This includes sub-surface mineral rights which are taxable as an interest in real property. This return is provided for the purpose of reporting developed oil property. Each year all persons, corporations, businesses and partnerships owning, leasing or having knowledge of developed oil properties in the Commonwealth of Kentucky must complete and file this tax return with the Office of Property Valuation by April 17. File a separate return for each developed property per county. If the division of ownership is different for each well on the property, file a separate tax return for each individual well. Each lease must be listed separately by the purchaser's lease number and name. Do not report leases under a grouped unit number.
