This guide provides step-by-step instructions for filing Kentucky K-1 withholding returns using the MyTaxes system. The guide outlines how taxpayers, business owners, associates, and CPAs can successfully navigate the return-filing process from login to submission. This guide applies to MyTaxes users, those who have created a MyTaxes username and signed in at MyTaxes.ky.gov, as well as Migrated Users with former OneStop, KOG, WRAPS, URGL, or Telecom tax accounts that have transitioned to the new MyTaxes system.

File a Kentucky K-1 Return

Follow the steps below to file a Kentucky K-1 return for your tax account. Please use this guide if you are the owner of a Pass-through entity and are liable for tax on your share of the Pass-through entity income, whether or not distributed, and you must include your share on the applicable Kentucky tax return. Other individuals or entities may need to complete a Kentucky Schedule K-1 and should consult a tax professional to determine requirements.

If you have already filed a return and are coming back to the MyTaxes portal to make a payment, proceed to page 14.

1. Log into MyTaxes.ky.gov. Locate the Main Menu ribbon near the top of the page.

2. From the *Main Menu ribbon*, select the **Transactions** tab then **File a Form**.

3. From the File a Form page, choose the appropriate options from the dropdown menus. All fields are required to be completed, and some may pre-populate based on a selection you make.

File a Form

The tax return information below has been prepopulated based on default account information. Please make alternate selections below as needed. Click the "Next" button when you are ready to continue.
Online portal filing for an original return is available for tax periods beginning on or after January 1, 2020. If you need to file an original return for a tax period beginning prior to January 1, 2020, please contact the Department of Revenue.
