MyTaxes is Now Live

The Kentucky Department of Revenue has launched a new tax portal for business taxpayers called MyTaxes. The new tax portal is now available.

OneStop and other business portal users received a separate email on March 4 with new login credentials for MyTaxes.

The new portal offers business taxpayers:

- A more comprehensive view of taxpayer data including filing, paying, and viewing return information for multiple tax types
- The ability to view taxpayer correspondence
- Increased self-service capabilities such as submitting a refund application, making payments, and requesting a letter of good standing
