HOW TO OBTAIN ADDITIONAL FORMS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (see page 24). They may also be obtained by writing FORMS, Department of Revenue, 501 High Street, Station 23B, Frankfort, KY 40601, or by calling 502–564–3658. Forms can be downloaded from www.revenue.ky.gov.

KENTUCKY TAX LAW CHANGES

Enacted by the 2021 Regular Session of the General Assembly—

HB 278—Expenses paid with proceeds from forgiven Paycheck Protection Program (PPP) loans or Economic Injury Disaster Loans (EIDL) grants and advances are authorized to be deducted for Kentucky income tax purposes. HB 278 updated KRS 141.019 to allow the same treatment afforded by Pub. L. No. 116-260, sec. 276 and sec. 278, related to the tax treatment of forgiven covered loans, deductions attributable to those loans, and tax attributes associated with those loans for taxable years ending on or after March 27, 2020, but before January 1, 2022. Loans forgiven under the CARES Act Paycheck Protection Program and EIDL grants and advances that are excluded from gross income for federal income tax purposes are also excluded for Kentucky income tax purposes.

HB 84—Income tax exemption provided for disaster response employees and disaster response businesses. HB 84 provided an exemption for qualified disaster response employees and disaster response businesses from income tax for tax years beginning on or after January 1, 2021 but before January 1, 2025. A disaster response business is exempt from income tax under KRS 141.040 (corporations) and KRS 141.020 (sole proprietorships) if the disaster response business has no presence in Kentucky and conducts no business in the state, except for disaster or emergency-related work during a disaster response period and the disaster or emergency-related work was requested by a registered business or a state and local government. Disaster response employees are exempt from income tax if they do not work or reside in Kentucky, except for disaster or emergency-related work during the disaster response period. Disaster or emergency-related work means repairing, renovating, installing, building, or rendering services that are essential to the restoration of critical infrastructure that has been damaged, impaired, or destroyed by a declared state disaster or emergency.

The work must take place up to 10 days prior and up to 30 days after the declared disaster or emergency (“the disaster response period”). NOTE: This exemption does not apply to the LLET or to taxes imposed under KRS 141.206 on pass-through entities, such as nonresident withholding.

HB 249—Nonresident withholding on corporations by pass-through entities is not required for tax years beginning on or after January 1, 2022. Effective for tax years beginning on or after January 1, 2022, withholding of income tax on the distributive share of a corporate partner or corporate member that is doing business in Kentucky only through its ownership interest in a pass-through entity is no longer required under KRS 141.206 and 141.207. Corporations doing business in Kentucky are subject to Kentucky corporation income tax under KRS 141.040. Composite return language in KRS 141.206 was also removed. Corporations doing business in Kentucky through their ownership of a pass-through entity are still subject to income tax and LLET. NOTE: Withholding for nonresident individuals is still required.

HB 321—New West End Tax Increment Financing (TIF) Project created. HB 321 created a new TIF development district in Louisville designated as the West End Opportunity Partnership for both local and state tax revenues. The 20 year TIF program begins once the required initial investment has been made. The Commonwealth is required to pledge 80% of the incremental state tax revenues received from the development area to the West End Opportunity Partnership. The project will use this incremental revenue to reinvest into the project development area. State revenues include state real property ad valorem taxes, individual income taxes required to be withheld by an employer, and sales taxes. State tax revenues do not include revenues that have been pledged to support other TIF and economic development projects within the development area.
**Tax Credit Changes:**

**HB 563—Education Opportunity Account Program—** Pursuant to Franklin Circuit Court’s October 8, 2021 Opinion and Order addressing a challenge to the constitutionality of HB 563, which, in part, established a tax credit for a limited pool of Kentuckians to pay for private school tuition, the Department of Revenue was ordered to cease administering the programs established by the bill. Accordingly, the Department of Revenue shall not approve the creation or operation of any Account-Granting Organizations, the establishment of any Educational Opportunity Accounts, or grant any tax credits to fund such organizations and accounts under the legislation enacted in House Bill 563. See KRS 141.500 et seq.

The Department of Revenue will update its website, revenue.ky.gov, to notify the public of any future changes based upon subsequent judicial decisions and/or legislative enactments.

**HB 249—Major Recycling Tax Credit applicants allowed an extra year to apply.** HB 249 extended the major recycling tax credit application, Schedule RC, due date to the first day of the seventh month after the close of the tax year following the tax year in which the recycling and composting equipment was purchased or placed into service. For example, a calendar-year taxpayer with a major recycling project that puts recycling and composting equipment into service April 1, 2021 has until July 1, 2023 to apply for the credit. The change applies only to major recycling projects and is effective for tax years beginning on or after January 1, 2020, but before January 1, 2024.

**SB 255—Energy-related tax credits expanded to include commercial cryptocurrency mining operations.** The tax credit program created under the Incentives for Energy Independence Act (IEIA) was revised and renamed to the Incentives for Energy-Related Businesses Act (IEBA) effective July 1, 2021. SB 255 established the incentive application process through the Kentucky Economic Development Finance Authority. Eligibility for the nonrefundable and nontransferable tax credits available under the program was opened to commercial cryptocurrency mining operations that invest capital of at least one million dollars in a cryptocurrency mining facility in the state. An approved company may be eligible for a credit of up to 100% of the Kentucky income tax imposed under KRS 141.040 or 141.020, and the LLET imposed under KRS 141.0401 (not below the $175 minimum) that would otherwise be owed by the approved company to the Commonwealth for the approved company’s tax year, on the income, Kentucky gross profits, or Kentucky gross receipts of the approved company generated by or arising from the eligible project, with the ordering of credits as provided in KRS 141.0205.

**HB 249—Film tax credit made refundable for qualified applications approved on or after January 1, 2022.** To qualify, HB 249 stipulated that the film production must begin within six months after applying for the credit and production must be completed within two years of the production start date. The credit amount ranges between 30% to 35% of qualifying expenditures (full 35% in enhanced counties) against income tax and LLET. A minimum combined total of qualifying expenditures and qualifying payroll expenditures must be met. The overall film tax credit cap was lowered from $100 million to $75 million beginning in calendar year 2022. The credit is to be administered by the Kentucky Economic Development Finance Authority together with the Department of Revenue. The Office of Film and Tourism Development was eliminated.

**HB 249 and 321—Historic Rehabilitation Tax Credit cap raised to $100 million for applications received on or after April 30, 2022.** HB 249 and HB 321 provided that 25% of the tax credit cap must be allocated to owner-occupied residential property, which will be allowed a credit against income tax and LLET of 30% of qualified expenses. 75% of the tax credit cap must be allocated to other property types, including major certified rehabilitation projects, which will be allowed a credit of 20% of qualified expenses. The Kentucky Heritage Council was also authorized to award one major certified rehabilitation tax credit for the first $30 million of qualified expenses for a certified historic structure that meets certain specific parameters. The credit is refundable and transferable against income tax and LLET and is available for up to four years with a maximum of 25% of the total approved credit allowed to be claimed each year. See KRS 171.3963.

**HB 321—West End Development Area tax credit created.** In conjunction with the West End TIF Project, HB 321 created a refundable and nontransferable tax credit to be used against individual income tax. The credit is equal to the amount by which the property tax timely paid on the residential property in the development area exceeds the amount of property tax assessed on that residential property on January 1, 2021. The property must be the owner’s principal residence, located within the development area, and owned as of January 1, 2021. The tax credit ends in the taxable year when the residential property is sold by the owner or the period allowed for incremental revenues pledged to the West End TIF Project ends, whichever is earlier.
Inventory Tax Credit fully phased in. The inventory tax credit increases to 100% of the ad valorem (tangible personal property) tax described in KRS 132.020(1)(e) or 132.099 timely paid in 2021.

CURRENT YEAR INTEREST RATE

Pursuant to KRS 131.183, the 2022 tax interest rate has been set at three percent (3%). The rate charged by the Kentucky Department of Revenue on unpaid taxes is five percent (5%) and when interest is due on a refund, the rate is one percent (1%).

KENTUCKY FORM CHANGES

Form 8948 (K-C)—Request for Waiver of Electronic Filing Requirement. Tax preparers can use Form 8948 (K-C) if they have a valid reason why they are not able to file a Kentucky corporation or pass-through entity income tax return electronically. This form is only applicable for Forms 720, 720U, 725, and PTE and must be submitted to the Department of Revenue for approval before filing on paper. A copy of the approved form must be attached to the paper-filed return.

Schedule CHEM—Renewable Chemical Production Tax Credit Certificate and Schedule. Taxpayers must submit this form to the Department of Revenue to obtain certification of the renewable chemical tax credit, to report the amount of credit utilized each year and track any applicable carryforward balance, and to report the number of pounds in molecular weight of renewable chemicals produced in Kentucky and to report the amount of tax credit utilized. Preliminary approval of this tax credit must be obtained through the Department of Agriculture. The tax credit is available for tax years beginning on or after January 1, 2021. The taxpayer must file Schedule CHEM with the Department of Revenue no later than March 1 following the close of the preceding calendar year.

Package IEBA—Incentives for Energy-Related Business Act Tax Credit. This package contains the computation schedules and tracking schedules used in order to claim and utilize the revised credit for energy-related businesses.

Schedule CC—Coal Conversion Tax Credit
The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

• **Account Closure**—There are different requirements for the Secretary of State and the Department of Revenue when ceasing operations and closing an account. It is advised that you consult with both agencies when closing a business tax account.

• **Account Number/FEIN**—Always ensure the correct Kentucky Corporation/LLET account number and FEIN is used on the return being filed.

• **Payments**—Place payments on the front of the return so that they are clearly visible. Do not leave check stubs attached to checks. Check stubs will delay the machines that sort incoming mail, which causes longer processing times.

• **Estimated Payments**—Make estimated payments on a timely basis to avoid penalty.

• **EFT Payments**—When making EFT payments online, use the taxable year ending, NOT the due date of the payment.

• **Form KBR-V**—Form KBR-V is a payment voucher for e-filed returns and for payments submitted separately for paper filed returns. It is NOT an extension form. To extend a filing date, use Form 720EXT, Extension of Time to File Kentucky Corporation/LLET Return.

• **Extensions**—Extensions are for extending the filing date only; late payment penalties and interest apply to payments made after the original due date.

• **Corrected K-1’s**—Adjustments to LLET or distributive share require that corrected Kentucky K-1’s are sent to all partners, members, or shareholders for proper compliance by taxpayers.

• **Schedule A**—Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the corporation has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.

• **Incorrect Year Forms**—Returns submitted on the wrong year form on or before the due date will be accepted as timely filed, but will require the return to be submitted on the correct year form before the return can be processed.

• **Additional errors that delay processing returns:**
  - Incorrect form submitted
  - Incorrect tax exemption code
  - Incomplete information
  - Missing forms or schedules
  - Incorrect taxable year end
  - Failure to include payment of tax due with the return
  - Omitting Form 720EXT when paying with an extension
IMPORTANT
Pass-through entities must create a Kentucky Form 4562, Schedule D and Form 4797 by converting federal forms.

Schedule 4562

Depreciation—For property placed in service after September 10, 2001, Kentucky depreciation ($168) is determined per the Internal Revenue Code (IRC) in effect on December 31, 2001.

Section 179 Deduction—For property placed in service after September 10, 2001, but prior to January 1, 2020, only the expense deduction ($25,000) allowed under §179 of the IRC in effect on December 31, 2001, exclusive of any amendments made subsequent to that date, is allowed.

For property placed in service on or after January 1, 2020, only the expense deduction ($100,000) allowed under §179 of the IRC in effect on December 31, 2003, exclusive of any amendments made subsequent to that date, is allowed, except that the phase-out provisions of §179 of the IRC limiting the qualifying investment in property, shall not apply.

For 2020 returns and forward, any pass-through entity that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and IRC §179 expense deduction for Kentucky:

- MACRS bonus depreciation;
- IRC §179 expense deduction in excess of $25,000 for property placed in service after September 10, 2001, but prior to January 1, 2020; or
- IRC §179 expense deduction in excess of $100,000 for property placed in service on or after January 1, 2020.

If a pass-through entity has taken MACRS bonus depreciation or IRC §179 expense deduction in excess of the amounts outlined above for any year, federal and Kentucky differences will exist and the differences will continue through the life of the assets.

Important: If a pass-through entity has not taken MACRS bonus depreciation or the IRC §179 expense deduction in excess of the amounts outlined above, then the phase-out provisions of §179 of the IRC limiting the qualifying investment in property, shall not apply.

Determining and Reporting Depreciation and IRC §179 Deduction Differences—

1. The depreciation from federal Form 1120S, Line 14 or Form 1065, Line 16(a) and depreciation claimed on federal Form 1125-A or elsewhere on Form 1120S or Form 1065 must be included on Form PTE, Part I, Line 3. If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form PTE to substantiate that no adjustment is required.

2. Convert federal Form 4562 to a Kentucky form by entering Kentucky at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation ($168) per the IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance. NOTE: For Kentucky purposes, for property placed into service after September 10, 2001, but prior to January 1, 2020, the maximum IRC §179 deduction amount on Line 1 is $25,000 and the threshold cost of IRC §179 property on Line 2 is $200,000. For property placed into service after September 10, 2001, but prior to January 1, 2020, the maximum allowable IRC §179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying IRC §179 property placed in service during the year exceeds the threshold. In determining the IRC §179 deduction for Kentucky for property placed into service after September 10, 2001, but prior to January 1, 2020, the income limitation on Line 11 should be determined by using Kentucky net income before the IRC §179 deduction instead of federal taxable income. For Kentucky purposes, for property placed into service on or after January 1, 2020, the maximum IRC §179 deduction amount on Line 1 is $100,000 and the phase-out threshold does not apply for purposes of determining Kentucky depreciation.

3. The pass-through entity must attach the Kentucky Form 4562 to Form PTE, and the amount from Kentucky Form 4562, Line 22 must be included on Form PTE, Part I, Line 13. A Kentucky Form 4562 must be filed for each year, even though a federal Form 4562 may not be required.

Schedule 4797 and Schedule D

Gains/Losses from Disposition of Assets—Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the pass-through entity disposes of assets on which it has taken the special depreciation allowance or the additional IRC §179 deduction for federal income tax purposes, the pass-through entity will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. Convert federal Schedule D (Form 1120S or Form 1065) and other applicable federal forms to Kentucky forms by entering Kentucky at the top center of the form, and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the amount from Kentucky Schedule D, Line 7 on Form PTE, Schedule K, Section A, Line 4(d) or 7. Enter the amount from Kentucky Schedule D, Line 15 on Form PTE, Schedule K, Section A, Line 4(e) or 7. Federal Schedule D (Form 1120S or Form 1065) filed with the federal return and the Kentucky Schedule D must be attached to Form PTE.

2. If the amount reported on federal Form 1120S, Line 4 or Form 1065, Line 6 (from Form 4797, Line 17) is a loss, enter this amount on Form PTE, Part I, Line 5. Convert federal Form 4797 and other applicable federal forms to Kentucky forms by entering Kentucky at the top center of the form and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. Enter the amount on Kentucky Form 4797, Line 17 is a gain, enter this amount on Form PTE, Part I, Line 6. If the amount on Kentucky Form 4797, Line 17 is a loss, enter this amount on Form PTE, Part I, Line 5. Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form PTE.
Tax Treatment of S Corporation and Shareholder(s)

A corporation which elects S corporation treatment for federal income tax purposes per §1361(a) and 1361(b) of the IRC must file as an S corporation for Kentucky income tax purposes. For taxable years beginning on or after January 1, 2007, an S corporation is classified as a limited liability pass-through entity per KRS 141.010(22). For taxable years beginning on or after January 1, 2007, an annual limited liability entity tax (LLET) must be paid by every corporation and every limited liability pass-through entity doing business in Kentucky on all Kentucky gross receipts or Kentucky gross profits per KRS 141.0401(2), unless specifically excluded. See LLET Exemption Codes on page 10 of these instructions.

For tax years beginning on or after January 1, 2007, an S corporation is required: (1) to submit installments of tax on the recapture of LIFO reserves per IRC §1363(d); (2) pay tax on built-in gains per IRC §1374; and (3) pay tax on net passive investment income per IRC §1375. The tax rate imposed on the LIFO recapture, built–in gains, and net passive investment income is five percent (5%). KRS 141.040(4)

In determining tax per KRS Chapter 141, a resident individual, estate, or trust that is a shareholder of an S corporation must take into account the shareholder’s total distributive share of the S corporation’s items of income, loss, and deduction. In determining tax per KRS Chapter 141, a nonresident individual, estate, or trust that is a shareholder of an S corporation must take into account the shareholder’s total distributive share of the S corporation’s items of income, loss, and deduction multiplied by the apportionment fraction. KRS 141.206(11) and KRS 141.206(7) and (8)

Resident and nonresident individual shareholders are entitled to a nonrefundable LLET credit against tax imposed under KRS 141.020 (Kentucky individual income tax). The nonrefundable LLET credit allowed shareholders is the shareholders’ proportionate share of the LLET for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by $175. The credit allowed shareholders may be applied to the income tax assessed on income from the S corporation. Any remaining credit from the S corporation will be disallowed. KRS 141.0401(3)(c)

GENERAL INFORMATION

Internal Revenue Code Reference Date—Kentucky’s Internal Revenue Code (IRC) reference date is December 31, 2018, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2018, that would otherwise terminate, for purposes of computing corporation and individual income tax, except for depreciation differences per KRS 141.0101. Who Must File—LLET and Corporation Income Tax

LLET—The limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86–272 do not apply to the limited liability entity tax imposed by KRS 141.0401. A Kentucky Pass-Through Entity Income and LLET Return (Form PTE) must be filed by every pass-through entity: (a) organized under the laws of this state; (b) having its commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a pass-through entity doing business in this state; (f) deriving income from or attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state, or deriving income directly or indirectly from a single member limited liability company that is doing business in this state and is disregarded as an entity separate from its single member for federal income tax purposes; or (g) directing activities at Kentucky customers for the purpose of selling them goods or services. KRS 141.010(13), KRS141.040, KRS 141.0401, and KRS 141.206

Disregarded Entities—A Qualified Sub Chapter S Subsidiary (QSSS) and a single member limited liability company (LLC) are treated in the same manner as they are treated for federal income tax purposes. Therefore, a QSSS or a single member LLC that is disregarded for federal income tax purposes should be included in the return filed by its single member (owner). All disregarded entities included in the return should be listed on the Schedule DE and attached to the return. KRS 141.010(13) and KRS 141.200(10)

Pass–through Entities—A pass-through entity doing business in Kentucky solely as a partner or member in a pass-through entity will file Form PTE per KRS 141.010, 141.120, and 141.206. (See Schedule A—Apportionment and Allocation Instructions.)

Nonresident Withholding and Composite Return (Form 740NP–WH)

A partner or member that is an S corporation or partnership is not subject to withholding. S corporations and partnerships are pass-through entities per KRS 141.010(22).

KRS 141.206(4) provides that for taxable years beginning on or after January 1, 2019, every pass–through entity required to file a return under KRS 141.206(1), except publicly traded partnerships defined in KRS 141.0401(6)(a)18. and (b)14., must withhold Kentucky income tax or file a composite return on the distributive share, whether distributed or undistributed, of each nonresident individual (includes an estate, trust, or general partnership) partner, member, or shareholder, or each C corporation partner or member that is doing business in Kentucky only through its ownership interest in a pass–through entity. Withholding and composite filing is at the highest rate provided in KRS 141.020 or KRS 141.040.

Withholding is not required if: (a) the partner, member, or shareholder is exempt from withholding per KRS 141.206(6) (a); (b) the partner or member is exempt from Kentucky income tax per KRS 141.020 or KRS 141.040; (c) the pass-through entity is a qualified investment partnership per KRS 141.206(14), and the partner, member, or shareholder is an individual; or (d) the partner or member is a pass-through entity.

For taxable years beginning on or after January 1, 2019, a pass-through entity required to withhold or file a composite return on Kentucky income tax per KRS 141.206 must make estimated tax payments if required by KRS 141.206(5). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2019, use Form 740NP-WH-ES (Kentucky Estimated Tax Voucher).

The reporting of a nonresident individual’s, estate’s, trust’s, or general partnership’s net distributive share income and withholding on Form 740NP–WH at the rate of five percent (5%) will satisfy the filing requirements of KRS 141.180 for a nonresident individual, estate, trust, or general partnership partner, member, or shareholder whose only Kentucky source income is net distributive share income. The partners’, members’, or shareholders’ distributive share of income must include all items of income or deduction used to compute adjusted gross income on the Kentucky return that is passed through to the partner, member, or shareholder by the pass–through entity, including but not limited to interest, dividend, capital gains or losses, guaranteed payments, and rents (KRS 141.206(15)). The nonresident individual, estate, trust, or general partnership partner, member, or shareholder may file a Kentucky Individual Income Tax Return Nonresident or Part–Year Resident (Form 740–NP) or a Kentucky Fiduciary Income Tax Return (Form 741) to take advantage of the credits and deductions.

A pass–through entity must file Form 740NP–WH and complete a Form PTE–WH for each nonresident individual, estate, trust, or general partnership partner, member, or shareholder; or corporate partner or member. Form 740NP–WH with a copy of each Form PTE–WH must be filed and paid with the Department of Revenue by the 15th day of the fourth month following the close of the taxable period. Provide two copies of Form PTE–WH to each partner, member, or shareholder.
Accounting Procedures—Kentucky income tax law requires a pass-through entity to report income on the same calendar or fiscal year and to use the same methods of accounting required for federal income tax purposes. Any federally approved change in accounting periods or methods must be reported to the Department of Revenue. Check the applicable box on page 1, Item G, and attach a copy of the federal approval to the return when filed. KRS 141.140

A copy of the federal extension submitted after the return is filed does not constitute a valid extension, and late filing penalties will be assessed. A copy of the federal Form 7004 should not be mailed to the Department of Revenue before filing the return.

NOTE: An extension of time to file a return does not extend the date for payment of tax.
Corporation Estimated Taxes

The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720ES, is used to submit estimated tax payments for corporation income tax and LLET. See Electronic Funds Transfer (EFT). If the pass-through entity is required to make estimated tax payments and needs Form 720ES vouchers, contact the Department of Revenue at 502–564–3658.

Corporation Estimated Tax Payments—A pass-through entity must make estimated tax installments if its combined tax liability under KRS 141.040 and KRS 141.0401 can reasonably be expected to exceed $5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed $5,000, 25% of the estimated tax must be paid by the 15th day of the 4th month, 15th day of the 6th month, 15th day of the 9th month, and the 15th day of the 12th month of the tax year.

Recalculating Estimated Tax—If after the pass-through entity calculates and pays its estimated tax, it finds that its tax liability for the year will be more or less than originally estimated, it may have to recalculate its required installments. If earlier installments were underpaid, the pass-through entity may owe a penalty. An immediate payment should be made to reduce the amount of penalty resulting from the underpayment of earlier installments, whether caused by a change in estimate, failure to make a payment, or a mistake.

Penalty—Failure to make estimated installments, pay an estimated installment in full, or pay estimated installments timely will result in an addition to tax that will be considered a penalty under KRS 141.044. The tax interest rate plus 2 percent identified under KRS 131.183 is the underpayment rate used to calculate the penalty. The entity should use Form 2220-K to determine the penalty. KRS 141.044 and KRS 141.990

Amended Return—To correct Form PTE as originally filed, file an amended Form PTE and check the appropriate box on page 1, Item G. If the amended return results in a change in income or a change in the distribution of any income or other information provided to partners or shareholders, an amended Schedule K–1 (Form PTE) must also be filed with the amended Form PTE and a copy given to each partner or shareholder. Check Item E(2) on each Schedule K–1 to indicate that it is an amended Schedule K–1.

Internal Revenue Service Audit Adjustments—Partnerships and partners must report final federal adjustments arising from a partnership level audit or an administrative adjustment request and make any required payments no later than ninety (90) days after the final determination date by filing with the department a completed federal adjustments report. Use Form PTE or prior year’s Form 765 for reporting federal audit adjustments, check the Amended Return box, and attach the complete Revenue Agent Report (RAR) and all other information required by the department. An audited partnership must also notify each of its direct partners of their distributive share of the final federal adjustments, including all information required by the department, and it must file an amended withholding return for direct partners as required under KRS 141.206 and pay the additional amount of tax that would have been due had the final federal adjustments been reported properly as required. No later than 180 days after the final determination date, each direct partner taxed under KRS 141.020 or KRS 141.040 must file a federal adjustments report showing their distributive share of the adjustments reported to them by the partnership and pay any additional tax due as if final federal adjustments had been properly reported, plus any applicable penalty and interest. The direct and indirect partners of an audited partnership that are tiered partners and all of the partners of those tiered partners that are subject to tax under KRS 141.020 and 141.040 are subject to these reporting and payment requirements.

If an audited partnership properly reports final federal adjustments within 90 days of the final determination date, it may make an election to pay, within 180 days of the final determination date, an amount in lieu of taxes, as determined under KRS 141.211(4)(b), owed by its direct and indirect partners.

S-Corporations must report and pay income tax due resulting from final federal adjustments arising from any action by the Internal Revenue Service or reported by the taxpayer on a timely filed amended federal income tax return by filing a federal adjustments report with the department for the reviewed year and, if applicable, paying any additional tax owed within 180 days after the final determination date. Use Form PTE or prior year’s Form 720S for reporting federal audit adjustments, check the Amended Return box, and attach the complete Revenue Agent Report (RAR) and all other information required by the department.

The department may assess any amount of tax, interest, and penalties due arising from the federal adjustments for a timely filed federal adjustments report or amended Kentucky tax return up to one year following the date the federal adjustments report or amended Kentucky return was filed. If a taxpayer fails to file the federal adjustments report, or the filed federal adjustments report omits final federal adjustments or understates the correct amount of tax owed, the department may assess any amounts of tax, interest, and penalties arising from the federal adjustments up to six years following the final determination date. A taxpayer may request a refund or credit of tax arising from federal adjustments made by the IRS by the later of four years after the date the tax was paid or up to one year from the date the federal adjustments report was required to be reported to the department. For taxable years beginning after December 31, 2019, a taxpayer that purchases recycling and/or composting equipment to be used exclusively in Kentucky for recycling or composting post-consumer waste material that qualifies as a Major Recycling Project is entitled to a nonrefundable credit against the taxes imposed by KRS 141.020, KRS 141.040, and KRS 141.0401. The credit is an amount equal to 25 percent of the installed cost of the recycling or composting equipment. The amount of credit claimed in a taxable year subsequent to the taxable year during which the recycling equipment is purchased shall not exceed seventy-five percent (75%) of the total of each tax liability, which would be otherwise due for that taxable year. To qualify, the taxpayer must: (1) invest more than $10,000,000; (2) have at least 400 full-time employees with an average hourly wage of more than 300% of the federal minimum wage; and (3) have plant and equipment costing at least $500,000,000.

A copy of the notification from KEDFA reflecting the amount of credit granted and the year in which the credit may first be claimed must be attached to the tax return claiming this credit.

The tax credit amount that may be claimed by an investor in any tax year must not exceed 50 percent of the initial aggregate credit amount approved by the authority for the investment fund which is proportionally available to the investor. Example: An investor with a 10 percent investment in a fund which has been approved for a total credit to all investors of $400,000 is limited to $20,000 maximum credit in any given year ($400,000 x 10% x 50%).

If the amount of credit that may be claimed in any tax year exceeds the tax liabilities, the excess credit may be carried forward, but the carryforward of any excess tax credit will not increase the limitation that may be claimed in any tax year. Any credit not used in 15 years, including the year in which the credit may first be claimed, will be lost.

Information regarding the approval process for these credits may be obtained from the Cabinet for Economic Development, Department of Financial Incentives at 502–564–4554. KRS 141.068

YOUR RIGHTS
AS A KENTUCKY TAXPAYER

As part of the Finance and Administration Cabinet, the mission of the Kentucky Department of Revenue (DOR) is to administer tax laws, collect revenue, and provide services in a fair, courteous, and efficient manner for the benefit of the Commonwealth and its citizens.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest a Notice of Tax Due or the denial of a refund. Others are more general.

The following is a summary of your rights and the DOR’s responsibilities to you as a Kentucky taxpayer.

RIGHTS OF TAXPAYER

Privacy
You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

Assistance
You have the right to advice and assistance from the DOR in complying with state tax laws.

Explanation
You have the right to a clear and concise explanation of:

✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
✓ procedure for protest and appeal of a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement; and
✓ tax laws and changes in tax laws so that you can comply with the law.

Protest and Appeal
You have the right to file a protest with the DOR if you disagree with a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement. If you file a timely protest, you have a right to a conference to discuss the matter. If you are not satisfied with the Department's final ruling following your protest, you may appeal the final ruling to the Kentucky Board of Tax Appeals pursuant to KRS 131.110(5) and KRS 49.220 et. seq. (See reverse for procedure to file a protest.)

Representation
You have the right to representation by your authorized agent (attorney, accountant, or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you will be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent. See Form 20A100.

Recordings
You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

Consideration
You have the right to consideration of:

✓ waiver of penalties or collection fees if “reasonable cause” for reduction or waiver is given (“reasonable cause” is defined in KRS 131.010(9) as: “an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation”);
✓ installment payments of delinquent taxes, interest, and penalties;
✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
✓ extension of time for filing reports or returns; and
✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

Guarantee
You have the right to a guarantee that DOR employees are not paid, evaluated, or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

Damages
You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Tax Appeals if a DOR employee willfully, recklessly, and intentionally disregards your rights as a Kentucky taxpayer.

Interest
You may have the right to receive interest on an overpayment of tax.

DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

✓ perform audits and conduct conferences and hearings with you at reasonable times and places;
✓ authorize, require, or conduct an investigation or surveillance of you only if it relates to a tax matter;
✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
✓ conduct educational and informational programs to help you understand and comply with the laws;
✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;
advise you of procedures, remedies, and your rights and obligations with an original notice of audit or when an original Notice of Tax Due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked, or cancelled;

- notify you in writing prior to termination or modification of a payment agreement;

- furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment;

- resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;

- notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed; and

- notify you by certified mail 20 days prior to submitting your name to the relevant agency for the revocation or denial of professional license, driver's license, or motor vehicle registration.

**PROTEST AND APPEAL PROCEDURE**

**Protest**

If you receive a Notice of Tax Due, or if the DOR notifies you that a tax refund has been reduced or denied, or the DOR denies your request for additional time to file a supporting statement, you have the right to protest. To do so:

- submit a written protest within 60 days from the original notice date (or 45 days if the original notice date is prior to 07/01/2018); notice of refund reduction or denial, or denial of a request for additional time to file a supporting statement;

- identify the type of tax involved and give the account number, Social Security number, or other identification number and attach a copy of the DOR Notice of Tax Due or refund denial to support that your protest is timely;

- explain why you disagree;

- attach any proof or documentation available to support your protest or request additional time to support your protest;

- sign your statement, include your daytime telephone number and mailing address; and

- mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620.

**Conference**

You have the right to request a conference to discuss the issue.

**Final Ruling**

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

**Appeal**

If you do not agree with the DOR’s final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court).

**NOTE:** The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

**TAXPAYER OMBUDSMAN**

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers’ rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit, handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, 501 High Street, Station 1, Frankfort, Kentucky 40601.
