About Service Requests

A Service Request allows a taxpayer to submit a request to update their business information with the Department of Revenue. The following Services Requests are available via the MyTaxes.ky.gov taxpayer portal:

- Change Account DBA Name
- Change Filing Frequency – Employer's Withholding Tax
- Change Filing Frequency – Sales and Use Tax
- Change Legal Business Name
- Change Taxing Election
- Close Account – Business Sold
- Close Account – Merge Out of Existence
- Close Account – Other
- Close Business
- Letter of Good Standing / Tax Status Request

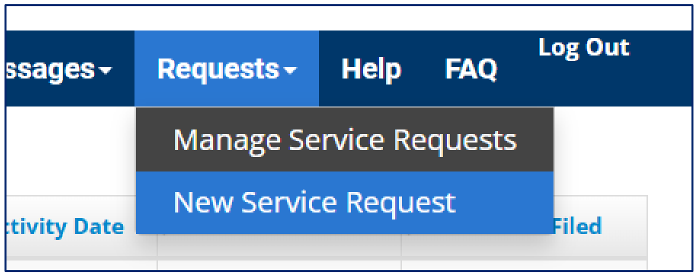
Follow the steps below to navigate to the New Service Request page. Please note that each option has different criteria and information required to complete the submission. All fields marked with an asterisk are required to move forward with the submission.

Once submitted, Department of Revenue staff processes all Service Requests in the order they are received. Instructions on viewing the status of a submitted Service Request and sending updates follow the New Service Request instructions.

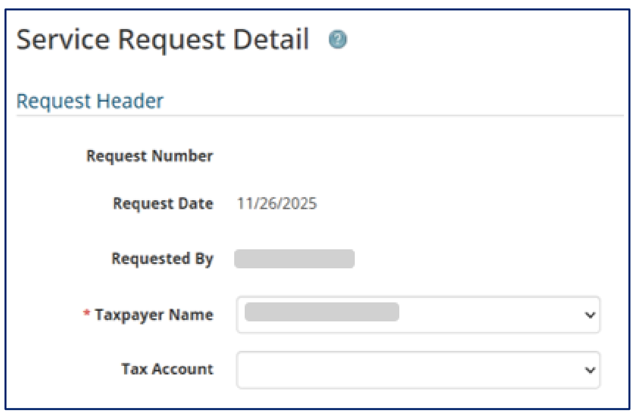
Submit a New Service Request Instructions

1. Log into MyTaxes.ky.gov. Locate the Main Menu ribbon near the top of the page.

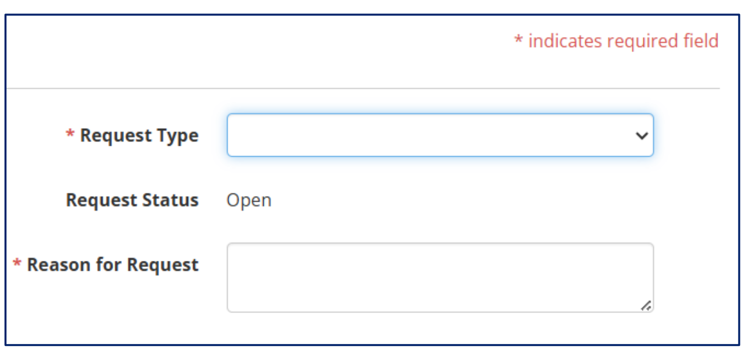
2. From the *Main Menu ribbon*, select the **Requests** tab then **New Service Request**.



3. On the left side of the page, select the **Taxpayer Name** and associated **Tax Account** for which the Service Request will be submitted.

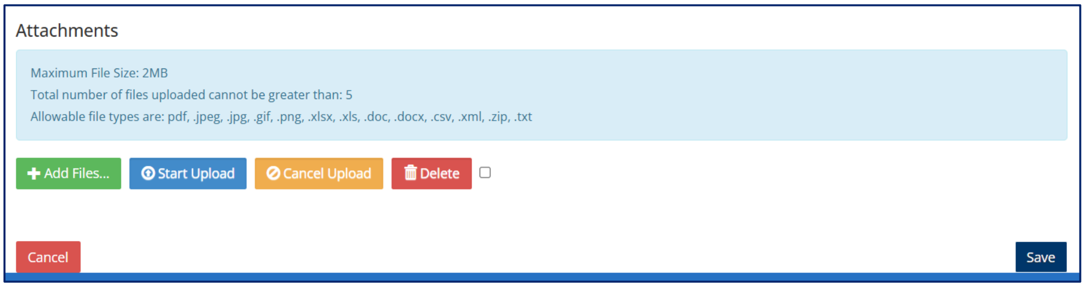


4. On the right side of the page, select the **Request Type** from the drop down and enter the *Reason for Request*.



5. The *Request Details* section will expand to allow for required and additional information and attachments to be added to the Service Request. All fields marked with an asterisk are required.

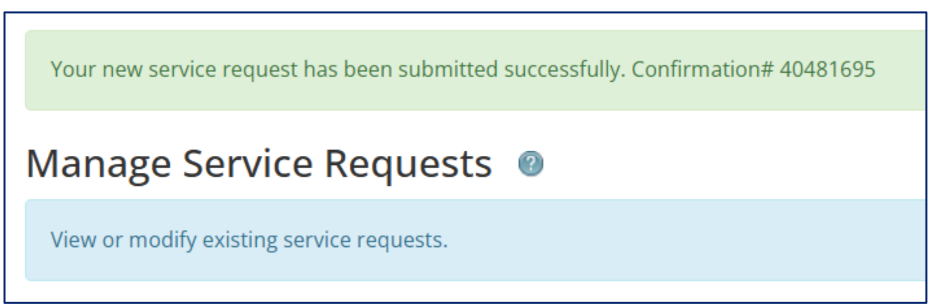
   Once all fields are complete and attachments have been added, select **Save** to complete the Service Request submission.



6. You will be routed to the *Manage Service Requests* page where a green ribbon will appear to indicate the Service Request has been submitted successfully.

   A *Confirmation Number* will be listed in the ribbon. Please record that number for your records.

   Note: all Service Requests are worked in the order they are received.



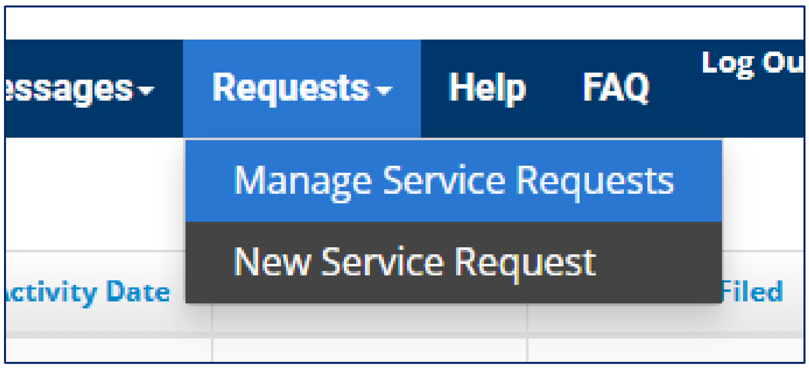
Manage Service Requests Instructions

View updates and communicate with the Department of Revenue staff regarding previously submitted Service Requests.

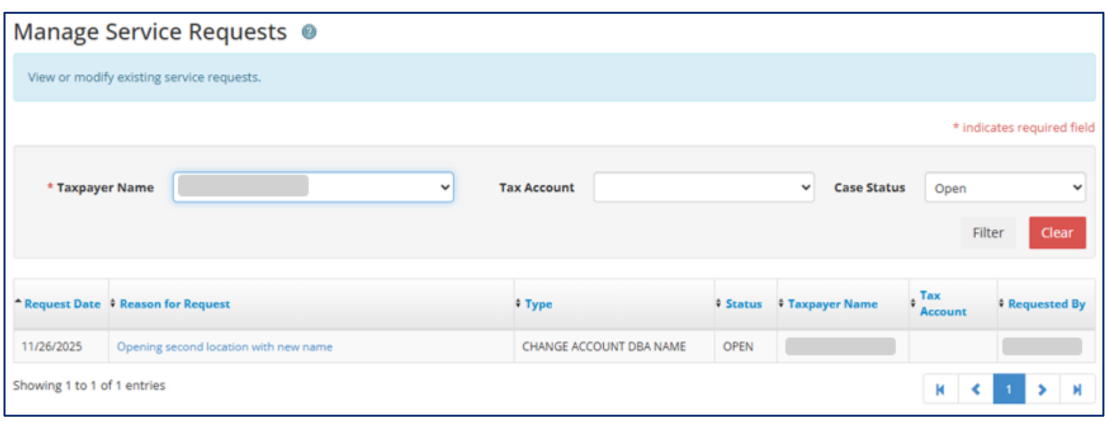
1. All *Service Requests* are worked by Kentucky Department of Revenue employees in the order they are received.

   To check the status of a *Service Request*, you can review the information on the *Manage Service Requests* page.

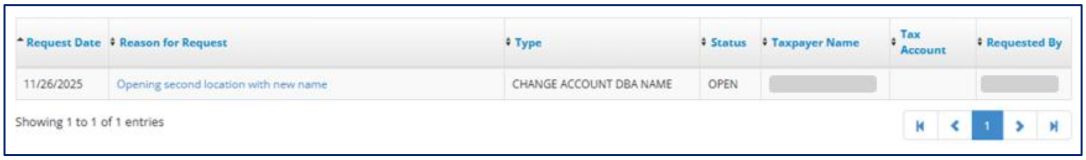
   To view this page starting at the main Account screen, select the **Requests** tab from the *Main Menu ribbon* near the top, then **Manage Service Requests**.



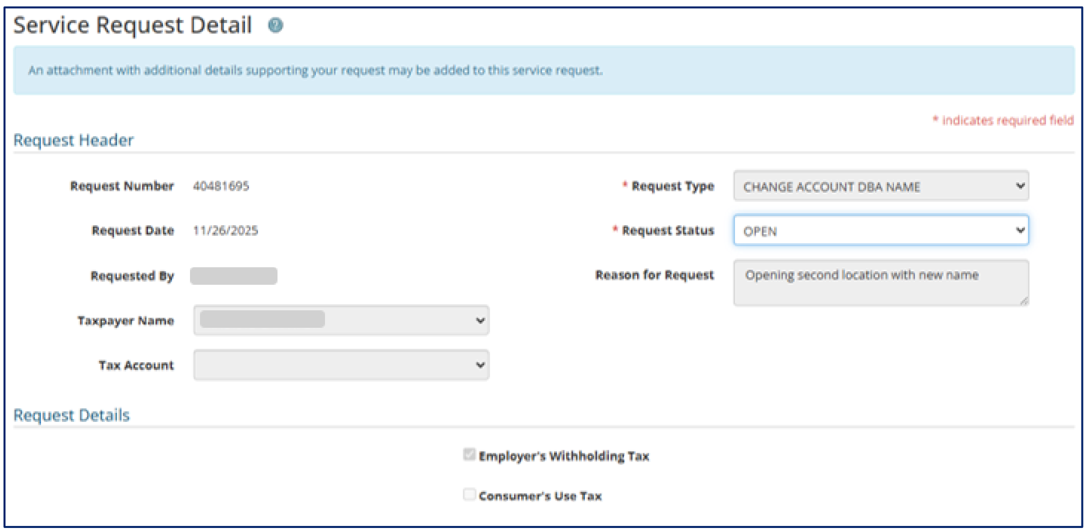
2. On the *Manage Service Requests* screen, you can see at quick glance the status of previously submitted requests. You can also filter the view by choosing a specific **Taxpayer Name** and **Tax Account**, and the **Case Status**.



3. To communicate with the Department of Revenue employees assigned to review and process the Service Request, select the hyperlinked **Reason for Request** line in the chart.



4. The *Service Request Detail* will open. All previously submitted information will show and be greyed out to prevent editing.



5. At the bottom of the page, a *Request Follow Up* section will contain a message box. Type in all information you want to communicate to the Department of Revenue for review on the previously submitted Service Request, then select **Save**.

6. A confirmation ribbon will appear to tell you the information submitted has been saved successfully.

Thank you for doing business in Kentucky. For questions on the process contained in this guide or other MyTaxes portal questions, please contact the Kentucky Department of Revenue Customer Contact Center at 502-764-5555 to connect with a representative who can help.
