

INSTRUCTIONS FOR 2016 KENTUCKY FORM 740-NP NONRESIDENT OR PART-YEAR RESIDENT INCOME TAX RETURN

WHO MUST FILE FORM 740-NP—Form 740-NP must be used by full-year nonresidents who had income from Kentucky sources and by part-year residents who had income while a Kentucky resident or from Kentucky sources while a nonresident. These persons must file Form 740-NP if (1) they had **any gross income** from Kentucky sources **and gross income from all sources** in excess of modified gross income for their family size, or (2) Kentucky gross receipts from self-employment in excess of modified gross income for their family size. See Chart A on page 5.

Individuals who are residents of Kentucky for the entire tax year must use Form 740 or Form 740-EZ. Persons who maintain a permanent residence in Kentucky (i.e., are domiciled in Kentucky) are considered residents. Persons not domiciled in Kentucky but who live in Kentucky for more than 183 days during the tax year are also considered residents.

Full-year nonresidents must report all income from Kentucky sources (including distributive share income, Schedule K-1), from activities carried on in Kentucky or from the performance of services in Kentucky, and from property located in Kentucky.

Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents.

Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. **Reciprocity does not apply to persons who live in Kentucky for more than 183 days during the tax year.** The states and types of exemptions are as follows:

Illinois, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a "twenty (20) percent or greater" direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Virginia—commuting daily, salaries and wages

Taxpayers who qualify for this exemption and have no other Kentucky taxable income should file Form 740-NP-R, Kentucky Income Tax Return, Nonresident-Reciprocal State, to obtain a refund. Also, nonresidents who qualify for the exemption should file Form 42A809, Certificate of Nonresidence, with their employer to exempt their future wages from Kentucky withholding.

Gambling income and distributive share income (Schedule K-1) are not exempt under reciprocal agreements. This income is fully taxable. A complete return must be filed if filing requirements are met.

Military Personnel—Nonresident military personnel with civilian jobs in Kentucky are required to report this income on Form 740-NP except residents of reciprocal states (see reciprocal states above). Any income from nonmilitary Kentucky sources is also taxable.

Military Pay Exclusion—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax. (KRS 141.010(10)(u))

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier's military pay in 2010 and after, the Department of Revenue will refund the tax withheld.

Military Spouse—The Military Spouses Residency Relief Act (MSRRA) (Public Law 111-97) was signed into law on November 11, 2009. This new law is effective for taxable year 2009. The MSRRA allows the same residency benefits permitted to military personnel under the Servicemembers Civil Relief Act (SCRA) to also apply to a military spouse's nonmilitary service income, under certain circumstances.

The MSRRA prohibits a spouse's income from being considered income earned in a tax jurisdiction if the spouse is not a resident or domiciliary of such jurisdiction when the spouse is in that jurisdiction solely to be with a servicemember serving under military orders.

Those military spouses who fall under this law should file Form 740-NP Kentucky Individual Income Tax Nonresident or Part-Year Resident Return to request a refund of the Kentucky income tax withheld from his or her pay. The income would not be reported as taxable on the Kentucky income tax return. To assist the department in identifying those returns, please check the MILITARY SPOUSE box at the top of the return. Please address any further questions to the Taxpayer Assistance Section at (502) 564-4581.

Military Personnel Eligible for Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

Any federally approved change in accounting period or methods must be reported to the Kentucky Department of Revenue. Attach a copy of the federal approval.

Changes to federal income tax law made after the Internal Revenue Code reference date contained in KRS 141.010(3) shall not apply for purposes of Chapter 141 unless adopted by the General Assembly.

A taxpayer and spouse may each make a designation. Persons making no designation should check the "No Designation" box.

FILING STATUS—*Legal liabilities are affected by the choice of filing methods.* Married persons who file joint returns are jointly and severally liable for all income taxes due for the period covered by the return. Filing Status 2, Married Filing Joint Return—Use this filing status if you and your spouse choose to file a joint return even if one spouse had no income. Jointly means that you and your spouse add your incomes together and report the total on page 4, Section D, Column B, Lines 1 through 34.

If a deduction or an adjustment to gross income is allowable based upon the receipt of certain types of income or is limited to a maximum amount deductible for federal income tax purposes, the Kentucky income used to determine the amount allowable for Kentucky shall be the same type of income used to allow the deduction on the federal return. Persons who move into or out of Kentucky during the year are limited to either the adjustments to gross income paid during the period of residence or that portion of adjustments to gross income that Kentucky income bears to total income. - a. Enter total credit calculated on federal Form 2441, Line 9
- b. Enter total child and dependent care expenses entered on Form 2441, Line 3
- c. Enter the amount included on Line b paid while a Kentucky resident.....

- f. Percent of allowable credit for Kentucky..... **x .20**
- g. Multiply the amount on Line e by the decimal amount on Line f. This is your Child and Dependent Care Credit. Enter on Line 25.....

Note: If you and your spouse are filing separate Kentucky returns, the child and dependent care credit calculated for Kentucky must be divided based on the percentage of each spouse's adjusted gross income to total Kentucky adjusted gross income (Line 9).

Line 27, Kentucky Use Tax—If, while a Kentucky resident, you made any out-of-state purchases of tangible personal property or digital property for use in Kentucky on which sales tax was not charged, you must report Kentucky use tax on those purchases, pursuant to KRS 139.330. **For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky** for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky.

For your convenience, the Use Tax Calculation Worksheet and Optional Use Tax Table are provided in these instructions. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made **untaxed** out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All **untaxed** purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

1. Purchases of \$0 to \$1,000 x 6 percent (.06) OR Use Tax Table Amount	\$
2. Purchases of \$1,000 or more x 6 percent (.06)	\$
3. Total Use Tax Due (add lines 1 and 2)	\$
Report this amount on Form 740 or 740-NP, Line 27; or 740-EZ, Line 9.	

Note: The items reported for use tax on Form 740-NP should be those purchased strictly for personal use. Any use tax liabilities accruing to a business such as mail-order office supplies must be reported on the sales and use tax return or the consumer's use tax return. The Department of Revenue routinely conducts compliance programs with other states regarding out-of-state purchases. Persons not reporting applicable use tax will be liable for the tax plus interest and penalties.

Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

Line 30(a), Tax Withheld—Enter the amount of 2016 **Kentucky** income tax withheld by your employer(s). This amount is shown on wage and tax statements, including Forms 1099 and W-2G, which you must attach to Form 740-NP in the designated area. You will not be given credit for Kentucky income tax withheld unless you attach the wage and tax statements or other supporting documents reflecting Kentucky withholding.

Employers are required to give these statements to employees no later than January 31, 2017. If by March 1 you are unable to obtain a wage and tax statement from an employer, contact the Department of Revenue for instructions.

You may not claim credit for tax **withheld** by another state. Within certain limitations, Kentucky part-year residents may claim a credit for nonrefundable individual income tax **paid** to other states. See Section A, Line 5.

Local government occupational, license or income tax must not be included on line 30(a).

Line 30(b), Estimated Tax Paid—Enter Kentucky estimated tax payments made for 2016 and amounts credited from the 2015 return.

Line 32, Amount Overpaid—If you have an overpayment on Line 32, you may have all of this amount refunded to you on Line 36, and/or you may credit all or part of it toward your 2017 Kentucky estimated income tax on Line 35.

You may also contribute all or a portion of your overpayment to the following funds on Line 33: (a) **Nature and Wildlife Fund** for the purpose of acquiring land to preserve habitat for wildlife and natural areas of historic or scenic value; (b) **Child Victims' Trust Fund** to support local programs designed to prevent sexual abuse and exploitation of children; (c) **Veterans' Program Trust Fund** which was created solely for the benefit of veterans' programs; (d) **Breast Cancer Research and Education Trust Fund** which was created to fund breast cancer research and provide public education about breast cancer; (e) **Farms to Food Banks Trust Fund** which was created to offset farmers' cost for providing surplus Kentucky grown fruits and vegetables to food banks; (f) **Local History Trust Fund** which was created to support grants for local history organizations that help preserve their communities' heritage; (g) **Special Olympics Kentucky** to help provide confidence and self-esteem building sports programs for athletes with intellectual disabilities in Kentucky; (h) **Pediatric Cancer Research Trust Fund** to support pediatric cancer research and treatment for Kentucky patients; or (i) **Rape Crisis Center Trust Fund** to help provide direct services to Kentucky citizens who have experienced sexual violence, sexual assault, or rape at any time in their lifetime. *Amounts contributed on Line 34 and/or credited on Line 35 must be subtracted from the overpayment and cannot exceed it.*

Line 37, Additional Tax Due—This is your additional tax due before penalties and interest.

Penalties and Interest

Line 38(a), Underpayment of Estimated Tax and/or Interest—If the amount owed is more than \$500 and more than 30 percent of the income tax liability on Line 26, you may be subject to a

penalty of 10 percent of the underpayment of estimated tax.

The amount of the penalty may be calculated on Form 2210-K. Form 2210-K may also be used by qualifying farmers and others to claim exception to the penalty. If paying the penalty or claiming an exemption, complete Form 2210-K, attach it to your return and check the block beside Line 38(a). Enter the amount of the penalty on Line 38(a). The minimum penalty is \$25.

Failure to make four equal installment payments timely may result in interest due. See Form 2210-K and instructions.

If your return is filed after April 18, 2017, or any tax due on the return is paid after April 18, 2017; you may be subject to additional penalties and interest.

Line 38(b), Interest—Interest will be assessed at the "tax interest rate" from the original due date of the return until the date of payment.

Line 38(c), Late Payment Penalty—If the amount of tax due as shown on Line 37 is not paid by the original due date of the return, a penalty of 2 percent of the tax computed due may be assessed for each 30 days or fraction thereof that the tax is past due, not to exceed 20 percent. The minimum penalty is \$10. However, if the amount timely paid is 75 percent of the tax determined due by the Department of Revenue, no late payment penalty will be assessed.

Line 38(d), Late Filing Penalty—If a return is not filed by the due date or the extended due date, a penalty of 2 percent of the total tax due for each 30 days or fraction thereof that a return is not filed may be assessed, not to exceed 20 percent. The minimum penalty is \$10.

Note: Penalties but not interest may be reduced or waived if reasonable cause for reduction or waiver can be shown.

LINE 40, Amount You Owe—When filing the return, you must pay any tax due shown on Line 40.

Your 2016 individual income tax liability may be paid using any of the following options:

- Form EPAY (42A740), if supported by your software vendor, may be used to make an electronic payment of tax due separately from filing your tax return. Refer to the Form EPAY (42A740) instructions for additional information.
- Form 8879-K, for use when simultaneously making an electronic payment and filing your return.
- Pay by Credit Card or ACH Debit through April 18, 2017. Kentucky accepts MasterCard, VISA, Discover or American Express. Access the Department of Revenue's secure Web site (www.revenue.ky.gov) to make electronic payments.
- Pay by check using Form 740-V if you filed your return electronically. Make check payable to Kentucky State Treasurer, write "KY Income Tax-2016" and your Social Security number on the face of the check. Enclose the check and Form 740-V in the same envelope.

If you need assistance with payment options, you may call the Department of Revenue at (502) 564-4581.

Note: If you cannot pay your tax in full, file your return and pay as much as possible by April 18. Contact the Department of Revenue for additional payment information.

ESTIMATED TAX— Persons who reasonably expect to have income in excess of \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments on Form 740-ES. However, if the amount of estimated tax is \$500 or less, no estimated payments are required. Persons who do not prepay at least 70 percent of the tax liability may be subject to a 10 percent penalty for underpayment of estimated tax. If you are required to make estimated tax payments you may also be subject to interest if the payments are not made timely. Prepayments for 2017 may be made through withholding, a credit forward of a 2016 overpayment or estimated tax installment payments.

Estimated tax installments may now be made electronically using Form EPAY, or when electronically filing your return using Form 8879-K, or through mailing a 740-ES with payment.

The instructions for Form 740-ES include a worksheet for calculating the amount of estimated tax due and for making installment payments. These forms may be obtained from the Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or any Kentucky Taxpayer Service Center, or by calling (502) 564-3658.

EXTENSION OF TIME TO FILE

Taxpayers who are unable to file a return by April 18, 2017, may request an extension. Taxpayers may elect to file this request electronically or by mailing the extension to the Department of

Revenue on or before the due date of the return. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. The request for the extension must be submitted in writing to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Extensions are limited to six months. **A copy of the Kentucky extension request must be attached to the return.**

Individuals who receive a federal extension are not required to obtain a separate Kentucky extension. They can meet the requirements by attaching a copy of the application for automatic federal extension or the **approved** federal extension to the Kentucky return.

Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Interest at the "tax interest rate" applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a late payment penalty may be assessed (minimum penalty is \$10). Interest and late payment penalty charges can be avoided by remitting payment with the Extension Payment Voucher by the due date.

If you wish to make a payment prior to the due date of your tax return, complete Section II of the Application for Extension of Time to File, Form 40A102, and remit with payment. Write "KY Income Tax—2016" and your Social Security number on the face of the check.

Personal Property—Kentucky taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort. Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for these returns is May 15.

SECTION A—BUSINESS INCENTIVE AND OTHER TAX CREDITS

Line 1, Nonrefundable Limited Liability Entity Tax Credit (KRS 141.0401(2))

An individual that is a partner, member or shareholder of a limited liability pass-through entity is allowed a limited liability entity tax (LLET) credit against the income tax imposed by KRS 141.020 equal to the individual's proportionate share of LLET computed on the gross receipts or gross profits of the limited liability pass-through entity as provided by KRS 141.0401(2), after the LLET is reduced by the minimum tax of \$175 and by other tax credits which the limited liability pass-through entity may be allowed. Any remaining LLET credit shall be disallowed and shall not be carried forward to the next year.

Line 2, Kentucky Small Business Tax Credit—For taxable years beginning after December 31, 2010, a small business may be eligible for a nonrefundable credit of up to one hundred percent (100%) of the Kentucky income tax imposed under KRS 141.020 or 141.040, and the limited liability entity tax imposed under KRS 141.0401.

The small business development credit program authorized by KRS 154.60-020 and KRS 141.384 was amended to allow the credit to apply to taxable years beginning after December 31, 2010. The definition of base year for purposes of the credit computation was changed to the first full year of operation that begins on or after January 1, 2009 and before January 1, 2010.

Small businesses are eligible to apply for credits and receive final approval for these credits one (1) year after the small business:

- Creates and fills one (1) or more eligible positions over the base employment, and that position or positions are created and filled for twelve (12) months; and
- Invests five thousand dollars (\$5,000) or more in qualifying equipment or technology.

The small business shall submit all information necessary to the Kentucky Economic Development Finance Authority to determine credit eligibility for each year and the amount of credit for which the small business is approved.

A small business that is a pass-through entity not subject to the tax imposed by KRS 141.040 and that has tax credits approved under Subchapter 60 of KRS Chapter 154 shall apply the credits against the limited liability entity tax imposed by KRS 141.0401, and shall also distribute the amount of the approved tax credits to each partner, member, or shareholder based on the partner's, member's, or shareholder's distributive share of income as determined for the year during which the tax credits are approved.

The maximum amount of credits that may be committed in each fiscal year by the Kentucky Economic Development Finance Authority shall be capped at three million dollars (\$3,000,000).

The maximum amount of credit for each small business for each year shall not exceed twenty-five thousand dollars (\$25,000). The credit shall be claimed on the tax return for the year during which the credit was approved. As per KRS 141.0205, individuals entitled to this credit will claim the credit on Line 2, Section A – Business Incentive and Other Tax Credits.

Unused credits may be carried forward for up to five (5) years.

Line 3, Skills Training Investment Tax Credit—Enter the amount of credit certified by the Bluegrass State Skills Corporation. A copy of the Kentucky Schedule K-1 for the year the credit was approved must be attached to the return in the first year the credit is claimed. The excess credit over the income tax liability in the year approved may be carried forward for three successive taxable years. For information regarding the application and approval process for this credit, contact the Cabinet for Economic Development, Bluegrass State Skills Corporation at (502) 564-2021, for information.

Line 4, Nonrefundable Certified Rehabilitation Credit— This credit is available to owner-occupied residential and commercial preservation projects for structures that are listed in the National Register of Historic Places, or in a National Register historic district, up to \$3 million annually. The credit is 30 percent of certified rehabilitation expenses for owner-occupied residential properties, not to exceed \$60,000 per project, and 20 percent for commercial and income-producing properties. To qualify, an owner must spend at least \$20,000 on rehabilitation.

Individuals or businesses can apply the credit against their state income tax liability, carry the credit forward up to seven years or transfer it to a banking institution to leverage financing. For application submitted on or after April 30, 2010, the credit shall be refundable if the taxpayer makes an election under KRS 171.397(2)(b). For more information regarding this credit, visit the Kentucky Heritage Council's Web site at www.heritage.ky.gov, or call (502) 564-7005.

Line 5, Credit for Tax Paid to Another State— Kentucky residents are required to report all income received including income from sources outside Kentucky. Within certain limitations, a credit for income tax paid to another state may be claimed. The credit is **limited** to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, **whichever is less**.

 **TIP**— Credit for taxes paid to another state may be reduced or eliminated if gambling losses are claimed on Schedule A.

You may not claim credit for tax withheld by another state. You must file a return with the other state and pay tax on income also taxed by Kentucky in order to claim the credit. A copy of the other state's return including a schedule of income sources must be attached to verify this credit. **If you owe tax in more than one state, the credit for each state must be computed separately.**

Reciprocal States— Kentucky has reciprocal agreements with specific states. These agreements provide that taxpayers be taxed by their state of residence, and not the state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

- Illinois, West Virginia**—wages and salaries
- Indiana**—wages, salaries and commissions
- Michigan, Wisconsin**—income from personal services (including salaries and wages)
- Ohio**—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a "twenty (20) percent or greater" direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.
- Virginia**—commuting daily, salaries and wages

Kentucky does not allow a credit for tax paid to a reciprocal state on the above income. If tax was withheld by a reciprocal state, you must file directly with the other state for a refund of those taxes.

The taxpayer must file a claim for biodiesel and renewable diesel credit with the Department of Revenue by January 15 each year for biodiesel produced or blended and the renewable diesel produced in the previous calendar year. The department shall issue a credit

certification to the taxpayer by April 15. The credit certification must be attached to the tax return claiming this credit.

Line 14, Environmental Stewardship Tax Credit—An approved company may be permitted a credit against the Kentucky income tax imposed by KRS 141.020, KRS 141.040 or KRS 141.0401 on the income of the approved company generated by or arising out of a project as determined under KRS 154.48-020. An “environmental stewardship product” means any new manufactured product or substantially improved existing manufactured product that has a lesser or reduced adverse effect on human health and the environment or provides for improvement to human health and the environment when compared with existing products or competing products that serve the same purpose. A company must have eligible costs of at least \$5 million and within six months after the activation date, the approved company compensates a minimum of 90 percent of its full-time employees whose jobs were created or retained with base hourly wages equal to either: (1) 75 percent of the average hourly wage for the Commonwealth; or (2) 75 percent of the average hourly wage for the county in which the project is to be undertaken. The maximum amount of negotiated inducement that can be claimed by a company for any single tax year may be up to 25 percent of the authorized inducement. The agreement shall expire on the earlier of the date the approved company has received inducements equal to the approved costs of its project, or 10 years from the activation date. For more information, contact the Cabinet for Economic Development, Old Capitol Annex, 300 West Broadway, Frankfort, Kentucky 40601.

KRS 141.430 was amended to provide that for tax years beginning on or after June 4, 2010, the base tax year is reduced by fifty percent (50%). The base tax year is the combined income tax and LLET for the first taxable year after December 31, 2005, that ends immediately prior to the activation date. If the base year is for a taxable year beginning before January 1, 2007, the LLET will not apply.

Caution: An approved company under the Environmental Stewardship Act shall not be entitled to the recycling credit provided under the provisions of KRS 141.390 for equipment used in the production of an environmental stewardship project.

Line 15, Clean Coal Incentive Tax Credit—A nonrefundable, nontransferable credit against taxes imposed by KRS 136.120, KRS 141.020, KRS 141.040, or KRS 141.0401 shall be allowed for a clean coal facility. As provided by KRS 141.428, a clean coal facility means an electric generation facility beginning commercial operation on or after January 1, 2005, at a cost greater than \$150 million that is located in the Commonwealth of Kentucky and is certified by the Environmental and Public Protection Cabinet as reducing emissions of pollutants released during generation of electricity through the use of clean coal equipment and technologies. The amount of the credit shall be two dollars (\$2) per ton of eligible coal purchased that is used to generate electric power at a certified clean coal facility, except that no credit shall be allowed if the eligible coal has been used to generate a credit under KRS 141.0405 for the taxpayer, parent or a subsidiary.

Line 16, Ethanol Tax Credit—An ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount certified by the department. The credit rate shall be one dollar (\$1) per ethanol gallon produced, unless the total amount of approved credit for all ethanol producers exceeds the annual ethanol tax credit cap. If the total amount of approved credit for all ethanol producers exceeds the annual ethanol tax credit cap, the department shall determine the amount of credit each ethanol producer receives by multiplying the annual

ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the ethanol producer and the denominator of which is the total approved credit for all ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining ethanol credit shall be disallowed and shall not be carried forward to the next year. "Ethanol producer" is defined as an entity that uses corn, soybeans, or wheat to manufacture ethanol at a location in this Commonwealth.

Line 17, Cellulosic Ethanol Tax Credit—A cellulosic ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount certified by the department. The credit rate shall be one dollar (\$1) per cellulosic ethanol gallon produced, unless the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap. If the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap, the department shall determine the amount of credit each cellulosic ethanol producer receives by multiplying the annual cellulosic ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the cellulosic ethanol producer and the denominator of which is the total approved credit for all cellulosic ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining cellulosic ethanol credit shall be disallowed and shall not be carried forward to the next year. "Cellulosic ethanol producer" is defined as an entity that uses cellulosic biomass materials to manufacture cellulosic ethanol at a location in this Commonwealth.

Line 18, Energy Efficiency Products Tax Credits—Enter any unused credit from 2015.

Line 19, Railroad Maintenance and Improvement Credit—The railroad maintenance and improvement credit provided by KRS 141.385 is a nonrefundable credit that can be applied against the taxes imposed by KRS 141.020, KRS 141.040 and KRS 141.0401. The tax credit shall be used in the tax year of the qualified expenditures which generated the tax credit and cannot be carried forward to a return for any other period.

An *eligible taxpayer* means the owner of a Class II or Class III railroad located in Kentucky, the transporter of property using the rail facilities of a Class II or III railroad in Kentucky, or any person that furnishes railroad-related property or services to a Class II or Class III railroad located in Kentucky. A copy of Schedule RR-I must be attached to your return.

Line 20, Endow Kentucky Credit—Effective for taxable years beginning on or after January 1, 2011, the Endow Kentucky Tax Credit was created to encourage donations to community foundations across the Commonwealth. KRS 141.438 was created to allow a nonrefundable income tax and limited liability entity tax credit of 20 percent of the value of the endowment gift, not to exceed \$10,000.

A taxpayer shall attach a copy of the approved Schedule ENDOW to the tax return each year to claim the tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401.

A partner, member or shareholder of a pass-through entity shall attach a copy of Schedule K-1, Form 720S; Schedule K-1, Form 765; or Schedule K-1, Form 765-GP to the partner's, member's or shareholder's tax return each year to claim the tax credit.

Unused credit may be carried forward for use in a subsequent taxable year, for a period not to exceed five years.

Line 21, New Markets Development Tax Credit—A taxpayer that makes a qualified equity investment in a qualified community development entity may be eligible for a credit that may be taken against the corporation income tax, individual income tax, insurance premiums taxes and limited liability entity tax. The qualified community development entity must first submit an application to the Department of Revenue for approval. The person or entity actually making the loan or making the equity investment will be able to claim a credit, subject to a \$10 million credit cap each fiscal year, by completing Form 8874(K)-A.

Line 22, Food Donation Credit—For taxable years beginning on or after January 1, 2014, but before January 1, 2018, a qualified taxpayer shall be allowed a nonrefundable credit against the tax imposed by KRS 141.020, or 141.040 and 141.0401, with the ordering of credits as provided in KRS 141.0205, in an amount equal to ten percent (10%) of the value of donated edible agriculture products to a nonprofit organization operating a food program in Kentucky that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

A qualified taxpayer means a person responsible for and deriving income from: (i) growing fruits, vegetables, or other edible agriculture products; or (ii) raising beef, poultry, pork, fish, or other edible agriculture products. Edible agriculture products means fruits, vegetables, beef, poultry, pork, fish, or any other edible product raised or grown in Kentucky that is intended for and fit for human consumption. For more information, see KRS 141.392.

Attach a copy of the Schedule(s) FD. If this credit cannot be taken in full in the year of the donation you may carry the credit forward four (4) years.

Line 23, Distilled Spirits Credit—Nonrefundable and nontransferable distilled spirits ad valorem tax credit may be claimed by income taxpayers who pay Kentucky property tax on distilled spirits. If the taxpayer is a pass-through entity, such as a partnership or limited liability company classified as a partnership for Kentucky income tax purposes, the taxpayer may apply the credit against the LLET and pass the credit through to its members, partners, or shareholders in the same proportion as the distributive share of income or loss is passed through. For tax year 2016, the distilled spirits credit is equal to forty percent (40%) of the tax assessed under KRS 132.160 and paid under KRS 132.180 on a timely basis on or after January 1, 2016. For more information, see KRS 141.389.

The maximum amount of credit that may be claimed by a taxpayer in any taxable year shall not exceed fifty percent (50%) of the total amount of credit awarded or transferred to the taxpayer.

Any amount of credit that a taxpayer is unable to utilize during a taxable year may be carried forward for use in a succeeding taxable year for a period not to exceed fifteen (15) years. Any

amount of credit not used within fifteen (15) years shall be lost. No amount of credit may be carried back by any taxpayer. For more information, see KRS 141.396.

SECTION B—PERSONAL TAX CREDITS

Line 1(a), Yourself—You are always allowed to claim a tax credit for yourself (even if your parent(s) can claim a credit for you on their return). On Line 1(a), there are eleven boxes under four separate headings. Always check the box under “Check Regular” to claim a tax credit for yourself. *If 65 or older*, also check the next four boxes on the line. *If legally blind*, also check the next four boxes on the line.

If you’re a member of the Kentucky National Guard on December 31, 2016, also check the last two boxes on Line 1(a). Kentucky law specifically restricts this credit to Kentucky National Guard members; military reserve members are not eligible.

Line 1(b), Your Spouse—Do not fill in Line 1(b) if (1) you are single; (2) you are married and you and your spouse are filing two separate returns; or (3) your spouse received more than half of his or her support from another taxpayer.

Fill in Line 1(b) if you are married and (1) you and your spouse are filing a joint return, or (2) if your spouse had no income or is not required to file a return. If you meet these criteria, check the first box on Line 1(b) for your spouse. *If your spouse is 65 or older*, also check the next four boxes. *If your spouse was legally blind at the end of the taxable year*, also check the next four boxes on the line. If your spouse was a member of the Kentucky National Guard on December 31, 2016, also check the last two boxes on the line.

Dependents—You are allowed to claim a tax credit for each person defined as a dependent in the Internal Revenue Code. Generally, dependents who qualify for federal purposes also qualify for Kentucky.

Line 2, Dependents Who Live With You

Use to claim tax credits for your dependent children, including stepchildren and legally adopted children, who lived with you during the taxable year. **If the dependent meets the requirements for a qualifying child under the provisions of IRC 152(c), check the box; this child qualifies to be counted to determine the family size.**

Dependents Who Did Not Live With You

Also use Line 2 to claim tax credits for your dependent children who did not live with you and to claim tax credits for other persons who qualify as dependents. **These dependents do not qualify to be counted to determine the family size.**

Children of Divorced or Separated Parents—Attach a copy of federal Form 8332 filed with your federal return. Children may only be counted for family size by the custodial parent.

Tax Credits for Individuals Supported by More Than One Taxpayer—Attach a copy of federal Form 2120 filed with your federal return.

SECTION C—FAMILY SIZE TAX CREDIT

Children may only be counted for family size by the custodial parent. Even if you have signed federal Form 8332 and may not claim the child as a dependent, you may count children who otherwise meet the requirements for the Family Size Tax Credit.

You must include in Section C the names and Social Security numbers of the qualifying children that are not claimed as dependents in Section B in order to count them in your total family size.

SIGN RETURN—Be sure to sign on page 3 after completion of pages 1, 2, 3 and 4 of your return. Each return must be signed by the taxpayer. Joint returns must be signed by both taxpayer and spouse. Returns that are not signed may be returned to you for signature.

Enter Driver's License/State Issued ID number.

Please enter a telephone number where you can be reached during regular working hours. You may be contacted for additional information needed to complete processing of your tax return.

INSTRUCTIONS FOR SCHEDULE A

FORM 740-NP

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Amounts entered on Schedule A should be total deductions for the taxable period. These amounts are prorated on Form 740-NP, page 1. If you do not itemize, you may elect to take a standard deduction of \$2,460 and it does not have to be prorated.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must itemize. Married couples filing a joint federal return and who wish to file separate returns for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each; (b) file a joint Schedule A, divide the total deductions between them based on the percentage of each spouse's income to total income, and attach a copy to each return; or (c) each spouse may claim the standard deduction of \$2,460.

Limitations on Itemized Deductions for High-Income Taxpayers—If your adjusted gross income from Form 740-NP, Line 8, exceeds \$184,850 (\$92,425 if married filing separate returns), your itemized deductions are reduced by the lesser of:

- (a) 3 percent of the amount by which your adjusted gross income exceeds \$184,850 (\$92,425 if married filing separate returns), or
- (b) 80 percent of your total itemized deductions except medical and dental expenses, casualty and theft losses, gambling losses and investment interest.

Complete the itemized deductions limitation schedule on the reverse of Schedule A (Form 740-NP).

MEDICAL AND DENTAL EXPENSES

Federal rules apply. You may deduct only your medical and dental expenses that exceed 10 percent of Form 740-NP, Line 8, but if you or your spouse was born before January 2, 1952, then you may only deduct your medical and dental expenses that exceed 7.5 percent of 740-NP, Line 8. Do not include any expenses deducted on Form 740-NP, page 4, Section D, Column B, Line 31 or Line 32. Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

TAXES

You may not deduct new motor vehicle taxes, sales tax, state or federal income taxes paid or withheld, otherwise federal rules apply.

INTEREST

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 10—List the interest and points (including "seller-paid points") paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 11—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address.

Line 12—List points (including "seller-paid points") not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2016. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

The seller cannot deduct these points as interest. However, they are a selling expense that reduces the amount realized by the seller. See federal Publication 523 for information on selling your home.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 13, Qualified Mortgage Insurance Premiums—Premiums that you pay or accrue for "qualified mortgage insurance" during 2016 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740-NP, line 8, is more than \$109,000 (\$54,500 if married filing separate returns). If the amount on Form 740-NP, line 8, is more than \$100,000 (\$50,000 if married filing separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Qualified Mortgage Insurance Premiums Deduction Worksheet

See the instructions for Line 13 above to see if you must use this worksheet to figure your deduction.

1. Enter the total premiums you paid in 2016 for qualified mortgage insurance for a contract entered into on or after January 1, 2007	1. _____
2. Enter the amount from Form 740-NP, page 1, Line 8.....	2. _____
3. Enter \$100,000 (\$50,000 if married filing separate returns).....	3. _____
4. Is the amount on Line 2 more than the amount on Line 3? <input type="checkbox"/> No. Your deduction is not limited. Enter the amount from Line 1 above on Schedule A, Line 13. <input type="checkbox"/> Yes. Subtract Line 3 from Line 2. If the result is not a multiple of \$1,000 (\$500 if married filing separate returns), increase it to the next multiple of \$1,000 (\$500 if married filing separate returns). For example, increase \$425 to \$1,000, increase \$2,025 to \$3,000; or if married filing separate returns, increase \$425 to \$500, increase \$2,025 to \$2,500, etc.	4. _____
5. Divide Line 4 by \$10,000 (\$5,000 if married filing separate returns). Enter the result as a decimal. If the result is 1.0 or more, enter 1.0.....	5. _____
6. Multiply Line 1 by Line 5.....	6. _____
7. Qualified mortgage insurance premiums deduction. Subtract Line 6 from Line 1. Enter the result here and on Schedule A, Line 13.....	7. _____

Line 14, Interest on Investment Property—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity.

Attach federal Form 4952, Investment Interest Expense Deduction.

Exception. You do not have to file federal Form 4952 if all three of the following apply:

- (a) your investment interest is not more than your investment income from interest and ordinary dividends,
- (b) you have no other deductible investment expenses, and
- (c) you have no disallowed investment interest expense from 2015.

For more details, see federal Publication 550, Investment Income and Expenses.

CONTRIBUTIONS

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. This substantiation should be kept in your files. Do not send it with your return.

In addition, enter on Line 17 the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Attach Schedule HH.

CASUALTY AND THEFT LOSSES

Use Line 20 to report casualty or theft losses of property that is not trade, business, rent or royalty property. Attach federal Form 4684, Casualties and Thefts, or a similar statement to figure your loss. Enter on Line 20 the amount of loss from federal Form 4684.

Losses You MAY Deduct

You may be able to deduct all or part of each loss caused by theft, vandalism, fire, storm, and car, boat and other accidents or similar causes. You may also be able to deduct money you had in a financial institution but lost because of the insolvency or bankruptcy of the institution.

You may deduct nonbusiness casualty or theft losses only to the extent that:

- (a) the amount of **each** separate casualty or theft loss is more than \$100, and
- (b) the total amount of **all** losses during the year is more than 10 percent of Form 740-NP, page 1, Line 8.

Note: Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

Special rules apply if you had both gains and losses from non-business casualties or thefts. See federal Form 4684 for details.

Losses You MAY NOT Deduct

Money or property misplaced or lost.

Breakage of china, glassware, furniture and similar items under normal conditions.

Progressive damage to property (buildings, clothes, trees, etc.) caused by termites, moths, other insects or disease.

Deduct the costs of proving you had a property loss as a miscellaneous deduction on Line 26. (Examples of these costs are appraisal fees and photographs used to establish the amount of your loss.)

For more details, see federal Publication 547, Nonbusiness Disasters, Casualties, and Thefts. It also gives information about federal disaster area losses.

MISCELLANEOUS DEDUCTIONS

Most miscellaneous deductions cannot be deducted in full. You must subtract 2 percent of your adjusted gross income from the total. Compute the 2 percent limit on Line 29.

Note: Married taxpayers filing separate Forms 740-NP who choose to file one Schedule A and prorate the total must combine the Line 8 amounts from both returns.

Generally, the 2 percent limit applies to job expenses you paid for which you were not reimbursed (Line 24). The limit also applies to certain expenses you paid to produce or collect taxable income (Line 26). See the instructions for Lines 24, 25 and 26 for examples of expenses to claim on these lines.

The 2 percent limit does not apply to certain other miscellaneous expenses that you may deduct. These expenses can be deducted in full on Line 31. The Line 31 instructions describe these expenses. Included are deductible gambling losses (to the extent of winnings) and certain job expenses of disabled employees. See federal Publication 529, Miscellaneous Deductions, for more information.

Expenses Subject to the 2 Percent Limit

Important: The increase in first-year luxury automobile depreciation caps, the 30 percent and **the 50 percent** special depreciation allowance, the additional New York Liberty Zone Section 179 deduction for property placed in service after September 10, 2001, and **the increased Section 179 deduction limits and thresholds for property placed in service after December 31, 2002**, are not allowable for Kentucky tax purposes. For passenger automobiles purchased after September 10, 2001, you must compute Kentucky depreciation in accordance with the IRC in effect on December 31, 2001.

Create a Kentucky Form 2106 by entering **Kentucky** at the top center of a federal Form 2106, Employee Business Expenses. Complete Section D—Depreciation of Vehicles in accordance with the IRC in effect on December 31, 2001. **Attach a copy of the federal Form 2106 filed for federal income tax purposes if no adjustments are required.**

Line 24—Use this line to report job-related expenses you paid for which you were not reimbursed. In some cases you **MUST** first fill out Form 2106, Employee Business Expenses, or Form 2106-EZ, Unreimbursed Employee Business Expenses. Fill out Form 2106-EZ if you claim any unreimbursed travel, transportation, meal or entertainment expenses for your job. Fill out Form 2106 if your employer paid you for any of your job-related expenses reportable on Line 24.

Enter the amount of unreimbursed employee business expenses from Form 2106 or 2106-EZ on Line 24 of Schedule A.

If you do not have to fill out Form 2106 or 2106-EZ, list the type and amount of your expenses in the space provided. If you need more space, attach a statement showing the type and amount of the expense. Enter one total on Line 24.

Line 25—Use this line to report tax return preparation fees paid during the taxable year including fees paid for filing your return electronically.

Line 26—Use this line for amounts you paid to produce or collect taxable income and manage or protect property held for earning income. List the type and amount of each expense in the space provided. If you need more space, attach a statement showing the type and amount of each expense. Enter one total on Line 26.

LINE 31—OTHER MISCELLANEOUS DEDUCTIONS

Use this line to report miscellaneous deductions that are **NOT** subject to the 2 percent adjusted gross income limit. Only the expenses listed below can be deducted on Line 31.

Expenses NOT Subject to the 2 Percent Limit

Gambling losses to the extent of Kentucky gambling winnings. Gambling winnings must be included on Form 740-NP, Section D, Line 15. (**Note:** Gambling losses must be verified by supplemental records. These include a diary and unredeemed tickets, payment slips and winning statements.)

Federal estate tax on income in respect of a decedent.

Amortizable bond premium on bonds acquired before October 23, 1986.

Deduction for repayment of amounts under a claim of right if more than \$3,000. See federal Publication 525.

Unrecovered investment in a pension.

Impairment-related work expenses of a disabled person.

Casualty and theft losses of income-producing property.

List the type and amount of each expense. Enter one total on Line 31. For more information on these expenses, see federal Publication 529.

LINE 32—TOTAL ITEMIZED DEDUCTIONS

Instructions for Form 2210-K

Purpose of Form—Use this form to determine if you owe an underpayment of estimated tax penalty for failing to prepay 70% of your tax liability and/or interest for failing to make four equal estimated tax installments timely. You may be subject to one or both even if you are due a refund when you file your tax return.

Underpayment of Estimated Tax Penalty—You may be charged an underpayment of estimated tax penalty if you did not prepay 70% of your tax liability and you did not meet one of the exceptions listed in Part I.

Estimated Tax Interest—You may also be charged interest if you failed to make four equal installments timely pursuant to KRS 141.305. These payments are due by April 15, June 15, September 15 of the taxable year, and on January 15 of the succeeding taxable year. Failure to make these equal installments timely may result in interest due pursuant to KRS 141.985. The interest is computed separately for each due date.

Part I—Exceptions and Exclusions—The underpayment of estimated tax penalty may not apply if one of the exceptions listed in Part I is met. If you meet one or more of the exceptions, check the appropriate box(es), complete the lines associated with the exception and check the “Form 2210-K attached” box on Form 740, line 38a (Form 740-NP, line 38a). If none of the exceptions apply, go to Part II.

Part II—Figuring the Underpayment and Penalty—Only complete this section if the additional tax due exceeds \$500 and you do not meet one of the exceptions listed in Part I. Do not include amounts that were prepaid with extension or payments made after the due date of the fourth declaration installment. To avoid this penalty in the future, obtain and file Form 740-ES.

Part III—Required Annual Payment and Interest Calculation—This section is used to calculate your required annual payment. The required annual payment is used to calculate the amount of payment that you should have made each quarter. If you do not pay the required amount in each quarter, you will be subject to interest until that payment is made. You may not be required to pay estimated tax payments if you meet one of the following exceptions:

- Taxpayer died during the taxable year
- Declaration was not required until after September 1, 2016, and the taxpayer files a return and pays the full amount of the tax computed on the return on or before February 1, 2017.
- Two-thirds (2/3) or more of the gross income was from farming; this return is being filed on or before March 1, 2017; and the total tax due is being paid in full.
- Prepaid your last years tax liability with timely payments.

Lines 1–7—Calculates your required annual payment which is the lesser of your current years income tax liability or your previous years tax liability. If you have paid withholding that exceeds the lesser of the two, you do not owe interest and you do not need to complete the rest of the form.

Line 8—Multiply line 7, page 2, by 25 percent (.25) and enter amount in columns A through D. However, if your source(s) of income changed unexpectedly throughout the year or your income was received later in the year, the required number of installments may be fewer.

A taxpayer who is not required to pay estimated tax in four equal installments at the beginning of the year may be required to make installment payments during the remainder

of the year. Refer to the payment due dates at the top of columns A – D to determine how many installments you are required to make based on when your income changed or was received.

If you are required to make 3 installments, multiply line 7 by 34 percent (.34) and enter in column B then multiply line 7 by 33 percent (.33) and enter in columns C and D.

If you are required to make 2 installments, multiply line 7 by 50 percent (.50) and enter in columns C and D.

If you are required to only make 1 installment, multiply line 7 by 100 percent (1.00) and enter in column D.

Line 9—Enter the sum of estimated tax payments made and Kentucky withholding for each quarter. If you have Kentucky income tax withheld, multiply the total by 25 percent (.25) and enter in columns A through D. If you had a credit forward from a prior year return, enter the total amount in Column A only.

Note: Complete lines 10 through 17 for Column A before going to Column B, etc.

Line 10—Enter amount from line 17 of the previous column. This amount should be the overpayment if any from the previous column.

Line 12—Enter amount from line 16 of the previous column. This amount should be the underpayment amount from the previous column that will be carried over to each column until the payment is made.

Line 16—This is the underpayment amount for that column and any underpayment from the previous columns. The underpayment will continue to carryover to the next column until the payment is made or the due date, whichever is earlier.

Figuring the Interest—Interest will be calculated on each underpayment in each column from the payment due date written above line 8 to the date on line 18 or the date the payment was made, whichever is earlier. The underpayments will carryover to the next column and be added to that column's underpayment to calculate interest on that balance.

Line 18—Use this date to calculate the number of days that the current interest amount will be based upon, unless the underpayment was paid prior to this date.

Line 19—This is the number of days from the payment due date shown above line 8 to the date the amount on line 16 was paid or the date shown on line 18 for the column in which you are calculating interest.

For example, if your underpayment on line 16 for column A is \$1,000, you would calculate the interest from 4–15–16 to 6–15–16 and enter 61 days on line 19. If this \$1,000 remains unpaid, it will be added to any underpayment in column B and you would calculate interest from 6–15–16 until 9–15–16 which would be 92 days for that period, etc.

Line 20—The annual interest rate is established by the Department of Revenue for each calendar year. The interest rate for calendar years 2016 is 6 percent and 2017 is 5 percent. The interest calculation for the required third installment payment may be calculated using two different interest rates.

Instructions for Form 8863-K

Purpose of Form—Use Form 8863-K to calculate and claim your 2016 education tuition tax credits. The education credits are: the American Opportunity Credit and the Lifetime Learning Credit. These credits are based on qualified undergraduate education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

Part I, Qualifications—All questions in Part I must be answered “Yes” to be eligible to claim the Kentucky education tuition tax credit.

Qualified Education Expenses—See the federal instructions to determine the qualified expenses for the American Opportunity Credit and the Lifetime Learning Credit. The allowable expenses may be different for each credit.

Eligible Educational Institution located in Kentucky—An eligible educational institution is generally any accredited public, nonprofit, or private college, university, vocational school, or other postsecondary institution. The institution must be eligible to participate in a student aid program administered by the Department of Education. **The institution attended must be physically located in Kentucky to qualify.**

Part II, American Opportunity Credit—You must enter the student’s name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum amount allowed of \$625 for each qualifying student.**

Part III, Lifetime Learning Credit—You must enter the student’s name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum allowed of \$500 per return.**

Part IV, Allowable Education Credits—

Line 12—Multiply Line 11 by 25% (.25). This is your tentative Kentucky allowable credit.

Line 13—Enter the tentative tax from Form 740 or Form 740-NP, page 1, Line 22.

Line 14—Enter the amount from page 2, Part V, Line 34. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

Line 15—Subtract Line 14 from Line 13.

Line 16—Enter the smaller of Line 15 or Line 12.

Line 17—Add Lines 14 and 16. **Enter here and on Form 740 or Form 740-NP, Line 23.** This is your allowable 2016 education credit.

Line 18—If Line 15 is smaller than Line 12, subtract Line 15 from Line 12. This is the amount of unused credit carryforward from 2016 to 2017. Maintain records for following years.

Part V, Credit Carryforward from Prior Years—The Kentucky education tuition tax credit can be carried forward for up to 5 years if unused during the preceding tax year(s). You must have completed Form 8863-K for any prior year(s) in which you are claiming a credit carryforward.
