- **WEB DIRECT FILLABLE FORMS FILING METHOD:** Web Direct Fillable Forms allow you to complete your tax return forms online via the Web. Using this option allows you to enter all data required on the tax return and the supporting schedules.
- **EDI FILING METHOD:** EDI filing allows you to extract data from your internal computer system, format it into either an ANSI X.12 813 4030 format or an ASCII format and transmit it to the KY DOR Motor Fuel Tax e-File system. In addition, this user will also have Web Direct access to view and update the transmitted data before completing their filing requirements.

FILING METHOD SELECTION: You must carefully consider the option you are selecting to file your Fuel Tax returns electronically to the KY DOR Motor Fuel Tax e-File system. To change filing options you must complete, sign, and return a new application to the fax number specified above.
