

Electric Vehicle Power - Login Instructions (after credential update)

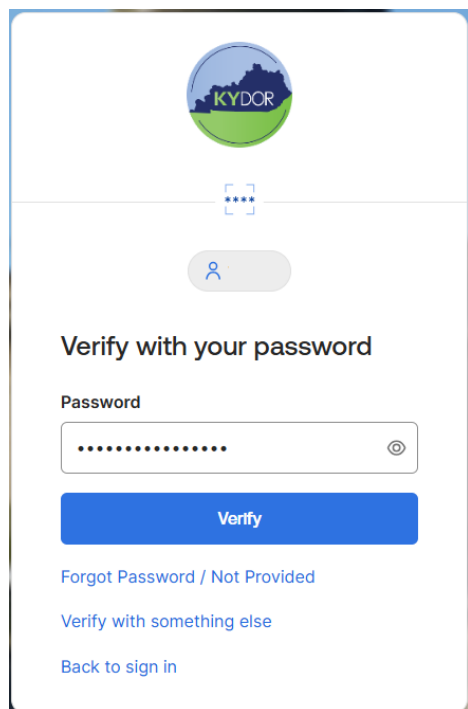

Go to: <https://idp-rev.ky.gov/>

1. Enter Username (created with login credential update), click “Next”.

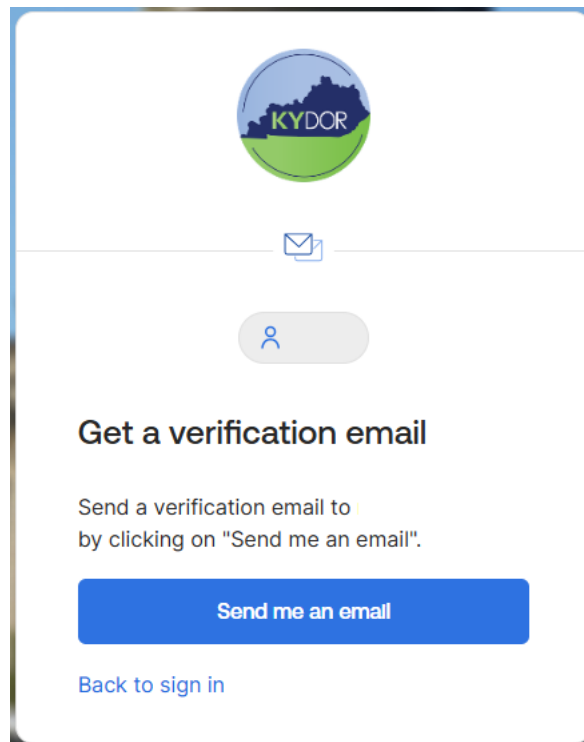

The image shows a web page for KYDOR with a circular logo at the top center. Below the logo, the text "Sign In" is displayed. Underneath, there is a label "Username" followed by a text input field. Below the input field is a blue button labeled "Next". At the bottom left, there are two links: "Unlock account?" and "Help" with an external link icon.

2. Enter new 14-character password, click “verify”.

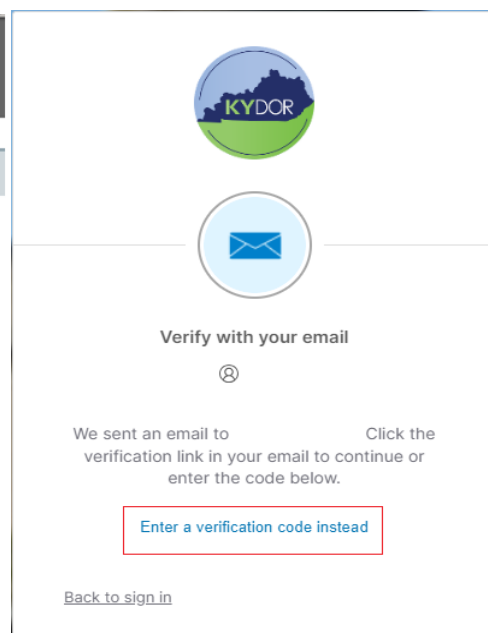

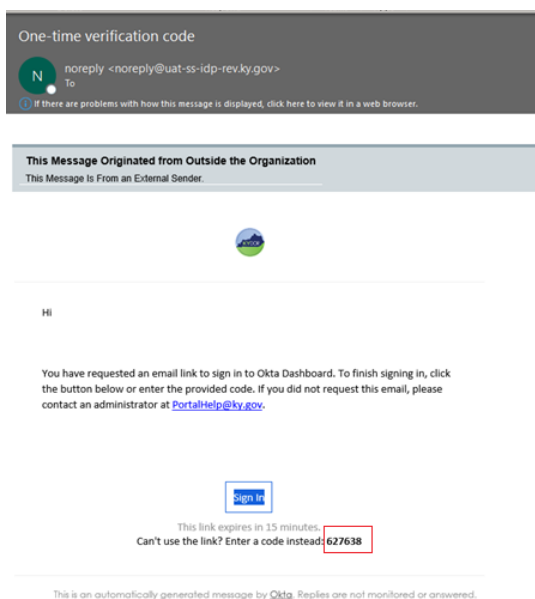

The image shows a web page for KYDOR with a circular logo at the top center. Below the logo, there is a square icon with four asterisks. Underneath is a grey button with a person icon. Below that, the text "Verify with your password" is displayed. Underneath, there is a label "Password" followed by a password input field with a toggle icon on the right. Below the input field is a blue button labeled "Verify". At the bottom left, there are three links: "Forgot Password / Not Provided", "Verify with something else", and "Back to sign in".

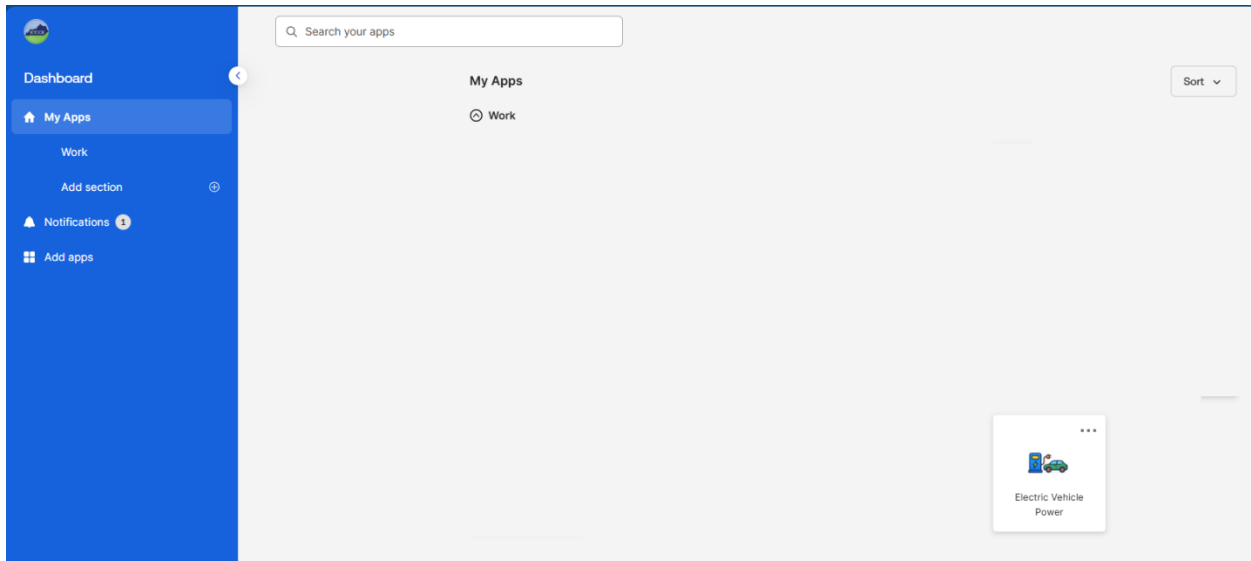

3. Click "Send me an email".

4. An email will be sent with a code. Click "Sign In" or use that verification code.

5. You are now at the dashboard for “My Apps”. Click the “Electric Vehicle Power” app.

6. You are logged in.
