) actually deducted for the current year must be multiplied by this percentage and entered on the appropriate lines of Form 740-NP and related schedules. Amounts on Line 12(a) and the portions of Lines 7 and 11 which pass through to Schedule A (Form 740-NP) should not be multiplied by the percentage in Item D(2) since these amounts will be multiplied by the percentage on Form 740-NP, Section D, Line 36 (Percentage of Kentucky Adjusted Gross Income to Federal Adjusted Gross Income).

Lines 1 through 3—Enter on federal Schedule E using Kentucky amounts or Form 8582-K, if applicable.

Line 4(a)—Enter on Form 740-NP, Section D, Line 3.

Line 4(b)—Enter on Form 740-NP, Section D, Line 4

Line 4(c)—Enter on federal Schedule E using Kentucky amounts.

Lines 4(d) and (e)—Enter on federal Schedule D using Kentucky amounts or Form 8582-K, if applicable.

Lines 12 and 42 through 47—See federal partner’s instructions for Lines 13, 19 and 20, Schedule K-1 (Form 1065).

Individual and Corporate Partners—Enter the net distributive share income from the Kentucky Schedule K-1 (Form 765), Lines 1 through 6, 9 and portions of Lines 7 and 11 (multiplied by the percentage in Item D(2) if a **nonresident individual partner** or the apportionment fraction from Schedule A, Section I, Line 12 if a corporate partner that is taxable in Kentucky and taxable in another state) on Line 2 of the Kentucky Limited Liability Entity Tax Credit Worksheet (located in Form 740, Form 740-NP or Form 741 instructions under Business Incentives and Other Tax Credits) for Forms 740, 740-NP or 741; or Line 2 of the Corporation LLET Credit Worksheet (located in Form 720 instructions under Part II—Income Tax Computation) for Form 720. If net distributive share income includes losses subject to passive activity or capital loss limitations, net distributive share income must be adjusted to include only amounts allowed to be deducted on the applicable Kentucky tax return.

Enter the amount from Line 56 on Line 7 of the Kentucky Limited Liability Entity Tax Credit Worksheet or Line 7 of the Corporation LLET Credit Worksheet.

You have the right to a conference to discuss a tax matter.

Representation

You have the right to representation by your authorized agent (attorney, accountant or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you may be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent.

Recordings

You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

Consideration

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- ✓ installment payments of delinquent taxes, interest and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- ✓ extension of time for filing reports or returns; and
- ✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

Guarantee

You have the right to a guarantee that DOR employees are not paid, evaluated or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

Damages

You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Claims if a DOR employee willfully, recklessly and intentionally disregards your rights as a Kentucky taxpayer.

Interest

You may have the right to receive interest on an overpayment of tax.

DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

- ✓ perform audits, conduct conferences and hearings with you at reasonable times and places;
- ✓ authorize, require or conduct an investigation or surveillance of you only if it relates to a tax matter;
- ✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
- ✓ conduct educational and informational programs to help you understand and comply with the laws;
- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;
- ✓ advise you of procedures, remedies and your rights and obligations with an original notice of audit or when an original notice of tax due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked or canceled;

- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment; 
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;
- ✓ notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed; and
- ✓ notify you by certified mail 20 days prior to submitting name to the relevant agency for the revocation or denial of professional license, driver's license or motor vehicle registration.

PROTEST AND APPEAL PROCEDURE

Protest

If you receive a notice of assessment, a Notice of Tax Due for tax or penalty or if the DOR notifies you that a tax refund or credit has been reduced or denied, a license or permit revoked or denied, or other determination made by the DOR, you have the right to protest. To do so:

- ✓ submit a written protest within 45 days of the original Notice of Tax Due, notice of refund reduction or denial, revocation or denial of a license or permit, or other DOR determination;
- ✓ identify the type of tax involved and give the account number, Social Security number or other identification number and attach a copy of the DOR notice of determination to support that protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620. 

Conference

You have the right to request a conference to discuss the issue.

Final Ruling

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

Appeal

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court). 

NOTE: The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit, handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated

fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at (502) 564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, P. O. Box 930, Frankfort, Kentucky 40602-0930.
