

**KENTUCKY GENERAL PARTNERSHIP  
INCOME RETURN****2018****PURPOSE OF INSTRUCTIONS**

These instructions have been designed for Kentucky general partnerships, both domestic and foreign, which are required by law to file a Kentucky general partnership income return (Form 765-GP). Form 765-GP is complementary to the federal form 1065.

**KENTUCKY TAX LAW CHANGES**

**Enacted by the 2018 Regular Session of the General Assembly**—There are many amendments to Kentucky's tax code with most changes effective beginning in tax year 2018. The Department of Revenue ("Department") has guidance online at <https://TaxAnswers.ky.gov> and <https://revenue.ky.gov/TaxProfessionals/Pages/Guidance>.

**Tax Rate**—For tax year 2018, a flat income tax rate of five percent (5%) was enacted for both corporations and individuals.

**Internal Revenue Code (IRC) Update**—House Bill (HB) 487 updates the Internal Revenue Code (IRC) reference date from December 31, 2015, to December 31, 2017, including the adoption of many of the provisions of the Federal Tax Cuts and Jobs Act (TCJA) for purposes of computing income tax, except for depreciation differences contained in KRS 141.0101.

**Kentucky has adopted the following federal provisions:**

- The eighty percent (80%) of taxable income limitation for the net operating loss (NOL) deduction and an unlimited carryforward of unused net operating losses for NOL generated on or after 1/1/18
- Net interest expense deduction limitation
- Repeal of the Domestic Production Activity Deduction
- Tax treatment of Foreign Derived Intangible Income
- Globally Intangible Low Taxed Income (see Kentucky TAM 18-02)

**Distinct Federal/State Differences:**

- Kentucky continues to be decoupled from the federal law for the depreciation deduction and IRC Section 179 expense deduction.

**HOW TO OBTAIN ADDITIONAL FORMS**

Forms and instructions are available at all Kentucky Taxpayer Service Centers (see page 14). They may also be obtained by writing FORMS, Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or by calling 502-564-3658. Forms can be downloaded from [www.revenue.ky.gov](http://www.revenue.ky.gov).

- Kentucky did not adopt the new federal twenty percent (20%) deduction for Qualified Business Income of Pass-through Entities.

**Apportionment Changes for 2018:**

The apportionment factor for assigning multi-state income to Kentucky changed from a three (3)-factor apportionment formula based on sales, property, and payroll to a single-factor formula based on receipts. This change is effective for taxable years beginning on or after January 1, 2018. Note that "sales factor" refers to the "receipts factor".

Receipts from services and the sale of intangibles are assigned to Kentucky under the single-factor formula if the taxpayer's market for the sales is in this state.

A three (3)-factor apportionment method is still required for corporations in the business of providing:

- Communications service;
- Cable service; or
- Internet access.

Special apportionment provisions are retained for passenger airlines and qualified air freight forwarders.

**Tax Credit Changes:**

- A new Inventory Tax Credit was created and is effective January 1, 2018. It is a nonrefundable and nontransferable credit against income and limited liability entity taxes for tangible personal property (ad valorem) tax **timely** paid on inventory. The credit is phased-in as follows: 25% in 2018; 50% in 2019; 75% in 2020; and 100% in 2021 and thereafter.
- The refundable film industry tax credit was changed to a nonrefundable and nontransferable credit for applications approved on or after April 27, 2018.

- The Incentives for Energy Independence Act (IEIA) ultimately will sunset on August 1, 2018 and no more incentives under that program will be approved after that date.

**Tax Administration Changes:**

- The time to protest an assessment or reduced refund was increased from 45 to 60 days. This change is applicable to notices of tax due or reduced refund notices issued on or after July 1, 2018.

**Kentucky Revised Statutes**—Kentucky Revised Statutes are referred to in these instructions as “KRS” and can be found online at [www.lrc.ky.gov/statutes](http://www.lrc.ky.gov/statutes).

**Kentucky Administrative Regulations**—Kentucky Administrative Regulations are referred to in these instructions as “KAR” and can be found online at [www.lrc.ky.gov/kar/titles.htm](http://www.lrc.ky.gov/kar/titles.htm).

## CURRENT YEAR INTEREST RATE

Pursuant to KRS 131.183, the 2019 tax interest rate has been set at five percent (5%). The rate charged by the Kentucky Department of Revenue on unpaid taxes is seven percent (7%) and when interest is due on a refund, the rate is three percent (3%).

## KENTUCKY FORM CHANGES

**New:**

**Schedule INV**—Kentucky Inventory Tax Credit schedule is new for taxable years beginning on or after January 1, 2018 and is used to calculate the Inventory Tax Credit against income and LLE taxes for ad valorem (property) taxes timely paid on inventory.

**Updated:**

**Form 2220-K**—This form is no longer required to be attached to the return and is now a supporting worksheet used to calculate the underpayment penalty and interest due on late or underpaid estimated tax installment(s).

**Schedule A**—Part I, Lines 1 through 12 were separated to distinguish the difference in computation of apportionment fraction for all companies (Lines 1 through 3, single sales factor) and for Providers that continue to use the three (3)-factor apportionment (Lines 1 through 12). For all other companies, Lines 4 through 12 must be completed for informational purposes. See KRS 141.120 and KRS 141.121(1)(e).

**Forms 720S, 720S(K), 765, 765(K), 765-GP, 765-GP(K), and applicable Schedules K-1**—Separated the previous Apportionment Pass-through Items into two sections to distinguish the differences in computing the apportionment factor. The sections are now labeled Apportionment for Pass-through Items and Apportionment for Providers.

**Schedule TCS**—The Tax Credit Summary was updated to add the Film Industry and Inventory tax credits.

**Schedule RPC**—This schedule has been shortened and simplified. All previous questions are maintained, but many have been combined or reformatted to reduce confusion.

**Schedule O-720 and Schedule O-PTE**—Have been shortened significantly due to the elimination of numerous deductions because of federal and Kentucky tax law changes.

**Discontinued:**

- **Schedule CI**—Application for Coal Incentive Tax Credit
- **Schedule FD**—Food Donation Tax Credit (2018 is the final year in which any unused prior year credit carryforward may be utilized)
- **Schedule HH**—Kentucky Housing for Homeless Families Deduction
- **Schedule KESA**—Kentucky Environmental Stewardship Act Tax Credit
- **Schedule KEOZ**—Kentucky Economic Opportunity Zone Tax Credit
- **Form 8903-K**—Kentucky Domestic Production Activities Deduction

## Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

### Filing Form—

- Only a general partnership should file Form 765-GP. All other partnerships should file Form 765.

### Payment—

- **No money is due with a Form 765-GP.**

### Account Number—

- Always ensure the correct Federal Identification Number is used on the return being filed.

### Extensions—

- Extensions are for extending the filing date only; late filing penalties may apply to returns filed after the extended due date.

### Corrected K-1's—

- Adjustments to LLET or distributive share require that corrected Kentucky K-1's are sent to all partners, members, or shareholders for proper compliance by taxpayers.

### Schedule A—

- Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the general partnership has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- **Additional errors that delay processing returns or create adjustments include:**
  - ☐ Incomplete form submitted
  - ☐ Incomplete information
  - ☐ Missing forms or schedules
  - ☐ Incorrect taxable year end

**IMPORTANT****General Partnerships must create a Kentucky Form 4562, Schedule D and Form 4797 by converting federal forms.**

**Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets**—For taxable years beginning after December 31, 2001, Kentucky depreciation and IRC §179 deduction are determined per the IRC in effect on December 31, 2001. For calendar year 2018 returns and fiscal year returns that begin in 2018, any general partnership that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and IRC §179 expense deduction for Kentucky:

- MACRS bonus depreciation; or
- IRC §179 expense deduction in excess of \$25,000.

If a general partnership has taken MACRS bonus depreciation or IRC §179 expense deduction in excess of \$25,000 for any year, federal and Kentucky differences will exist, and the differences will continue through the life of the assets.

**Important:** If a general partnership has not taken MACRS bonus depreciation or the IRC §179 expense deduction in excess of \$25,000 for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 765-GP to substantiate that no adjustment is required.**

**Determining and Reporting Depreciation and IRC §179 Deduction Differences—federal/Kentucky depreciation or IRC §179 deduction differences must be reported as follows:**

1. The depreciation from federal Form 1065, Line 16(a) must be included on Form 765-GP, Part I, Line 3. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 765-GP.**
2. Convert federal Form 4562 to a **Kentucky** form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation and IRC §179 deduction per IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance and the additional IRC §179 deduction. **NOTE:** For Kentucky purposes, the maximum IRC §179 deduction amount on Line 1 is \$25,000 and the threshold cost of IRC §179 property on Line 3 is \$200,000. The \$25,000 maximum allowable IRC §179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying IRC §179 property placed in service during the year exceeds \$200,000. In determining the IRC §179 deduction for Kentucky, the

income limitation on Line 11 should be determined by using Kentucky net income before the IRC §179 deduction instead of federal taxable income.

3. The general partnership **must attach the Kentucky Form 4562** to Form 765-GP, and the amount from Kentucky Form 4562, Line 22 less the IRC §179 deduction on Line 12 must be included on Form 765-GP, Part I, Line 8. The IRC §179 deduction from the Kentucky Form 4562, Line 12 must be included on Form 765-GP, Schedule K, Section A, Line 9. A Kentucky Form 4562 must be filed for each year even though a federal Form 4562 may not be required.

**Determining and Reporting Differences in Gain or Loss From Disposition of Assets**—If during the year the general partnership disposes of assets on which it has taken the special depreciation allowance or the additional IRC §179 deduction for federal income tax purposes, the general partnership will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. Convert **federal Schedule D (Form 1065)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the amount from Kentucky Schedule D, Line 7 on Form 765-GP, Schedule K, Section A, Line 4(d) or 7. Enter the amount from Kentucky Schedule D, Line 15 on Form 765-GP, Schedule K, Section A, Line 4(e) or 7. **Federal Schedule D (Form 1065) filed with the federal return and the Kentucky Schedule D must be attached to Form 765-GP.**
2. If the amount reported on federal Form 1065, Line 6 (from Form 4797, Line 17) is a gain, enter this amount on Schedule O-PTE, Part II, Line 1. If the amount reported on federal Form 1065, Line 6 (from Form 4797, Line 17) is a loss, enter this amount on Schedule O-PTE, Part I, Line 1. Convert **federal Form 4797** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form, and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. If the amount on Kentucky Form 4797, Line 17 is a gain, enter this amount on Schedule O-PTE, Part I, Line 2. If the amount on Kentucky Form 4797, Line 17 is a loss, enter this amount on Schedule O-PTE, Part II, Line 2. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 765-GP.**

**Tax Treatment of Kentucky General Partnerships and Partners**

General partnerships are exempt by law from Kentucky income tax. However, **general partners of general partnerships doing business in Kentucky must report their share of income for Kentucky income tax purposes.** This applies to individuals, trusts, estates, and corporations. Individuals who are Kentucky residents are required to file Form 740 and report their share of general partnership income earned within or without Kentucky. A nonresident partner's distributive share income is reported by the general partnership on a nonresident withholding return.

Resident partners of a general partnership must report and pay tax on the distributive share of net income, gain, loss, or deduction. Nonresident partners of a general partnership must report and pay tax on the distributive share of net income, gain, loss, or deduction multiplied by the apportionment fraction per KRS 141.206(11)(b). **KRS 141.206(7) and (8)**

**If the general partnership is a partner or member of a limited liability pass-through entity doing business in Kentucky, the general partners are entitled to an LLET credit against taxes imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401.** The LLET credit is the general partners' proportionate share of the LLET from the limited liability pass-through entity for the current year after the subtraction of any credits identified in KRS 141.0205 and reduced by the minimum tax of \$175. The LLET credit allowed may be applied to the income tax assessed on the income from the limited liability pass-through entity. Any remaining LLET credit from the limited liability pass-through entity will be disallowed. **KRS 141.0401(3)**

**GENERAL INFORMATION**

**Internal Revenue Code Reference Date**— Kentucky's Internal Revenue Code (IRC) reference date is December 31, 2017, including the provisions contained in Pub. L. No. 115-97, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2017, that would otherwise terminate, for purposes of computing corporation and individual income tax, except for depreciation differences per KRS 141.0101.

**Who Must File**—A Kentucky General Partnership Income Return (Form 765-GP) must be filed by every general partnership: (a) being organized under the laws of this state; (b) having a commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a pass-through entity doing business in this state; (f) deriving income from or attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state, or deriving income directly or indirectly from a single member limited liability company that is doing business in this state and is disregarded as an entity separate from its single member for federal income tax purposes, or (g) directing activities at Kentucky customers for the purpose of selling them goods or services. **KRS 141.010(7) and KRS 141.206(1)**

**General Partnerships**—General partnerships doing business in Kentucky solely as a partner in a pass-through entity will file Form 765-GP per KRS 141.010, KRS 141.120, and KRS 141.206. For apportionment information, see instructions on page 6.

**Pass-through Entities**—A pass-through entity doing business in Kentucky solely as a partner or member in a pass-through entity will file Form 765-GP per KRS 141.010, KRS 141.120, and KRS 141.206. (See Schedule A- Apportionment and Allocation Instructions.)

**Nonresident Withholding and Composite Return (Form 740NP-WH)**

**A partner or member that is an S corporation or partnership is not subject to withholding. S corporations and partnerships are pass-through entities per KRS 141.010(21).**

KRS 141.206(4) provides that for taxable years beginning on or after January 1, 2007, every pass-through entity required to file a return under KRS 141.206(1), except publicly traded partnerships defined in KRS 141.0401(6)(r), must withhold Kentucky income tax or file a composite return on the distributive share, whether distributed or undistributed, of each nonresident individual (**includes an estate or trust**) partner, member, or shareholder, or each C-corporation partner or member that is doing business in Kentucky only through its ownership interest in a pass-through entity. Withholding and composite filing is at the highest rate provided in KRS 141.020 or KRS 141.040.

Withholding is not required if: (a) the partner, member, or shareholder is exempt from withholding per KRS 141.206(6)(a); (b) the partner or member is exempt from Kentucky income tax per KRS 141.040(1); (c) the pass-through entity is a qualified investment partnership per KRS 141.206(14), and the partner, member, or shareholder is an individual; or (d) the partner or member is a pass-through entity.

**For taxable years beginning on or after January 1, 2012, a pass-through entity required to withhold or file a Composite return on Kentucky income tax per KRS 141.206 must make estimated tax payments if required by KRS 141.206(5). If the pass-through entity is required to make estimated tax payments for taxable years beginning on or after January 1, 2012, use Form 740NP-WH-ES (Kentucky Estimated Tax Voucher).**

The reporting of a nonresident individual's, estate's, or trust's net distributive share income and withholding on Form 740NP-WH at the rate of five percent (5%) will satisfy the filing requirements of KRS 141.180 for a nonresident individual, estate, or trust partner, member, or shareholder whose only Kentucky source income is net distributive share income. The partners', members', or shareholders' distributive share of income must include all items of income or deduction used to compute adjusted gross income on the Kentucky return that is passed through to the partner, member, or shareholder by the pass-through entity, including but not limited to interest, dividend, capital gains or losses, guaranteed payments, and rents (KRS 141.206(15)). The nonresident individual, estate, or trust partner, member, or shareholder may file a Kentucky Individual Income Tax Return Nonresident or Part-Year Resident (Form 740-NP) or a Kentucky Fiduciary Income Tax Return (Form 741) to take advantage of the credits and deductions.

A pass-through entity must file Form 740NP-WH and complete a Form PTE-WH for each nonresident individual, estate, or trust partner, member, or shareholder; or corporate partner or member. Form 740NP-WH with Copy A of each Form PTE-WH must be filed and paid by the 15<sup>th</sup> day of the fourth month following the close of the taxable period. Provide copies B and C of Form PTE-WH to the partner, member, or shareholder.

The credit amount approved for a calendar year for all taxpayers under KRS 141.386 is limited to \$1 million. If the total amount of approved credit exceeds \$1 million, the department will determine the amount of credit each corporation and railroad company receives by multiplying \$1 million by a fraction, the numerator of which is the amount of approved credit for a corporation or railway company and the denominator of which is the total approved credit for all corporations and railway companies.

Each corporation or railway company eligible for the credit must file Schedule RR-E by the fifteenth day of the first month following the close of the preceding calendar year. The department will determine the amount of the approved credit and issue a credit certificate to the corporation or railway company by the fifteenth day of the third month following the close of the calendar year. **KRS 141.386**

**ENDOW Kentucky Tax Credit**—A taxpayer making an endowment gift to a permanent endowment fund of a qualified community foundation, county-specific component fund, or affiliate community foundation, which has been certified under KRS 147A.325, is entitled to a tax credit equal to twenty percent (20%) of the endowment gift, not to exceed \$10,000. The nonrefundable tax credit is allowed against the taxes imposed by KRS 141.020 or 141.040 and KRS 141.0401 and if not used in the year the tax credit is awarded, may be carried forward for a period not to exceed five years. The department will issue a credit certification (Schedule ENDOW) to a taxpayer upon receiving proof that the endowment gift was made to the approved community foundation per KRS 141.438(7). Schedule ENDOW must be attached to the taxpayer's tax return each year to claim the credit. A partner, member, or shareholder of a pass-through entity must attach a copy of Schedule K-1, Form 720S, 765, or 765-GP to the partner's, member's, or shareholder's tax return each year to claim the tax credit. **KRS 141.438 and 103 KAR 15:195**

**New Markets Development Program Tax Credit**—A taxpayer that makes a qualified equity investment per KRS 141.432(7) in a qualified community development entity defined by KRS 141.432(6) is entitled to a nonrefundable tax credit against the taxes imposed by KRS 141.020, 141.040, 141.0401, 136.320, 136.330, 136.340, 136.350, 137.370, 136.390, or 304.3-270. The total amount of tax credits that may be awarded by the department is limited to \$10 million. "Qualified low-income community investment" means any capital or equity investment in, or loan to, any qualified active low-income community business made after June 4, 2010. With respect to any one qualified active low-income community business, the maximum amount of qualified active low-income community investments that may be made in the business, on a collective basis with all of its affiliates, with the proceeds of qualified equity investments that have been certified under KRS 141.433 is \$10 million, whether made by one or several qualified community development entities.

The amount of the credit will be equal to 39% of the purchase price of the qualified equity investment made by the taxpayer. A taxpayer is allowed to claim zero percent (0%) for each of the first two credit allowance dates, seven percent (7%) for the third allowance date, and eight percent (8%) for the next four allowance dates. "Credit allowance date" means with respect to any qualified equity investment: (a) the date on which the investment is initially made; and (b) each of the six anniversary dates of that date thereafter. **KRS 141.432 to KRS 141.434**

**Food Donation Tax Credit**—For taxable years beginning on or after January 1, 2018, the tax credit was repealed. 2018 is the final year in which any unused prior year credit carryforward may be utilized. See Schedule TCS, Part II, line 18 to claim this credit. **KRS 141.392**

**Film Industry Tax Credit**—For applications approved on or after April 27, 2018, a nonrefundable and nontransferable credit against the taxes imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401 is available for taxpayers who have received notification from the film office that the approved company has satisfied all requirements of KRS 148.542 to KRS 148.546. **KRS 141.383**

**Inventory Tax Credit**—For taxable years beginning on or after January 1, 2018, a nonrefundable and nontransferable tax credit is allowed against the taxes imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401 for ad valorem (property) taxes timely paid on inventory. This credit is phased in as follows: 25% in 2018; 50% in 2019; 75% in 2020; 100% in 2021 and thereafter. **KRS 141.408**

**Distilled Spirits Tax Credit**—For taxable years beginning on or after January 1, 2015, a nonrefundable and nontransferable credit against the tax imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401 is available to taxpayers who pay Kentucky property tax on distilled spirits.

The distilled spirits credit is equal to: 80 percent of the property tax assessed and timely paid for taxable years beginning on or after January 1, 2018 and 100 percent of the property tax assessed and timely paid for taxable years beginning on or after January 1, 2019.

The amount of the credit is contingent on the costs associated with the following capital improvements at the premises of the distiller: construction, replacement, or remodeling of warehouses or facilities; purchases of barrels and pallets used for the storage and aging of distilled spirits in maturing warehouses; acquisition, construction, or installation of equipment for the use in the manufacture, bottling, or shipment of distilled spirits; addition or replacement of access roads or parking facilities; and construction, replacement, or remodeling of facilities to market or promote tourism, including but not limited to a visitor's center. **KRS 141.389**

**TANGIBLE PERSONAL PROPERTY TAXES**—The listing period for tangible personal property is January 1 through May 15 of each year. Each taxpayer is responsible for reporting his tangible personal property subject to ad valorem taxation. The Tangible Personal Property Tax Return, Revenue Form 62A500, and instructions can be obtained from your local county property valuation administrator's office or the Office of Property Valuation. You may also go to [www.revenue.ky.gov](http://www.revenue.ky.gov) to download these forms. A separate form must be filed for each location in Kentucky where you have tangible personal property.

# YOUR RIGHTS AS A KENTUCKY TAXPAYER

As part of the Finance and Administration Cabinet, the mission of the Kentucky Department of Revenue (DOR) is to administer tax laws, collect revenue, and provide services in a fair, courteous, and efficient manner for the benefit of the Commonwealth and its citizens.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest a Notice of Tax Due or the denial of a refund. Others are more general.

The following is a summary of your rights and the DOR's responsibilities to you as a Kentucky taxpayer.

## RIGHTS OF TAXPAYER

### *Privacy*

You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

### *Assistance*

You have the right to advice and assistance from the DOR in complying with state tax laws.

### *Explanation*

You have the right to a clear and concise explanation of:

- ✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
- ✓ procedure for protest and appeal of a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement; and
- ✓ tax laws and changes in tax laws so that you can comply with the law.

### *Protest and Appeal*

You have the right to file a protest with the DOR if you disagree with a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement. If you file a timely protest, you have a right to a conference to discuss the matter. If you are not satisfied with the Department's final ruling following your protest, you may appeal the final ruling to the Kentucky Claims Commission, Tax Appeals pursuant to KRS 131.110(5) and KRS 49.220 et. seq. (See reverse for procedure to file a protest.)

### *Representation*

You have the right to representation by your authorized agent (attorney, accountant, or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you will be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent. See Form 20A100.

### *Recordings*

You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

### *Consideration*

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- ✓ installment payments of delinquent taxes, interest, and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- ✓ extension of time for filing reports or returns; and
- ✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

### *Guarantee*

You have the right to a guarantee that DOR employees are not paid, evaluated, or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

### *Damages*

You have the right to file a claim for actual and direct monetary damages with the Kentucky Claims Commission if a DOR employee willfully, recklessly, and intentionally disregards your rights as a Kentucky taxpayer.

### *Interest*

You may have the right to receive interest on an overpayment of tax.

## DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

- ✓ perform audits and conduct conferences and hearings with you at reasonable times and places;
- ✓ authorize, require, or conduct an investigation or surveillance of you only if it relates to a tax matter;
- ✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
- ✓ conduct educational and informational programs to help you understand and comply with the laws;
- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;

- ✓ advise you of procedures, remedies, and your rights and obligations with an original notice of audit or when an original Notice of Tax Due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked, or canceled;
- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment;
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;
- ✓ notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed; and
- ✓ notify you by certified mail 20 days prior to submitting your name to the relevant agency for the revocation or denial of professional license, driver's license, or motor vehicle registration.

## PROTEST AND APPEAL PROCEDURE

### Protest

If you receive a Notice of Tax Due, or if the DOR notifies you that a tax refund has been reduced or denied, or the DOR denies your request for additional time to file a supporting statement, you have the right to protest. To do so:

- ✓ submit a written protest within 60 days from the original notice date (or 45 days if the original notice date is prior to 07/01/2018); notice of refund reduction or denial, or denial of a request for additional time to file a supporting statement;
- ✓ identify the type of tax involved and give the account number, Social Security number, or other identification number and attach a copy of the DOR Notice of Tax Due or refund denial to support that your protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620.

### Conference

You have the right to request a conference to discuss the issue.

### Final Ruling

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

### Appeal

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Claims Commission. If you do not agree with the decision of the Kentucky Claims Commission, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court).

**NOTE:** The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

## TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit,

handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, P. O. Box 930, Frankfort, Kentucky 40602-0930.
