KRS 131.130(1) authorizes the Department of Revenue to promulgate administrative regulations for the administration of all tax laws. This administrative regulation establishes the procedures required for claiming and documenting a refund request for motor vehicle usage tax when the tax paid was based upon fifty (50) percent of trade-in value as provided in KRS 138.450(16)(a) and the actual condition of the vehicle at the time the usage tax was paid was less than fifty (50) percent of the trade-in value.

3. Show the vehicle damage and the VIN plate attached to the vehicle;
(b) Copies of receipts for parts purchased for repair that contain the name of the parts purchase, the price of the parts, the name, address, and telephone number of the business where purchased, and the date of purchase;

Section 2. Refund Application Process. (1) The owner of a motor vehicle who has paid the motor vehicle usage tax according to the provisions of KRS 138.450(16)(a) and requests a refund of a portion of the tax paid shall submit to the department a completed Vehicle Condition Refund Application (Form 71A010) with the following documents attached:

   (3) The owner of the motor vehicle may utilize one of the department’s Taxpayer Service Centers to obtain photographs of the damaged vehicle and for submittal of the Vehicle Condition Refund Application.

Section 3. Refund Calculation Amount. (1) The department shall consider all refund requests based upon whether the condition of the motor vehicle at the time the motor vehicle usage tax was paid as evidenced by documentation provided to the department merits an adjusted retail price.
   (2) Any approved refund shall be the actual amount of tax paid less the tax due based on the greater of the adjusted retail price or the applicant’s purchase price as stated on the Application for Kentucky Certificate of Title or Registration (Form TC 96-182).

Section 4. Refund Denial. Any incomplete or erroneous information on the Vehicle Condition Refund Application (Form 71A010) or the associated vehicle condition verification documents shall result in the denial of the refund.
