KENTUCKY TAX LAW CHANGES

2009 Special Session of the Kentucky General Assembly

HB 3—Provisions effective for tax years beginning on or after January 1, 2010

Certified Rehabilitation Tax Credit—KRS 141.382 was created to provide a refundable tax credit against the taxes imposed by KRS 136.505, KRS 141.020 or 141.040 and KRS 141.0401 for qualified rehabilitation expenses incurred by the taxpayer and used for substantial rehabilitation to a certified historic structure meeting the requirements of KRS 171.396 and 171.397. To qualify as a refundable credit, an application must be received by the Kentucky Heritage Council for preliminary approval on or after April 30, 2010, and the taxpayer must make an election as provided by KRS 171.397(2)(b).

The certified rehabilitation tax credit cap for applications received on or after April 30, 2010, is \$5 million; however, if the total credits awarded for a calendar year are less than the certified rehabilitation tax credit cap, the difference between the credits actually awarded and the certified rehabilitation tax credit cap shall be added to the certified rehabilitation tax credit cap for the next year. If the credit amount approved for a calendar year for all taxpayers exceeds the certified rehabilitation tax credit cap, the council shall apportion the certified rehabilitation tax credit as follows: the certified rehabilitation tax credit cap for the year under consideration shall be multiplied by a fraction, the numerator of which is the approved credit amount for a taxpayer for the calendar year and the denominator of which is the total approved credits for all taxpayers for the calendar year.

Film Industry Tax Credit—KRS 141.383 was created to provide a refundable tax credit against the income tax imposed by KRS 141.020 or 141.040 and the limited liability entity tax imposed by KRS 141.0401 for motion picture or entertainment production expenses authorized by KRS 148.542 to 148.546.

The amount of the incentive shall not exceed: (i) 20% of the approved company's qualifying expenditures; (ii) 20% of the approved company's qualifying payroll expenditures paid to below-the-line production crew and (iii) 20% of the approved company's qualifying payroll expenditures paid to above-the-line production crew not to exceed \$100,000 in payroll expenditures per employee.

The Tourism Development Finance Authority may accept applications, authorize the execution of tax incentive agreements and enter into tax incentive agreements beginning on June 26, 2009; however, no credit amount shall be claimed by the taxpayer as a refund or paid by the department prior to July 1, 2010. The credit shall be available to approved companies with tax incentive agreements executed before January 1, 2015.

Railroad Maintenance and Improvement Tax Credit—KRS 141.385 created for tax years beginning on or after January 1, 2010, a nonrefundable credit against taxes imposed by KRS 141.020 or 141.040 and KRS 141.0401 in an amount equal to fifty percent (50%) of the qualified expenditures paid or incurred to maintain or improve railroads located in Kentucky, including roadbeds, bridges, and related structures, that are owned or leased as of January 1, 2008, by a Class II or Class III railroad. The credit applies to an owner of any Class II railroad or Class III railroad located in Kentucky or any person who transports property using the rail facilities of a Class II railroad or Class III railroad located in Kentucky or furnishes railroad-related property or services to a Class II railroad or Class III railroad located in Kentucky, but only with respect to miles of railroad track assigned to the person by a Class II railroad or Class III railroad.

The credit allowed shall not exceed the product of \$3,500 multiplied by the sum of: (i) The number of miles of railroad track in Kentucky owned or leased by the eligible taxpayer as of the close of the taxable year; and (ii) The number of miles of railroad track in Kentucky assigned to the eligible

taxpayer by a Class II railroad or Class III railroad which owns or leases the railroad track as of the close of the taxable year.

Railroad Expansion Tax Credit—KRS 141.386 created for tax years beginning on or after January 1, 2010, a nonrefundable tax credit against taxes imposed under KRS 141.040 and 141.0401 equal to twenty-five percent (25%) of the expenditures paid or incurred by the corporation or railway company to expand or upgrade railroad track, including roadbeds, bridges, and related track structures, to accommodate the transport of fossil energy resources or biomass resources. The credit applies to: (a) a corporation that owns fossil energy resources subject to tax under KRS 143.020 or 143A.020 or biomass resources and transports these resources using rail facilities; or (b) a railway company subject to tax under KRS 136.120 that serves a corporation that owns fossil energy resources subject to tax under KRS 143.020 or 143A.020 or biomass resources.

The credit amount approved for a calendar year for all taxpayers under KRS 141.386 shall be limited to \$1 million. If the total amount of approved credit exceeds \$1 million, the department shall determine the amount of credit each corporation and railroad company receives by multiplying \$1 million by a fraction, the numerator of which is the amount of approved credit for a corporation or railway company and the denominator of which is the total approved credit for all corporations and railway companies.

Each corporation or railway company eligible for the credit provided under this section shall file a railroad expansion tax credit claim on forms prescribed by the department by the fifteenth day of the first month following the close of the preceding calendar year. The department shall determine the amount of the approved credit and issue a credit certificate to the corporation or railway company by the fifteenth day of the third month following the close of the calendar year.

An approved company shall be eligible to recover up to fifty percent (50%) of the amount expended for eligible equipment and related costs, and up to one hundred percent (100%) of job skills upgrade training costs. The actual amount will be negotiated with the authority. The incentives shall be allowed as a credit against taxes imposed by KRS 141.020 or 141.040 and 141.0401.

Kentucky Business Investment Program—KRS 154.32-010 to 154.32-100 were created effective for tax years beginning after December 31, 2009. Economic Development Project means: (i) the acquisition, leasing, or construction of a new facility, or the acquisition, leasing, rehabilitation, or expansion of an existing facility; and (ii) the installation and equipping of the facility by an eligible company.

Eligible company means an entity with a proposed economic development project that is engaged in or is planning to be engaged in one (1) or more of the following activities within the Commonwealth: (i) manufacturing; (ii) agribusiness; (iii) nonretail service or technology; or (iv) national or regional headquarters operations, regardless of business activity.

A qualified taxpayer means any taxpayer who, on June 26, 2009, is a party to the Metropolitan College Consortium Agreement approved November 5, 2005.

Kentucky Rural Economic Development Act—KRS 154.22-050 was amended to allow a company with the approval of the Kentucky Economic Development Finance Authority to extend the length of a project agreement from 15 years to 25 years. The incentives established by the existing tax incentive agreement cannot be increased. **HB 287**

IMPORTANT

Corporations must create a Kentucky Form 4562, Schedule D and Form 4797 by converting federal forms.

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—For taxable years beginning after December 31, 2001, Kentucky depreciation and Section 179 deduction are determined in accordance with the IRC in effect on December 31, 2001. For calendar year 2010 returns and fiscal year returns that begin in 2010, any corporation that elects any of the following will have a different depreciation or Section 179 expense deduction for Kentucky purposes than for federal purposes:

- 30 percent bonus depreciation allowance;
- 50 percent bonus depreciation allowance;
- increased Section 179 deduction from \$25,000 to \$250,000; or
- increased Section 179 deduction from \$25,000 to \$500,000.

If any of the above federal/Kentucky differences exist, the differences will continue through the life of the assets. There will be recapture and basis differences for Kentucky and federal income tax purposes until the assets are sold or fully depreciated.

Important: If the corporation has not taken the 30 percent special depreciation allowance, the 50 percent special depreciation allowance or the increased Section 179 deduction for federal income tax purposes on any assets for which a depreciation deduction is being claimed for the taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 720S to verify that no adjustments are required.**

Determining and Reporting Depreciation and Section 179 Deduction Differences—Federal/Kentucky depreciation or Section 179 deduction differences shall be reported as follows:

1. The depreciation from federal Form 1120S, Line 14 and depreciation claimed on Schedule A or elsewhere (except for the Section 179 deduction) on Form 1120S must be included on Form 720S, Part I, Line 3. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 720S.**
2. Convert federal Form 4562 to a Kentucky form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and Section 179 deduction in accordance with IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional Section 179 deduction. **NOTE:** For Kentucky purposes, the maximum Section 179 deduction amount on Line 1 is \$25,000 and the threshold cost of Section 179 property on Line 3 is \$200,000. The \$25,000 maximum

allowable Section 179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying Section 179 property placed in service during the year exceeds \$200,000. In determining the Section 179 deduction for Kentucky, the income limitation on Line 11 should be determined by using Kentucky net income before the Section 179 deduction instead of federal taxable income.

3. The corporation **must attach the Kentucky Form 4562** to Form 720S, and the amount from Kentucky Form 4562, Line 22 less the Section 179 deduction on Line 12 must be included on Form 720S, Part I, Line 8. The Section 179 deduction from the Form 4562, Line 12 must be included on Form 720S, Schedule K, Section I, Line 8. A Kentucky Form 4562 must be filed for each year even if a federal Form 4562 is not required.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the corporation disposes of assets on which it has taken the special depreciation allowance or the additional Section 179 deduction for federal income tax purposes, the corporation will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. Convert **federal Schedule D (Form 1120S)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the amount from Kentucky Schedule D, Line 6 on Form 720S, Schedule K, Section I, Line 4(d) or 6. Enter the amount from Kentucky Schedule D, Line 13 on Form 720S, Schedule K, Section I, Line 4(e) or 6. **Federal Schedule D (Form 1120S) filed with the federal return and the Kentucky Schedule D must be attached to Form 720S.**
2. If the amount reported on federal Form 1120S, Line 4 (from Form 4797, Line 17) is a gain; enter this amount on Schedule O–PTE, Part II, Line 1. If the amount reported on federal Form 1120S, Line 4 (from Form 4797, Line 17) is a loss; enter this amount on Schedule O–PTE, Part I, Line 1. Convert **federal Form 4797** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky gain or (loss) from the sale of business property using Kentucky basis. If the amount on Kentucky Form 4797, Line 17 is a gain; enter this amount on Schedule O–PTE, Part I, Line 2. If the amount on Kentucky Form 4797, Line 17 is a loss; enter this amount on Schedule O–PTE, Part II, Line 2. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 720S.**

Tax Treatment of S Corporation and Shareholder(s)

A corporation which elects S corporation treatment for federal income tax purposes in accordance with Sections 1361(a) and 1361(b) of the IRC must file as an S corporation for Kentucky income tax purposes. For taxable years beginning on or after January 1, 2007, an S corporation is classified as a limited liability pass-through entity as provided by KRS 141.010(28). For taxable years beginning on or after January 1, 2007, an annual limited liability entity tax (LLET) shall be paid by every corporation and every limited liability pass-through entity doing business in Kentucky on all Kentucky gross receipts or Kentucky gross profits as provided by KRS 141.0401(2), unless specifically excluded. See LLET Nonfiling Status Codes on page 9 of these instructions.

Also, an S Corporation for tax years beginning on or after January 1, 2007, is required: (1) to submit installments of tax on the recapture of LIFO reserves as provided by Section 1363(d) of the Internal Revenue Code; (2) pay tax on built-in gains as provided by Section 1374 of the Internal Revenue Code; and (3) pay tax on net passive investment income as provided by Section 1375 of the Internal Revenue Code. The tax rate imposed on the LIFO recapture, built-in gains, and net passive investment income shall be at the highest rate of tax for the taxable year, which is currently six percent (6%). **KRS 141.040(14)**

In determining tax as provided by KRS Chapter 141, a resident individual, estate, or trust that is a shareholder of an S corporation shall take into account the shareholder's total distributive share of the S corporation's items of income, loss, and deduction. In determining tax as provided by KRS Chapter 141, a nonresident individual, estate, or trust that is a shareholder of an S corporation shall take into account the shareholder's total distributive share of the S corporation's items of income, loss, and deduction multiplied by the apportionment fraction if applicable in KRS 141.206(9). **KRS 141.206(5)(6)**

Resident and nonresident individual shareholders shall be entitled to a nonrefundable LLET credit against tax imposed under KRS 141.020 (Kentucky individual income tax). The nonrefundable LLET credit allowed shareholders shall be the shareholders' proportionate share of the LLET for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by \$175. The credit allowed shareholders shall be applied to the income tax assessed on income from the S corporation. Any remaining credit from the S corporation shall be disallowed. **KRS 141.0401(3)**

Banks and Savings and Loan Associations—KRS 141.040(1) excludes financial institutions (banks and savings and loan associations) as defined in KRS 136.500 from tax on taxable net income and KRS 141.0401(6)(a) and (b) excludes financial institutions from the LLET.

KRS 141.010(10)(j) excludes from the Kentucky adjusted gross income of the shareholders the distributive share of net income from an S corporation subject to tax under KRS 136.505, the bank franchise tax, or KRS 136.300, the savings and loan association capital stock tax. KRS 141.010(10)(j) also excludes from the Kentucky adjusted gross income of the shareholders the portion of the distributive share of net income from an S corporation related to a qualified S subsidiary subject to tax under KRS 136.505 or KRS 136.300.

An S corporation subject to tax under KRS 136.505 or KRS 136.300 should enter zero on Lines 1 through 10 of Form 720S, Schedule K. An S corporation related to a qualified S subsidiary

subject to tax under KRS 136.505 or KRS 136.300 should exclude from the amounts entered on Lines 1 through 10 of Form 720S, Schedule K the portion of these items related to the subsidiary. The net amount of the items of income and deductions excluded from Lines 1 through 10 of Form 720S, Schedule K should be entered on Line 38 of Form 720S, Schedule K. A statement should be attached to each shareholder's Form 720S, Schedule K-1 advising the shareholder that this income is excluded for Kentucky income tax purposes because the S corporation is subject to tax under either KRS 136.505 or KRS 136.300.

Nonresident Withholding (Form 740NP–WH)

Withholding

A partner or member that is an S corporation or partnership is not subject to withholding. S corporations and partnerships are pass-through entities as provided by KRS 141.010(26).

KRS 141.206(4)(b) provides that for taxable years beginning on or after January 1, 2007, every pass-through entity required to file a return under KRS 141.206(2), except publicly traded partnerships as defined in KRS 141.0401(6)(r), shall withhold Kentucky income tax on the distributive share, whether distributed or undistributed, of each nonresident individual (**includes an estate or trust partner, member or shareholder**) partner, member or shareholder, or each C–corporation partner or member that is doing business in Kentucky only through its ownership interest in a pass-through entity. Withholding shall be at the maximum rate as provided in KRS 141.020 or KRS 141.040.

Withholding shall not be required if: (a) the pass-through entity demonstrates to the department that a partner, member or shareholder has filed an appropriate tax return for the prior year with the department by attaching to the Kentucky Form 40A201, “740NP–WH, Kentucky Nonresident Income Tax Withholding on Distributive Share Income Transmittal Report and Composite Income Tax Return,” a statement that the partner, member or shareholder is exempt from withholding as provided by KRS 141.206(4)(b)2, and providing each partner’s, member’s or shareholder’s name, address, federal identification number, Kentucky Corporation/LLET Account Number, if applicable, and net distributive income; (b) the nonresident partner or member is exempt from Kentucky income tax as provided by KRS 141.040(1); (c) the partner, member or shareholder is a nonresident individual and the pass-through entity is a qualified investment pass-through entity as provided by KRS 141.206(12) (a); or (d) the partner or member is a pass-through entity as provided by KRS 141.010(26).

The reporting of a nonresident individual’s, estate’s or trust’s net distributive share income and withholding on Form 740NP–WH at the maximum rate of six (6) percent shall satisfy the filing requirements of KRS 141.180 for a nonresident individual, estate or trust partner, member or shareholder whose only Kentucky source income is net distributive share income. The nonresident individual, estate or trust partner, member or shareholder may file a Kentucky Individual Income Tax Return Nonresident or Part–Year Resident (Form 740–NP) or a Kentucky Fiduciary Income Tax Return (Form 741) to take advantage of the graduated tax rates, credits and deductions.

A pass-through entity shall complete Form 740NP–WH and Form PTE–WH for each nonresident individual, estate or trust partner, member or shareholder and each corporate partner or member and mail Form 740NP–WH and Copy A of

Form PTE–WH to the Kentucky Department of Revenue with payment by the 15th day of the fourth month following the close of the pass-through entity’s taxable year. Also, Copy B and C of Form PTE–WH shall be provided to the partners, members or shareholders. Form 740NP–WH and Form PTE–WH are available at www.revenue.ky.gov.

YOUR RIGHTS AS A KENTUCKY TAXPAYER

As part of the Finance and Administration Cabinet, the mission of the Kentucky Department of Revenue (DOR) is to administer tax laws, collect revenue, and provide services in a fair, courteous, and efficient manner for the benefit of the Commonwealth and its citizens.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest an assessment or the denial of a refund or credit. Others are more general.

The following is a summary of your rights and the DOR's responsibilities to you as a Kentucky taxpayer.

RIGHTS OF TAXPAYER

Privacy

You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

Assistance

You have the right to advice and assistance from the DOR in complying with state tax laws.

Explanation

You have the right to a clear and concise explanation of:

- ✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
- ✓ procedure for protest and appeal of a determination of the DOR; and
- ✓ tax laws and changes in tax laws so that you can comply with the law.

Protest and Appeal

You have the right to protest and appeal a determination of the DOR if you disagree with an assessment of tax or penalty, reduction or a denial of a refund, a revocation of a license or permit, or other determination made by the DOR. (See reverse for procedure to file a protest.)

Conference

You have the right to a conference to discuss a tax matter.

Representation

You have the right to representation by your authorized agent (attorney, accountant or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you may be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent.

Recordings

You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

Consideration

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- ✓ installment payments of delinquent taxes, interest and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- ✓ extension of time for filing reports or returns; and
- ✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

Guarantee

You have the right to a guarantee that DOR employees are not paid, evaluated or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

Damages

You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Claims if a DOR employee willfully, recklessly and intentionally disregards your rights as a Kentucky taxpayer.

Interest

You may have the right to receive interest on an overpayment of tax.

DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

- ✓ perform audits, conduct conferences and hearings with you at reasonable times and places;
- ✓ authorize, require or conduct an investigation or surveillance of you only if it relates to a tax matter;
- ✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
- ✓ conduct educational and informational programs to help you understand and comply with the laws;
- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;
- ✓ advise you of procedures, remedies and your rights and obligations with an original notice of audit or when an original notice of tax due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked or canceled;

- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment; 
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible; and
- ✓ notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed.

PROTEST AND APPEAL PROCEDURE

Protest

If you receive a notice of assessment, a Notice of Tax Due for tax or penalty or if the DOR notifies you that a tax refund or credit has been reduced or denied, a license or permit revoked or denied, or other determination made by the DOR, you have the right to protest. To do so:

- ✓ submit a written protest within 45 days of the original Notice of Tax Due, notice of refund reduction or denial, revocation or denial of a license or permit, or other DOR determination;
- ✓ identify the type of tax involved and give the account number, Social Security number or other identification number and attach a copy of the DOR notice of determination to support that protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620. 

Conference

You have the right to request a conference to discuss the issue.

Final Ruling

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

Appeal

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court). 

NOTE: The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit, handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at (502) 564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, P. O. Box 930, Frankfort, Kentucky 40602-0930.
