# What's New

**STANDARD DEDUCTION**—For 2025, the standard deduction is \$3,270.

**INDIVIDUAL INCOME TAX RATE**—For 2025, the tax rate for individual income tax is 4%.

**FAMILY SIZE TAX CREDIT**—This credit provides benefits to individuals and families at incomes up to 133 percent of the threshold amount based on the federal poverty level. The 2025 threshold amount is \$15,650 for a family size of one, \$21,150 for a family of two, \$26,650 for a family of three, and \$32,150 for a family of four or more.

**INTERNAL REVENUE CODE DATE**—HB 775 updated KRS 141.010(21) to change the Internal Revenue Code (IRC) reference date from December 31, 2023, to December 31, 2024, for purposes of computing corporation and individual income taxes. However, taxpayers who placed property into service after September 10, 2001, are required to compute Kentucky depreciation under IRC Section 168 according to the provisions in effect on December 31, 2001. Taxpayers who placed property into service after September 10, 2001, but before January 1, 2020, are required to compute the expense deduction under IRC Section 179 according to provisions in effect on December 31, 2001. Taxpayers who placed property into service on or after January 1, 2020, are required to compute the expense deduction under IRC Section 179 according to provisions in effect on December 31, 2003, except that the phase-out provisions of IRC Section 179, limiting the qualifying investment in property, shall not apply.

**FEDERAL TAX LAW CHANGES**—Recent federal income tax changes were enacted after Kentucky's conformity date set forth in KRS 141.010(21). As a result, these federal changes do not apply to Kentucky returns. Items such as qualified tips, overtime income, and car loan interest are not deductible on the Kentucky return. Social Security income, which was already exempt from Kentucky taxation prior to the federal updates, remains exempt under KRS 141.019(1)(e).

**QUALIFIED BROADBAND INVESTMENT TAX CREDIT**—For taxable years beginning on or after January 1, 2025, but before January 1, 2029, a nonrefundable and nontransferable credit allowed against the taxes imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401 is available for the expansion of broadband services in Kentucky. The credit application must be submitted to the Department of Revenue by December 31 of the current calendar year. The Department will review and approve the allowable credit amount by February 1. The total amount of Qualified Broadband Investment Tax Credit is capped at \$5 million dollars annually.

## Reminders

**REFUNDABLE PASS-THROUGH ENTITY TAX CREDIT**—The Kentucky General Assembly passed HB 5 during the 2023 Regular Session that established a new Section of KRS Chapter 141 allowing an authorized person to make an annual election to file and pay income tax at the entity level on behalf of the pass-through entity effective for tax years beginning January 1, 2022. Individual owners filing Kentucky individual income tax returns with tax imposed by KRS 141.020 are allowed a refundable pass-through entity tax credit passed through on Form PTET-CR. The credit may be claimed on Kentucky Form 740 or Form 740NP, line 31(g), Refundable Pass-Through Entity Tax Credit.

**INVENTORY TAX CREDIT WORKSHEET**—A new Kentucky Inventory Tax Credit Worksheet has been added to the Schedule ITC instructions. If an amount is claimed on Section A, line 23 of the Schedule ITC, the Kentucky Inventory Tax Credit Worksheet should be completed for each entity that has passed through an Inventory Tax Credit to the individual income tax return. A Worksheet INV would not be utilized when the Schedule INV is taxed as an individual. A Schedule INV and Worksheet INV should not be submitted for the same entity.

The new Kentucky Inventory Tax Credit Worksheet is below.

### Computer–Generated Returns and 2–D Barcode

Most software packages produce a 2-D barcode. The Department of Revenue scans the barcode that contains all of the information needed to process your return. The barcode is printed in the upper right-hand corner of the return when you prepare your return using an approved software package. **Last minute changes** should be entered into the program and the **entire** return printed again so that the barcode also contains the correct information. This barcode should not be covered up or marked through. Using the barcode reduces data entry errors for the department and results in a faster refund for you.

Check to be sure your software generates an acceptable form. A list of vendors whose software has been approved is posted on the Internet at [revenue.ky.gov](http://revenue.ky.gov), the Department of Revenue's website.

### Free Electronic Filing Options

You may visit <https://revenue.ky.gov/Individual/Pages/FreeFileSoftware.aspx> for free electronic filing options. You may qualify to file your federal and Kentucky individual income tax returns for free depending on your income level. Some offers require state and federal returns to be filed at the same time. The Kentucky Department of Revenue does not endorse any specific tax filing product. Each software company is responsible for the accuracy of the software program instructions and calculations. However, all software packages will produce a return which contains the required data fields. The Kentucky Department of Revenue does not offer technical assistance for these software products. You should contact the tax software customer service department if you have issues using any of the software products.

Kentucky also offers another option for filing your state return electronically, free of charge. If you would like to fill out your Kentucky forms and schedules without software help or assistance you may use the *KY File* website. *KY File* allows you to file current year Kentucky individual income tax returns and is designed to be the simple electronic equivalent of a paper form. It will provide basic mathematical and error checks but unlike most other software it does not ask about or explain tax situations. Your federal forms should be completed before accessing the *KY File* website. You can access the *KY File* website at [Filetaxes.ky.gov](http://Filetaxes.ky.gov).

### Where to Get Forms

Forms and instructions are available online from the Department of Revenue's website at [revenue.ky.gov](http://revenue.ky.gov) and at all Kentucky Taxpayer Service Centers. They may also be obtained by writing FORMS, Kentucky Department of Revenue, 501 High Street, Station 23B, Frankfort, KY 40601, or by calling (502) 564-3658.

### Address Change

If you move after you file your tax return, please notify the Kentucky Department of Revenue of your new address. This can be done by sending a change of address card (available at your local post office) to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181. Notification can also be made to any Kentucky Taxpayer Service Center. A list of locations is included in your packet.

### Refund Inquiries

You may check the status of your refund at [refund.ky.gov](http://refund.ky.gov). This system is available 24 hours a day, 7 days a week, and is updated nightly. The following information from your return will be required:

- Your Social Security Number shown on the return.
- The **exact** whole-dollar amount to be refunded to you.

Information about electronically filed returns should be available within 72 hours of receipt. Information about other refund requests filed on paper will be available after the return has completed initial processing (approximately 12 weeks).

### Need a Copy of Your Tax Return?

If you need a copy of your tax return, you must send your request in writing to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181 or fax to (502) 564-3392. Please include your name(s) as it appeared on your return, Social Security number(s), your complete mailing address, and a photo ID. To ensure confidentiality, all requests must include your signature.

---

## How Long Should Records be Kept?

Keep a copy of your tax return, worksheets and records of all items appearing on it (such as Forms W-2 and 1099 or other receipts) until the statute of limitations runs out for that return. Usually, this is four years from the date the return was due or filed (with extensions), or the date the tax was paid, whichever is later. You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to figure the basis of the original or replacement property.

---

## Filing as an Injured Spouse on Your Federal Form 1040?

**Kentucky does not recognize the federal injured spouse form.** Income tax refunds may be withheld by the department if you owe money to the Kentucky Department of Revenue, another state agency or the Internal Revenue Service.

Kentucky law requires the offset of the entire refund if a joint return is filed. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.** If you choose to file separately on a combined return, for agencies other than the Department of Revenue, the refund will be apportioned between spouses, based on each spouse's income. The indebted spouse's refund will then be paid to the appropriate agency.

---

## Death of a Taxpayer

If a taxpayer died before filing a return for 2025, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return should check the applicable deceased box at the top of the return.

If your spouse died in 2025 and you did not remarry in 2025, you can file jointly or separately on a combined return. The return should show your spouse's 2025 income before death and your income for all of 2025. You can also file jointly or separately on a combined return if your spouse died in 2026 before filing a 2025 return. Write **"Filing as surviving spouse"** in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

## Death of Military Personnel Killed in Line of Duty

KRS 141.019(k) exempts all income earned by soldiers killed in the line of duty from Kentucky tax for the year during which the death occurred and the year prior to the year during which the death occurred.

The exemption applies to tax years beginning after December 31, 2001. The income exclusion applies to all income from all sources of the decedent, not just military income. The exclusion includes all federal and state death benefits payable to the estate or any beneficiaries.

Amended returns may be filed for the year the soldier was killed in the line of duty and the year prior to the year of death. The amended returns must be filed within the statute of limitations period; four years from the due date, the extended due date or the date the tax was paid, whichever is later.

If a combined return was filed, the exclusion would apply to the income reported in Column A or Column B of the Kentucky return attributable to the military member. If a joint return was filed, the income must be separated accordingly. Refunds will be issued in the names on the original return. Beneficiaries or estates that received death benefits that were included in a Kentucky return may file an amended return to request a refund of taxes paid on the benefit.

The Department of Revenue will use the Veterans Administration definition for "in the line of duty," which states that a soldier is in the line of duty when he or she is in active military service, whether on active duty or authorized leave; unless the death was the result of the person's own willful misconduct.

## Income Tax Withholding for 2026

You may elect to increase your withholding by updating your K-4 with your employer. Or if you do not expect to have any tax liability for the current year or you meet the modified gross income requirement, you may be entitled to claim an exemption from withholding of Kentucky income tax.

---

## 2026 Estimated Tax Payments

Individuals who can reasonably expect to have income of more than \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments on Form 740-ES. However, if the amount of estimated tax is \$500 or less, no estimated payments are required. Individuals who do not prepay at least 90% of the tax to be shown on the 2026 tax return, or 100% of the tax shown on the 2025 tax return, may be subject to a penalty for underpayment of estimated tax. For more information on calculating the penalty, please refer to Form 2210-K. Prepayments for 2026 may be made through withholding, a credit forward of a 2025 overpayment or estimated tax installment payments.

Estimated tax installments may now be made electronically at [revenue.ky.gov](https://revenue.ky.gov), using Form EPAY, or when electronically filing your return using Form 8879-K, or through mailing a 740-ES with payment.

The instructions for Form 740-ES include a worksheet for calculating the amount of estimated tax due and for making installment payments. These forms may be obtained from the Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or any Kentucky Taxpayer Service Center, or by calling (502) 564-3658.

---

## Return Adjustments

If the Department of Revenue adjusts your return and you do not understand the adjustment(s), you may write to Taxpayer Assistance, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181, fax your request to Taxpayer Assistance (502) 564-3392, or call (502) 564-4581. Please include your name(s) as it appears on your return, complete Social Security Number(s), notice number(s), and daytime contact information. If you disagree with an adjustment made to your return, you must appeal the adjustment by submitting a written protest within 60 days of notification.

---

## Amended Returns

If you discover that you omitted deductions or otherwise improperly prepared your return, you may obtain a refund by filing an amended return within four years of the due date of the original return. *You are required to file an amended return to report omitted income.* For 2017 and later use form 740 and check the box for amended. For 2016 and prior, use Form 740-X. You may obtain these forms by contacting a Kentucky Taxpayer Service Center or writing FORMS, Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518. You may also download forms at **revenue.ky.gov** the Department of Revenue's website.

---

## Federal Audit Adjustments

Taxpayers who have received a final determination of an Internal Revenue Service audit must submit a copy to the department within 180 days of its conclusion. The information should be submitted to the Individual Governmental Program Section, Kentucky Department of Revenue, P.O. Box 1074, Station 68, Frankfort, KY 40602-1074.

---

## Confidentiality

Kentucky Revised Statute 131.190 requires the Department of Revenue to maintain strict confidentiality of all taxpayer records. No employee of the Department of Revenue may divulge any information regarding the tax returns, schedules or reports required to be filed. However, the Department of Revenue is not prohibited from providing evidence to or testifying in any court of law concerning official tax records. **Also, Department of Revenue employees or any other person authorized to access confidential state information are prohibited from intentionally viewing such information without an official need to view.**

The department may provide official information on a confidential basis to the Internal Revenue Service or to any other governmental agency with which it has an exchange of information agreement whereby the department receives similar or useful information in return.

---

## Extension of Time to File

Taxpayers who are unable to file a return by April 15 may request an extension of time to file their return. Taxpayers may elect to file this request electronically or by mailing the extension to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. Extensions are limited to six months. **A copy of the Kentucky extension request must be enclosed with your paper return. If you file your return electronically, you must indicate that an extension was filed by checking the appropriate box in the software.**

Individuals who receive a federal extension are not required to request a separate Kentucky extension. They can meet the requirements by enclosing a copy of the application for automatic federal extension to the Kentucky return.

**IRS extensions by e-file (by personal computer or a tax professional)—**Enclose a copy of Form 4868 with the confirmation number in the lower right-hand corner of the form or a copy of the electronic acknowledgment.

**Military Personnel—**Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

**Combat Zone Extension—**Members of the Army, Navy, Marines, Air Force, Coast Guard, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

**Interest and Penalties—**Interest at the "tax interest rate" applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a **late payment penalty** may be assessed (minimum penalty is \$10).

**Interest and penalty charges can be avoided or reduced** by sending payment with your extension request by the due date. If you wish to make a payment prior to the due date of your return when using the:

- (1) **Kentucky Extension—**Complete Section II, Kentucky Extension Payment Voucher, of the Application for Extension of Time to File, Form 740EXT, and send with payment. Write "KY Income Tax—2025" and your Social Security number(s) on the face of the check.
- (2) **Federal Automatic Extension—**Make a copy of the lower portion of the federal Application for Automatic Extension, Form 4868, and send with payment. Make check payable to Kentucky State Treasurer, write "KY Income Tax—2025" and your Social Security number on the face of the check. Enclose the check, Federal extension and send to Kentucky Department of Revenue, Frankfort KY 40620-0009.

## Personal Property Forms

Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for this return is May 15.

**Do not mail this return with your income tax return; use a separate envelope.**

## Kentucky State Treasury—Unclaimed Property

# INSTRUCTIONS

## 2025 FORM 740

### Do You Have to File a Kentucky Return?

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income and income from self-employment. You must file if your modified gross income exceeds the amount in Chart A and your Kentucky adjusted gross income exceeds the amount in Chart B.

*Complete your federal tax return first. If you are not required to file a federal tax return, see instructions for line 5.*

#### MODIFIED GROSS INCOME AND FAMILY SIZE (Use With Chart A)

**Family Size**—Consists of yourself, your spouse if married and living in the same household and qualifying children. For the purposes of computing the Family Size Tax Credit, the maximum family size is four.

**Qualifying Dependent Child**—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer's qualifying child, a person must satisfy four tests:

- **Relationship**—The taxpayer's child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.
- **Residence**—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents. Other federal exceptions apply.
- **Age**—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.
- **Support**—Did not provide more than one-half of his/her own support for the year.

**Modified Gross Income**—Modified gross income is the greater of federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income; **or** Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

#### Chart A

If Your <b>Family Size</b> is:	Your <b>Modified Gross Income</b> is greater than:
One .....	<b>and</b> ..... \$15,650
Two .....	<b>and</b> ..... \$21,150
Three .....	<b>and</b> ..... \$26,650
Four or More .....	<b>and</b> ..... \$32,150

#### KENTUCKY ADJUSTED GROSS INCOME (Use Chart B if Modified Gross Income is Greater Than the Amounts in Chart A)

**Kentucky Adjusted Gross Income**—Consists of your federal adjusted gross income plus any additions and subtractions from Schedule M, Modifications to Federal Adjusted Gross Income.

#### Chart B

If Your <b>Filing Status</b> is:	Your <b>Kentucky Adjusted Gross Income</b> is greater than:
Single— Under age 65 .....	<b>and</b> ..... \$ 3,270
Single— Age 65 or over or blind .....	<b>and</b> ..... \$ 4,270
Single— Age 65 or over and blind .....	<b>and</b> ..... \$ 5,270
Taxpayer and Spouse— Both under age 65 .....	<b>and</b> ..... \$ 3,270
Taxpayer and Spouse— One age 65 or over .....	<b>and</b> ..... \$ 4,270
Taxpayer and Spouse— Both age 65 or over .....	<b>and</b> ..... \$ 5,270

**TAXPAYERS WITH SELF-EMPLOYMENT INCOME**—Must file a Kentucky individual income tax return regardless of the amount of Kentucky adjusted gross income used in the Chart B if you have gross receipts from self-employment in excess of modified gross income for your family size in Chart A.

Part-time or part-year workers may have income taxes withheld from their paychecks even though the filing requirements are not met. An income tax return must be filed to claim a refund of the Kentucky taxes withheld.

**TIP:** Even though the filing requirements are not met, an income tax return must be filed to claim a refund of the Kentucky taxes withheld.

FILING REQUIREMENTS (Continued)

A child meeting the filing requirements must file a return even though being claimed as a dependent by the parent. Kentucky income tax law contains no special provisions for taxing the income of a minor child at the parent's tax rates nor the reporting of income of a child on the parent's return.

Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax.

Nonresidents and part-year residents must report income on Form 740-NP.

**Military Personnel**—MILITARY PAY EXCLUSION—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax per KRS 141.019(l).

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier's military pay, the Department of Revenue will refund the tax withheld.

Kentucky residents who are in the military are often granted extensions for military service when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

**For Fiscal Year Filers Only**—Most people pay taxes for a calendar year. However, if you file for a taxable year other than a calendar year or for part of a year, enter the beginning and ending dates of that year on the line at the top of the form.

**For Deceased Taxpayers**—If a taxpayer died before filing a return for 2025, the person who files the return should check the applicable deceased box.

Social Security Number

**Social Security Number**—You are **required to provide your full Social Security number** per Section 405, Title 42, of the United States Code. This information will be used to establish your identity for tax purposes only.

Political Party Fund Designation

You may designate \$2 of your taxes to either the Democratic or Republican party if you have a tax liability of at least \$2 (\$4 for married persons filing joint returns). Fifty cents will be paid to the corresponding political organization in your county of residence and the remainder will be paid to the respective state political party. *This designation will not increase your tax or decrease your refund.* You may make this designation by checking the applicable box. A taxpayer and spouse may each make a designation. Persons making no designation should check the "No Designation" box.

Reporting Periods and Accounting Procedures

Kentucky law requires taxpayers to report income on the same calendar or fiscal year and to use the same methods of accounting as required for federal income tax purposes. Any federally approved change in accounting period or methods must be reported to the Kentucky Department of Revenue. Enclose a copy of the federal approval.

Changes to federal income tax law made after the Internal Revenue Code reference date contained in KRS 141.010(15) shall not apply for purposes of Chapter 141 unless adopted by the General Assembly.

Filing Status

**Legal liabilities are affected by the choice of filing status.** Married persons who file joint or combined returns are jointly and severally liable for all income taxes due for the period covered by the return. That is, each spouse may be held legally responsible for payment of taxes on income earned by the other. If spouses want to credit the refund of one against the liability of the other or combine their tax liabilities or refunds, they must file a combined return. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.**

Check the box that describes your filing status. If you are married, filed a joint federal return and both you and your spouse had income, you may be able to reduce your tax by using Filing Status 2 rather than Filing Status 3.

**Filing Status 1, Single**—Use this filing status if you are unmarried, divorced, widowed, legally separated by court decree, or if you filed as “Head of Household” or “Qualifying Widow(er)” on your federal return.

**Filing Status 2, Married Filing Separately on This Combined Return**—Use this filing status to report your incomes individually but on only one tax form. You do this by filling in both Columns A and B. You may file separately on this combined return regardless of whether you filed jointly or separately for federal purposes if both you and your spouse had income. This filing status usually results in a lower tax than Filing Status 3.

Each spouse must claim his or her own income and deductions. The total of line 5, Columns A and B, must equal the combined federal adjusted gross income.

**Filing Status 3, Married Filing Joint Return**—Use this filing status if you and your spouse choose to file a joint return even if one spouse had no income. Jointly means that you and your spouse add your incomes together and report in Column B. If both you and your spouse have income, it may be to your benefit to use Filing Status 2.

**Filing Status 4, Married Filing Separate Returns**—If using this filing status, you and your spouse must file two separate tax forms. When filing separate returns, the name and Social Security number of each spouse must be entered on both returns. Enter the spouse’s Social Security number in the block provided, and enter the name on line 4.

### Adjusted Gross Income

#### Line 5, Federal Adjusted Gross Income

Enter the total amount of your federal adjusted gross income from your federal income tax return in Column B if Filing Status 1, 3 or 4 is used. Use Column A only when entering your spouse’s income on a combined return (Filing Status 2). When using Filing Status 2, Columns A and B, line 5, must equal your federal adjusted gross income. **(Do not confuse federal adjusted gross income with federal taxable income shown on the federal return.)**

Where taxpayer and spouse have filed a joint return for federal income tax purposes and have not elected to file a joint Kentucky income tax return, each spouse must claim his or her own income and deductions.

**If you are not required to file a federal income tax return**, enter on line 5 the total of wages, salaries, tips, fees, commissions, bonuses, other payments for personal services, taxable scholarships and fellowships, taxable interest and dividends, trade or business income, unemployment compensation and all other income from sources within and without Kentucky including amounts not reported on enclosed wage and tax statements (Schedule KW-2). If you have income not supported by a wage and tax statement, enclose a supporting schedule showing the source and amount.

**Determining Kentucky Adjusted Gross Income**—Kentucky law requires that the individual income tax return begin with federal adjusted gross income and be adjusted for any differences to arrive at Kentucky adjusted gross income. Schedule M is designed to make “additions to” federal adjusted gross income and provides for “subtractions from” federal adjusted gross income. For a list

of differences, see the Federal/Kentucky Individual Income Tax Differences chart and the line-by-line instructions.

**Line 6—Additions to Federal Adjusted Gross Income**—Enter amount from Schedule M, Part I, line 6.

**Line 8—Subtractions from Federal Adjusted Gross Income**—Enter amount from Schedule M, Part II, line 17.

**Line 9—Kentucky Adjusted Gross Income**—Subtract line 8 from line 7. This is your **Kentucky Adjusted Gross Income**.

### Taxable Income

**Line 10, Deductions**—Taxpayers may elect to itemize deductions or elect to use the standard deduction of \$3,270. *If one spouse itemizes deductions, the other must itemize.* See specific instructions for Schedule A.

Itemizers, complete Schedule A and enter allowable deductions on line 10.

Nonitemizers, enter the standard deduction of \$3,270. If married filing separately on a combined return, enter \$3,270 in both Columns A and B. **If filing a joint return, only one \$3,270 standard deduction is allowed.**

**Line 11**—Subtract line 10 from line 9. This is your **Taxable Income**.

### Tax

#### Line 12—Determining Your Tax

**Tax Computation**—Multiply line 11 by four percent (.04).

**Farm Income Averaging, Schedule J**—If you elect farm income averaging on your federal return, you may also use this method for Kentucky. The amount of income you may average is limited to the amount elected for federal purposes. Enter tax from Schedule J, line 22, on Form 740, line 12, and check the box for “Schedule J.” Enclose completed Schedule J.

**Line 13, Lump-Sum Distribution—Special 10-Year Averaging**—Kentucky allows a special 10-year averaging method for determining tax on lump-sum distributions received from certain retirement plans that qualify for federal 10-year averaging. If this special method is used for federal purposes, Form 4972-K, Kentucky Tax on Lump-Sum Distributions, and Schedule P, Pension Income Exclusion, must be filed with Form 740. Enter tax from Form 4972-K and check the box.

**Recycling Composting Recapture**—Enter amount from Schedule RC-R and check the box.

**Distilled Spirits Recapture**—Enter amount from Schedule DS-R and check the box.

**Angel Investor Recapture**—Enter amount of Angel investor income tax credit recapture and check the box.

If Form 4972-K, Schedule RC-R, Schedule DS-R and/or you had an angel investor recapture, add the amounts together and enter the total on line 13.

**Line 15**—Enter amounts from Schedule ITC, Section A, lines 25E and 25F. See instructions for Schedule ITC.

**Line 17**—Enter amounts from Schedule ITC, Section B.

**NOTE:** Use only if 65 or over, blind, or in Kentucky National Guard. See instructions for Schedule ITC.

**Line 19, Total Tax Liability**—Married taxpayers filing a combined return must add the amounts on line 18, Columns A and B, and enter the sum on line 19. Other taxpayers should enter the amount from line 18, Column B, on line 19.

**Line 20 and Line 21, Family Size Tax Credit**— The Family Size Tax Credit is based on modified gross income (MGI) and the size of the family. If your total MGI is \$42,760 or less, you may qualify for Kentucky Family Size Tax Credit.

Enter Family Size. See Schedule ITC for instructions.

Enter Family Size Tax Credit decimal amount determined from Family Size Tax Credit Table. See instructions for Schedule ITC.

**Line 23, Education Tuition Tax Credit**—Complete Form 8863—K to claim this credit. See form and instructions.

**Line 24, Child and Dependent Care Credit**—Enter in the space provided the amount of credit calculated on federal Form 2441, line 11, for child and dependent care expenses. Multiply this amount by 20 percent (.20), and enter result on line 24.

If you do not meet the filing requirements to file a federal income tax return but would have been entitled to the federal child and dependent care credit, you may claim the child and dependent care credit for Kentucky purposes. Complete and enclose federal Form 2441, state on the form "did not meet federal filing requirements" and follow instructions for line 24.

**Line 25, RESERVED**

## Line 27, Kentucky Use Tax

### Important Reminder from the Department of Revenue About Out-of-State Purchases:

If you made **untaxed** purchases from out-of-state retailers, **the use tax line on your return should contain a number.**

Like every other state that has a sales tax, Kentucky has a use tax that requires that out-of-state purchases of tangible personal property, digital property and extended warranties for use in Kentucky be taxed at the same amount as if they had taken place in Kentucky and subjected to Kentucky's sales tax. This ensures equality of treatment between in-state and out-of-state transactions. Although the use tax has been in the tax code since 1960, it is now more relevant than ever because of the increasing percentage of online sales. Pursuant to KRS 139.330, a 6 percent use tax is due if you make out-of-state purchases for storage, use or other consumption in Kentucky and did not pay at least 6 percent state sales tax to the seller at the time of purchase. **For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky** for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky. It is important to remember that use tax applies **only** to items purchased from a retailer outside Kentucky, including another country, which would have been taxed if purchased in Kentucky.

For your convenience, a Use Tax Calculation Worksheet and Optional Use Tax Table are provided below. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made **untaxed** out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All **untaxed** purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

#### Optional Use Tax Table

\$10,001 - \$20,000 .....	\$15

\$75,001 - \$100,000 .....	\$80
Above \$100,000 .....	Multiply AGI by 0.08% (0.0008)

\* AGI from line 9 on KY Form 740 or KY Form 740-NP.

2. Purchases of \$1,000 or more x 6 percent (.06)	<b>\$</b>
3. Total Use Tax Due (add lines 1 and 2)	<b>\$</b>

**Report this amount on Form 740 or 740-NP, line 27.**

#### Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

**Reporting Depreciation and Section 179 Deduction Differences for Property Placed in Service After September 10, 2001**

**Create a Kentucky Form 4562** by entering **Kentucky** at the top center of a federal Form 4562 above Depreciation and Amortization. **For property placed into service from September 10, 2001 through December 31, 2019:** In Part I, line 1 enter the Kentucky limit of \$25,000 and in Part I, line 3 enter the Kentucky phaseout amount of \$200,000. **For property placed into service on or after January 1, 2020:** in Part I, line 1, enter the Kentucky limit of \$100,000 and the phaseout threshold does not apply for purposes of determining Kentucky depreciation. For property placed into service between September 10, 2001 and December 31, 2019, the maximum allowable IRC §179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying IRC §179 property placed in service during the year exceeds the threshold. In determining the IRC §179 deduction for Kentucky for property placed into service between September 10, 2001 and December 31, 2019, the income limitation on Line 11 should be determined by using Kentucky net income before the IRC §179 deduction instead of federal taxable income.

In Part II, strikethrough and ignore line 14, Special depreciation allowance for qualified property placed in service during the tax year.

Use the created Kentucky Form 4562 to compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001, for property placed into service from September 10, 2001 through December 31, 2019, or the IRC in effect on December 31, 2003 for property placed into service on or after January 1, 2020. Note: In determining

the Section 179 deduction for Kentucky the income limitation on line 11 is Kentucky net income before the Section 179 deduction instead of federal taxable income. **Enclose the created Kentucky Form 4562** to Form 740 and enter the amount of Kentucky depreciation from line 22 on line 12.

**Line 13, Enter Active Duty Military Pay**—Enter active duty military pay included on Form 740, page 1, line 5. All military pay received by members of the Armed Forces while on active duty can be excluded. Active duty is defined in KRS 141.175.

**Line 14**—Enter other subtractions from federal adjusted gross income not listed above (enclose detailed schedule). Include:

- income of precinct workers for election training or working at election booths;
- capital gains on property taken by eminent domain;
- passive activity loss adjustment (see Form 8582-K and instructions);
- income of a child reported on the parent's return;
- artistic charitable contributions (if you do not itemize deductions);
- at-risk limitations (see instructions below);
- qualified farm networking project differences per KRS 141.0101(15);
- differences in the gains (losses) from the sale of intangible assets amortized under the provisions of the Revenue Reconciliation Act of 1993;
- differences in gains (losses) from assets purchased after September 10, 2001; and
- income of military personnel killed in the line of duty.

**Determining and Reporting Differences in Gain or Loss From Disposition of Assets**—If during the year you dispose of assets placed in service after September 10, 2001, on which the 30 percent or the 50 percent special depreciation allowance or the increased Section 179 deduction was taken for federal income tax purposes, you will need to determine and report the difference in the amount of gain or loss on the assets as follows:

**Create a Kentucky form** by entering **Kentucky** at the top center of a federal Schedule D, federal Form 4797 and other applicable federal forms. Compute Kentucky gain or loss from the disposed assets using the Kentucky basis. Enter the difference in federal gain or loss and the Kentucky gain or loss on the appropriate line. **Enclose the created Kentucky Schedule D, Kentucky Form 4797 and other forms or schedules to support the deduction.**

**At-Risk Limitations**—Federal/Kentucky income (loss) differences may create different allowable losses due to at-risk limitations. If you have amounts invested in an activity for which you are not at risk and used federal Form 6198, At-Risk Limitations, complete federal Form 6198 using Kentucky amounts to determine if the Kentucky allowable loss differs from the federal allowable loss. For a passive activity, use the Kentucky allowable loss to complete Form 8582-K. For all other activities (nonpassive), enter the difference as an “other addition” or “other subtraction” on line 5 or line 14.

**Line 16, Kentucky Net Operating Loss**—Enter Kentucky net operating loss deduction from Schedule KNOL, Part II, Section A, Line 8.

Net operating losses generated on or after January 1, 2018, are limited to 80% of the Kentucky taxable income without regard to the net operating loss, but any unused amounts are available for carryforward indefinitely. Schedule KNOL must be completed if you are claiming a Kentucky net operating loss deduction on Kentucky Schedule M. See Schedule KNOL instructions.

**Note:** If your net operating loss occurred in 2025, complete Part I of Kentucky Schedule KNOL to determine the amount of loss to be carried forward in any future years. Retain a copy for your records and enclose a copy with your return.

**Line 17, Total Subtractions**—Add lines 15 and 16. Enter on line 17 and on Form 740, page 1, line 8.

**This page has been intentionally left blank.**

## Instructions for Schedule A

**Do not** include on Schedule A items deducted elsewhere, such as on Schedule C, E, F or Kentucky Schedule M.

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Generally, if your deductions exceed \$3,270, it will benefit you to itemize. If you do not itemize, you may elect to take the standard deduction of \$3,270.

**Special Rules for Married Couples**—If one spouse itemizes deductions, the other must also itemize. Married couples filing a joint federal return and who wish to file separate returns or a combined return for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each, or (b) file one Schedule A and divide the total deductions between them based on the percentage of each spouse's income to total income.

### Lines 1 through 6—Interest Expense

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

**Line 1**—List the interest and points (including “seller-paid points”) paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

**Line 2**—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address of individual to whom interest was paid.

**Line 3**—List points (including “seller-paid points”) not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

**Funds provided by you** include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

**Seller-Paid Points**—If you are the buyer, you may be able to deduct points the seller paid in 2025. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

If you are the seller, you **cannot** deduct the points as interest. Instead, include them as an expense of the sale.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

### Line 4—RESERVED.

**Line 5, Interest on Investment Property**—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity or to securities that generate tax-exempt income.

Complete and enclose federal Form 4952, Investment Interest Expense Deduction, to figure your deduction.

**Exception.** You do not have to file federal Form 4952 if all three of the following apply:

- (a) your investment interest is not more than your investment income from interest and ordinary dividends,
- (b) you have no other deductible investment expenses, and
- (c) you have no disallowed investment interest expense from 2024.

## Lines 7 through 11—Contributions

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

### Examples of qualifying organizations are:

Churches, temples, synagogues, Salvation Army, Red Cross, CARE, Goodwill Industries, United Way, Boy Scouts, Girl Scouts, Boys and Girls Clubs of America, etc.

Fraternal orders if the gifts will be used for the purposes listed above.

Veterans' and certain cultural groups.

Nonprofit schools, nonprofit hospitals and medical research organizations.

Federal, state and local governments if the gifts are solely for public purposes.

If you contributed to a qualifying charitable organization and also received a benefit from it, you may deduct only the amount that is more than the value of the benefit you received.

### Contributions You MAY Deduct

Contributions may be in cash, property or out-of-pocket expenses you paid to do volunteer work for the kinds of organizations described above. If you drove to and from the volunteer work, you may take 14 cents a mile or the actual cost of gas and oil. Add parking and tolls to the amount you claim under either method. (Do not deduct any amounts that were repaid to you.)

**Note:** You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. **This substantiation should be kept in your files. Do not send it with your return.**

See federal Publication 526 for special rules that apply if:

your total contributions exceed 60 percent of Kentucky Adjusted Gross Income,

If a Kentucky Net Operating Loss Deduction (KNOLD) is present, you must figure your Kentucky Adjusted Gross income without the KNOLD before applying the 60% limitation. 740, line 7 less Schedule M, line 15 equals your Kentucky Adjusted Gross Income without KNOLD.

your total deduction for gifts of property is over \$500,

you gave less than your entire interest in the property,

your cash contributions or contributions of ordinary income property are more than 30 percent of your Kentucky Adjusted Gross Income,

your gifts of capital gain property to certain organizations are more than 20 percent of your Kentucky Adjusted Gross Income, or

you gave gifts of property that increased in value, made bargain sales to charity, or gave gifts of the use of property,

you expect to receive any state or local tax credit for a contribution made.

### You MAY NOT Deduct as Contributions

Travel expenses (including meals and lodging) while away from home unless there was no significant element of personal pleasure, recreation or vacation in the travel.

Political contributions.

Dues, fees or bills paid to country clubs, lodges, fraternal orders or similar groups.

Value of any benefit, such as food, entertainment or merchandise that you received in connection with a contribution to a charitable organization.

Cost of raffle, bingo or lottery tickets.

Cost of tuition.

Value of your time or service.

Value of blood given to a blood bank.

The transfer of a future interest in tangible personal property (generally, until the entire interest has been transferred).

Gifts to:

Individuals.

Foreign organizations.

Groups that are run for personal profit.

Groups whose purpose is to lobby for changes in the laws.

Civic leagues, social and sports clubs, labor unions and chambers of commerce.

Contributions for which you receive any state or local tax credit of more than 15% of the contribution.

**Line 7**—Enter all of your contributions paid by cash or check (including out-of-pocket expenses).

**Line 8**—Enter your contributions of property. If you gave used items, such as clothing or furniture, deduct their fair market value at the time you gave them. Fair market value is what a willing buyer would pay a willing seller when neither has to buy or sell and both are aware of the conditions of the sale. If your total deduction for gifts of property is more than \$500, you must complete and enclose federal Form 8283, Noncash Charitable Contributions. If your total deduction is over \$5,000, you may also have to obtain appraisals of the values of the donated property. See federal Form 8283 and its instructions for details.

Also include the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Enclose Schedule HH.

**Recordkeeping**—If you gave property, you should keep a receipt or written statement from the organization you gave the property to, or a reliable written record, that shows the organization's name and address, the date and location of the gift and a description of the property. You should also keep reliable written records for each gift of property that include the following information:

- (a) How you figured the property's value at the time you gave it. (If the value was determined by an appraisal, you should also keep a signed copy of the appraisal.)
- (b) The cost or other basis of the property if you must reduce it by any ordinary income or capital gain that would have resulted if the property had been sold at its fair market value.
- (c) How you figured your deduction if you chose to reduce your deduction for gifts of capital gain property.
- (d) Any conditions attached to the gift.
- (e) If the gift was a "qualified conservation contribution" under IRC Section 170(h), the fair market value of the underlying property before and after the gift, the type of legal interest donated and the conservation purpose furthered by the gift.

**Line 9**—Enter artistic charitable contributions. A deduction is allowed for "qualified artistic charitable contributions" of any literary, musical, artistic or scholarly composition, letter or memorandum, or similar property.

An amount equal to the fair market value of the property on the date contributed is allowable as a deduction. However, the deduction is limited to the amount of the taxpayer's artistic adjusted gross income for the taxable year.

The following requirements for a deduction must be met:

- (a) The property must have been created by the personal efforts of the taxpayer at least one year prior to the date contributed. The creation of this property cannot be related to the performance of duties while an officer or employee of the United States, any state or political subdivision thereof.
- (b) A written appraisal of the fair market value of the contributed property must be made by a qualified independent appraiser within one year of the date of the contribution. A copy of the appraisal must be enclosed with the tax return.
- (c) The contribution must be made to a qualified organization as described in this section.

**Line 10**—Enter any carryover of contributions that you were not able to deduct in an earlier year because they exceeded your adjusted gross income limit. See federal Publication 526 for details on how to figure your carryover.

**Line 12, Gambling Losses**—You may deduct gambling losses to the extent of your winnings reported on Form 1040 or 1040-SR, Schedule 1, line 8(b).

### **Line 13—Other Miscellaneous Deductions**

Use this line to report miscellaneous deductions. Only the expenses listed below can be deducted on line 13.

Federal estate tax on income in respect of a decedent.

Amortizable bond premium on bonds acquired before October 23, 1986.

Deduction for repayment of amounts under a claim of right if more than \$3,000. See federal Publication 525.

Unrecovered investment in a pension.

List the type and amount of each expense. Enter one total on line 13. For more information on these expenses, see federal Publication 529.

### **Line 15—Total Itemized Deductions**

**Dividing Deductions Between Spouses**—Married taxpayers who are filing separate returns or a combined return but using only one Schedule A must divide the itemized deductions. Complete lines 16 through 20. If one spouse is not required to file a Kentucky return, total deductions may be divided between them based on the percentage of each spouse's income to total income or separate Schedules A may be filed.

# Instructions for Form 2210-K

## General Instructions

**Purpose of Form**—To determine if you owe an underpayment of estimated tax penalty.

**Who Must File Form 2210-K**—In general, you may owe a penalty for 2025 if you owe more than \$500 and if the total of your withholding and timely estimated tax payments didn't equal at least the smaller of:

1. 90% of your 2025 tax, or
2. 100% of your 2024 tax. Your 2024 tax return must cover a 12-month period.

**Special rules for certain individuals**—Different percentages are used for farmers and fishermen, and certain higher income taxpayers.

**Farmers and fishermen**—If at least two-thirds of your Kentucky gross income for 2024 or 2025 is from farming and fishing, substitute 66 2/3% for 90% in (1) above. See federal Form 2210 instructions.

**Higher income taxpayers**—If your Kentucky adjusted gross income for 2024 was more than \$150,000 (\$75,000 if your Kentucky 2024 filing status was married filing separately on a combined return or separate returns), substitute 110% for 100% in (2) above.

**Part I—Exceptions to the Penalty**—You may not owe a penalty if one of the exceptions below are met. If you meet one or more of the exceptions, check the appropriate box(es), complete the lines associated with the exception and check the "Form 2210-K attached" box on form 740, line 34(a) (Form 740-NP, line 34(a)). If none of the exceptions apply, go to Part II.

### Exceptions:

- You had no liability for 2024, you were a U.S. Citizen or resident alien for the entire year (or an estate of a domestic decedent or a domestic trust), and your 2024 tax return (or would have been required to file) was for a full 12 months.
- The tax shown on the 2025 return minus the amount of tax you paid through withholding, estimated payments, and refundable credits is less than \$500.
- Your gross income from farming or fishing is at least two-thirds of your annual gross income from all sources for 2024 or 2025 and you paid the entire tax due by March 2, 2026.
- You're filing a decedent's estate return for any tax year ending before the date that is two years after the decedent's death.
- You're filing a trust return for a trust that was owned by a decedent for any tax year ending before the date that is two years after the decedent's death.

## Part II—Required Annual Payment

**Lines 1–8**—This section is used to calculate your required annual payment. The required annual payment is used to calculate the amount of payment that you should have made each quarter. The required annual payment is the lesser of: (1) 90% of your income tax liability after refundable credits are applied or (2) 100% of the tax shown on your 2024 tax return (2024 Form 740 or Form 740-NP, page 2, line 26 or Form 741, line 19). Higher income taxpayers see instructions above.

**Line 9**—Multiply line 8 by 25 percent (.25) and enter in columns A through D, or if you used the annualized income installment method in Part III, enter the amount from Part III, line 20 into the appropriate columns. To use the annualized income installment method complete Part III.

**Line 10**—Enter the sum of estimated tax payments made and Kentucky withholding for each quarter. If you have Kentucky income tax withheld, multiply the total by 25 percent (.25) and enter in columns A through D. If you had a credit forward from a prior year return, enter the total amount in column A only.

**Note:** Complete lines 11 through 18 for column A before going to column B, etc.

**Line 11**—Enter amount from line 18 of the previous column. This amount should be the overpayment if any from the previous column.

**Line 13**—Enter amount from line 17 of the previous column. This amount should be the underpayment amount from the previous column that will be carried over to each column until the payment is made.

**Line 17**—This is the underpayment amount for that column and any underpayment from the previous columns. The underpayment will continue to carryover to the next column until the payment is made or the due date, whichever is earlier.

**Figuring the Penalty**—The penalty will be calculated on each underpayment in each column from the payment due date written above line 9 to the date on line 19 or the date the payment was made, whichever is earlier. The underpayments will carryover to the next column and be added to that column's underpayment to calculate the penalty on that balance.

**Line 19**—Use this date to calculate the number of days that the current interest amount will be based upon, unless the underpayment was paid prior to this date.

**Line 20**—This is the number of days from the payment due date shown above line 9 to the date the amount on line 17 was paid or the date shown on line 19 for the column in which you are calculating penalty.

For example, if your underpayment on line 17 for column A is \$1,000, you would calculate the penalty from 4-15-25 to 6-15-25 and enter 61 days on line 20. If this \$1,000 remains unpaid, it will be added to any underpayment in column B and you would calculate interest from 6-15-25 until 9-15-25 which would be 92 days for that period, etc.

**Line 21**—The annual percentage rate is established by the Department of Revenue for each calendar year. The percentage rate for calendar year 2025 is 10 percent and 2026 is ? percent. The penalty calculation for the required third installment payment may be calculated using two different rates.

## Part III—Annualized Income Installment Method

If your income varied during the year you may be able to lower or eliminate the amount of one or more required installments by using the annualized income installment method. For example, you operated your business on a seasonal basis or you had a large capital gain late in the year. Note: If you use Part III for any payment due dates, you must use it for all payment due dates.

**Line 1**—For each period (column), figure your total income minus your adjustments to income. Include your share of partnership or S corporation income or loss items for the period.

**Line 2**—Estates and trusts do not use the amounts shown in columns (a) through (d). See Federal instructions.

**Line 6**—If you itemized deductions, multiply line 4 of each column by line 5 and enter the result on line 6.

**Line 7**—Enter the standard deduction amount of \$3,270.

**Line 10**—Form 740 or 740-NP filers, enter -0- in each column. Estates and trusts see federal instructions.

## Instructions for Form 8863-K

**Purpose of Form**—Use Form 8863-K to calculate and claim your 2025 education tuition tax credits. The education credits are: the American Opportunity Credit and the Lifetime Learning Credit. These credits are based on qualified undergraduate education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

**Part I, Qualifications**—All questions in Part I must be answered “Yes” to be eligible to claim the Kentucky education tuition tax credit.

**Qualified Education Expenses**—See the federal instructions to determine the qualified expenses for the American Opportunity Credit and the Lifetime Learning Credit. The allowable expenses may be different for each credit.

The institution must be eligible to participate in a student aid program administered by the Department of Education. **The institution attended must be physically located in Kentucky to qualify.**

**Part II, American Opportunity Credit**—You must enter the student's name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum amount allowed of \$625 for each qualifying student.**

**Part III, Lifetime Learning Credit**—You must enter the student's name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum allowed of \$500 per return.**

### Part IV, Allowable Education Credits—

**Line 12**—Multiply line 11 by 25% (.25). This is your tentative Kentucky allowable credit.

**Line 13**—Enter the tentative tax from Form 740 or Form 740-NP, line 22.

**Line 14**—Enter the amount from page 3, Part V, line 34. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

**Line 15**—Subtract line 14 from line 13.

**Line 16**—Enter the smaller of line 15 or line 12.

# YOUR RIGHTS

## AS A KENTUCKY TAXPAYER

As part of the Finance and Administration Cabinet, the mission of the Kentucky Department of Revenue (DOR) is to administer tax laws, collect revenue, and provide services in a fair, courteous, and efficient manner for the benefit of the Commonwealth and its citizens.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest a Notice of Tax Due or the denial of a refund. Others are more general.

The following is a summary of your rights and the DOR's responsibilities to you as a Kentucky taxpayer.

### RIGHTS OF TAXPAYER

#### **Privacy**

You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

#### **Assistance**

You have the right to advice and assistance from the DOR in complying with state tax laws.

#### **Explanation**

You have the right to a clear and concise explanation of:

- ✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
- ✓ procedure for protest and appeal of a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement; and
- ✓ tax laws and changes in tax laws so that you can comply with the law.

#### **Protest and Appeal**

You have the right to file a protest with the DOR if you disagree with a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement. If you file a timely protest, you have a right to a conference to discuss the matter. If you are not satisfied with the Department's final ruling following your protest, you may appeal the final ruling to the Kentucky Board of Tax Appeals, pursuant to KRS 131.110(4) and KRS 49.220 et. seq. (See reverse for procedure to file a protest.)

#### **Representation**

You have the right to representation by your authorized agent (attorney, accountant, or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you will be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent. See Form 20A100.

#### **Recordings**

You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

#### **Consideration**

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation"). **Note that interest is not waivable for "reasonable cause" as described in this paragraph;**
- ✓ installment payments of delinquent taxes, interest, and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- ✓ extension of time for filing reports or returns; and
- ✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

#### **Guarantee**

You have the right to a guarantee that DOR employees are not paid, evaluated, or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

#### **Damages**

You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Tax Appeals if a DOR employee willfully, recklessly, and intentionally disregards your rights as a Kentucky taxpayer.

#### **Interest**

You may have the right to receive interest on an overpayment of tax.

### DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

- ✓ perform audits and conduct conferences and hearings with you at reasonable times and places;
- ✓ authorize, require, or conduct an investigation or surveillance of you only if it relates to a tax matter;
- ✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
- ✓ conduct educational and informational programs to help you understand and comply with the laws;
- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;

- ✓ advise you of procedures, remedies, and your rights and obligations with an original notice of audit or when an original Notice of Tax Due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked, or canceled;
- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment;
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;
- ✓ notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed; and
- ✓ notify you by certified mail 20 days prior to submitting your name to the relevant agency for the revocation or denial of professional license, driver's license, or motor vehicle registration.

## PROTEST AND APPEAL PROCEDURE

### Protest

If you receive a Notice of Tax Due, or if the DOR notifies you that a tax refund has been reduced or denied, or the DOR denies your request for additional time to file a supporting statement, you have the right to protest. To do so:

- ✓ submit a written protest within 60 days from the original notice date (or 45 days if the original notice date is prior to 07/01/2018); notice of refund reduction or denial, or denial of a request for additional time to file a supporting statement;
- ✓ identify the type of tax involved and give the account number, Social Security number, or other identification number and attach a copy of the DOR Notice of Tax Due or refund denial to support that your protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620.

### Conference

You have the right to request a conference to discuss the issue.

### Final Ruling

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

### Appeal

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court).

**NOTE:** The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

## TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit, handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, 501 High Street, Station 1, Frankfort, Kentucky 40601.
