HB 144—SALES TAX CHANGES FOR PACKAGED LIQUOR

HB 144 was recently passed by the General Assembly and signed into law by Governor Beshear on February 13, 2009. As part of this bill KRS 139.470(23) was repealed to eliminate the sales tax exemption for the sale of packaged distilled spirits, wine and malt beverages not consumed on the premises licensed for their sale per KRS 243.

Effective April 1, 2009, the sale of packaged liquor, including beer, wine and distilled spirits, will be subject to the 6 percent Kentucky sales and use tax. Deductions previously taken for sales of beer, alcoholic beverages, or packaged liquor, will no longer be allowable beginning with the filing of the April 2009 sales and use tax return. The statutory change does not affect receipts from the sale of alcohol by the drink which remains subject to the 6 percent sales and use tax. If your business is affected by this legislative change, please ensure your cash registers, scanners, office equipment, and computers

are reprogrammed to reflect the 6 percent tax on the affected sales. If you require further assistance, you may contact your local Taxpayer Service Center or the Division of Sales and Use Tax at (502) 564-5170 or *DOR.WEBResponseSalesTax@ky.gov*.

HB 144—TOBACCO TAX MODIFICATIONS

Effective April 1, 2009, the cigarette tax will be increased by 30 cents. Other Tobacco Products (OTP) tax will be increased by 7.5 percent. Snuff tax will be increased by \$0.095. This legislative change also establishes an inventory floor stock tax to properly address all affected products held for sale at the time of the rate increases. All cigarette licensees and retailers will be required to take a physical inventory as of March 31, 2009 at 11:59 p.m. and file and pay the inventory floor stock tax. Additional information and returns will be made available prior to the first due date of April 10, 2009.
