Instructions for Form 8863-K

Purpose of Form—Use Form 8863-K to calculate and claim your 2014 education tuition tax credits. The education credits are: the American Opportunity Credit and the Lifetime Learning Credit. These credits are based on qualified undergraduate education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

Part I, Qualifications—All questions in Part I must be answered "Yes" to be eligible to claim the Kentucky education tuition tax credit.

Qualified Education Expenses—See the federal instructions to determine the qualified expenses for the American Opportunity Credit and the Lifetime Learning Credit. The allowable expenses may be different for each credit.

Eligible Educational Institution located in Kentucky—An eligible educational institution is generally any accredited public, nonprofit, or private college, university, vocational school, or other postsecondary institution. The institution must be eligible to participate in a student aid program administered by the Department of Education. The institution must be physically located in Kentucky to qualify.

Part II, American Opportunity Credit—You must enter the student's name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum amount allowed of \$625 for each qualifying student.

Part III, Lifetime Learning Credit—You must enter the student's name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum allowed of \$500 per return.

Part IV, Allowable Education Credits-

Line 12—Multiply Line 11 by 25% (.25). This is your tentative Kentucky allowable credit.

Line 13—Enter the tentative tax from Form 740 or Form 740-NP, page 1, Line 22.

Line 14-Enter the amount from page 2, Part V, Line 34. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

Line 15—Subtract Line 14 from Line 13.

Line 16—Enter the smaller of Line 15 or Line 12.

Line 17—Add Lines 14 and 16. Enter here and on Form 740 or Form 740-NP, Line 23. This is your allowable 2014 education credit.

Line 18—If Line 15 is smaller than Line 12, subtract Line 15 from Line 12. This is the amount of unused credit carryforward from 2014 to 2015. Maintain records for following years.

Part V, Credit Carryforward from Prior Years—The Kentucky education tuition tax credit can be carried forward for up to 5 years if unused during the preceding tax year(s). You must have completed Form 8863-K for any prior year(s) in which you are claiming a credit carryforward.
