What's New

FAMILY SIZE TAX CREDIT—This credit provides benefits to individuals and families at incomes up to 133 percent of the threshold amount based on the federal poverty level. The 2015 threshold amount is \$11,770 for a family size of one, \$15,930 for a family of two, \$20,090 for a family of three and \$24,250 for a family of four or more.

STANDARD DEDUCTION-For 2015, the standard deduction is \$2,440.

SAME SEX COUPLES—In accordance with the United States Supreme Court's decision in the case styled as *Obergefell vs. Hodges*, 135 S.Ct. 2584 (U.S. 2015), Kentucky will now license a marriage between two people of the same sex. Kentucky will also recognize a marriage between two people of the same sex when their marriage was lawfully licensed and performed out-of-state. The court decision affords new filing status options to married same-sex couples when filing their Kentucky income tax returns.

Married same-sex couples may elect to file a joint return or a combined return rather than filing separate returns if they are married at the close of the taxable year. A surviving spouse of a married same-sex couple may also elect to file a joint return or a combined return if the spouse died during the taxable year.

PREPAID DEBIT CARD AVAILABLE AS A REFUND OPTION—Effective for tax year 2015, taxpayers will now have an additional option for receiving their refund. Taxpayers may choose to receive their refund on a prepaid debit card issued by Bank of America by checking the appropriate box under Refund Options. Taxpayers also have the option of receiving the debit card disclosure material in Spanish.

PAYMENTS WITH PAPER RETURNS—Taxpayers who file paper returns and owe additional tax are required to send their payment with Form 740-V, Kentucky Payment Voucher. Form 740-V and payment should be enclosed in the same envelope as the return, but not attached to the return or each other.

FORM EPAY—This new form was created in order to authorize the Kentucky Department of Revenue and its designated Financial Agent to initiate an ACH electronic funds withdrawal to the financial institution account indicated by the taxpayer for payment of taxes and estimated tax other than at the time of filing the individual income tax return. If the request is being made at the time of filing the individual income tax return, Form 8879-K, Kentucky Individual Income Tax Declaration For Electronic Filing should be completed.

LOCAL HISTORY TRUST FUND—Effective for taxable years beginning January 1, 2015, KRS 141.441 provides that any taxpayer required to file a return under KRS 141.180 who is entitled to an income tax refund and who desires to contribute to the local history trust fund may designate an amount, not to exceed the amount of the refund, to be paid to the trust fund. A check-off box for the local history trust fund has been added to the Fund Contributions available on the 2015 Kentucky individual income tax return.

ANGEL INVESTOR TAX CREDIT—Effective for taxable years beginning on or after January 1, 2015, KRS 141.396 makes available a nonrefundable personal income tax credit under the Kentucky angel investment credit program to individuals who invest a minimum of \$10,000 in certain Kentucky small businesses with high-growth potential that are engaged in knowledge-based activities, such as bioscience, environmental and energy technology, health and human development, information technology and communications, and materials science and advanced manufacturing, that will further the establishment or expansion of small businesses, create additional jobs, and foster the development of new products and technologies.

DISTILLED SPIRITS TAX CREDIT—KRS 141.389 creates a nonrefundable and nontransferable credit that may be claimed by income taxpayers who pay Kentucky property tax on distilled spirits. If the taxpayer is a pass-through entity, such as a partnership or limited liability company classified as a partnership for Kentucky income tax purposes, the taxpayer may apply the credit against the LLET and pass the credit through to its members, partners, or shareholders in the same proportion as the distributive share of income or loss is passed through. For tax year 2015, the distilled spirits credit is equal to 20 percent of the property tax assessed and timely paid for taxable years beginning on or after January 1, 2015.

FILM PRODUCTION TAX CREDIT PROGRAM EXPANDED—KRS 148.544 has been amended to expand the film tax credits for tax years beginning on or after January 1, 2015, by reducing the threshold for qualifying expenditures for all companies and providing an enhanced incentive for Kentucky-based companies. The credits may be claimed against corporation income tax, limited liability entity tax (LLET) and personal income tax for qualifying production and payroll expenditures incurred by companies to film or produce a feature-length film, television program, industrial film, documentary, commercial or touring production of a Broadway show in Kentucky.

The new threshold amounts are \$250,000 for feature-length films, television programs or industrial films (\$125,000 for Kentucky-based companies); \$100,000 for commercials; and \$20,000 for documentaries and/or Broadway shows (\$10,000 for Kentucky-based companies for documentaries only).

If the production or filming takes place in an enhanced incentive county, the credit is 35 percent of the expenditures; otherwise, it is 30 percent, which is an increase from the originally legislated 20 percent. If expenditures are paid on Kentucky resident crew members, the company gets a 35 percent credit on those costs.

HISTORIC REHABILITATION TAX CREDIT REGULATION ADOPTED—The Kentucky Heritage Council has now adopted 300 KAR 6:010 to implement the Certified Historic Structures Rehabilitation Tax Credit that may be used to offset a taxpayer's liability for Kentucky corporation income tax, limited liability entity tax (LLET), bank franchise tax or personal income tax. The regulation provides a detailed explanation of the credit application process, the authority of the Executive Director of the Kentucky Heritage Council to recapture credits and to inspect property, the appeal process if there is a determination that the rehabilitation project does not qualify for the credit and the fees for processing rehabilitation certification requests.

METROPOLITAN COLLEGE CONSORTIUM TAX CREDIT EXTENDED—KRS 141.381 extends the sunset date to April 15, 2027, from the previous April 15, 2017. The Metropolitan College Consortium (MCC) tax credit is a nonrefundable credit that may be claimed against Kentucky corporation income tax, limited liability entity tax (LLET) and personal income tax. The new sunset date for the MCC tax credit is effective July 1, 2015.

INNOCENT SPOUSE RELIEF—KRS 141.180 has been amended to establish relief for an innocent spouse to be effective as of the date that the Internal Revenue Service approved the relief or as of the date that the Kentucky Department of Revenue (DOR) approved the relief, if there is no federal income tax liability. It also allows for payments made after the effective date of the relief to be refunded as applicable.

Computer-Generated Returns and 2-D Bar Code

Most software packages produce a 2-D bar code. The Department of Revenue scans the bar code that contains all of the information needed to process your return. The bar code is printed in the upper right-hand corner of the return when you prepare your return using an approved software package. Last minute changes should be entered into the program and the entire return printed again so that the bar code also contains the correct information. This bar code should not be covered up or marked through. Using the bar code reduces

data entry errors for the department and results in a faster refund for you.

Check to be sure your software generates an acceptable form. A list of vendors whose software has been approved is posted on the Internet at www.revenue.ky.gov, the Department of Revenue's Web site.

Usually, this is four years from the date the return was due or filed (with extensions), or the date the tax was paid, whichever is later. You should keep some records longer. For example, keep property

Filing as an Injured Spouse on Your Federal Form 1040?

Kentucky does not recognize the federal injured spouse form. Income tax refunds may be withheld by the department if you owe money to the Kentucky Department of Revenue, another state agency or the Internal Revenue Service.

Kentucky law requires the offset of the entire refund if a joint return is filed. If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form. If you choose to file separately on a combined return, for agencies other than the Department of Revenue, the refund will be apportioned between spouses, based on each spouse's income. The indebted spouse's refund will then be paid to the appropriate agency.

Death of a Taxpayer

If a taxpayer died before filing a return for 2015, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return should enter "DECD" after the deceased taxpayer's name and write "DECEASED" and the date of death across the top of the return.

If your spouse died in 2015 and you did not remarry in 2015, you can file jointly or separately on a combined return. The return should show your spouse's 2015 income before death and your income for all of 2015. You can also file jointly or separately on a combined return if your spouse died in 2016 before filling a 2015 return. Write "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

Death of Military Personnel Killed in Line of Duty

KRS 141.010(10)(t) exempts all income earned by soldiers killed in the line of duty from Kentucky tax for the year during which the death occurred and the year prior to the year during which the death occurred.

The exemption applies to tax years beginning after December 31, 2001. The income exclusion applies to all income from all sources of the decedent, not just military income. The exclusion includes all federal and state death benefits payable to the estate or any beneficiaries.

Amended returns may be filed for the year the soldier was killed in the line of duty and the year prior to the year of death. The amended returns must be filed within the statute of limitations period; four years from the due date, the extended due date or the date the tax was paid, whichever is later.

If a combined return was filed, the exclusion would apply to the income reported in Column A or Column B of the Kentucky return attributable to the military member. If a joint return was filed, the income must be separated accordingly. Refunds will be issued in the names on the original return. Beneficiaries or estates that received death benefits that were included in a Kentucky return may file an amended return to request a refund of taxes paid on the benefit.

The Department of Revenue will use the Veterans Administration definition for "in the line of duty," which states that a soldier is in the line of duty when he is in active military service, whether on active duty or authorized leave; unless the death was the result of the person's own willful misconduct.

Income Tax Withholding for 2016

If the amount you owe or the amount you overpaid is large, you may want to change the amount of income tax withheld from your 2016 pay. To do so you must file a new Form K-4 with your employer.

The Family Size Tax Credit is based on modified gross income and the size of the family. See instructions for Lines 20 and 21 for further explanation of these limitations. Changes have been made to the Special Withholding Exemption Certificate (Form K-4E) to reflect the Family Size Tax Credit. If you do not expect to have any tax liability for the current year and you meet the modified gross income requirements, you may be entitled to claim exemption from withholding of Kentucky income tax. The Special Withholding Exemption Certificate (Form K-4E) can be downloaded at http://revenue.ky.gov/ business/whtax.htm, the Department of Revenue's Web site.

2016 Estimated Tax Payments

Persons who reasonably expect to have income in excess of \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments on Form 740-ES. However, if the amount of estimated tax is \$500 or less, no estimated payments are

required. Persons who do not prepay at least 70 percent of the tax liability may be subject to a 10 percent penalty for underpayment of estimated tax. If you are required to make estimated tax payments you may also be subject to interest if the payments are not made timely. Prepayments for 2016 may be made through withholding, a credit forward of a 2015 overpayment or estimated tax installment payments.

Estimated tax installments may now be made electronically using Form EPAY, or when electronically filing your return using Form 8879-K, or through mailing a 740-ES with payment.

The instructions for Form 740-ES include a worksheet for calculating the amount of estimated tax due and for making installment payments. These forms may be obtained from the Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or any Kentucky Taxpayer Service Center, or by calling (502) 564-3658.

Return Adjustments

If the Department of Revenue adjusts your return and you do not understand the adjustment, you may write to Taxpayer Assistance, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181 or call (502) 564-4581. If you disagree with an adjustment made to your return, you may appeal that adjustment by submitting a written protest within 45 days of notification.

Amended Returns

If you discover that you omitted deductions or otherwise improperly prepared your return, you may obtain a refund by filing an amended return within four years of the due date of the original return. You are required to file an amended return to report omitted income. You may obtain Form 740-X by contacting a Kentucky Taxpayer Service Center or writing FORMS, Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518. You may also download Form 740-X at www.revenue.ky.gov, the Department of Revenue's Web site.

Federal Audit Adjustments

Taxpayers who have received a final determination of an Internal Revenue Service audit must submit a copy to the department within 30 days of its conclusion. The information should be submitted to the Individual Governmental Program Section, Kentucky Department of Revenue, P.O. Box 1074, Station 68, Frankfort, KY 40602-1074.

Confidentiality

Kentucky Revised Statute 131.190 requires the Department of Revenue to maintain strict confidentiality of all taxpayer records. No employee of the Department of Revenue may divulge any information regarding the tax returns, schedules or reports required to be filed. However, the Department of Revenue is not prohibited from providing evidence to or testifying in any court of law concerning official tax records. Also, Department of Revenue employees or any other person authorized to access confidential state information are prohibited from intentionally viewing such information without an official need to view.

The department may provide official information on a confidential basis to the Internal Revenue Service or to any other governmental agency with which it has an exchange of information agreement whereby the department receives similar or useful information in return.

Individuals who receive a federal extension are not required to request a separate Kentucky extension. They can meet the requirements by attaching a copy of the application for automatic federal extension to the Kentucky return.

IRS extensions by e-file (by personal computer or a tax professional)—Attach a copy of Form 4868 with the confirmation number in the lower right-hand corner of the form or a copy of the electronic acknowledgment.

Military Personnel—Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

Interest and Penalties—Interest at the "tax interest rate" applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a late payment penalty may be assessed (minimum penalty is \$10).

Interest and penalty charges can be avoided or reduced by sending payment with your extension request by the due date. If you wish to make a payment prior to the due date of your return when using the:

- (1) Kentucky Extension—Complete Section II, Kentucky Extension Payment Voucher, of the Application for Extension of Time to File, Form 40A102, and send with payment. Write "KY Income Tax—2015" and your Social Security number(s) on the face of the check.
- (2) Federal Automatic Extension—Make a copy of the lower portion of the federal Application for Automatic Extension, Form 4868, and send with payment. Write "KY Income Tax—2015" and your Social Security number(s) on the face of the check.

Personal Property Forms

Kentucky business taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort. Tangible personal property is

to be reported on the Tangible Personal Property Tax Return, Form 62A500. The due date for this return is May 15.

Do not mail this return with your income tax return; use a separate envelope.

Extension of Time to File

Taxpayers who are unable to file a return by April 18 may request an extension. Taxpayers may elect to file this request electronically or by mailing the extension to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. Extensions are limited to six months. A copy of the Kentucky extension request must be attached to the return.

INSTRUCTIONS 2015 FORM 740

Do You Have to File a Kentucky Return?

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income and income from self-employment. You must file if your modified gross income exceeds the amount in Chart A and your Kentucky adjusted gross income exceeds the amount in Chart B.

Complete your federal tax return first. If you are not required to file a federal tax return, see instructions for Line 5.

MODIFIED GROSS INCOME AND FAMILY SIZE (Use With Chart A)

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children. For the purposes of computing the Family Size Tax Credit, the maximum family size is four.

Qualifying Dependent Child—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer's qualifying child, a person must satisfy four tests:

- Relationship—The taxpayer's child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.
- Residence—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents. Other federal exceptions apply
- Age—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.
- Support—Did not provide more than one-half of his/her own support for the year.

Modified Gross Income—Modified gross income is the greater of federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income; *or* Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

TIP: Even though the filing requirements are not met, an income tax return must be filed to claim a refund of the Kentucky taxes withheld.

FILING REQUIREMENTS (Continued)

Part-time or part-year workers may have income taxes withheld from their paychecks even though the filing requirements are not met. An income tax return must be filed to claim a refund of the Kentucky taxes withheld.

A child meeting the filing requirements must file a return even though being claimed as a dependent by the parent. Kentucky income tax law contains no special provisions for taxing the income of a minor child at the parent's tax rates nor the reporting of income of a child on the parent's return.

Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax.

Nonresidents and part-year residents must report income on Form 740-NP.

Military Personnel—MILITARY PAY EXCLUSION—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax. KRS 141.010(10)(u)

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier's military pay, the Department of Revenue will refund the tax withheld.

Kentucky residents who are in the military are often granted extensions for military service when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

For Fiscal Year Filers Only—Most people pay taxes for a calendar year. However, if you file for a taxable year other than a calendar year or for part of a year, enter the beginning and ending dates of that year on the line at the top of the form.

When and Where to File

Pay Returns

Kentucky Department of Revenue Frankfort, KY 40619-0008

Taxpayers who expect refunds should file as early as possible to receive refunds promptly. If you have your tax return prepared by another person, you may wish to mail the return yourself in order to ensure prompt filing.

Social Security Number—You are required to provide your social security number per Section 405, Title 42, of the United States Code. This information will be used to establish your identity for tax purposes only.

Political Party Fund Designation

You may designate \$2 of your taxes to either the Democratic or Republican party if you have a tax liability of at least \$2 (\$4 for married persons filing joint returns). Fifty cents will be paid to the corresponding political organization in your county of residence and the remainder will be paid to the respective state political party. This designation will not increase your tax or decrease your refund. You may make this designation by checking the applicable box. A taxpayer and spouse may each make a designation. Persons

making no designation should check the "No Designation" box.

Reporting Periods and Accounting Procedures

Kentucky law requires taxpayers to report income on the same calendar or fiscal year and to use the same methods of accounting as required for federal income tax purposes. Any federally approved change in accounting period or methods must be reported to the Kentucky Department of Revenue. Attach a copy of the federal approval.

Changes to federal income tax law made after the Internal Revenue Code reference date contained in KRS 141.010(3) shall not apply for purposes of Chapter 141 unless adopted by the General Assembly.

Filing Status

Legal liabilities are affected by the choice of filing status. Married persons who file joint or combined returns are jointly and severally liable for all income taxes due for the period covered by the return. That is, each spouse may be held legally responsible for payment of taxes on income earned by the other. If spouses want to credit the refund of one against the liability of the other or combine their tax liabilities or refunds, they must file a combined return. If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.

Check the box that describes your filing status. If you are married, filed a joint federal return and both you and your spouse had income, you may be able to reduce your tax by using Filing Status 2 rather than Filing Status 3.

Filing Status 1, Single—Use this filing status if you are unmarried, divorced, widowed, legally separated by court decree, or if you filed as "Head of Household" or "Qualifying Widow(er)" on your federal return.

Filing Status 2, Married Filing Separately on This Combined Return—Use this filing status to report your incomes individually but on only one tax form. You do this by filling in both Columns A and B. You may file separately on this combined return regardless of whether you filed jointly or separately for federal purposes if both you and your spouse had income. This filing status usually results in a lower tax than Filing Status 3.

Each spouse must claim his or her own income and deductions. The total of Line 5, Columns A and B, must equal your and your spouse's federal adjusted gross income.

Filing Status 3, Married Filing Joint Return—Use this filing status if you and your spouse choose to file a joint return even if one spouse had no income. Jointly means that you and your spouse add your incomes together and report in Column B. If both you and your spouse have income, it may be to your benefit to use Filing Status 2.

Filing Status 4, Married Filing Separate Returns—If using this filing status, you and your spouse must file two separate tax forms. When filing separate returns, the name and Social Security number of each spouse must be entered on both returns. Enter the spouse's Social Security number in the block provided, and enter the name on Line 4.

Adjusted Gross Income

LINE 5, Federal Adjusted Gross Income

Enter the total amount of your federal adjusted gross income from your federal income tax return in Column B if Filing Status 1, 3 or 4 is used. Use Column A only when entering your spouse's income on a combined return (Filing Status 2). When using Filing Status 2, Columns A and B, Line 5, must equal your federal adjusted gross income. (Do not confuse federal adjusted gross income with federal taxable income shown on the federal return.)

Where taxpayer and spouse have filed a joint return for federal income tax purposes and have not elected to file a joint Kentucky income tax return, each spouse must claim his or her own income and deductions.

If you are not required to file a federal income tax return, enter on Line 5 the total of wages, salaries, tips, fees, commissions, bonuses, other payments for personal services, taxable scholarships and fellowships, taxable interest and dividends, trade or business income, unemployment compensation and all other income from sources within and without Kentucky including amounts not reported on attached wage and tax statements. If you have income not supported by a wage and tax statement, attach a supporting schedule showing the source and amount.

Determining Kentucky Adjusted Gross Income - Kentucky law requires that the individual income tax return begin with federal adjusted gross income and be adjusted for any differences to arrive at Kentucky adjusted gross income. Schedule M is designed to make "additions to" federal adjusted gross income and provides for "subtractions from"

federal adjusted gross income. For a list of differences, see the Federal/Kentucky Individual Income Tax Differences chart and the line-by-line instructions.

LINE 6 - Additions to Federal Adjusted Gross Income - Enter amount from Schedule M, Part I, Line 8.

LINE 8-Subtractions from Federal Adjusted Gross Income - Enter amount from Schedule M, Part II, Line 20.

LINE 9-Kentucky Adjusted Gross Income-Subtract Line 8 from Line 7. This is your Kentucky Adjusted Gross Income.

Taxable Income

LINE 10, Deductions—Taxpayers may elect to itemize deductions or elect to use the standard deduction of \$2,440. If one spouse itemizes deductions, the other must itemize. See specific instructions for Schedule A.

Itemizers, complete Schedule A and enter allowable deductions on Line 10.

Nonitemizers, enter the standard deduction of \$2,440. If married filing separately on a combined return, enter \$2,440 in both Columns A and B. If filing a joint return, only one \$2,440 standard deduction is allowed.

LINE 11 - Subtract Line 10 from Line 9. This is your Taxable Income.

LINE 12—Determining Your Tax

Tax Table or Computation—An optional tax table is located elsewhere in this publication for your convenience. You may use this table whether or not you itemize. Married taxpayers filing separately on a combined return may use the tax table or the tax rate schedule, or one spouse may use the tax table and the other the tax rate schedule. If you choose not to use the tax table, compute your tax using the tax rate schedule below.

Tax Rate Schedule

If taxable amount is: Tax is: \$3,000 or less 2% of taxable amount over \$3,000 but not over \$4,000.... \$60 plus 3% of amount over \$3,000 over \$4,000 but not over \$5,000.... \$90 plus 4% of amount over \$4,000 but not over \$8,000.... \$130 plus 5% of amount over \$5,000

over \$8,000 but not over \$75,000.. \$280 plus 5.8% of amount over \$8,000

over \$75,000...... \$4,166 plus 6% of amount over \$75,000

Farm Income Averaging, Schedule J-If you elect farm income averaging on your federal return, you may also use this method for Kentucky. The amount of income you may average is limited to the amount elected for federal purposes. Enter tax from Schedule J, Line 22, on Form 740, Line 12, and check the box

for "Schedule J." Attach completed Schedule J.

LINE 13, Lump-sum Distribution — Special 10–Year Averaging — Kentucky allows a special 10-year averaging method for determining tax on lump-sum distributions received from certain retirement plans that qualify for federal 10-year averaging. If this special method is used for federal purposes, Form 4972-K, KentuckyTax on Lump-Sum Distributions, and Schedule P, Pension Income Exclusion, must be filed with Form 740. Enter tax from Form 4972-K and check the box.

Recycling Composting Recapture—Enter amount from Schedule RC-R and check the box.

If both Form 4972-K and Schedule RC-R are used, add the amounts together and enter the total on Line 13.

LINE 15—Enter amounts from page 3, Section A. See instructions for Section A.

LINE 17—Enter amounts from page 3, Section B. See instructions for Section B.

LINE 19, Total Tax Liability—Married taxpayers filing a combined return must add the amounts on Line 18, Columns A and B, and enter the sum on Line 19. Other taxpayers should enter the amount from Line 18, Column B, on Line 19.

LINE 20 and LINE 21, Family SizeTax Credit—The Family SizeTax Credit is based on modified gross income (MGI) and the size of the family. If your total MGI is \$32,253 or less, you may qualify for Kentucky Family SizeTax Credit.

STEP ONE—Determine your family size. Check the box on Line 20 to the right of the number that represents your family size

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children.

Family Size 1 is an individual either single, or married living apart from his or her spouse for the entire year. You may qualify for the Family Size Tax Credit even if you are claimed as a dependent on your parent's tax return.

Family Size 2 is an individual with one qualifying child or a married couple.

Family Size 3 is an individual with two qualifying children or a married couple with one qualifying child.

Family Size 4 is an individual with three or more qualifying children or a married couple with two or more qualifying children.

Qualifying Dependent Child—Means a qualifying child as defined in Internal Revenue Code Section 152(c), and includes a child who lives in the household but cannot be claimed as a dependent if the provisions of Internal Revenue Code Section 152(e)(2) and 152(e)(4) apply. In general, to be a taxpayer's qualifying child, a person must satisfy four tests:

Relationship—Must be the taxpayer's child or stepchild (whether by blood or adoption), foster child, sibling or stepsibling, or a descendant of one of these.

Residence—Has the same principal residence as the taxpayer for more than half the tax year. A qualifying child is determined without regard to the exception for children of divorced or separated parents.

Age—Must be under the age of 19 at the end of the tax year, or under the age of 24 if a full-time student for at least five months of the year, or be permanently and totally disabled at any time during the year.

Support - Did not provide more than one-half of his/her own support for the year.

Step Two—Determine modified gross income.

Complete and attach federal Form 2441, state on the form "did not meet federal filing requirements" and follow instructions for Line 25.

LINE 27, Kentucky Use Tax

Important Reminder from the Department of Revenue About Out-of-State Purchases: If you made <u>untaxed</u> purchases from out-of-state retailers, <u>the use tax line on your return should contain a number.</u>

Like every other state that has a sales tax, Kentucky has a use tax that requires that out-of-state purchases of tangible personal property or digital property for use in Kentucky be taxed at the same amount as if they had taken place in Kentucky and subjected to Kentucky's sales tax. This ensures equality of treatment between in-state and out-of-state transactions. Although the use tax has been in the tax code since 1960, it is now more relevant than ever because of the increasing percentage of online sales. Pursuant to KRS 139.330, a 6 percent use tax is due if you make out-of-state purchases for storage, use or other consumption in Kentucky and did not pay at least 6 percent state sales tax to the seller at the time of purchase. For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky. It is important to remember that use tax applies *only* to items purchased from a retailer outside Kentucky, including another country, which would have been taxed if purchased in Kentucky.

For your convenience, a Use Tax Calculation Worksheet and Optional Use Tax Table are provided below. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made <u>untaxed</u> out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All <u>untaxed</u> purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

SECTION A—BUSINESS INCENTIVE AND OTHER TAX CREDITS

Line 1, Nonrefundable Limited Liability Entity Tax Credit (KRS 141.0401(2))

An individual that is a partner, member or shareholder of a limited liability pass-through entity is allowed a limited liability entity tax (LLET) credit against the income tax imposed by KRS 141.020 equal to the individual's proportionate share of LLET computed on the gross receipts or gross profits of the limited liability pass-through entity as provided by KRS 141.0401(2), after the LLET is reduced by the minimum tax of \$175 and by other tax credits which the limited liability pass-through entity may be allowed. The credit allowed an individual that is a partner, member, or shareholder of a limited liability pass-through entity against income tax shall be applied only to income tax assessed on the individual's proportionate share of distributive income from the limited liability pass-through entity as provided by KRS 141.0401(3) (b). Any remaining LLET credit shall be disallowed and shall not be carried forward to the next year.

Nonrefundable Kentucky limited liability entity tax credit (KRS 141.0401(2))—The credit amount is shown on Kentucky Schedule(s) K–1 from pass-through entities (PTEs) or Form(s) 725 for single member limited liability companies. Copies of Kentucky Schedule(s) K-1 or Form(s) 725 must be attached to your return.

Line 2, Kentucky Small Business Investment Credit—For taxable years beginning after December 31, 2010, a small business may be eligible for a nonrefundable credit of up to one hundred percent (100%) of the Kentucky income tax imposed under KRS 141.020 or 141.040, and the limited liability entity tax imposed under KRS 141.0401.

The small business development credit program authorized by KRS 154.60-020 and KRS 141.384 was amended to allow the credit to apply to taxable years beginning after December 31, 2010. The definition of base year for purposes of the credit computation was changed to the first full year of operation that begins on or after January 1, 2009 and before January 1, 2010.

Small businesses are eligible to apply for credits and receive final approval for these credits one (1) year after the small business:

- Creates and fills one (1) or more eligible positions over the base employment, and that position or positions are created and filled for twelve (12) months; and
- Invests five thousand dollars (\$5,000) or more in qualifying equipment or technology.

The small business shall submit all information necessary to the Kentucky Economic Development Finance Authority to determine credit eligibility for each year and the amount of credit for which the small business is approved.

A small business that is a pass-through entity not subject to the tax imposed by KRS 141.040 and that has tax credits approved under Subchapter 60 of KRS Chapter 154 shall apply the credits against the limited liability entity tax imposed by KRS 141.0401, and shall also distribute the amount of the approved tax credits to each partner, member, or shareholder based on the partner's, member's, or shareholder's distributive share of income as determined for the year during which the tax credits are approved.

The maximum amount of credits that may be committed in each fiscal year by the Kentucky Economic Development Finance Authority shall be capped at three million dollars (\$3,000,000).

The maximum amount of credit for each small business for each year shall not exceed twenty-five thousand dollars (\$25,000). The credit shall be claimed on the tax return for the year during which the credit was approved. As per KRS 141.0205, individuals entitled to this credit will claim the credit on Line 2, Section A – Business Incentive and Other Tax Credits.

Unused credits may be carried forward for up to five (5) years.

Line 3, Skills Training Investment Tax Credit—Enter the amount of credit certified by the Bluegrass State Skills Corporation. A copy of the Kentucky Schedule K-1 for the year the credit was approved must be attached to the return in the first year the credit is claimed. The excess credit over the income tax liability in the year approved may be carried forward for three successive taxable years. For information regarding the application and approval process for this credit, contact the Cabinet for Economic Development, Bluegrass State Skills Corporation at (502) 564-2021.

Line 4, Nonrefundable Certified Rehabilitation Credit—This credit is available to owner–occupied residential and commercial preservation projects for structures that are listed in the National Register of Historic Places, or in a National Register historic district, up to \$3 million annually. The credit is 30 percent of certified rehabilitation expenses for owner–occupied residential properties, not to exceed \$60,000 per project, and 20 percent for commercial and income-producing properties. To qualify, an owner must spend at least \$20,000 on rehabilitation.

Individuals or businesses can apply the credit against their state income tax liability, carry the credit forward up to seven years or transfer it to a banking institution to leverage financing. For applications submitted on or after **April 30**, **2010**, the credit shall be refundable if the taxpayer makes an election under KRS 171.397(2)(b). For more information regarding this credit, visit the Kentucky Heritage Council's Web site at **www.heritage.ky.gov**, or call (502) 564–7005.

Line 5, Credit for Tax Paid to Another State—Kentucky residents are required to report all income received including income from sources outside Kentucky. Within certain limitations, a credit for income tax paid to another state may be claimed. The credit is **limited** to the amount of Kentucky tax savings had the income reported to the other state been omitted, or the amount of tax paid to the other state, whichever is less.

You may not claim credit for tax withheld by another state. You must file a return with the other state and pay tax on income also taxed by Kentucky in order to claim the credit. A copy of the other state's return including a schedule of income sources must be attached to verify this credit. If you owe tax in more than one state, the credit for each state must be computed separately.

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. Persons who live in Kentucky for more than 183 days during the tax year are considered residents and reciprocity does not apply. The states and types of exemptions are as follows:

Illinois, West Virginia - wages and salaries

Indiana - wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. Note: Wages which an S corporation pays to a shareholder–employee if the shareholder–employee is a "twenty (20) percent or greater" direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Virginia - commuting daily, salaries and wages

Kentucky does not allow a credit for tax paid to a reciprocal state on the above income. If tax was withheld by a reciprocal state, you must file directly with the other state for a refund of those taxes.

For investments after June 30, 2002, the credit is claimed on the tax return filed for the tax year following the year in which the credit is granted and is limited in any tax year to 50 percent of the initial aggregate credit apportioned to the investor. Attach a copy of the certification by KEDFA in the first year claimed. Any excess credit may be carried forward. No credit may extend beyond 15 years of the initial certification.

Line 9, Coal Incentive Tax Credit—A company that owns and operates an alternative fuel facility or a gasification facility as defined in KRS 154.27-010 may be entitled to a coal incentive tax credit. Application for this credit is made on Schedule CI, Application for Coal Incentive Tax Credit, and a copy of the credit certificate issued by the Kentucky Department of Revenue must be attached to the return on which the credit is claimed.

Line 10, Qualified Research Facility Tax Credit—A nonrefundable credit is allowed against individual and corporation income taxes equal to 5 percent of the cost of constructing and equipping new facilities or expanding or remodeling existing facilities in Kentucky for qualified research. Shareholders and partners should attach a copy of Schedule K-1 showing the amount of credit distributed. For information regarding the program, contact the Education Cabinet, Kentucky Adult Education, Council on Postsecondary Education.

Line 12, Voluntary Environmental Remediation Credit—This line should be completed only if the taxpayers have an agreed order with the Environmental and Public Protection Cabinet under the provisions of KRS 224.01-518 and have been approved for the credit by the Department of Revenue. Maximum credit allowed to be claimed per taxable year is 25 percent of approved credit. For more information regarding credit for voluntary environmental remediation property, contact the Environmental and Public Protection Cabinet at (502) 564-3350. Line 13, Biodiesel and Renewable Diesel Credit—Producers and blenders of biodiesel and producers of renewable diesel are entitled to a tax credit against the taxes imposed by KRS 141.020, KRS 141.040 and KRS 141.0401. The taxpayer must file a claim for biodiesel and renewable diesel credit with the Department of Revenue by January 15 each year for biodiesel produced or blended and the renewable diesel produced in the previous calendar year. The department shall issue a credit

certification to the taxpayer by April 15. The credit certification must be attached to the tax return claiming this credit.

Line 14, Environmental Stewardship Tax Credit—An approved company may be permitted a credit against the Kentucky income tax imposed by KRS 141.020, KRS 141.040 or KRS 141.0401 on the income of the approved company generated by or arising out of a project as determined under KRS 154.48-020. An "environmental stewardship product" means any new manufactured product or substantially improved existing manufactured product that has a lesser or reduced adverse effect on human health and the environment or provides for improvement to human health and the environment when compared with existing products or competing products that serve the same purpose. A company must have eligible costs of at least \$5 million and within six months after the activation date, the approved company compensates a minimum of 90 percent of its full-time employees whose jobs were created or retained base hourly wages equal to either: (1) 75 percent of the average hourly wage for the Commonwealth; or (2) 75 percent of the average hourly wage for the county in which the project is to be undertaken. The maximum amount of negotiated inducement that can be claimed by a company for any single tax year may be up to 25 percent of the authorized inducement. The agreement shall expire on the earlier of the date the approved company has received inducements equal to the approved costs of its project, or 10 years from the activation date. For more information, contact the Cabinet for Economic Development, Old Capitol Annex, 300 West Broadway, Frankfort, KY 40601.

KRS 141.430 was amended to provide that for tax years beginning on or after June 4, 2010, the base tax year is reduced by fifty percent (50%). The base tax year is the combined income tax and LLET for the first taxable year after December 31, 2005, that ends immediately prior to the activation date. If the base year is for a taxable year beginning before January 1, 2007, the LLET will not apply.

As provided by KRS 141.428, a clean coal facility means an electric generation facility beginning commercial operation on or after January 1, 2005, at a cost greater than \$150 million that is located in the Commonwealth of Kentucky and is certified by the Environmental and Public Protection Cabinet as reducing emissions of pollutants released during generation of electricity through the use of clean coal equipment and technologies. The amount of the credit shall be two dollars (\$2) per ton of eligible coal purchased that is used to generate electric power at a certified clean coal facility, except that no credit shall be allowed if the eligible coal has been used to generate a credit under KRS 141.0405 for the taxpayer, parent or a subsidiary.

Line 16, Ethanol Tax Credit—An ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount

certified by the department. The credit rate shall be one dollar (\$1) per ethanol gallon produced, unless the total amount of approved credit for all ethanol producers exceeds the annual ethanol tax credit cap. If the total amount of approved credit for all ethanol producers exceeds the annual ethanol tax credit cap, the department shall determine the amount of credit each ethanol producer receives by multiplying the annual ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the ethanol producer and the denominator of which is the total approved credit for all ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining ethanol credit shall be disallowed and shall not be carried forward to the next year. "Ethanol producer" is defined as an entity that uses corn, soybeans, or wheat to manufacture ethanol at a location in this Commonwealth.

Line 17, Cellulosic Ethanol Tax Credit—A cellulosic ethanol producer shall be eligible for a nonrefundable tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 in an amount certified by the department. The credit rate shall be one dollar (\$1) per cellulosic ethanol gallon produced, unless the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap. If the total amount of approved credit for all cellulosic ethanol producers exceeds the annual cellulosic ethanol tax credit cap, the department shall determine the amount of credit each cellulosic ethanol producer receives by multiplying the annual cellulosic ethanol tax credit cap by a fraction, the numerator of which is the amount of approved credit for the cellulosic ethanol producer and the denominator of which is the total approved credit for all cellulosic ethanol producers. The credit allowed shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205. Any remaining cellulosic ethanol credit shall be disallowed and shall not be carried forward to the next year. "Cellulosic ethanol producer" is defined as an entity that uses cellulosic biomass materials to manufacture cellulosic ethanol at a location in this Commonwealth.

A qualified taxpayer means a person responsible for and deriving income from: (i) growing fruits, vegetables, or other edible agriculture products; or (ii) raising beef, poultry, pork, fish, or other edible agriculture products. Who May Use Form 740-EZ—You may use Form 740-EZ if all five of the following apply:

- ✓ you were a Kentucky resident for the entire year;
- √ you are filing federal Form 1040EZ;
- ✓ your filing status is single;
- √ you do not claim additional credits for being age 65 or over, blind, or a member of the Kentucky National Guard at the end of 2015; and
- you had only wages, salaries, tips, unemployment compensation, taxable scholarship or fellowship grants, and your taxable interest was \$1,500 or less.

If you do not meet all five of the above requirements, see Form 740 instructions.

When to File—The 2015 Form 740-EZ must be postmarked no later than April 18, 2016, to avoid penalties and interest.

Social Security Number—You are required to provide your social security number per Section 405, Title 42, of the United States Code. This information will be used to establish your identity for tax purposes only.

COMPLETING FORM 740-EZ—For more information, see the General Instructions. You may also contact the Department of Revenue in Frankfort at (502) 564-4581 or a Kentucky Taxpayer Service Center.

Please print your numbers inside the boxes with black ink. Do not use dollar signs.

Political Party Fund Designation—You may designate \$2 of your taxes to either the Democratic or Republican party if you have a tax liability of at least \$2.

LINE-BY-LINE INSTRUCTIONS

Line 1—Enter federal adjusted gross income from Form 1040EZ, Line 4. (Do not confuse federal adjusted gross income with federal taxable income shown on the federal return.) If \$15,654 or less, see instructions for Line 7 and enter the decimal amount on Line 7.

If you are not required to file a federal income tax return, enter the total income from sources within and without Kentucky.

Line 2—The standard deduction of \$2,440 has been preprinted. If your itemized deductions exceed \$2,440, it will benefit you to file Form 740 and itemize your deductions on Schedule A.

Line 4—Compute your tax using the following tax rate schedule.

If taxable income is: Tax before credit is:

\$ 0 -	\$3,000	2% of taxable income
\$3,001 -	\$4,000	3% of taxable income minus \$30
\$4,001 —	\$5,000	4% of taxable income minus \$70
\$5,001 —	\$8,000	5% of taxable income minus \$120
\$8,001 —	\$75,000	5.8% of taxable income minus \$184
\$75,001 an	d up	6% of taxable income minus \$334

Example: (Taxable income) $\$8,500 \times 5.8\% - \$184 = \$309$

Note: An optional tax table is available online at www.revenue.ky.gov or by calling the Department of Revenue, (502) 564-4581.

Line 7—Family Size Tax Credit—For single persons eligible to file Form 740-EZ, Kentucky family size is one and Kentucky modified gross income is equal to federal adjusted gross income. A family size tax credit is allowed for single persons whose **Kentucky modified gross income** is not over \$15,654. If over \$15,654, you do not qualify for this tax credit. Skip Line 7.

SECTION B-PERSONAL TAX CREDITS

Line 1(a), Yourself—You are always allowed to claim a tax credit for yourself (even if your parent(s) can claim a credit for you on their return). On Line 1(a), there are eleven boxes under four separate headings. Always check the box under "Check Regular" to claim a tax credit for yourself. If 65 or older, also check the next four boxes on the line. If legally blind, also check the next four boxes on the line.

If you're a member of the Kentucky National Guard on December 31, 2015, also check the last two boxes on Line 1(a). Kentucky law specifically restricts this credit to Kentucky National Guard members; military reserve members are not eligible.

Line 1(b), Your Spouse—Do not fill in Line 1(b) if (1) you are single; (2) you are married and you and your spouse are filing two separate returns; or (3) your spouse received more than half of his or her support from another taxpayer.

Fill in Line 1(b) if you are married and (1) you and your spouse are filing a joint or combined return, or (2) if your spouse had no income or is not required to file a return. If you meet these criteria, check the first box on Line 1(b) for your spouse. If your spouse is 65 or older, also check the next four boxes. If your spouse was legally blind at the end of the taxable year, also check the next four boxes on Line 1(b). If your spouse was a member of the Kentucky National Guard on December 31, 2015, also check the last two boxes on Line 1(b).

Dependents—You are allowed to claim a tax credit for each person defined as a dependent in the Internal Revenue Code. Generally, dependents who qualify for federal purposes also qualify for Kentucky.

Line 2, Dependents Who Live With You

Use to claim tax credits for your dependent children, including stepchildren and legally adopted children, who lived with you during the taxable year. If the dependent meets the requirements for a qualifying child under the provisions of IRC 152(c), check the box; this child qualifies to be counted to determine the family size.

Dependents Who Did Not Live With You

Also use Line 2 to claim tax credits for your dependent children who did not live with you and to claim tax credits for other persons who qualify as dependents. **These dependents do not qualify to be counted to determine the family size**.

Children of Divorced or Separated Parents—Attach a copy of federal Form 8332 filed with your federal return. Children may only be counted for family size by the custodial parent.

Tax Credits for Individuals Supported by More Than One Taxpayer—Attach a copy of federal Form 2120 filed with your federal return.

Lines 3A and 3B, Dividing the Credits—Each taxpayer must claim all of his or her own tax credits including the credits for age and blindness. Therefore, if married, each spouse must claim at least one credit. However, spouses may divide tax

credits for dependents, or one spouse may claim all dependent credits and the other none.

Example I—A taxpayer who is 65 and a spouse who is 60 are filing separately on a combined return. The taxpayer must claim five credits (one regular and four for being 65 or older), and the spouse must claim one.

Example II—A taxpayer and spouse have two dependents. The taxpayer must claim his/her regular credit, and the spouse must claim his/hers. However, the two dependent credits may be claimed by either spouse, or each spouse may claim one.

For married taxpayers, each spouse must claim all of his or her own credits. Therefore, each spouse must claim at least one credit. Credits for dependents may be divided between the spouses, or one spouse may claim all the credits for dependents and the other none.

TIP—Multiply credits by \$10 and subtract from tax on page 1. The tax table and the tax rate schedule do not deduct for tax credits.

Remember to carry amounts from page 3, Line 4A and/or 4B, to page 1, Line 17.

SECTION C-FAMILY SIZE TAX CREDIT

Children may only be counted for family size by the custodial parent. Even if you have signed federal Form 8332 and may not claim the child as a dependent, you may count children who otherwise meet the requirements for the Family Size Tax Credit.

You must include in Section C the names and Social Security numbers of the qualifying children that are not claimed as dependents in Section B in order to count them in your total family size.

COPY OF FEDERAL RETURN

You must attach a complete copy of your federal return if you received farm, business, or rental income or loss.

The Kentucky Department of Revenue does not require copies if you filed Form 1040EZ or 1040A. Check the box on Form 740, page 3 if you are not required to attach a copy of your federal return.

SIGN RETURN

Be sure to sign on page 3 after completion of pages 1, 2 and 3 of your return. Each return must be signed by the taxpayer. Joint and combined returns must be signed by both taxpayer and spouse. Returns that are not signed may be returned to you for signature.

Please enter a telephone number where you can be reached during regular working hours. You may be contacted for additional information needed to complete processing your tax return.

Pension Income Exclusion Worksheet Column B Column A Step 1. Yourself Spouse a. Line 14, Health Insurance Premiums—Enter medical and dental insurance premiums paid for yourself, your spouse and your dependents. This deduction applies to premiums paid with after-tax dollars. Note: You cannot deduct on Line 14 insurance premiums paid with pretax dollars (cafeteria plans and vouchers already excluded from wage income) because the premiums are not included in box 1 of your W-2 form(s). Do not include long-term care insurance premiums included on Schedule M, Line 13. You may not deduct premiums paid on your behalf (advance payments) and you must reduce the amount you paid by the amount of health coverage tax credit. (See federal Form 8885.)

Line 15—Enter resident adjustment from Kentucky Schedule K-1. Partners, beneficiaries of estates and trusts and S corporation shareholders, see Kentucky Schedule K-1 instructions. Subtract the distributive share of net income from an S corporation subject to the franchise tax imposed under KRS 136.505 or the capital stock tax imposed under KRS 136.300.

A copy of the federal Form 4562 if filed for federal income tax purposes must be submitted with Form 740 to verify that no adjustments are required.

Reporting Depreciation and Section 179 Deduction Differences for Property Placed in Service After September 10, 2001

Create a Kentucky Form 4562 by entering Kentucky at the top center of a federal Form 4562 above Depreciation and Amortization. In Part I, Line 1 enter the Kentucky limit of \$25,000 and in Part I, Line 3 enter the Kentucky phase-out amount of \$200,000. In Part II, strike through and ignore Line 14, Special depreciation allowance for qualified property placed in service during the tax year.

Use the created Kentucky Form 4562 to compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001. **Note:** In determining the Section 179 deduction for Kentucky the income limitation on Line 11 is Kentucky net income before the Section 179 deduction instead of federal taxable income. **Attach the created Kentucky Form 4562** to Form 740 and enter the amount of Kentucky depreciation from Line 22 on Line 16.

Line 17—Enter Kentucky net operating loss calculated from prior years. Keep worksheet detailing the net operating loss claimed with your records.

Note: If your net operating loss occurred in 2015, complete Kentucky Schedule KNOL to determine the amount of your loss to be carried forward in future years. Any carry forward of a prior year loss claimed on Line 17 of Schedule M should be calculated using a worksheet. Keep a copy for your records and attach a copy to your return.

Line 18—Enter Kentucky domestic productions activities deduction. Beginning on or after January 1, 2010 limit the federal domestic productions activity by the six percent in lieu of the rate provided by IRC§ 199(a).

Line 19—Enter other subtractions from federal adjusted gross income not listed above (attach detailed schedule). Include:

- · income of active duty military pay;
- income received from the tobacco guota buyout;
- income received as a result of the MasterTobacco Settlement Agreement, the secondary settlement fund referred to as "Phase II";
- income received from the Tobacco Loss Assistance Program (TLAP);
- income of precinct workers for election training or working at election booths;
- · capital gains on property taken by eminent domain;
- passive activity loss adjustment (see Form 8582-K and instructions);
- income of a child reported on the parent's return;
- artistic charitable contributions (if you do not itemize deductions);
- the federal work opportunity credit used to reduce wages;
- at-risk limitations (see instructions below);
- qualified farm networking project differences per KRS 141.0101(15);
- differences in the gains (losses) from the sale of intangible assets amortized under the provisions of the Revenue Reconciliation Act of 1993;
- differences in gains (losses) from assets purchased after September 10, 2001; and
- income of military personnel killed in the line of duty.

Note: All income earned by soldiers killed in the line of duty is exempt from Kentucky tax for the year during which the death occurred and the year preceding the death. Federal and state death benefits payable to the estate or any beneficiaries may also be excluded. Additional information may be found in the General Information section of the instructions for Form 740.

Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year you dispose of assets placed in service after September 10, 2001, on which the 30 percent or the 50 percent special depreciation allowance or the increased Section 179 deduction was taken for federal income tax purposes, you will need to determine and report the difference in the amount of gain or loss on the assets as follows:

Create a Kentucky form by entering Kentucky at the top center of a federal Schedule D, federal Form 4797 and other applicable federal forms. Compute Kentucky gain or loss from the disposed assets using the Kentucky basis. Enter the difference in federal gain or loss and the Kentucky gain or loss on the appropriate line. Attach the *created* Kentucky Schedule D, Kentucky Form 4797 and other forms or schedules to support the deduction.

At-Risk Limitations—Federal/Kentucky income (loss) differences may create different allowable losses due to at-risk limitations. If you have amounts invested in an activity for which you are not at risk and used federal Form 6198, At-Risk Limitations, complete federal Form 6198 using Kentucky amounts to determine if the Kentucky allowable loss differs from the federal allowable loss. For a passive activity, use the Kentucky allowable loss to complete Form 8582-K. For all other activities (nonpassive), enter the difference as an "other addition" or "other subtraction" on Line 7 or Line 19.

Line 20, Total Subtractions—Add Lines 9 through 19. Enter on Line 20 and on Form 740, page 1, Line 8.

Instructions for Schedule A

Do not include on Schedule A items deducted elsewhere, such as on Schedule C, C-EZ, E, F or Kentucky Schedule M.

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Generally, if your deductions exceed \$2,440, it will benefit you to itemize. If you do not itemize, you may elect to take the standard deduction of \$2,440.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must also itemize. Married couples filing a joint federal return and who wish to file separate returns or a combined return for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each, or (b) file one Schedule A and divide the total deductions between them based on the percentage of each spouse's income to total income.

Limitations on Itemized Deductions for High-Income Taxpayers—If your adjusted gross income on Form 740, Line 9, exceeds \$184,000 (\$92,000 if married filing separately on a combined return or separate returns), your itemized deductions are reduced by the lesser of:

- (a) 3 percent of the amount by which your adjusted gross income exceeds \$184,000 (\$92,000 if married filing separately on a combined return or separate returns), or
- (b) 80 percent of your total itemized deductions except medical and dental expenses, casualty and theft losses, gambling losses and investment interest.

The limitations are computed on page 2, Part II, Schedule A (Form 740).

Lines 1 through 4—Medical and Dental Expenses

You may deduct only your medical and dental expenses that exceed 10 percent of Line 9, Form 740, but if you or your spouse was born before January 2, 1951, then you may only deduct your medical and dental expenses that exceed 7.5 percent of Line 9, Form 740. Include all amounts you paid during 2015 but **do not** include amounts which have been previously deducted; paid by hospital, health or accident insurance; or paid by your employer. Federal rules apply for reimbursement.

When you compute your deduction, you may include medical and dental bills you paid for:

Yourself.

All dependents you claim on your return.

Your child whom you do not claim as a dependent because of the rules for Children of Divorced or Separated Parents

Any person that you could have claimed as a dependent on your return if that person had not received \$4,000 or more of gross income or had not filed a joint return.

Examples of Medical and Dental Payments You MAY Deduct

To the extent you were not reimbursed, you may deduct what you paid for:

Medicines and drugs that required a prescription, or insulin.

Add parking and tolls to the amount you claim under either method.

The supplemental part of Medicare insurance (Medicare B). To claim these expenses, see instructions for Schedule M, Line 14.

You may not deduct payments for the following:

Elective cosmetic surgery.

Hospital, medical and extra Medicare B insurance. To claim these expenses, see instructions for Schedule M, Line 14.

The basic cost of Medicare insurance (Medicare A). (**Note**: If you are 65 or over and not entitled to Social Security benefits, you may deduct premiums you voluntarily paid for Medicare A coverage.)

Taxes paid by you for another person.

Motorboat registration fees.

Drivers' license fees.

Sewer assessments.

School taxes based on electric, water, sewer, gas and telephone bills.

Lines 10 through 15-Interest Expense

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 10—List the interest and points (including "seller-paid points") paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 11—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address of individual to whom interest was paid.

Line 12—List points (including "seller-paid points") not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following apply: (1) the loan was used to buy, build or improve your main home, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to buy or build the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to improve the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2015. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

If you are the seller, you **cannot** deduct the points as interest. Instead, include them as an expense of the sale.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 13, Qualified Mortgage Insurance Premiums-

Premiums that you pay or accrue for "qualified mortgage insurance" during 2015 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before

January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740, line 9, is more than \$109,000 (\$54,500 if married filing separately on a combined return or separate returns). If the amount on Form 740, line 9, is more than \$100,000 (\$50,000 if married filing separately on a combined return or separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Qualified Mortgage Insurance Premiums Deduction Worksheet

See the instructions for Line 13 above to see if you must use this worksheet to figure your deduction.

	A. Spouse	B. Yourself (or Joint)
 Enter the total premiums you paid in 2015 for qualified mortgage insurance for a contract entered into on or after January 1, 2007 	1	1
2. Enter the amount from Form 740, Line 9	2	2
Enter \$100,000 (\$50,000 if married filing separately on a combined return or separate returns)	3.	3
4. Is the amount on Line 2 more than the amount on Line 3?	ackin	
☐ No. Your deduction is not limited. Enter the amount from Line 1 above on Schedule A, Line 13.		
Yes. Subtract Line 3 from Line 2. If the result is not a multiple of \$1,000 (\$500 if married filing separately on a combined return or separate returns), increase it to the next multiple of \$1,000 (\$500 if married filing separately on a combined return or separate returns). For example, increase \$425 to \$1,000, increase \$2,025 to \$3,000; or if married filing separately on a combined return or separate returns, increase \$425 to \$500, increase \$2,025 to \$2,500, etc	4.	4
5. Divide Line 4 by \$10,000 (\$5,000 if married filing separately on a combined return or separate returns). Enter the result as a decimal. If the result is 1.0 or more, enter 1.0	5.	5
6. Multiply Line 1 by Line 5	6	
7. Qualified mortgage insurance premiums deduction. Subtract Line 6 from Line 1	7	7
8. Add Line 7, Columns A and B. Enter here and on Schedule A, Line 13		8

Line 14, Interest on Investment Property—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity or to securities that generate tax-exempt income.

Complete and attach federal Form 4952, Investment Interest Expense Deduction, to figure your deduction.

Exception. You do not have to file federal Form 4952 if all three of the following apply:

- (a) your investment interest is not more than your investment income from interest and ordinary dividends,
- (b) you have no other deductible investment expenses, and

(c) you have no disallowed investment interest expense from 2014.

For more details, see federal Publication 550, Investment Income and Expenses.

Lines 16 through 20-Contributions

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

Examples of qualifying organizations are:

Churches, temples, synagogues, Salvation Army, Red Cross, CARE, Goodwill Industries, United Way, Boy Scouts, Girl Scouts, Boys and Girls Clubs of America, etc.

Fraternal orders if the gifts will be used for the purposes listed above.

Veterans' and certain cultural groups.

Nonprofit schools, hospitals and organizations whose purpose is to find a cure for, or help people who have arthritis, asthma, birth defects, cancer, cerebral palsy, cystic fibrosis, diabetes, heart disease, hemophilia, mental illness or retardation, multiple sclerosis, muscular dystrophy, tuberculosis, etc.

Federal, state and local governments if the gifts are solely for public purposes.

If you contributed to a qualifying charitable organization and also received a benefit from it, you may deduct only the amount that is more than the value of the benefit you received.

Contributions You MAY Deduct

Contributions may be in cash, property or out-of-pocket expenses you paid to do volunteer work for the kinds of organizations described above. If you drove to and from the volunteer work, you may take 14 cents a mile or the actual cost of gas and oil. Add parking and tolls to the amount you claim under either method. (Do not deduct any amounts that were repaid to you.)

Note: You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. This substantiation should be kept in your files. Do not send it with your return.

See federal Publication 526 for special rules that apply if:

your total contributions exceed 50 percent of Line 9, Form 740.

your total deduction for gifts of property is over \$500,

you gave less than your entire interest in the property,

your cash contributions or contributions of ordinary income property are more than 30 percent of Line 9, Form 740,

your gifts of capital gain property to certain organizations are more than 20 percent of Line 9, Form 740, or

you gave gifts of property that increased in value, made bargain sales to charity, or gave gifts of the use of property.

Line 16—Enter all of your contributions paid by cash or check (including out-of-pocket expenses).

Line 17—Enter your contributions of property. If you gave used items, such as clothing or furniture, deduct their fair market value at the time you gave them. Fair market value is what a willing buyer would pay a willing seller when neither has to buy or sell and both are aware of the conditions of the sale. If your total deduction for gifts of property is more than \$500, you must complete and attach federal Form 8283, Noncash Charitable Contributions. If your total deduction is over \$5,000, you may also have to obtain appraisals of the values of the donated property. See federal Form 8283 and its instructions for details.

Also include the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Attach Schedule HH.

Recordkeeping—If you gave property, you should keep a receipt or written statement from the organization you gave the property to, or a reliable written record, that shows the organization's name and address, the date and location of the gift and a description of the property. You should also keep reliable written records for each gift of property that include the following information:

- (a) How you figured the property's value at the time you gave it. (If the value was determined by an appraisal, you should also keep a signed copy of the appraisal.)
- (b) The cost or other basis of the property if you must reduce it by any ordinary income or capital gain that would have resulted if the property had been sold at its fair market value.
- (c) How you figured your deduction if you chose to reduce your deduction for gifts of capital gain property.
- (d) Any conditions attached to the gift.
- (e) If the gift was a "qualified conservation contribution" under IRC Section 170(h), the fair market value of the underlying property before and after the gift, the type of legal interest donated and the conservation purpose furthered by the gift.

Line 18—Enter artistic charitable contributions. A deduction is allowed for "qualified artistic charitable contributions" of any literary, musical, artistic or scholarly composition, letter or memorandum, or similar property.

An amount equal to the fair market value of the property on the date contributed is allowable as a deduction. However, the deduction is limited to the amount of the taxpayer's artistic adjusted gross income for the taxable year.

The following requirements for a deduction must be met:

- (a) The property must have been created by the personal efforts of the taxpayer at least one year prior to the date contributed. The creation of this property cannot be related to the performance of duties while an officer or employee of the United States, any state or political subdivision thereof.
- (b) A written appraisal of the fair market value of the contributed property must be made by a qualified independent appraiser within one year of the date of the contribution. A copy of the appraisal must be attached to the tax return.
- (c) The contribution must be made to a qualified organization as described in this section.

Line 19—Enter any carryover of contributions that you were not able to deduct in an earlier year because they exceeded your adjusted gross income limit. See federal Publication 526 for details on how to figure your carryover.

Line 21 through 24—Casualty and Theft Losses

Line 21—Enter casualty or theft losses of property that is not trade, business, rent or royalty property. Attach federal Form 4684, Casualties and Thefts, or a similar statement to figure your loss.

Losses You MAY Deduct

You may be able to deduct all or part of each loss caused by theft, vandalism, fire, storm, and car, boat and other accidents or similar causes. You may also be able to deduct money you had in a financial institution but lost because of the insolvency or bankruptcy of the institution.

You may deduct nonbusiness casualty or theft losses only to the extent that the amount of each separate casualty or theft loss is more than \$100.

Special rules apply if you had both gains and losses from nonbusiness casualties or thefts. See federal Form 4684 for details.

Losses You MAY NOT Deduct

Money or property misplaced or lost.

Breakage of china, glassware, furniture and similar items under normal conditions.

Progressive damage to property (buildings, clothes, trees, etc.) caused by termites, moths, other insects or disease.

Deduct the costs of proving you had a property loss as a miscellaneous deduction on Line 27, Schedule A. (Examples of these costs are appraisal fees and photographs used to establish the amount of your loss.)

For more details, see federal Publication 547, Nonbusiness

Disasters, Casualties, and Thefts. It also gives information about federal disaster area losses.

Lines 25 through 31—Miscellaneous Deductions

Most miscellaneous deductions cannot be deducted in full. You must subtract 2 percent of your adjusted gross income from the total. Compute the 2 percent limit on Line 30.

Generally, the 2 percent limit applies to job-related expenses you paid for which you were not reimbursed (Line 25). The limit also applies to certain expenses you paid to produce or collect taxable income (Line 27). See the instructions for Lines 25 and 27 for examples of expenses to claim on these lines.

The 2 percent limit does not apply to certain other miscellaneous expenses that you may deduct. These expenses can be deducted in full on Line 32. The Line 32 instructions describe these expenses. Included are deductible gambling losses (to the extent of winnings) and certain job expenses of disabled employees. See federal Publication 529, Miscellaneous Deductions, for more information.

Instructions for Form 2210-K

Purpose of Form—Use this form to determine if you owe an underpayment of estimated tax penalty for failing to prepay 70% of your tax liability and/or interest for failing to make four equal estimated tax installments timely. You may be subject to one or both even if you are due a refund when you file your tax return.

Underpayment of Estimated Tax Penalty—You may be charged an underpayment of estimated tax penalty if you did not prepay 70% of your tax liability and you did not meet one of the exceptions listed in Part I.

Estimated Tax Interest—You may also be charged interest if you failed to make four equal installments timely pursuant to KRS 141.305. These payments are due by April 15, June 15, September 15 of the taxable year, and on January 15 of the succeeding taxable year. Failure to make these equal installments timely may result in interest due pursuant to KRS 141.985. The interest is computed separately for each due date.

Part I—Exceptions and Exclusions—The underpayment of estimated tax penalty may not apply if one of the exceptions listed in Part I is met. If you meet one or more of the exceptions, check the appropriate box(es), complete the lines associated with the exception and check the "Form 2210-K attached" box on Form 740, line 38a (Form 740-NP, line 38a). If none of the exceptions apply, go to Part II.

Part II—Figuring the Underpayment and Penalty—Only complete this section if the additional tax due exceeds \$500 and you do not meet one of the exceptions listed in Part I. Do not include amounts that were prepaid with extension or payments made after the due date of the fourth declaration installment. To avoid this penalty in the future, obtain and file Form 740-ES.

Part III—Required Annual Payment and Interest Calculation—This section is used to calculate your required annual payment. The required annual payment is used to calculate the amount of payment that you should have made each quarter. If you do not pay the required amount in each quarter, you will be subject to interest until that payment is made. You may not be required to pay estimated tax payments if you meet one of the following exceptions:

- Taxpayer died during the taxable year
- Declaration was not required until after September 1, 2015, and the taxpayer files a return and pays the full amount of the tax computed on the return on or before February 1, 2016.
- Two-thirds (2/3) or more of the gross income was from farming; this return is being filed on or before March 1, 2016; and the total tax due is being paid in full.
- Prepaid your last years tax liability with timely payments.

Lines 1–7—Calculates your required annual payment which is the lesser of your current years income tax liability or your previous years tax liability. If you have paid withholding that exceeds the lesser of the two, you do not owe interest and you do not need to complete the rest of the form.

Line 8—Multiply line 7, page 2, by 25 percent (.25) and enter amount in columns A through D. However, if your source(s) of income changed unexpectedly throughout the year or your income was received later in the year, the required number of installments may be fewer.

A taxpayer who is not required to pay estimated tax in four equal installments at the beginning of the year may be required to make installment payments during the remainder of the year. Refer to the payment due dates at the top of columns A-D to determine how many installments you are required to make based on when your income changed or was received.

If you are required to make 3 installments, multiply line 7 by 33.3 percent (.333) and enter in columns B through D.

If you are required to make 2 installments, multiply line 7 by 50 percent (.50) and enter in columns C and D.

If you are required to only make 1 installment, multiply line 7 by 100 percent (1.00) and enter in column D.

Line 9—Enter the sum of estimated tax payments made and Kentucky withholding for each quarter. If you have Kentucky income tax withheld, multiply the total by 25 percent (.25) and enter in columns A through D. If you had a credit forward from a prior year return, enter the total amount in Column A only.

Note: Complete lines 10 through 17 for Column A before going to Column B, etc.

Line 10—Enter amount from line 17 of the previous column. This amount should be the overpayment if any from the previous column.

Line 12—Enter amount from line 16 of the previous column. This amount should be the underpayment amount from the previous column that will be carried over to each column until the payment is made.

Line 16—This is the underpayment amount for that column and any underpayment from the previous columns. The underpayment will continue to carryover to the next column until the payment is made or the due date, whichever is earlier.

Figuring the Interest—Interest will be calculated on each underpayment in each column from the payment due date written above line 8 to the date on line 18 or the date the payment was made, whichever is earlier. The underpayments will carryover to the next column and be added to that columns underpayment to calculate interest on that balance.

Line 18—Use this date to calculate the number of days that the current interest amount will be based upon, unless the underpayment was paid prior to this date.

Line 19—This is the number of days from the payment due date shown above line 8 to the date the amount on line 16 was paid or the date shown on line 18 for the column in which you are calculating interest.

For example, if your underpayment on line 16 for column A is \$1,000, you would calculate the interest from 4–15–15 to 6–15–15 and enter 61 days on line 19. If this \$1,000 remains unpaid, it will be added to any underpayment in column B and you would calculate interest from 6–15–15 until 9–15–15 which would be 92 days for that period, etc.

Line 20—The annual interest rate is established by the Department of Revenue for each calendar year. The interest rate for calendar years 2015 and 2016 is 6 percent. The interest calculation for the required third installment payment may be calculated using two different interest rates.

Instructions for Form 8863-K

Purpose of Form—Use Form 8863-K to calculate and claim your 2015 education tuition tax credits. The education credits are: the American Opportunity Credit and the Lifetime Learning Credit. These credits are based on qualified undergraduate education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

Part I, Qualifications—All questions in Part I must be answered "Yes" to be eligible to claim the Kentucky education tuition tax credit.

Qualified Education Expenses—See the federal instructions to determine the qualified expenses for the American Opportunity Credit and the Lifetime Learning Credit. The allowable expenses may be different for each credit.

Eligible Educational Institution located in Kentucky—An eligible educational institution is generally any accredited public, nonprofit, or private college, university, vocational school, or other postsecondary institution. The institution must be eligible to participate in a student aid program administered by the Department of Education. The institution attended must be physically located in Kentucky to qualify.

Part II, American Opportunity Credit—You must enter the student's name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum amount allowed of \$625 for each qualifying student.

Part III, Lifetime Learning Credit—You must enter the student's name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum allowed of \$500 per return.

Part IV, Allowable Education Credits-

Line 12—Multiply Line 11 by 25% (.25). This is your tentative Kentucky allowable credit.

Line 13—Enter the tentative tax from Form 740 or Form 740-NP, page 1, Line 22.

Line 14—Enter the amount from page 2, Part V, Line 34. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

Line 15-Subtract Line 14 from Line 13.

Line 16-Enter the smaller of Line 15 or Line 12.

Line 17—Add Lines 14 and 16. Enter here and on Form 740 or Form 740-NP, Line 23. This is your allowable 2015 education credit.

Line 18—If Line 15 is smaller than Line 12, subtract Line 15 from Line 12. This is the amount of unused credit carryforward from 2015 to 2016. Maintain records for following years.

Part V, Credit Carryforward from Prior Years—The Kentucky education tuition tax credit can be carried forward for up to 5 years if unused during the preceding tax year(s). You must have completed Form 8863-K for any prior year(s) in which you are claiming a credit carryforward.

- waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- installment payments of delinquent taxes, interest and penalties;
- waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;

Guarantee—You have the right to a guarantee that DOR employees are not paid, evaluated or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.
