# Password Reset Instructions

Follow the steps below to reset a forgotten or expired password in MyTaxes.

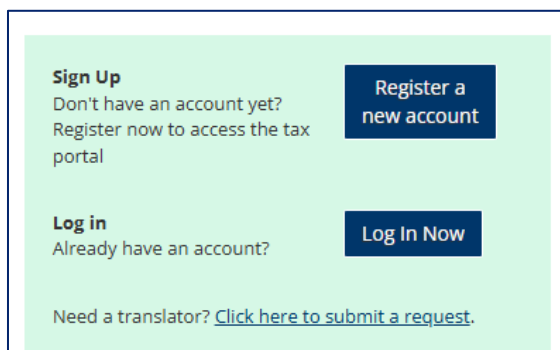

Password changes (resets) can only be completed once in a true 24-hour interval. For example, if a password is reset at 3:00 PM ET on Tuesday, it cannot be reset again until after 3:00 PM ET on Wednesday. This 24-hour interval also applies when the Customer Contact Center is assisting with the reset.

Passwords must be reset every 90 days. Please follow the process below if you are prompted to reset your password.

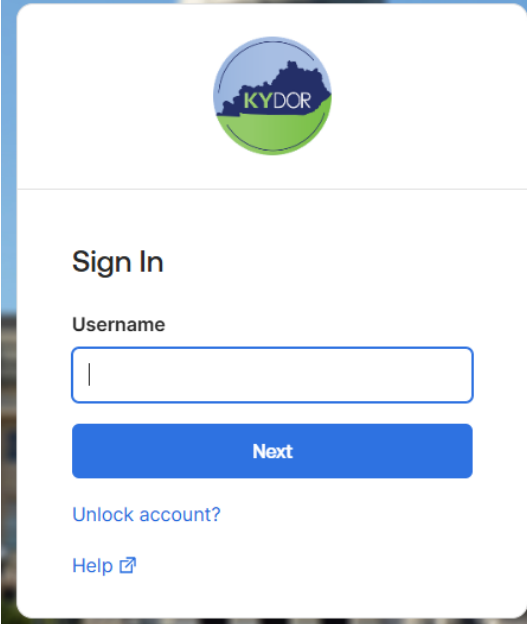

The Kentucky MyTaxes Taxpayer Portal can be accessed by visiting [MyTaxes.ky.gov](https://MyTaxes.ky.gov).

1. Select the **Log In Now** button.

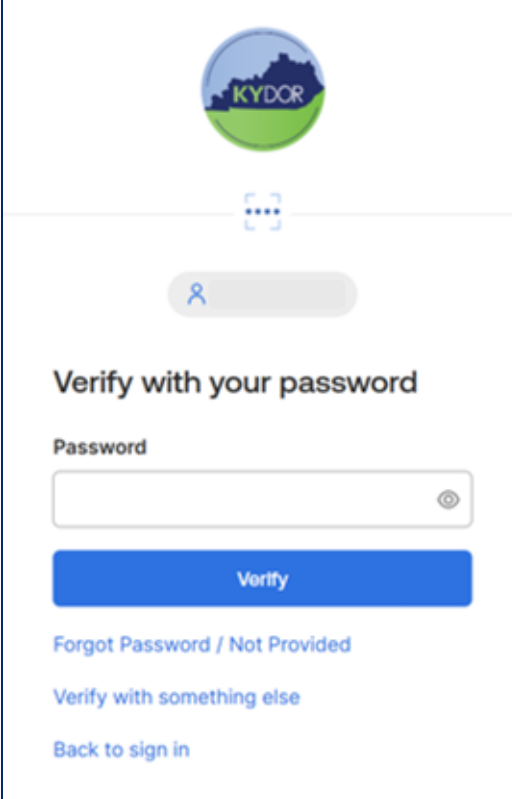

2. Type in your *MyTaxes Username* and click **Next**

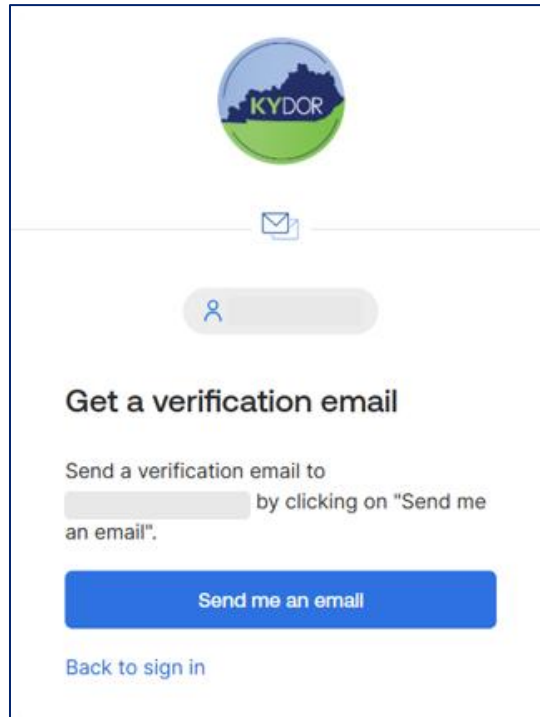

The image shows a sign-in screen for KYDOR. At the top center is the KYDOR logo, which consists of a circular emblem with a green landscape and a blue sky, with the text 'KYDOR' in green. Below the logo, the text 'Sign In' is displayed. Underneath, there is a label 'Username' followed by a text input field containing a vertical cursor. Below the input field is a blue button with the text 'Next'. At the bottom left, there are two links: 'Unlock account?' and 'Help' with an external link icon.

3. Select **Forgot Password / Not Provided**.

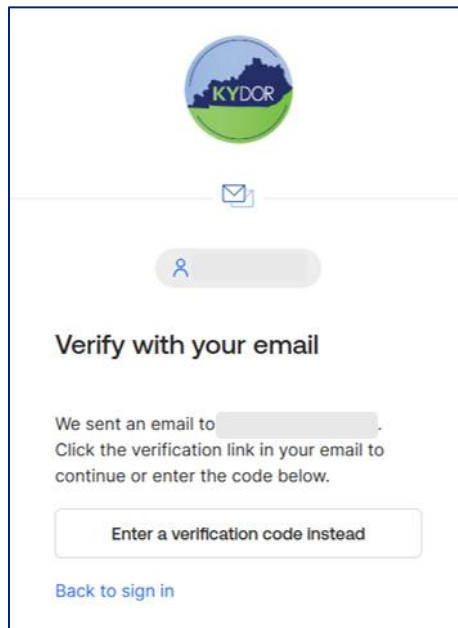

The image shows a verification screen for KYDOR. At the top center is the KYDOR logo. Below it is a QR code icon. Underneath is a grey button with a person icon. The text 'Verify with your password' is displayed. Below that is a label 'Password' followed by a text input field with a toggle eye icon on the right. Below the input field is a blue button with the text 'Verify'. At the bottom, there are three links: 'Forgot Password / Not Provided', 'Verify with something else', and 'Back to sign in'.

4. Confirm you have access to the email address shown, then select **Send me an email.**

5. The next screen confirms that an email was sent. Visit your email browser or application for the next steps.

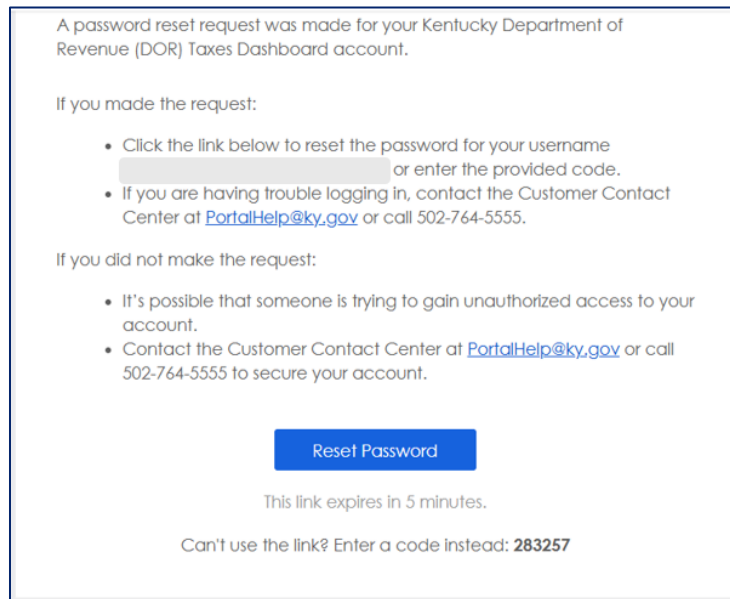

6. Open the email with the subject line "Account Password Reset – KY DOR Taxes Dashboard."

**Note:** Be sure to check Spam and Junk folders if you do not see the email in your Inbox.

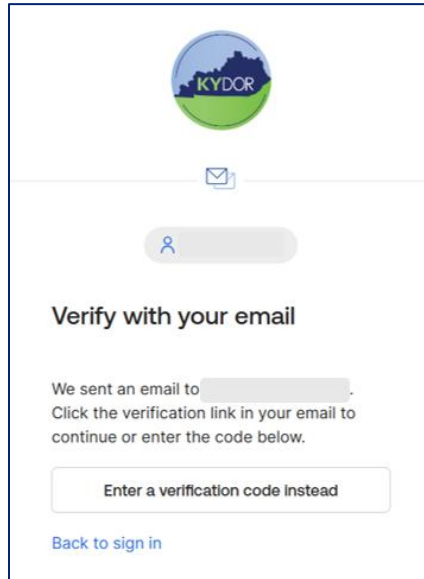

7. Within the email you will find two options to reset the password: a **button to select** or a **code to type**.

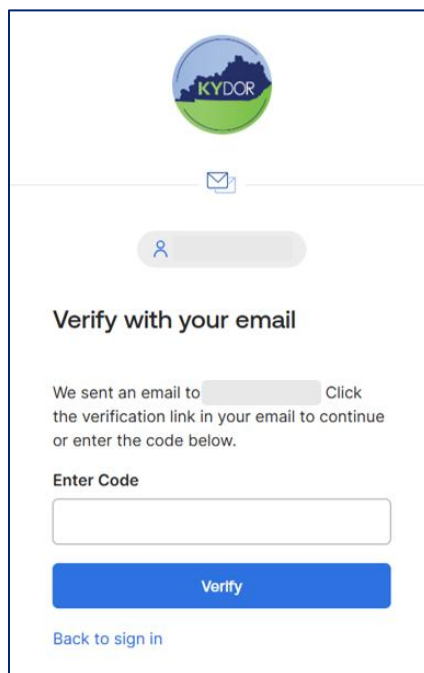

If you select Reset Password, a new tab will open on your browser to begin the password reset process.

If you choose to type in a code instead, copy down the six-digit code provided in the email then go back to the log in process in your browser and select Enter a verification code instead.

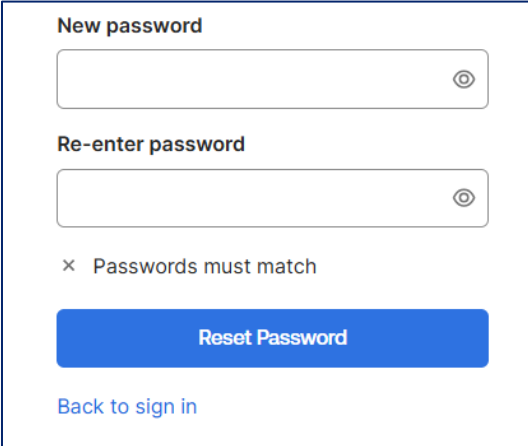

Type in the six-digit code into the space indicated, then select Verify.

8. You will be prompted to create a password. Follow the requirements listed and type the password in both the *New password* and *Re-enter password* fields, then select **Reset Password**.

Password Requirements:

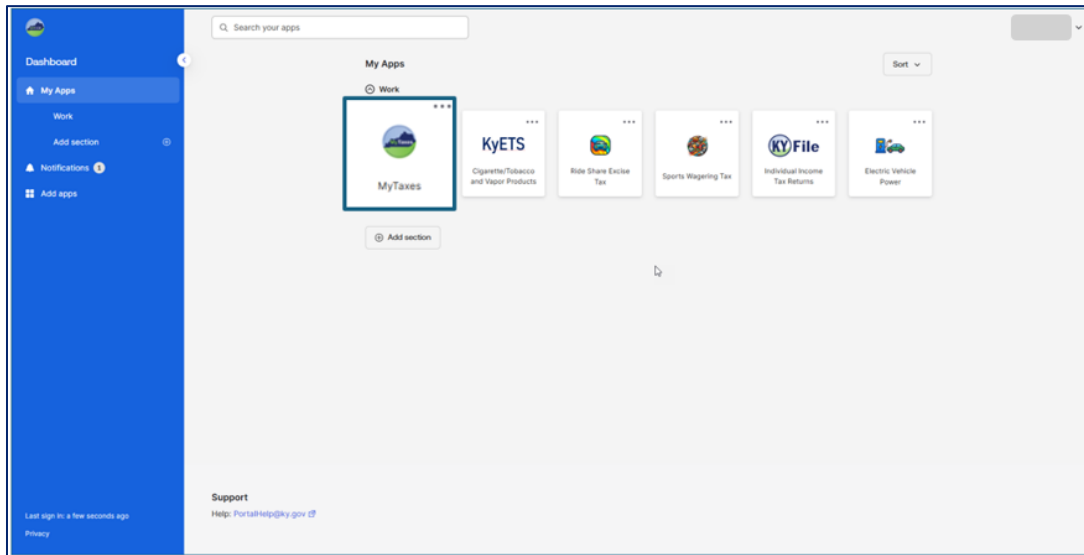

- At least 14 characters
- A lowercase letter
- An uppercase letter
- A number
- A symbol
- No parts of your username
- Does not include your first name
- Does not include your last name

The screenshot shows a password reset form with the following elements:

- A label "New password" above a text input field with a visibility toggle icon.
- A label "Re-enter password" above a second text input field with a visibility toggle icon.
- A validation message: "× Passwords must match".
- A blue button labeled "Reset Password".
- A link labeled "Back to sign in" below the button.

This completes the Password Reset process. Once you are signed in, you will be on the My Apps dashboard. Select the MyTaxes tile to access your MyTaxes account.

Thank you for doing business in Kentucky. For questions on the process contained in this guide or other MyTaxes portal questions, please contact the Kentucky Department of Revenue Customer Contact Center at 502-764-5555 to connect with a representative who can help. Representatives are available Monday through Friday, excluding State Holidays, from 6:00 AM to 6:00 PM ET.
