Approved Vendor List for Kentucky Substitute Forms Development

2023 Tax Year / 2024 Processing Year

The vendors on this list are approved for Form Design and Data Placement. Forms for a vendor are considered **Approved** only when all forms supported for that tax type are submitted, reviewed, and approved. Vendors are not required to support all of the forms for a particular tax type. A status of **N/A** means the vendor is not supporting that type of tax form or they have not provided a LOI advising that they support those tax forms. A vendor listed as **Testing** has submitted forms for approval but has not received approval for all the forms supported. **LOI Received** means the vendor has submitted a Letter of Intent to Develop Substitute Forms but has not submitted any forms for approval.
